To Whom It May Concern:

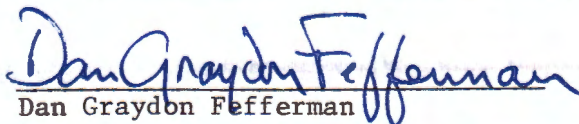

This is to indicate that this Foundation gives its strong recommendation to the Mobile Fundraising Team of the Unification Church as a group of highly responsible and dedicated young people working in an orderly manner for the moral revitalization of American society.

The Freedom Leadership Foundation was commissioned in the summer of 1972 to train Unification Church youth leaders in questions relating to the ideological struggle between Communism and the Free World, and its relation to the problems of alienation, violence and radicalism on campus. Many of the members and the leaders of the Mobile Team are personally known to me. Our training staff, too, was of the unanimous opinion that these young people are among the most highly motivated and cooperative we have had the pleasure of working with.

We do give them our strongest recommendation, both in terms of the moral standards which they exemplify and in terms of the positive contribution their work is making to the enhancement of our society.

Sincerely,

THE FREEDOM LEADERSHIP FOUNDATION, INC.
