

# The Cheon Il Guk Constitution

**Church law to actualize God's peaceful ideal world**

## Preamble

The Nation of Cosmic Peace and Unity (hereafter “Cheon Il Guk”) is the world where all human beings, both in the physical world and the spirit world, live in attendance to God as their Parent, under the ideal of One Family under God. At the beginning of time, God envisioned Cheon Il Guk when He created men, women and all things, but His dream was left unfulfilled due to the Fall of the first human ancestors. Therefore, despite the pain and bitter sorrow in His heart, He has been leading the providence of restoration.

After passing through the greatly prolonged providential history of restoration, God sent the Reverend Sun Myung Moon to the earth as the Savior, Messiah, and Returning Lord and, with Dr. Hak Ja Han Moon, the True Parents of Heaven, Earth, and Humankind (hereafter “True Parents”). True Parents recovered the lost Word of God and proclaimed it to the entire world. They fulfilled the ideal of all religions, secured God’s true love, true life and true lineage throughout the cosmos, and bequeathed them to us for eternity. True Parents' course is a treasure house of victories achieved in heaven and earth through unfathomable sacrificial indemnity and devotion; as such it is the model of life that all people should follow.

The True Parents, after achieving complete and ultimate unity, fulfilled, completed, and concluded their mission and attained the status of the eternal King and Queen of Peace of Cheon Il Guk. On the thirteenth day of the first month by the heavenly calendar in the founding year<sup>1</sup> of Cheon Il Guk, they proclaimed Foundation Day, the beginning of Cheon Il Guk in substance.

This Constitution is enacted to provide the church norms that serve all the people of Cheon Il Guk. It contains principles, norms and guidelines by which to embody the substantial Word, as True Parents did throughout their lives, and to establish and complete Cheon Il Guk through a practical and universal system of daily life, of family, and of churches on the national and global levels.

This Constitution seeks to bring unanimity in a world of peace composed of ideal families attending God and True Parents, based on the culture of heart that blossoms out of true love that transcends religion, nation, race and gender.
