FAITH, ETHICS & EDUCATION

VIRTUAL CONFERENCE IN PAKISTAN - 31st MARCH 2021

Background Information and Overall Objectives: Cooperation with the newly established "Interfaith Harmony Council of Pakistan", which is further planning to establish such councils across the country with the intention to include the subject of religious tolerance in the curriculum as well as to highlight its positive objectives to the western audiences. Faith based organizations provide ethical education to the next generation in general and school and university students in particular, related to good governance, advocate for peace, justice and strong institutions; fight inequality and poverty and operate programmes for sustainable cities and communities; promote multidimensional approaches to promoting the rule of law, access to justice for all and building effective, accountable, impartial and inclusive institutions.

The **Coalition of Faith-Based Organizations** as the main organizer supports such initiatives to enhance interfaith harmony in societies. Universal Peace Federation International (UPF), International Association of Parliamentarians for Peace, Vienna-based LIOS-SOIL Organization with other partners will co-organize this virtual conference in Pakistan.
