Welcome back to 'The Victorious Gospel of True Parents'

I'm your host, Tyler Hendricks

Session 7, our title is 'Queen of the Family 2008: Embodiment of God'

In this painting the Holy Spirit is both above the Son and The Father, and also below. By leading and serving, the Wife and Mother unites the Father and Son.

### **Caption title: The World's Future**

Moving in to the 21st Century, the Providence going into the future came to bring True Mother gradually into the center. I will present three major expressions of this.

### **The World's Future...**

The future has been manifested in bricks and mortar at the Chung Pyung Holy Ground. Here True Parents oversaw construction of schools, spiritual houses, a hospital, conference and living facilities for all ages, an indoor stadium, and a seat of government, beginning with the International Federation offices.

This is Heung-jin Nim's and Dae Mo Nim's legacy, three generations of the True Family.

It is a site for member's personal dedication and offering, the central point for Heavenly Tribal Messiahship.

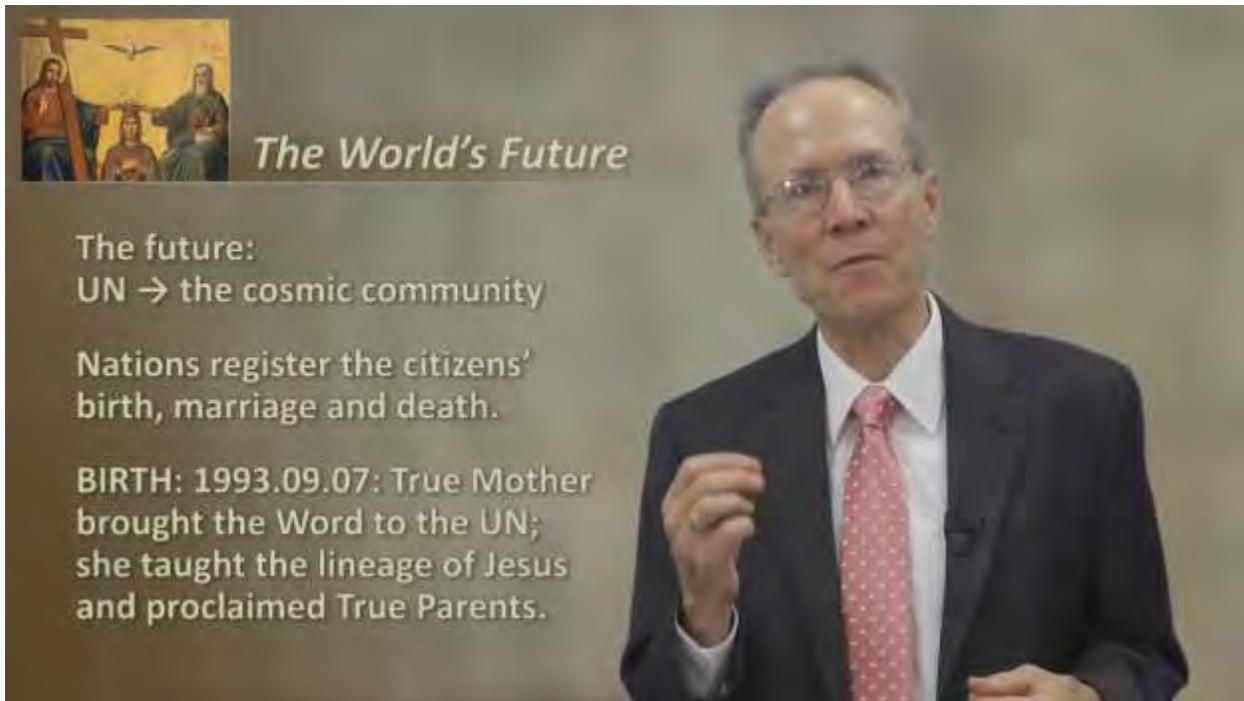

It is the site for True Parents' great desire to unite earth and Heaven and completely liberate God's heart through ancestor liberation and Blessing. It has been the stage for transitional events, national messiahship, citizenship registration, The Enthronement of God, The Coronation of True Parents, The Seunghwas of True Father and Hyo Jin Nim, the seat of government, and more. Its importance will only increase as Korea advances globally, centering on True Parents.

True Parents want to build the future based on the external foundation of the United Nations ... but to expand its scope to the cosmic community of heaven and earth, what do nations do? Nations register their citizens' birth, life and death.

As captioned: The future:

UN - the cosmic community

True Parents instituted this, conditionally, at the UN

**BIRTH:** In 1993.09.07, True Mother brought the Word to the UN (the seed of life); she taught (the purification of the womb in Jesus' Blood Lineage) the lineage of Jesus and proclaimed True Parents at the United Nations.

**MARRIAGE:** In 2001.1.27 True Parents presided over an international holy marriage Blessing of matched couples in New York at the United Nations, dressed in their national garments---all nations, races and religions, one family under God.

**DEATH:** On March 18th of 2010 (2010.3.18), True Parents officiated the Seunghwa Ceremony for Alexander Haig, Gus Dur, and other UN-related eminences.

The fruition was set in motion at Father's final public speech pronouncing the Abel Women's UN, centering on True Mother.

Thus, centering on True Parents and our responsibility, the UN will become an Abel women's government undergirding the world's global future.

### **The future:**

Third, the future centers of The Pacific Era which True Father correlated with the women's era

The global migration of the providence leads to the Pacific Rim

The Pacific Era connects the age of women with the ocean providence

Father said,

"The Oceanic era has begun. It represents the universal era of women..."

"The culture of the oceanic sphere constitutes the original women's culture, transcending all nations and crossing all oceans.

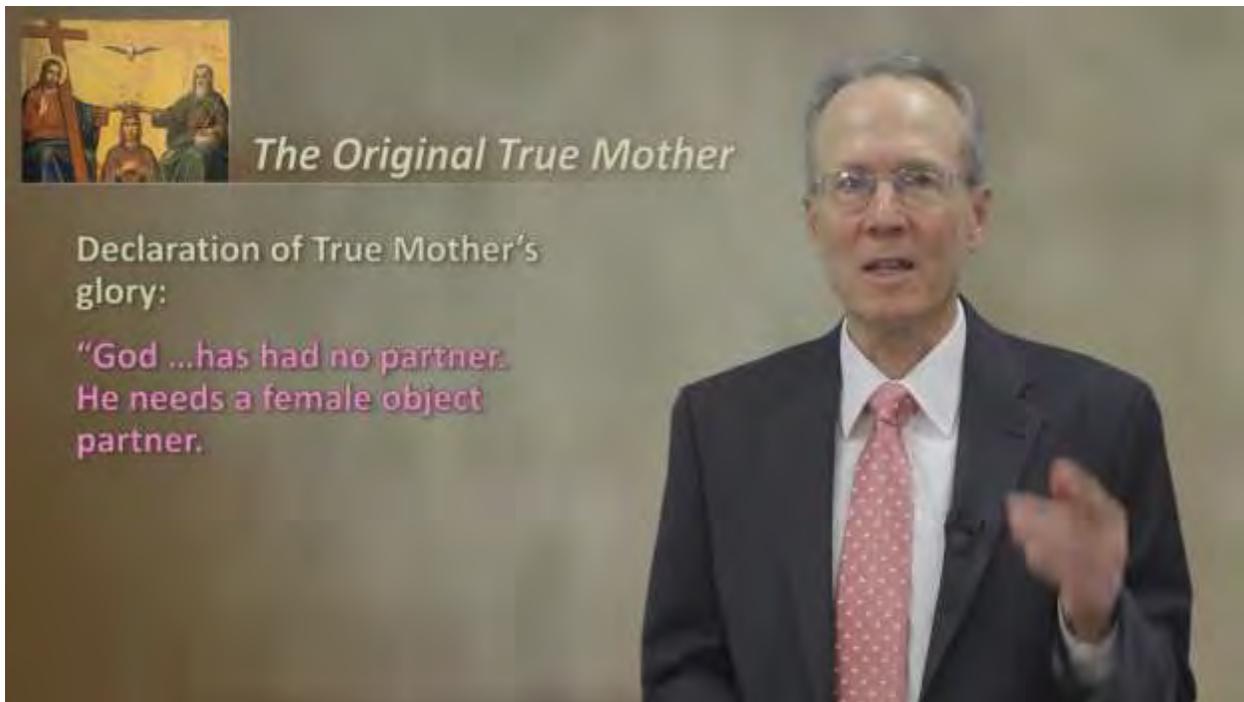

"To create this culture, all women need to unite in heart and take concerted action under the guidance of True Mother." (2008.08.27, PHG 1587)

Thus, True Father put the entire providence under the wings of True Mother and called all women to her side.

2001.1.13: We witnessed the Enthronement of Father and Mother God (two chairs).

Father also introduced, among other things, on that day the first three points of the Heavenly Constitution

The first proclamation of Cheon Il Guk, and that Blessed couples can Bless their children

**Caption: The Original True Mother**

Two years later Father declared so strongly the Declaration of True Mother's Glory:

He said: "God ... has had no partner. He needs a female object partner.

Father stated clearly the characteristics of God's female object partner:

He said "She is His partner and, at the same time, she is the Queen of the earth.

Then, as only Father could do, He announced that Mother had fulfilled all of this!

"True Mother is such a Woman, with the value of the original True Mother.

"She is the Queen of Heaven,  
 The Queen of the Earth,  
 The Queen of the Nation,  
 The Grandmother to her ancestors,  
 The Mother of humankind,  
 The Wife of God and  
 The Daughter of God."  
 (CBG 1:-2-2-5, 2002.12.09)

Eight months later, True Father declared the essentials of God's nation to be complete when the viewpoint that:

The nation registers its citizen's birth, marriage and death centered on True Mother.

"Through our restoration of the era of indemnity, True Mother emerged. (True Father's Words) The ideal of creation was completed both spiritually in heaven and physically on earth, so it became possible to...

"Perform True Parents' Holy Wedding and institute registration."

"Then children's Blessings and the registration of their births became possible on earth."

Thus, Father declared the ability of the nation to Bless people in marriage, register births, and record transitions to the spirit world.

Father's Words:

"After True Parents enter into Heaven as the incarnation of God, all their sons and daughters can enter in their wake." (CBG 12.4.3-4. 2003. 08.04)

On the same day, Father announced something more about True Mother. He said:

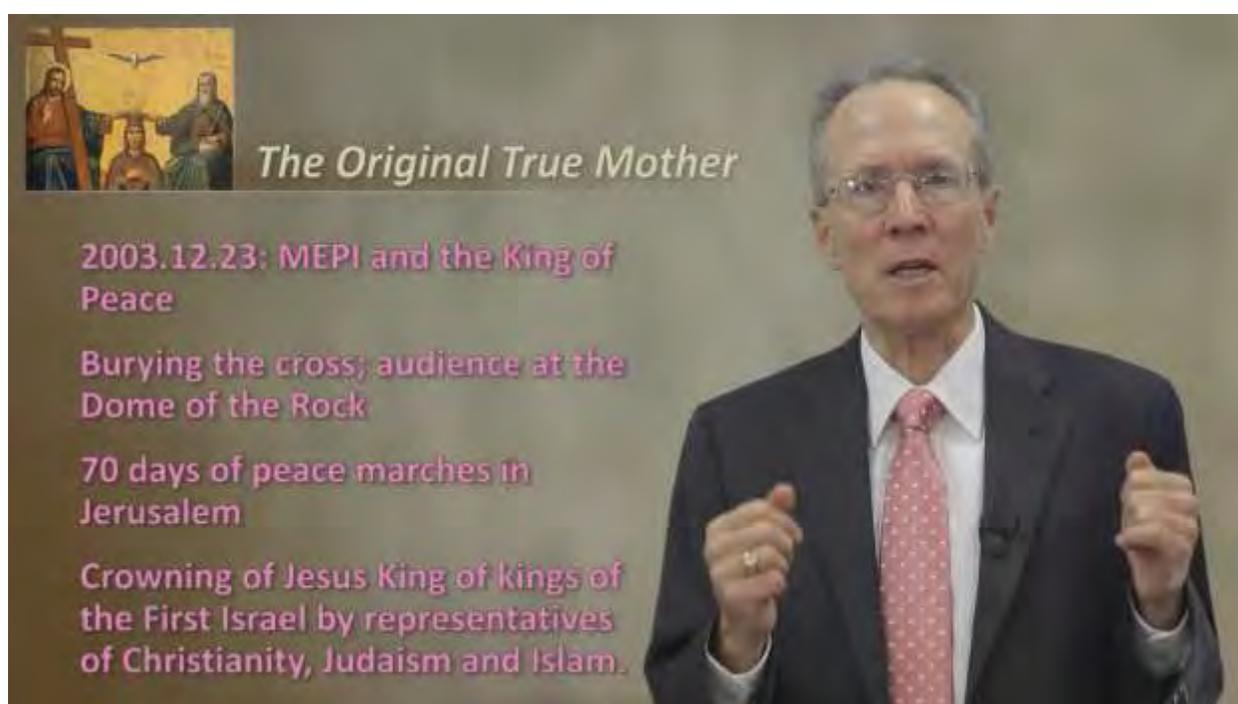

"I held a public ceremony to recognize True Mother's achievement. She is worthy of recognition by both the Unification Church and the Creator."

"You have to say, 'There is our Mother! She is the same as Father! I have been the right side of God, but now I have set up Mother as the left side of God.'"

"God thus far has appeared symbolically. However, now God appears in His embodiment---True Father, and True Mother has appeared as His Partner."

"The substantial kingdom of heaven on earth and in heaven can be established." (CBG 12:4-3-7, 2003.08.04)

Later that year, something very momentous took place in Jerusalem on December 23rd, 2003. We saw a culmination of years of investment in the Middle East Peace Initiative leading to Declarations of the King of Peace. It began with many ministers going to the field of blood and burying the cross; this led to many interfaith peace pilgrimages centering on the ACLC, including an audience with the Imam of the Dome of the Rock. Members and clergy held 70 days of peace marches in Jerusalem leading up to a massive rally in Jerusalem that featured the crowning of Jesus as King of Kings of the First Israel by representatives of Christianity, Judaism and Islam

**As captioned:**

2003.12.23: MEPI and the King of Peace

Burying the cross; audience at the Dome of the Rock

70 days of peace marches in Jerusalem

Crowning of Jesus as King of Kings of the First Israel by representatives of Christianity, Judaism and Islam.

On that day, from East Garden, Father guided the event by phone, with conversations witness by all the members and pastors gathered.

On that day, in New York, Father made this declaration:

"The incorporeal God assumes corporeal substance as the True Parents, the image of God;"

(So, the image of God is not just Father it is True Parents. Genesis 1:27)

And for this, Father said:

"God will give me an award. When He does, I will pass that award to Mother."

(In other words, it was Mother's award, because it was she who fulfilled the life-

and-death course of faith and substance, service and leadership, to become the representative Woman of the world of heaven and earth.)

Then Father said:

"Then all blessed families also should honor Mother."  
(CBG 13:1-2:13, 2003.12.23)

God did give those awards:

Those awards were royal crowns.

In Summary:

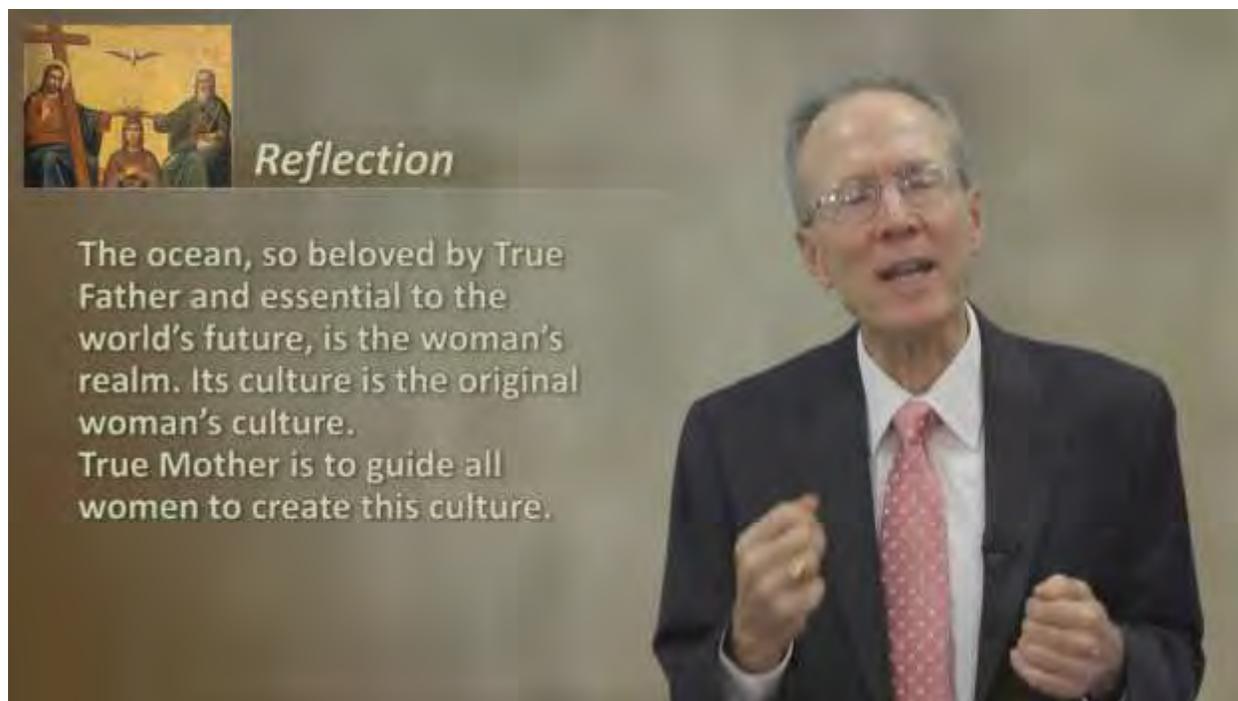

**Reflection:**

True Mother is the Center of the future...

Chung Pyung is the focal point for the Blessing of all humankind and the end of God's pain. It is the capitol of Cheon Il Guk.

Founded by True Parents, it is led by True Mother's Mother and True Parents' Second Son, Heung Jin Nim, vertically, and led by True Parents' horizontally.

It is the True Parents' vertical historical repository and resting place

The ocean, so beloved by True Father, and essential to the world's future, is the woman's realm. Its culture is the original woman's culture.

True Mother is to guide all women to create this culture.

The nation registers its citizens' birth, marriage and death.

True Parents made the condition for the UN to be that nation.

The emergence of True Mother enabled all citizens' registration in Cheon Il Guk.

Why did Father recognize her as such?

It is because: Without a true woman, there is no marriage and no birth; there is no horizontal multiplication of the image of God.

On the foundation of the Enthronement Ceremony of the Parent of the Cosmos and the Parents of Heaven and Earth Who Reign Over the Blessed Families as the King and Queen of Peace and Unity, ten months later, Jesus was crowned.

The oneness of God and True Parents was achieved.

The award God gives to Father, He (True Father) will will to True Mother.

True Mother became the: FEMALE OBJECT PARTNER OF GOD," the fulfillment of the purpose of God's Creation, thus she completed the Creation.

She made the foundation for all women to do the same.

These are True Father's Words, consistent from the beginning of His earthly ministry to the end.

But as Father so often said, "These are not Rev. Moon's words; these are God's Words.

Thank you for listening.
