Let us be reborn

The main event of the Purification Azalea Festival of the Inheritance of Heavenly Fortune, the 'Holy Burning Ceremony for Restoration and Wishes' was held on the special stage prepared in front of the Jeongshim Won Prayer Hall with Heung Jin Nim and Dae Mo Nim and the 8 newly appointed Special Emissaries as well as Rev. Gyeong-suk Yu, FFWPU-Korea President, Rev. Yong-cheon Song, General President for Japanese Movement, 13 Regional Presidents and members of around 13,000 members.

The Holy Burning Ceremony for Restoration and Wishes is one of the important ceremonies only held once a year in Chung Pyung Holy Ground. Members who have been waiting for this ceremony had already reserved seats that filled the plaza around the Tree of Love well before dinner.

The ceremony was held in two parts. The first part was the opening with performances by the Little Angels Children's Folk Ballet of Korea. They danced with flower fans and sang 3 songs each in different languages. They truly created the atmosphere before holding an important ceremony.

With the strong opening remarks by Rev. Myeong-gwan Lee, Director for Education and Planning Team, Chung Pyung Heaven and Earth Training Center, fireworks burst into the sky and opened the part 2 of the main event. At the opening prayer, Rev. Song said, 'We are grateful to be able to hold this ceremony here at the restored and perfected Garden of Eden at Chung Pyung Holy Ground. Please listen to our hearts and grant our wishes and wash away our ancestor's sins. We ask for the guidance and embracing of the spirit world.'

The group SION from Japan sang the congratulatory song 'Jupiter' using the lyrics from 'Grace of the Holy Garden'.

After the congratulatory song the Words for Liberation and Practice was read by President Rev. Yu who symbolized the attendant to the gate of heaven. The Words for Liberation and Practice is a piece of True Parents' prayers related to the Fulfillment of Wishes Papers.

Representing True Parents Heung Jin Nim, the commander-in-chief of the spirit world and Dae Mo Nim took the time to receive the Fulfillment of Wishes Papers and offer it to Heaven. 12 leaders representing Korea, Japan and International entered the stage with the box full of Wish Papers and offered it to Dae Mo Nim which was then passed to staff who placed it inside the Holy Burning Platform.

The boxes are filled with Fulfillment of Wishes Papers that were offered by the members during this Purification Azalea Festival and other Wish Papers that were offered in the past year.

4 Regional Presidents (Rev. Yeong-shik Ahn, Rev. Dong-mo Shin, Rev. Jeon-hwa Jeong, Rev. In-seong Kwon) received the holy fire by Dae Mo Nim through her holy candle and lit the platform. The platform instantly was engulfed by flame burning the Wish Papers.

Looking at the Wish Paper being burnt the blessed families offered a prayer of sincere wishes and gratitude. The Holy Burning Ceremony for Restoration and Wishes reached its peak atmosphere.

It was a time of blessing for members to be reborn from the past sins of jealousy, hatred, greed, falseness and fallen nature.

There was also a time to offer a prayer for the 2nd generation, Yeong-un Kim, who lost her life with 300 others at the sinking of the Sewol Ship.

The Holy Burning Ceremony for Restoration and Wishes was ended by 3 cheers of Eog-mansei by Rev. Eiji Tokuno, President of FFWPU-Japan.

The Holy Burning Ceremony for Restoration and Wishes is a time to receive the grace of granting once wish and at the same time receive a great grace of expunging the past records of sins of our blessed ancestors. This ceremony is held once a year in Chung Pyung during the Purification Azalea Festival.

Words of Liberation and Practice

We ask you to understand the importance of the name 'True Parent'. It is the body that could liberate the resentment of our Father, it is the center of the fulfillment of wishes for humankind, the True Parents who are the origin of the appearance of the ideal world cannot change the given history and at the same time we also must engrave it in our hearts that we cannot change the children that were given to us.

We must engrave that the ideal of True Parents is in our body. The Will of True Parents is for the salvation of this world. We also know that the ideal of True Parents is to leave behind the establishment of the future and historical traditions.

They are the Parents of Day, Parents of Night, Parents of Solitude, Parents of Happiness, Parents of Heaven and Earth,

When our sincere hearts of 'We serve our Parents and live for thousand and millions of years' becomes our life and habit, it will touch the hearts of many people and

Touch the hearts of humankind. This holy content does also exist here so knowing this we will try to substantialize this, make it stronger and move forward even greater. Let us become such precious sons and daughters of the Heavenly Parent.
