Historic Events in Las Vegas on March 5 and 6

Joshua Cotter

February 25, 2011

Dear Brothers and Sisters,

May the love and blessing of our Heavenly Parent and our True Parents be with you and with your families.

On Monday, February 21, our beloved True Parents returned to Las Vegas from Korea. They are doing very well and are leading with great confidence and passion as we have begun this historic new year.

On Wednesday, February 23, we began a special 40-day national prayer condition of unity with True Parents and victory for America. At the same time, True Parents announced a very special event to be held in Las Vegas on Saturday, March 5. During Hoon Dok Hwe, True Father emphasized the profound significance of the Las Vegas providence for America's victory. He explained that events in Las Vegas should be held with the same level of importance as those in Washington, DC, as if Las Vegas were the new (internal) capital of our nation.

The providential event on Saturday, March 5 is themed "A Peace-Loving Global Citizen" and will be held in the Octavius Ballroom of Caesar's Palace (3570 Las Vegas Blvd. South, Las Vegas). An educational program with Original Divine Principle content will be held in the morning from 9:00 AM until 12:00 noon. Doors will open for a beautiful luncheon banquet at 1:00 PM and the main program will begin at 2:00 PM. True Father will deliver the keynote address and music will be provided by the Sonic Cult Band. A total of 2,000 guests are targeted to attend!

After the main program, ballroom dance instruction will be provided for all levels of participants. Then, at 7:00 PM, a Victory Gala sponsored by our Senior Pastor, Reverend In Jin Moon, will be held for everyone in the Octavius Ballroom for a wonderful evening of food, music, dancing and fellowship.

On Sunday, in support of True Parents' invitation, our Senior Pastor has scheduled our weekly Lovin' Life Worship Service to be held LIVE! In the same ballroom of Caesar's Palace!

This historical weekend provides a precious opportunity for every American family to be with our True Parents, to invest in the providence in Las Vegas, and to support True Parents' relationship with America through True Father's Autobiography. Everyone who has read it is invited to attend.

Our unity with True Parents now is essential to our nation's salvation and victory, and is the focus of our current prayer condition. We can be sure that the coming months will grow ever more active as we advance towards Foundation Day on January 13, 2013. We should never lose sight of the preciousness of attending our True Parents directly while they are on the earth, and contributing personally to the accomplishment of God's Will for America.

Please go to Las Vegas with your family, friends and contacts if you can and be renewed through our True Parents' infinite love! From all of us, let's give our most sincere heart through our investment in the 40-Day Prayer Condition for Unity and Victory, and our increased effort in distributing True Father's autobiography, to bring a total victory for Heavenly Father and True Parents through these historic March 5 and 6 events!

Thank you and God Bless you,

Rev. Joshua Cotter
