The 'Grace of the Blessing of All Things' is being prepared during the '2014 Autumn Chung Pyung Special Great Works' which will be held from October 24 to 26.

Rev. Yeong-ho Ha, the President of Chung Pyung Heaven and Earth Training Center, explained about the grace that can be received through the Prayer at the Tree of All Things that is planned to be held in the evening of the 25th during his lecture at the 1239th Chung Pyung 2-day Workshop.

'Blessing of All Things is one of the 3 great blessings that Heavenly Parents bestowed us and it is about the grace concerning the 'finance'. How can we fulfill to complete this '3rd Blessing'.

First, we must love All Things of Creation with the Shim Jung (Heart) of the Heavenly Parent, the Lord, and have ownership.

Standing in the position of a 'manager' of this training center I researched a method of using only one sheet of paper to dry my hand after washing it in the bathroom. First I would wash my hand and then brush off the water by wriggling my hands. This makes it possible to use only one sheet of paper.

If resources are wasted then the All Things will be in pain and then you must start thinking how much pain and sorrow the Creator, our Heavenly Parent, would be in.

At the place where you become one in heart with the Heavenly Parent, you must repent on your wrongful actions towards the All Things of Creation until now and have a new resolution and a promising heart. That is the mindset that you should have when you start praying at the Tree of All Things.

When you start becoming one in heart and enter the direct dominion of Heavenly Parent you are able to stand in the position of receiving the Blessing of All Things.'

Then Rev. Ha emphasized, 'You must prepare yourself to center on True Parents of Heaven, Earth and Humankind.'

'Even though our physical body roots to our parents and ancestors, we have to start thinking, 'True Parents of Heaven, Earth and Humankind are the roots to my lineage, life and love and it was then reborn under the ownership of the Heavenly Parent'. Through this mindset we must enter into the realm of absolute faith, absolute love and absolute obedience.

When we are able to stand in this position, we are able to understand the love that True Father has for the all things of creation and thus, we are able to enter his realm of heart.

Whenever True Father stays at a hotel he would use only the smallest towel, hand towel, to wipe his body by squeezing out the water many times. He would never use the big towel. This is the lifestyle of not wasting resources.

When True Father was imprisoned at the Hungnam prison from 1948 he received one apple from the prison. Others would eat it within 3 minutes but True Father invested his time in understanding the magnificence of the Creation by the Heavenly Parent. He immersed himself in the deep world of Heavenly Parent's heart.

"How can a beautiful, tasty apple be created from water, dirt, air and sunlight", "So much effort must have been put in to create this apple by the Heavenly Parent" are the thoughts that you should have when you attend this apple. So much joy will burst if one is loved and cared with these thoughts.

With the heart of going to eat the first spoon of porridge after a 7 day fasting and a heart of gratitude towards the food that we eat these food will get into our body and make sure that we will be healthy.

We shouldn't be complaining of our financial difficulty but remember the thorny and difficult path that our Lord of the 2nd Advent had went through. If you are able to stand in the position of repenting that we could not fulfill our responsibility then we are able to remove the fallen nature of greed towards material but stand in the position of receiving the blessing of all things.

The 2014 Autumn Chung Pyung Special Great Works will remove our fallen nature and clear any difficult spiritual background. Please believe that great things will happen after you pray at the Tree of All Things as we become one in heart with the Heavenly Parent and True Parents of Heaven, Earth and

Humankind.'
