[Sports Chosun] Summer Vacation Plans, The Ocean Resort, ‘Golf + Water Activities’

In addition to fine dust, the summer heat has come early this year, making it very suffocating. That said, we are eager to get away and vacation to get rid of stress in a pristine location with clean air and water.

However, there’s a dilemma. The father, mother and child often have different ideas for fun and leisure. The father wants to golf. The mother wants to read a book while relaxing on a lounge chair on a sun-warmed beach, while the child obviously wants to splash and play in the water. There is a quick solution to this, though; and you can find it all at The Ocean Resort in Yeosu.

The Ocean Resort is located in Hallyeosudo, Yeosu, right on the Gamak Bay Sea, a magnificent jewel of nature. It is the largest seaside resort near the south shore of Korea, including a large-scale indoor and outdoor water park that can accommodate up to 7,000 people, as well as a five-star hotel with 137 rooms and 128 condos. There is also The Ocean Country Club, which runs along the serene coastline. Additional facilities include a banquet and convention hall, which can hold international conferences and much more...
