The '2014 Autumn Special Great Works' began from the first day of the ninth leap month of the 2nd Year of Cheon Il Guk, (October 24) at 6:30 am at the Jeongshim Won (Prayer Hall). It marked the beginning of a great works full of blessing and grace.

The Jeongshim Won was filled with members from around the world. There were so many that for those who arrived late had to stand outside for the Starting Prayer.

There were members of around 350 members from Thailand and Philippine who were invited by True Mother to attend this Chung Pyung Special Great Works. These members were invited by True Mother after having victory for witnessing 430 blessed couples as tribal messiahs.

The starting prayer began by Rev. Myeong-gwan Lee, Director for the Department of Education and Planning, with Heung Jin Nim and Dae Mo Nim. After singing the Cheon Il Guk anthem, offering a bow and reciting of the Family Pledge a representative prayer was offered by Rev. Yeong-ho Ha, President of Chung Pyung Heaven and Earth Training Center.

Rev. Ha said, 'I express my gratitude to lead us as we believed in the Heavenly Parent, True Parents of Heaven, Earth and Humankind, Heung Jin Nim and Dae Mo Nim. How can we know the pain and suffering road that Heavenly Parent and True Parents of Heaven, Earth and Humankind had to go through to find us?'

Then Heung Jin Nim and Dae Mo Nim came to offer her words.

Dae Mo Nim said that we must learn from the beautiful nature and gain from it.

'I've did my best to create this place beautiful as heaven. As we look at the beautiful trees growing nicely we too should have a heart of gratitude as we see this beautiful nature. We need this good desire. We have to become filial sons and daughters who can remove fallen nature. We have to live a life so that we could meet with the great title 'Blessed Family'.

Then Heung Jin Nim and Dae Mo Nim continued with the meaning of conducting the Special Holy Burning Ceremony.

'The Special Holy Burning Ceremony will be held right before the Prayer at the Tree of All Things and it has a grace of sanctifying us. At the Special Holy Burning Ceremony the absolute good spirits will liberate the resentful spirits that prevent us from receiving the blessing of all things and sanctifies us so

that we could fulfill the 3 great blessings which was bestowed to us by the Heavenly Parent.

I offered conditions so that this blessing could be bestowed. So that is why True Father is able to give great grace and blessings.

The starting prayer is a time of reporting the beginning of the great works. This offering a report whenever we start something must become our habit.'

Believing and expecting great grace for this Special Great Works the members offered a sincere unison prayer.

This Autumn Chung Pyung Special Great Works will have Dae Mo Nim's words and the Unification Sports Festival on October 25 and after the evening Chanyang Session the Special Holy Burning Ceremony and the Tree of All Things Prayer will begin from 9:45 pm.

On the 26th of October the Global Worship will be held at the CheongShim Peace World Center with True Mother. At this time we have the grace of listening to True Parents' words.

Just before the 3rd Anniversary of True Father's Seonghwa and the 20th Anniversary of Chung Pyung Works, through the amazing works of the Heavenly Parent, True Parents of Heaven, Earth and Humankind, Heung Jin Nim and Dae Mo Nim, we will resurrect our hearts, fill it with love and be granted of our wishes. Amazing miracles will happen!
