## Today's News about True Father

Joshua Cotter  
August 25, 2012

Dear Brothers and Sisters,

In Jin Nim has now given the comforting and grateful words of our True Parents to 2,500 of our family members in New York City, Los Angeles, San Francisco and Seattle. Next week, she will go to Boston, Washington DC, Chicago and Miami. Dr. Yang is accompanying her, together with Rev. Cotter and Pastor Jaga Gavin.

Thank you for your continued prayers and devotion.

Sincerely,

To all members of the Unification Family worldwide,

Thank you for the special Jeong Seong that you are offering with the single-minded hope for True Father's recovery and continued health.

True Father's condition this morning improved slightly compared with yesterday. His dependence upon the artificially-supplied oxygen is diminishing little by little, according to what the doctor said.

This, I believe, is a result of True Father's firm will to overcome his illness and recover for the sake of providence while battling his illness each moment, and also because of the members of the True Family beginning with True Mother and True Children who are looking after True Father twenty-four hours a day without leaving his side, and the fervent Jeong Seong being offered by all of the Unification Family with one heart.

However, True Father still remains in sleep and under treatment at the intensive care unit.

In that this week-long period is so crucial, I am asking brothers and sisters to continue with their special Jeong Seong so that True Father can recover even one day sooner.

Thank you.

7. 8 by the heavenly calendar in 3rd year of Gheon-gi (August 25, 2012).
