Dear Families,

On Thursday, September 17, "Do it in the Name of Love," an original song by Joshua Cotter, will be released on most major platforms, such as Spotify and Youtube. The song calls upon all God's children to come together in prayer and love so that we can heal our nation.

Do it in the Name of Love features lead vocals by Joshua and Shimmy Cotter and the Bay Area Family Church Choir and Worship Band.

We hope you can listen to the song and support our efforts to get it out to the nation and the world by sharing it with all of your contacts!

Looking forward to hearing from you!

Sincerely,

Josh Cotter
