Greetings from UPF Central America and the Caribbean HQ

We are pleased to announce a special Interreligious Association for Peace and Development - AIPD Peace Talks Webinar, scheduled for **Thursday, July 30th, 2020 at 7:00 P.M. (New York Time)**

Background:

The Covid-19 pandemic has brought widespread difficulties to many parts of the world. Governments are facing enormous challenges, politically, socially and economically and doing their best to respond effectively to the disruption and suffering caused by the pandemic.

UPF affirms that any successful strategy for peace must take into account the spiritual dimension of our human identity, experience and interactions. Based on this worldview, the Interreligious Association for Peace and Development will focus this webinar on the challenges and opportunities of the faith communities in this time of recovery and interrogation about the future.
