Inviting the Africa leaders to Chung Pyung Holy Ground

After completing the tour in Brazil and Japan Heung Jin Nim and Dae Mo Nim continued their Speaking Tour to Africa from June 22 to July 2 for 11 days.

This was their 3rd to visit Africa after visiting in 2007 and 2008 for holding the 'Special Workshop for the New Beginning for Cheon Il Guk Blessed Families'. This time they visited Rwanda Assembly (around 600), Congo Assembly (around 2,200), and Benin Assembly (around 1,700) and more than 4,500 blessed couple from around Africa gathered to attend the Chung Pyung Workshop.

Following a normal Chung Pyung 2-day Workshop program the participants attended the Chung Pyung Special Lecture, Chanyang Yeoksa (Holy Song Session), Dae Mo Nim's Speech, Ancestor Liberation Ceremony and Ancestor Blessing Ceremony, Prayer-Wish Ceremony for Restoration and Entertainment. It became a very wonderful time for the African members to fully receive the grace of attending Chung Pyung Workshop.

Dae Mo Nim connected the flight 8 times and flew more than 50 hours to visit the 3 nations and also visited villages to convey heaven's heart and share love and told the members that we are one family under Heavenly Parent.

Heung Jin Nim and Dae Mo Nim promised to liberate the Rwanda church leader and his wife as well as the 1 million Rwandans who were massacred at the end of 1994 and also promised to fund in building a new church in Rwanda with the donations that was gathered during this Africa Speaking Tour.

There was a special grace during this Africa Speaking Tour where Dae Mo Nim would come out and remove evil spirits from the members during Chanyang Yeoksa. At Congo Heung Jin Nim and Dae Mo Nim met a member who became a congressman with Korea's Se-maul campaign (*1) and shared the blessing.

At Benin, a Chanyang Team was recruited centering on the 2nd generations and they practiced for more than a week. Dae Mo Nim also visited 'Gate of No Return' the remains of a place once called the slave coast where many slaves were sold and removed many resentment around the area. She also visited blessed families who live in a village that makes a living on water.

Heung Jin Nim and Dae Mo Nim visited Africa to restore their hearts and healed sickness of many members. Also through this Speaking Tour Heung Jin Nim and Dae Mo Nim invited all Church Leaders and their wives of 49 nations of African Region to Chung Pyung in August to attend a 40-day workshop.

(*1)-Se-maul campaign is a campaign used by the Korean government to modernize the rural areas of Korea.
