*Father and Mother Moon Proclaim 4.4 Jeol*

By combining together the numbers for the date 1,9,9,8,9 and 8, it adds up to 44. According to Unificationist theology, the number 4 has become a significant number in the dispensation to break Satan's dominion of the four-position foundation and return it back to the heavenly side. For that reason, True Parents have declared 4.4 Jeol, which has restored and established the perfection number of the four-position foundation of heaven, the perfection number of the four-position foundation of earth, plus the first generation- and second-generation four-position foundations. The installation of 4.4 Jeol means that God will be able to perform substantially His works of omnipresence, omniscience, and omnipotence. Heaven's side will be able to directly attack and judge Satan's side.

*Soccer Legend Pele sent his condolence for Rev Sun Myung Moon Passing.*

Pele, the soccer hero of Brazil, sent the following condolence for the passing of Rev. Sun Myung Moon, attracting the attention of many: "I am deeply sorry to hear about the passing of Rev. Moon. After meeting three former popes and former presidents of various nations including President Nelson Mandela, I had an opportunity to meet with Rev. Sun Myung Moon and the peace movement in Korea. He said to me that, since football is the largest organization in the world and a very important means of propagating the message of peace, I hold a great responsibility. I hope that, just as Rev. Moon had endeavored to bring about peace, his cooperators and his followers will continue to work for peace."

*Rev. Moon's Family Responds by Letter to Nan Sook Hong's Book.*

The Unification movement as a whole responded to the situation of Rev. Moon's ex-daughter-in-law's tell-all publication in several specific ways. Rev. Moon's third son, Hyun Jin Moon, who had been recently inaugurated as Vice-President of the Family Federation for World Peace and Unification (FFWPU) International, sent a letter addressed to all members on September 9th that was intended to share "the heart and spirit of my family." He stated that they considered "Nan Sook to be part of the family...[and for others] to not criticize her, even though we do not agree with what she sets forth in the book...[and] are ready to take care of unresolved problems and... would like Nan Sook to be part of the healing process." The following day, HSA Headquarters sent a letter to members intended to help them respond to issues raised by the book. The letter outlined the movement's position on personal and marital abuse, financial accountability, issues of political power, religious freedom, the teaching and practice of family values, and lifestyle issues. Finally, though declining to speak with media representatives, Rev. and Mrs. Moon submitted a brief statement to "Sixty Minutes" stating in part: "We commiserate with Nan Sook over the suffering arising from the tragic personal problems our son has faced. We, as parents, feel a deep sense of responsibility."

*Father and Mother Moon hold 9.9 Jeol Liberation Ceremony of the Cosmic Unification*

The 9.9 Jeol, which True Parents declared as a new holy day, has the meaning of creating a connecting point between the Declaration Day of the Realm of Cosmic Sabbath for Parents of Heaven and Earth (7.8 Jeol) and the Proclamation of the Celebration of Cosmic Victory. Moreover, by passing beyond the number 9, which Satan possessed and by establishing a border which Satan cannot go beyond, Hell on earth and in the spirit world can be removed and the entrance into the era of liberation of the ideal age of the Kingdom of God on earth and in heaven will begin. On this day, True Parents emphasized that the realm of living together, sharing joy and our inheritance will be realized when we love with absolute, unique, unchanging and eternal love, with absolute True Love.

In recognizing this day, True Parents made a proclamation establishing Heung Jin Moon (Rev. Moon's second son, deceased) in the position of son of God of Family Salvation, established Choong Mo Nim (Mother Moon's physical mother) in the position of a mother who has accomplished all ideals of indemnity of Adam's family in the original world, and established Dae Mo Nim (Hyo Nam Kim, physical embodiment of Choong Mo Nim) in a position to determine the standard of the Spiritual Parent (Holy Spirit) at the time of Jesus

Father Moon proclaimed 3.10 Jeol in the name of Jehovah at 10 minutes and 10 seconds past 10:00 a.m. on September 10, 1999 in Kodiak, Alaska. The meaning of 3.10 Jeol is that, on the foundation of Father's declaration on the "Declaration Day of the Realm of the Cosmic Sabbath for Parents of Heaven and Earth" and 9.9 Jeol, all numbers from 1-10 have been restored as heaven's numbers. Father Moon said that since all numbers from 1-10 have been restored to God's side, God is now able to freely, and from a spontaneous position, superintend the original world of creation by numbers.

*Members of Congress Invite True Father to speak on Capitol Hill*

All Members of Congress received the following invitation:

"Dear Colleague: The United States today is in need of strong moral leadership. The great moral and spiritual values upon which this nation was founded must be renewed at all levels of American society. Moreover, our nation seeks a clarification of its national identity and the role it must play as the leading nation of the free world.

Many of us have been impressed with the work of the Reverend Sun Myung Moon from Korea. We well remember the three days of prayer and fasting on the Capitol steps conducted by young people last month, in which they sacrificed food and rest to ask God's guidance for each of us on the critical decisions we were facing at that time. Beyond the exuberance and dedication of those young people is a deep concern for America and a fresh new vision of America's role in God's providence, which stems from the teaching of Reverend Moon.

We in the Congress now have an opportunity to hear the message of this dynamic man. He will speak Tuesday morning, October 8, 1974, in Room 1202 Dirksen Senate Office Building. Topic: "America in God's Providence."

You and your staff are invited and we sincerely hope you will attend. The meeting will begin at 3:30 p.m., and before the meeting coffee, tea and sweet rolls will be served. ) With all good wishes, signed by: Senator John Sparkman, Congressman Robert L. F. Sikes, Congressman O.C. Fisher, Congressman Bob Wilson, Congressman Tim Lee Carter, Congressman Robert H.

Michel, Congressman John E. Hunt, Congressman Barber B. Conable, Jr., Congressman Bill Chappell Jr., Congressman Charles W. Sandman, Jr., Congressman Goodloe E. Byrne, Congressman Mansel Lujan, Jr., Congressman C.W. Bill Young.
