URGENT -- THERE WILL NOT BE A WEBCAST TONIGHT

Joshua Cotter
September 16, 2012

Dear District Pastors and Community Leaders,

There will not be a webcast from Korea tonight of the Special Launch for the Members of the World as previously announced. This is due to our misunderstanding of the program plan in Korea and we apologize for this incredible inconvenience.

We expect that we will receive a recorded version of the program later that will be available for viewing by all members.

Again, we are sorry for this situation and appreciate all of your investment.

Please contact me if you have questions or need further support.

Thank you,

Rev. David Rendel
