Death Valley Tour!

Last week Saturday (Mar 2, 2024) we visited Death Valley! Community members and 7-Day workshop participants went to visit the site where Mother stood this February to offer a prayer for the worldwide providence - asking Heaven to help us find the righteous "salt-like" people. We said a prayer together, bringing life to this valley devoid of life.

5 Heavenly Top Gun Missionaries arrive in the US!

This week , the 5 Heavenly Top Gun Missionaries who arrived in the US last week had a workshop in New York (Belvedere) with leaders from the West Coast. Resfred and Makiko-san represented Las Vegas at that workshop. There was a special lecture from Rev. Dunkley about the providence of Heavenly Parent - something he will be sharing with members on the Blue Dragon Tour. This was an opportunity for the Missionaries to meet the leaders of the regions they will be spending the next 1 to 2 years and plan for Victory 2025! Below are the areas the Missionaries will be going.

Los Angeles - ShinHeung & Ryujin

Bay Area - Reika & Kaori

Las Vegas - Akina

Welcome Akina Kakiuchi to Las Vegas!

Akina is a UPA Cadet sent by True Mother as a Missionary to Las Vegas for the next 1 ~ 2 years! She arrived on Wednesday night and will be staying at the CARP home. Let's welcome her to the LVFC community ^_^

Shine City Project distributes food at Cortney Junior High School with The Just One Project - January 20, 2024!

On January 20, 2024, Shine City Project volunteered with The Just One Project! Originally, our Shine City Project group was assigned to help out at the Pop Up and Give at Monaco Middle School. However, upon arrival, it was discovered that there were already more than enough volunteers who came to help out at the food distribution. As a result, our group wasn't needed anymore. However, with some communication with site leaders at other Pop Up and Give locations, we learned that more volunteers were needed at Cortney Junior High School. Though it was a sudden change of events, our group decided to quickly migrate and help out at Cortney Junior High School! A couple of our volunteers who had arrived early enough continued to stay and help out at Monaco Middle School. It was a twenty-minute drive from Monaco Middle School to Cortney Junior High School. We were unsure if they had already started the food distribution or if they still needed our help, but when we arrived, we were happy to find out that they had yet to begin! Quickly, we found spots where they needed assistance, and we soon began the food distribution! We helped to distribute frozen pork, canned salmon, canned vegetables, frozen peaches, shredded cheese, and packaged chili and beans! At some point during the service project, our two volunteers who were at Monaco Middle School were able to finish early at their location and join us as well at Cortney Junior High School! We had thirteen total volunteers in our Shine City Project group with one joining us for the first time! At the end, though our service project began with uncertainty, our quick decision-making and our genuine desire to serve allowed us to have a successful service project!
