May our Heavenly Parent and True Parents' blessings and love be with all regions and leaders in the mission fields.

An exhibition under the title, "True Parents' Providence and Footprints Centered on Japan" is being prepared at Cheon Jeong Gung Museum as part of the commemoration of the Third Anniversary of True Father's Seonghwa and we would like to ask for your cooperation in the following matter:

Many Japanese sisters were dispatched to different countries as missionaries during the early days the church endeavored to establish a mission foundation worldwide. We would like to exhibit how our Japanese missionaries overcame their difficult environments and how much effort they invested to maintain their connection with Heavenly Parent and True Parents in the process. Hence, we are in need of materials or images that can show their efforts and dedication. We hope that this becomes an opportunity to once more report to True Parents how much our missionaries invested to fulfill their national mission and for the many members that come on pilgrimage to Cheon Jeong Gung to be able to sympathize with this mission and the efforts invested in it.
