Blessing Couples at an Indoor Swap Meet

This past weekend Leslie Rigney, Stephen and Hisae Childs, Lydia Compton, Susana Pearson, Andy Shoultz, Ernesto and Mrs. Gomez, Hilde Wieman, Keiko Wilhelmer and a few others witnessed and Blessed many couples at an indoor swap meet.

The plan is to have Cheonbo Couples there to help with the Blessings and our members will be able to come to an air conditioned environment to meet, share, Bless and build their very own Cheonbo Family.

Please see and speak to any of these families for more information.

BCSF Kickoff Fundraiser

The Sin City Saints LVHC BCSF team fundraised on Sunday July 30th after the Sunday Gathering. Led by Ohichi Watanabe, the team raised over \$1,400, which is enough to pay for uniforms and meals at UTS for all the members. It was comforting to see how much the community supported and loved this team. On that day, a new community member decided to join the team! Go Sin City Saints!

Shine City Project help Spread the Word!

On June 15, 2023, Shine City Project helped to clean books with Spread the Word Nevada! Spread the Word Nevada is a nonprofit corporation dedicated to advancing early childhood literacy by providing books for children and households located in at-risk, low-income neighborhoods in Nevada. Since 2001, they've been able to distribute over 7.1 million books to 790,025 students in both Northern and Southern Nevada. On average, that's 60,000 books for students each month!

For this Thursday evening, we had nine Shine City Project volunteers who came to help out! For the book cleaning, we had various tools at our disposal—a wet and dry cloth, plastic scraper, permanent marker, scissors, tape, erasers, and some goo and adhesive remover! We had to ensure that the front and back covers and individual pages were all clean and that any stray markings, stickers, and dirt were all removed. For books that were too damaged or contained unsuitable content for children, these books had to be placed in plastic bins for recycling.

Overall, it was an enjoyable and relaxing experience cleaning the books. Occasionally, there were books that would pique our interest, and we would find ourselves flipping and reading through each page. It was nostalgic to have a book in our hands as we now live busy lives and are often too accustomed with having our cell phones and other electronic devices. We hope that the books we clean can help encourage young readers!
