Annyeonghaseyo. What day is today? It is the Coming-of-Age Ceremony, a day to become an adult. From this day onwards, after becoming an adult your lives must change from the past.

For several years True Father kept on saying, "You must organize the Coming-of-Age Ceremony. After they attend the Coming-of-Age Ceremony the 2nd generations can become adults with a sense of responsibility in every aspect of their life and in the providence." True Father, with a rushing heart, held the Coming-of-Age Ceremony at Chung Pyung had and allowed of conducting the Holy Water Ceremony and the benediction.

Heavenly Parent who wished us to live with happiness and joy

Until now the Coming-of-Age Ceremony was conducted and through having this Coming-of-Age Ceremony the lifestyle and attitudes of the 2nd generations had changed. You have to properly understand what it is to be a 2nd generation. Heavenly Parent first made this physical world and then the human beings so that all humanity could live with joy and happiness. Who are the first human beings? It is Adam and Eve. He made them truly beautiful. And He wished for Adam and Eve to mature beautifully.

Who helped Heavenly Parent to create the physical world and human beings? It was the angels. It was Lucifer who was the center of those angels. When Heavenly Parent created this universe Lucifer was there to help. Heavenly Parent wished Lucifer, who knows the heart of Heavenly Parent, to share the heart of Heavenly Parent to Adam and Eve as he was raising them.

With what kind of heart and through so much hardship. When you go to the spirit world training center you are able to see each scene of creation. That is how Lucifer explained it to Adam and Eve as if he would read a tale.

The Reason of Fall is Excessive Desire and Feeling of Less Love

However, desire emerged in the heart of Lucifer. For Heavenly Parent to create the physical world and human beings He needed the help of angels. That is why, before the creation of Adam and Eve He called the name of Lucifer the most, who was also the central figure among the angels. He continued to say, 'Lucifer help me with this. Lucifer work with the other angels to do this.'

However, after creating Adam and Eve Heavenly Parent often called the name of Adam and Eve. That is why Lucifer started to think, 'Why is Heavenly Parent only calling the names of Adam and Eve when He would always call my name?' and started to feel less love from Heavenly Parent. He didn't think, 'It is because they are the children of Heavenly Parent.' As a result, the feeling of less love and excessive desire lead to the fall of Eve. Then what was created as a result? The original sin.

Originally, Adam and Eve were to mature and receive the blessing from Heavenly Parent. At that time, the angels were in a position of servants for human beings so Heavenly Parent made the angels to take care of them. Lucifer had to understand the heart of Heavenly Parent and support Adam and Eve to mature beautifully and receive the blessing. However, he couldn't do this.

That is why they had fallen before receiving the blessing. They ate the fruit at a time that they shouldn't have had eaten. Therefore, the original sin, hereditary sin, collateral sin, individual sin and the fallen nature was born. Then what is the excessive desire and feeling of less love? It is fallen nature. Human history began from fallen nature.

Satan that intervenes the Providence

After the fall of Adam and Eve, although it had improved through the time of Cain and Abel, Esau and Jacob but human beings started to live in the spiral of misfortune by the original sin, hereditary sin, individual sin and fallen nature.

So how do you think that Heavenly Parent would feel? The purpose of creation of human beings is good, joy and happiness but He was at pain seeing the human beings living in unfortunate lives and pain without choice. Your parents would also be happy if you had grown really well. However, if you didn't listen to what they say and live a lazy life they would also feel the same pain as Heavenly Parent. Heavenly Parent had lead the providence through central figures. He didn't suddenly start the providence in this time but it had begun from the time of Cain and Abel, Esau and Jacob, Noah, Abraham, Moses and Jesus.

However, Satan had done his acts of evil at each time. How did he do his deeds? He did it through fallen nature; suspicion, jealousy, rage, hatred, falseness, desire, thought of 'me', arrogance, and complaining. That is how Satan intervened and prevented the providence from succeeding.

Each time the central figures failed due to fallen nature or the close people such as disciples had failed their responsibility and lead to the multiple failures of the history of providence.

True Parents who lament each minute and second

Human beings must understand the characteristic of Satan. Satan and evil do their works through fallen nature. You are able to put the fallen nature away as you know the principle and Words of God.

What did True Parents say? He said, "You must live with True Love and live with absolute faith, absolute love, and absolute obedience and become one heart, one body and one mindset with True Parents." And that is how he educated your parents. The longest Hoon Dok Hae that True Parents had conducted until now is 23 hours. It started from 5 o'clock in the morning and ended at 4 o'clock in the following morning. When I look back at it today it hurts me. Why? Because True Father before he seonghwaed he said the following words. It was hard for us to watch over him. He would not eat food, not go to the bathroom and drink any water. It was very hard for us to witness this. Then we finally said, 'Father, it's now this time of the day. Let's finish now' and True Father replied, "If I don't educate them then who will? I am doing my best to convey words for more hours and more words".

Indemnity Condition to clear the Original Sin

Your parents walked the path of indemnity and came to this position today. True Parents cleared the original sin of the 1st generation who accepted the principle and Words of God. Original sin is a greater sin than hereditary sin, collateral sin, individual sin and fallen nature. Originally, Jesus said as he went, 'I will come back soon'. So the human beings had to remove their hereditary sin, collateral sin, individual sin, and fallen nature and welcome True Parents of Heaven, Earth and Humankind who is the Messiah and be prepared to clear their original sin. However, this didn't happen.

That is why True Parents had to offer much indemnity conditions. If he had cleared people's original sin without clearing the other sin Satan and evil would not let it happen. They would make accusations. They would accuse Heavenly Parent saying why would you clear the original sin of human beings who still have sins? That is why True Parents had offered unimaginable indemnity conditions for you.

Recently, True Mother shed tears and said, 'No one knows how much indemnity conditions True Parents had to offer so that you could get blessed!' True Father is a man so he bestowed many words instead of shedding tears. However, True Mother would remember those times and shed tears. That is how your parent's original sins were cleared. He had put your parents in a position to remove hereditary sin, collateral sin, individual sin and fallen nature with absolute faith, absolute love and absolute obedience.

To the 2nd and 3rd Generation who will develop the Cheon Il Guk Culture

The life centering on the principle and the Word is here and your life is over here. In which position are you in? In a position that Satan likes you to be. Every time I see you who likes to run after the culture of the society your parents would have gotten angry. They probably got angry thinking, 'When I was at your age I discovered the principle and Word and started a life living centering on God's Will'. If they get angry can your father and mother become one? No, they cannot. The situation becomes where whatever small mistake your mother makes your father gets angry and vice versa.

Right now, we have many multicultural families in Japan and Korea. There many difficult issues exist. True Parents of Heaven, Earth and Humankind gave the blessing to liberate the past wrong doings of your ancestors by giving a blessing to Interracial couples. However, for the 2nd and 3rd generations in Korea who will go to school and out to the society are living in Korean culture. But when they come back home what culture do they face? It is a Japanese culture or another foreign culture. That is why you will experience troubles. In the Family Pledge it is written to center on a true family but the reality is opposite.

As you, blessed children without the original sin, attend the Coming-of-Age Ceremony you have to start living a life where you can engraft your culture to your friends in the society. The wild olive tree cannot be engrafted on to the true olive tree. The true olive tree has to go to the wild olive tree and engraft the True Words and the Words of True Parents of Heaven, Earth and Humankind. Don't you have to develop the culture of Cheon Il Guk? From now, you have to do your best so that your parents could live their lives with happiness. You have to change.

In order to create a True Family

After you return home you must go to church and study really hard in order to create a true family. You mustn't drink alcohol, smoke cigarettes and do drugs because you don't have the original sin. It's actually a problem to be talking about this at this kind of ceremony. If you were 2nd generations who followed that principle then I wouldn't have to had mentioned it here. You mustn't drink alcohol, smoke cigarettes, and do drugs. And before receiving the blessing you cannot go out and make girlfriends and boyfriends. What happened to Adam and Eve? They fell before they received the blessing. You cannot take off your clothes in front of the other gender other than your loving husband or wife and show your body before the blessing.

What did True Parents say? To whom does the body of a man belong to? It belongs to the wife. The body of the wife belongs to the husband. It doesn't matter if even Satan tried to come to you and take off your clothes you cannot take it off before you receive the blessing.

Your parents held the offering ceremony on the 8th day after you were born. You cannot forget that you are the children of Heavenly Parent and True Parents of Heaven, Earth and Humankind.

Please believe 100% in the Words of True Parents and fulfill your filial piety as sons and daughters and establish our culture on earth with absolute faith, absolute love and absolute obedience. Now you know that the Coming-of-Age Ceremony is such an important day of your lives. Let's express our gratitude to True Parents of Heaven, Earth and Humankind who prepared this place for us. I would like to end my speech by wishing you to become proud 2nd and 3rd generations who will have greater life of faith. Gamsahamnida.
