Re. : Urgent Memo Regarding the Cheongpyeong Training Center's Workshop Schedule in Response to MERS

May our Heavenly Parent and True Parents' blessings and love be with all regions and leaders in the mission fields.

Due to concerns about the spread of the Middle East Respiratory Syndrome (MERS), the Korean government and society at large are refraining from hosting large events. A certain hospital in Seoul provided a tepid response to the MERS outbreak, leading to various problems. In order to prevent the worst from happening and to march in step with current government endeavors, the Cheongpyeong Heaven and Earth Training Center would like to temporarily defer all workshops in accordance with the details provided below. Please prepare accordingly.
