

## The Position and Authority of True Parents in the Age of Cheon Il Guk

...and Father came to Unification Theological Seminary, and Father filled the seminary; and, there are many Catholic statutes, Catholic icons and images at UTS. So, the staff asked True Father, "What shall we do with these statutes, St. Joseph's statute, John the Baptist, etc. ... Mary ... Do we want these statutes here?" Father said to keep them because they represent the Christian foundation that we are standing on. So, the first thing I want to say is about that Christian foundation; because, the Catholic foundation made a very ... they encountered the word of God, the Bible, and in the Bible Scriptures they encountered statements that could not be understood easily by the human mind; and, we are encountering these same challenges in our Scripture. That is what I want to talk about today.

For example, the Bible says that Jesus Christ is God. Jesus does things that only God could do. "If you see me, you see the Father." He (Jesus) is God. Also, the Scriptures are very clear that Jesus Christ is a man. So, which is it, God or man? And so, Christianity had separation/division between different factions, some who said, "He is God," and some who said, "He is man." Both are wrong. If you just say that he is God, then how can you explain that he is like us; and, is he really suffering? Is his physical body just an illusion? It doesn't make sense; and, we can't accept that. Is he just a man? If he is just a man, how could he save us, do what only God can do?

So, the church decided and made a statement that goes beyond imagination or mental intellect, "He is fully God and fully man;" and, that is it, believe it because that is revealed, and now let's live a good life. 'Fully God and fully man' could not explain it, but it is the truth; and, we believe that truth. Father, Son and Holy Spirit. The Father is God. The Son is God. The Holy Spirit is God. Do we have three Gods? No. We have one God. Three are One God. One God is three Gods, the Trinity. That understanding is also very hard to grasp by intellect and by philosophy at the time, but the church said, "Three in one and one in three."

Now, we are challenged by True Parent, One God, Father, Mother, both are embodiments of God. Does that mean two Gods, One God, They come together, They are One, They are Two: origin, division, union, They are One. The Principle establishes the logical, philosophical foundation to understand this. And now we need to embody this as a global family, as a nation. We need to embody this truth. So, that's a practice. And I want to say that this is not official, established pronouncement of our Family Federation. This is my exploratory development of True Father's Words and True Mother's Words and reality as I've experienced it.

Divine Principle makes a prophecy

## DP prophecy

- *Exposition of Divine Principle* foretells God's providence leading to a transformation of the man-woman relationship.
- It prophesies that "The Completed Testament Age following the Second Advent of Jesus is the age of the heifer, or the age of the wife."  
(Exposition of Divine Principle, p. 210)
- True Parents fulfilled this prophecy.

As captioned:

### DP Prophecy

\* Exposition of Divine Principle foretells God's providence leading transformation of the man-woman relationship.

(I'd say that is the most important. Jesus came back to what? to find a Bride, to become man and woman, a transformation of the man-woman relationship on the global level

\* It prophesies that "The Completed Testament Age following the Second Advent of Jesus is the age of the heifer, or the age of the wife."

(It doesn't say the age of the parents, it doesn't say the age of the father. It says the age of the wife. Did we ever stop to think about that prophesy? True Parents fulfilled this prophecy.)

## Fulfillment of prophecy

- In 2008, on the 40<sup>th</sup> day after True Parents' helicopter accident, True Father delivered an address entitled, "Proclamation Ceremony of the Day of Complete Rebirth, Complete Resurrection and Complete Eternal Life."
- In it, he announced: "The **oceanic era** has begun. It represents the universal era of **women**..."
- "The **culture of the oceanic sphere** constitutes the **original women's culture**, transcending all nations and crossing all oceans." (Pyeong Hwa Gyeong, p. 1587)

As captioned: Fulfillment of Prophecy

\* In 2008, on the 40th day after True Parents' helicopter accident, True Father delivered an address entitled, "Proclamation Ceremony of the Day of Complete Rebirth, Complete Resurrection and Complete Eternal Life."

\* In that address, He announced, "The oceanic era has begun. It represents the universal era of women..."

\* "The culture of the oceanic sphere constitutes the original women's culture, transcending all nations and crossing all oceans."  
(Pyeong Hwa Gyeong, p. 1587)

(You know how much True Father was into the ocean, right? And here He says, 'Do you know what the ocean is everybody? It is the era of women. And we have entered that era. The age of the wife is being fulfilled.

\* True Father went on in that Speech to connect this "original women's culture" directly with True Mother.

\* "To create this culture, all women need to unite in heart and take concerted action under the guidance of True Mother."  
(2008.08.27, Pyeong Hwa Gyeong, p. 1587)

(That was 2008)

\* On the basis of the next four years in the providence, in his final public speech, (What was it? The Abel Women's UN.) True Father placed all responsibility and authority with True Mother.

\* "I sincerely ask you to choose True Mother's path, the path of a true wife, of a true daughter and of a true woman leader who will build a unified world."  
(2012.07.16, Pyeong Hwa Gyeong, p. 976-82)

(So, we could say that's really lifting up True Mother. It does lift up True Mother. And also, this is an incredible mission, an incredible responsibility on the shoulders of True Mother; and, Father's asked us to attend True Mother and choose Her path. This is a paradigm shift. Leadership by women is something the world has never see; and, it is a paradigm shift. And it is what Father referred to, I believe, at so many ICUS science conferences as 'the core of a new cultural revolution.' It is a revolutionary shift in the world; and, we are just beginning to grasp what this means. Does it mean, "Oh, all presidents are going to be women? What does it mean? We don't know yet. We have to embody this Word of True Parents through the power of true love. It takes time ... )

as captioned: A paradigm shift

\* Authentic, principled leadership by women is a paradigm shift, what Father referred to as a 'new cultural revolution.'

\* To grasp it takes time.

\* To understand it, let us look at the providence and Principle with special attention to the husband-wife relationship, and how Father explained the mission of the daughter, bride, wife and mother. (That is what I want this presentation to be about)

## God's object partner: man and woman

as captioned: God's object partner: man and woman

(The object partner is what is important)

## The object partner in creation

- The creation is the story of God's seeking to become one body with a true love object partner.
- "What has God been seeking all this time? He has not been seeking a subject partner, but rather an ideal object partner."  
(*Pyeong Hwa Gyeong*, p. 651)
- The ideal object partner begins with one man and one woman.

as captioned: The object partner in creation

\*The creation is the story of God's seeking to become one body with a true-love object partner, a true-love object partner.)

(Why create the Creation at all? Because God wants what? An object partner.)

\*What has God been seeking all this time? He has not been seeking a subject partner, but rather an ideal object partner."

(So, it is all about the object partner.)

(*Pyeong Hwa Gyeong*, p. 651)

\* The ideal object partner begins with one man and one woman.

## One man and one woman

### *in creation*

- "Does God need a son only?"
- "God knew ahead of time that He needed a pair, which would include a **daughter**. ..."
- "A son living by himself would be like a person with one foot."  
*"The Sound Of The Bell Of The Mind,"* January 28, 1979
- "What would have happened if God's creation ... had stopped with man and had not included woman? ..."
- "**For only one to exist would be the same as having no existence at all.**" (*Pyeong Hwa Gyeong* , p. 595)

as captioned: One man and one woman in creation

(the red letters mean that it is Father's Words)

\* (red) "Does God need a son only?"

\* (red) "God knew ahead of time that He needed a pair, which would include a daughter..."

\* (red) "A son living by himself would be like a person with one foot."

(The Sound of the Bell of the Mind," January 28, 1979

\* (red) "What would have happened if God's creation ... had stopped with man and had not included woman? ..."

\* (red) "For only one to exist would be the same as having no existence at all."  
(*Pyeong Hwa Gyeong*, p. 595)

So, a true-love object partner ... God is love ... so a true-love object partner, that means that God has a love relationship. It's a love relationship. You all know about a love relationship, right? A love relationship is very physical as well as very spiritual. Love relationship. You have a love relationship with your children; you have a love relationship with your brothers and sisters; you have a love relationship with your spouse. Thank about that love relationship. You have a love relationship with your parents. That's what God wants. That's why God created us.

## King and queen

### *in creation*

- "If God is the king of love this means that **God needs a queen to love**. This is an absolute principle."  
*Pyeong Hwa Gyeong* , p. 518
- Thus we can understand Father's words about "God's marriage":
- "The marriage of perfected Adam and Eve, based on absolute sex, would have been **God's own marriage**."  
*Pyeong Hwa Gyeong*, p. 631

As captioned: King and Queen in Creation

\* (red) "If God is the King of Love, this means that God needs a queen to love. This is an absolute principle."

(Pyeong Hwa Gyeong, p. 518)

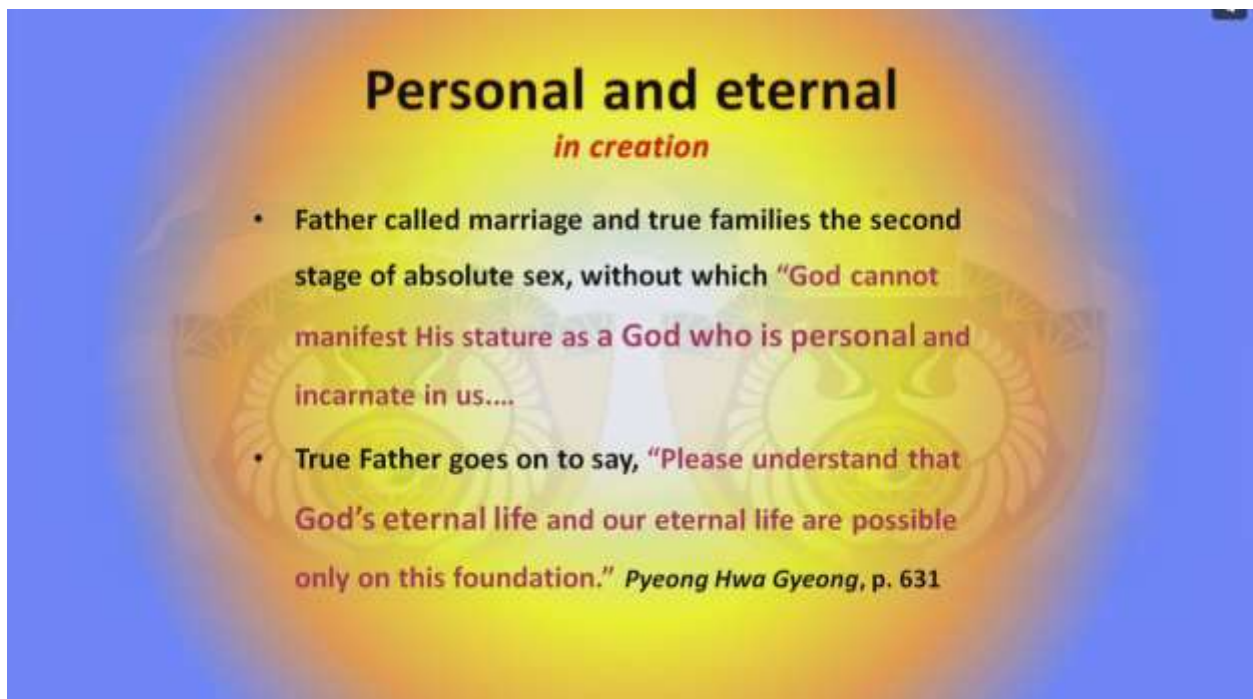

\* Thus we can understand Father's words about "God's marriage":

\* (red) "The marriage of perfected Adam and Eve, based on absolute sex, would have been God's own marriage."

(Pyeong Hwa Gyeong, p. 631)

(And through True Parents, God has many queens. Any woman in this room was meant to be a queen of love, a queen for God to love. Thus, we can understand Father's Words about God's marriage. Have you ever heard about God's marriage; or, is there anyone who has not heard about God's marriage? I did a small pole, including one of my beloved wife, who is not a scholar at all; and, she knows about God's marriage. So, she said, "Tell them that even your wife knows about God's marriage." So, the marriage of perfected Adam and Eve, based on absolute sex, would have been God's own marriage. Is there something wrong with God getting married? It means love relationship, object partner love relationship.

Father called the marriage of true families the second stage of absolute sex in one speech in Pyeong Hwa Gyeong. The first stage is purity, celibacy, abstinence until you get married. The second stage is husband-wife love and family love.

as captioned: Personal and Eternal in Creation

\* Father called marriage and true families the second stage of absolute sex, without which (red) "God cannot manifest His stature as a God who is personal and incarnate in us ...

(without that, without the marriage, God cannot manifest His stature as a God who is personal. Father ... That is a very radical statement. Without my family, God is not personal. That is a very, very radical and deep statement. )

\* True Father goes on to say, (red) "Please understand that God's eternal life and our eternal life are possible only on this foundation."

(Pyeong Hwa Gyeong, p. 631)

(God's eternal life is only possible on that foundation? I thought God was eternal anyway. Father makes this kind of statement in public speeches and in Pyeong Hwa Gyeong. This is the new cultural revolution.)

# One man and one woman

*in creation*

- In his address to the Second World Peace Conference of the Federation for World Peace, with Mr. and Mrs. Gorbachev in the audience, True Father said,
- "God too **has been growing**. He created Adam and Eve as the **substantiation of the ideal** within His invisible heart, of **son and daughter, brother and sister, husband and wife and father and mother.**" *Pyeong Hwa Gyeong, p. 94*

As captioned: One Man and One Woman in Creation

\* This is True Father's new cultural revolution, proclaimed in public speeches.

\* God needs a queen.

\* God will get married.

\* God becoming personal depends on this.

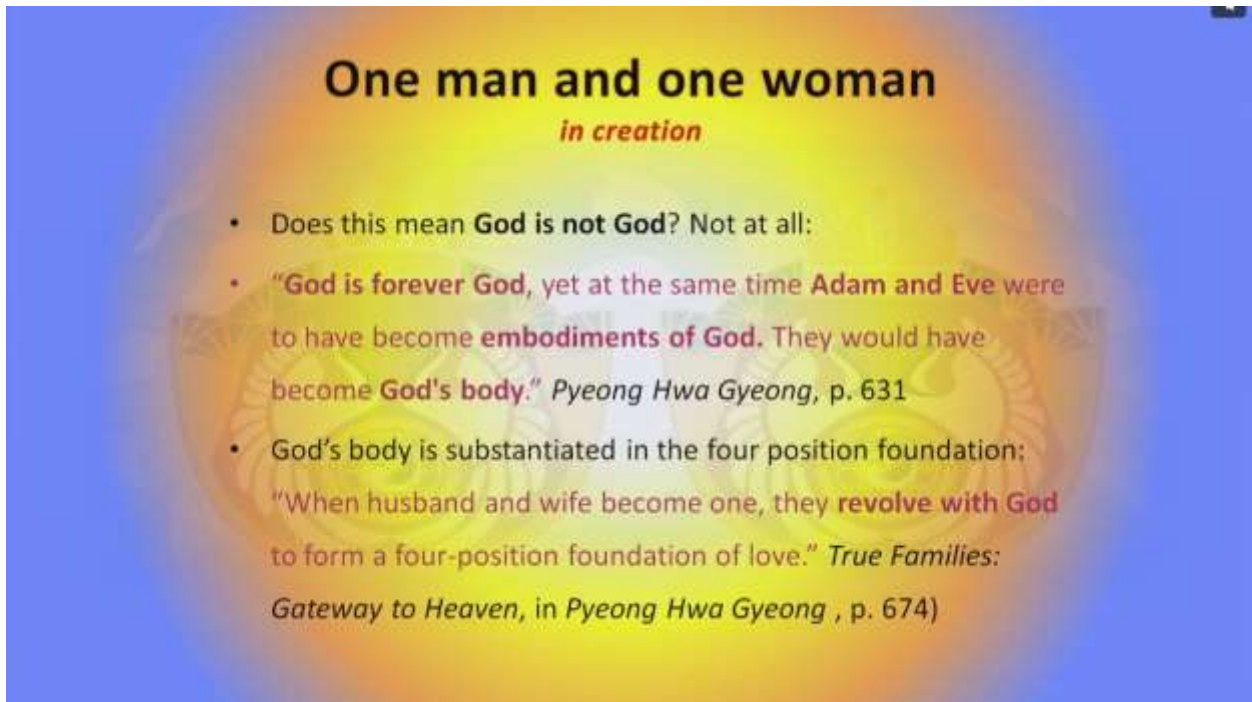

\* God's eternal life depends on this.

\* What does this point to? Here is how True Father explained it to Mikhail and Risa Gorbachev:

\* In His address to the Second World Peace Conference of the Federation for World Peace, (here in Seoul) with Mr. and Mrs. Gorbachev in the audience, (This is not to religious leaders but in his address to the political leaders and in His address Father ) True Father said,

\* (red) "God too has been growing. (That's like ... Jesus never said that ... Buddha never said that ... Father said new things. It takes time to digest. Okay, but without digesting those new things, we can't understand God's providence and what True Mother's Mission and our mission in this age is. Okay, God has been growing...) He created Adam and Eve as the substantiation of the ideal within His invisible heart, the ideal of son and daughter, brother and sister, husband and wife and father and mother." (The four realms of heart.)

(Pyeong Hwa Gyeong, p. 94)

as captioned: One Man and One Woman in Creation (cont'd)

\* Does this mean God is not God? (Father asked that question and then said:) Not at all:

\* (red) "God is forever God, yet at the same time Adam and Eve were to have become embodiments of God. They would have become God's body."  
(Pyeong Hwa Gyeong, p. 631)

(So, again, Christianity wrestled with this, could not completely ... They didn't have the logic of love to fully explain it, but they stood on it because it is in the Scriptures. It's God's Word. But yes, God is God; and, God is also me and you and my wife together and my children is the embodiment of God.)

\* God's body is substantiated in the four position foundation: (As we all know,)

(red) "When husband and wife become one, they revolve with God to form a four-position foundation of love." *True Families*  
(Gateway to Heaven, in *Pyeong Hwa Gyeong*, p. 674)

So, you've got God, also known as Love, God in the middle, Father and Mother, husband and wife, son and daughter ... We all know this four-position or, actually, I guess it's a six-position foundation because there is a third dimension. And it is all one; and, this is the foundation for why Cheon Il Guk is all One.

as captioned: Father and Mother

## One man and one woman *in creation*

- Then all people in every position are in **God's love dominion**, within God's ownership.
- God **experiences directly** the intimate relationships of the four great realms of heart, as a child, sibling, spouse, parent and grandparent.
- "In the place of love, you are happy to go up or down and even to stay in the middle. ...Everything comes together when true love is at the center."

*True Families: Gateway to Heaven, in Pyeong Hwa Gyeong, pp. 689, 91*

as captioned: One Man and One Woman in Creation

\* Then all people in every position are in God's love dominion, (It means God possesses all these people. God owns us; and you know what, we own God as well because love does this. It is mutual ownership because love ... you want to be owned by love) within God's ownership.

\* (And in this dominion) God experiences directly the intimate relationships of the four great realms of heart, as a child, sibling, spouse, parent and grandparent.

\* (red) "In the place of love, you are happy to go up or down and even to stay in the middle. ...Everything comes together when true love is at the center."

(True Families: Gateway to Heaven, in Pyeong Hwa Gyeong, p 689, 91

(I can hear Father's Words ringing out. And so, Father concluded this speech to the Federation with this statement:)

## One man and one woman *in creation*

- Returning to the Federation for World Peace speech, Father concluded this point:
- "With Adam and Eve, **God grows as a child, a brother and a sister, a husband and a wife, and finally a parent.** ...God experiences His second self many times over."

*Pyeong Hwa Gyeong, p. 94*

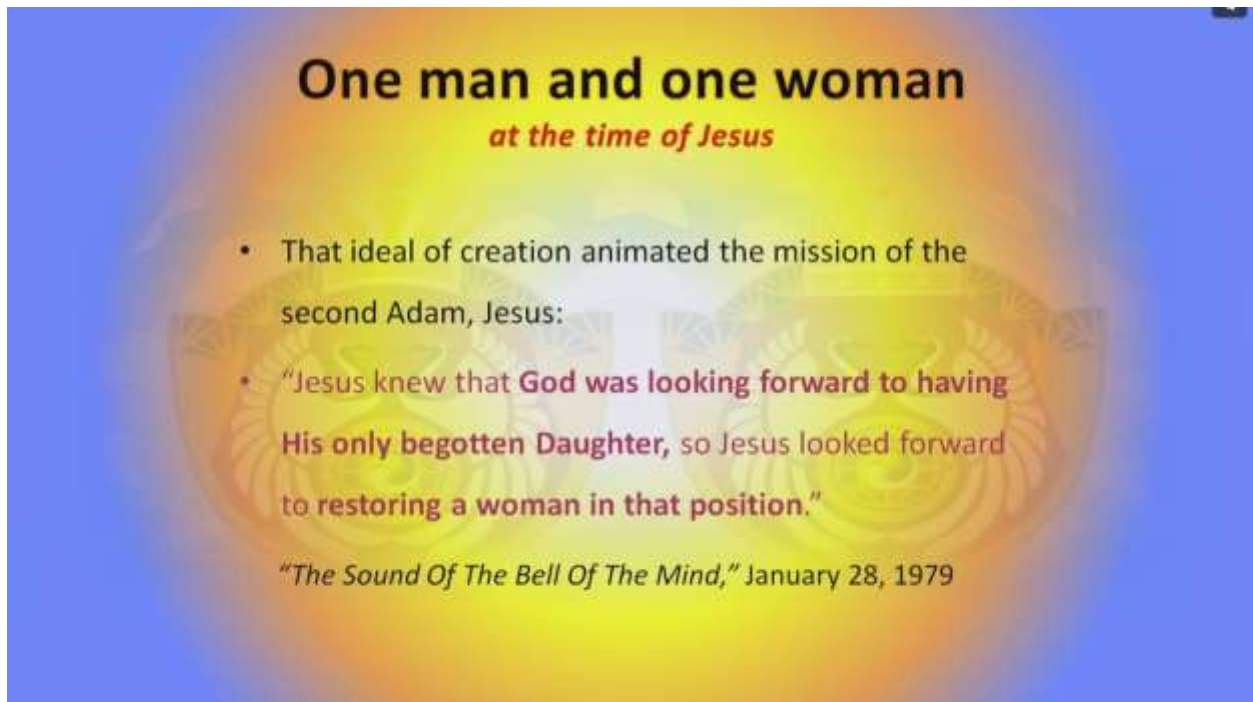

as captioned : One Man and One Woman In Creation continued

\* Returning to the Federation for World Peace speech, Father concluded this point:

\* (red) "With Adam and Eve, God grows as a child, (remember we said God is growing to, He grows as a child, ) as a brother and a sister, a husband and a wife, and finally a parent. God experiences His second self many times over."

(Pyeong Hwa Gyeong, p. 94)

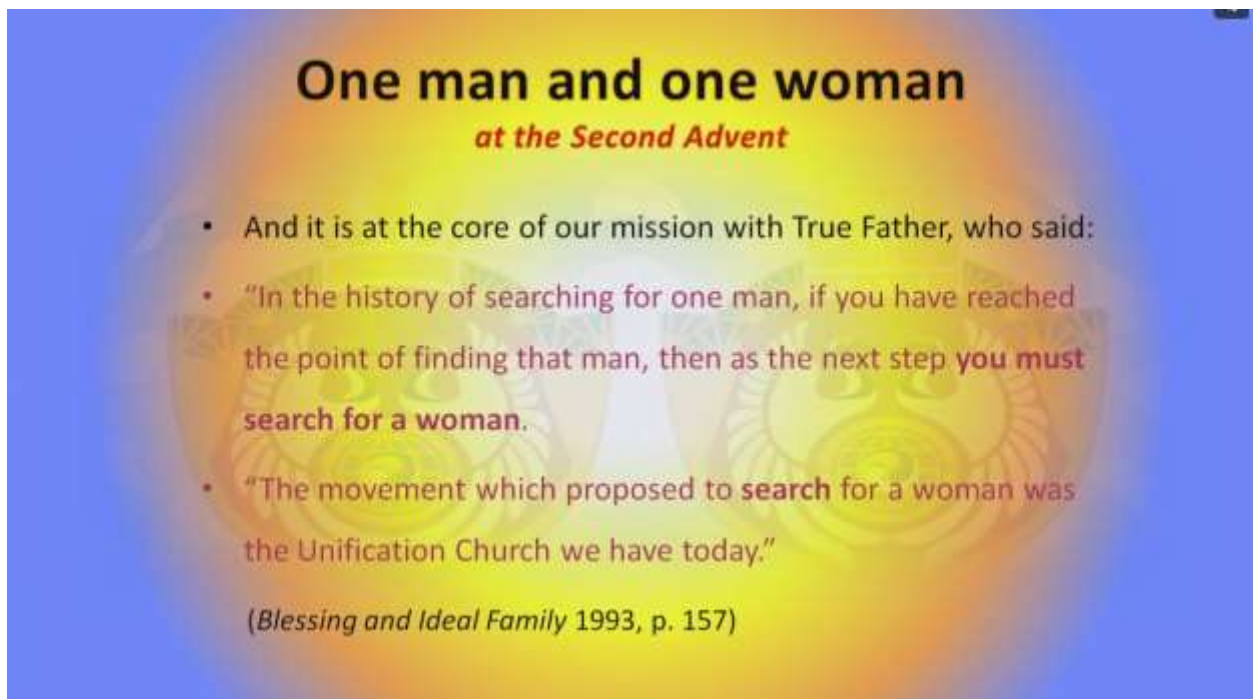

(That is what this object partner of love, that is the purpose of creation, is where love actually comes from, what it is all about. And at the time of Jesus, here is an indication of that:)

as captioned: One Man and One Woman at the Time of Jesus

\* That ideal of creation animated the mission of the second Adam, Jesus:

\* (red) "Jesus knew that God was looking forward to having His only begotten Daughter, so Jesus looked forward to restoring a woman in that position."  
(The Sound of the Bell of The Mind," January 28, 1979)

as captioned: One Man and One Woman at the Second Advent

\* And it is at the core of our mission with True Father, who said (many years ago):

\* (red) "In the history of searching for one man, if you have reached the point of finding that man, then as the next step you must search for a woman.

\* (red) "The movement which proposed to search for a woman was the Unification Church we have today."  
(Blessing and Ideal Family 1993, p. 157)

(So, our mission is still to search for that woman; and, when we have found that woman, to attend that

woman. And I don't know if I have it in this series, but Father said in a very early speech in America, in His first speaking tour in America that the mission of the Unification Church is to attend the Bride of the Lord, I read that a few times and thought 'Wait a minute. I thought our mission was to attend the Lord.' But Father said that our mission is to attend the Bride of the Lord. So I asked my wife to check the Korean. Yeah, it says to attend the Bride of the Lord. So our mission is to attend, according to Father, the Bride, True Mother. At least our mission includes that.

as captioned: Fulfillment by our True Parents

## True Mother's mission

- As stated, God needed a queen, a wife: "For God, **Eve was His future wife**, because Adam was meant to become God Himself by becoming united with Him." (*Blessing and Ideal Family* 1993, p. 12)
- True Father declared that True Mother fulfilled this responsibility.
- "God ...has had no partner. He needs a female object partner. **True Mother is such a woman**, with the value of the original True Mother." (*Chambumo Gyeong*, 1:2-2-5, 2002.12.09)

### True Mother's Mission

\* As stated, (This is all the fulfillment by True Parents. This is all theology, the Principled theology. Now the fulfillment, True Mother's Mission) God needed a queen, a wife: (red) "For God, Eve was His future wife, because Adam was meant to become God Himself by becoming united with Him." (*Blessing and Ideal Family* 1993, p. 12)

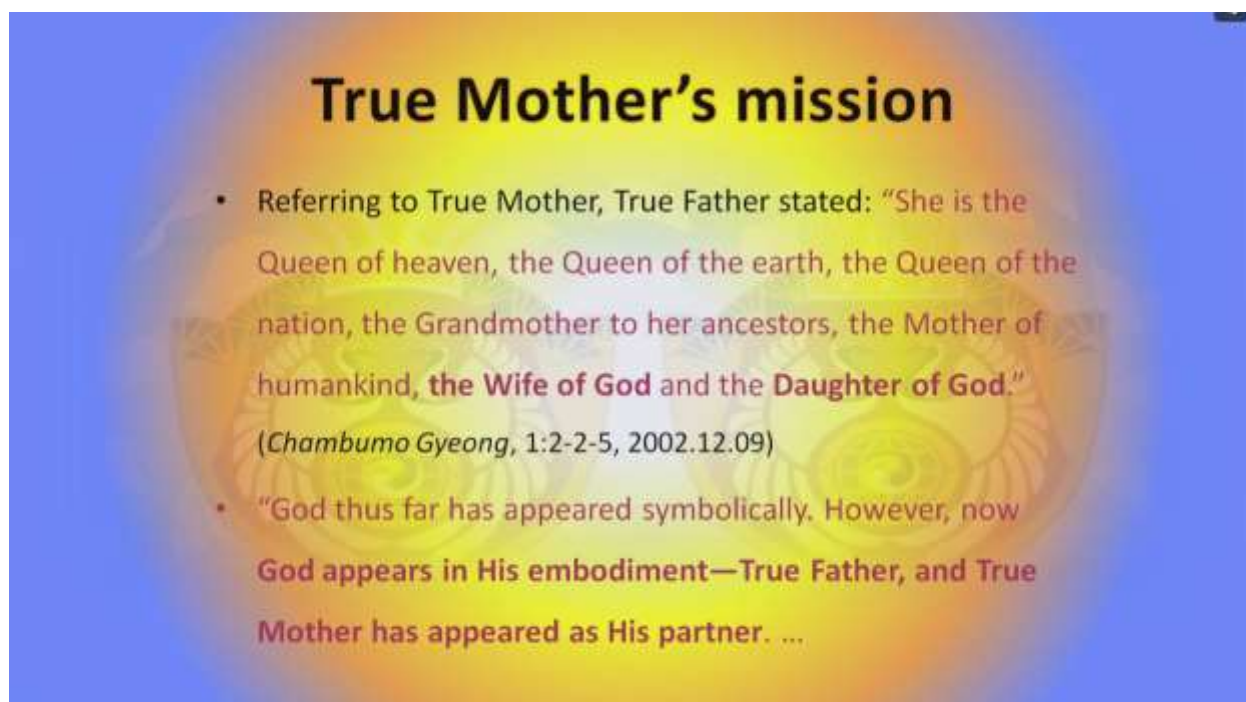

\* True Father declared that True Mother fulfilled this responsibility.

\* (red) "God ... has had no partner. He needs a female object partner. True Mother is such a woman, with the value of the original True Mother." (The original Eve, true Eve, perfected Eve) (*Chambumo Gyeong*, 1: 2-2-5, 2002.12.09)

So, Father is lifting up True Mother. And you know how John-the-Baptist said "Oh, he must increase and I must decrease." Did Mother say, "Oh, Father must increase and I must decrease." No. She said what

John-the-Baptist should have said, "He must increase. I will increase too; because, Father and True Mother are One. So, as Father increased, True Mother increased.

as captioned: True Mother's Mission continued

\* Referring to True Mother, True Father stated: (red) "She is the Queen of heaven, the Queen of the earth, the Queen of the nation, the Grandmother to Her ancestors, the Mother of humankind, the Wife of God and the Daughter of God."

(Chambumo Gyeong, 1: 2-2-5, 2002.122.09)

(And this is all True Father simply saying, "She is My Wife. She is My children's Mother. And Father continued , as captioned:)

\* (red) "God thus far has appeared symbolically. However, now God appears in His embodiment---True Father, and True Mother has appeared as His partner. ...

(Whose partner? As it says right here, God's Partner. The person who translated this for me, for the first time six months ago, that I asked her, "Should that be capital 'H' or little 'h.' Does that mean Father's Wife, or God's Wife? At that time, she said, 'Oh, little 'h.' She said, "Father's wife." Then last week, a week ago when I was checking all these slides, she said, "No, it is capital 'H," God's Wife. Well the thing is, you know in Korean there is no capitalization; so, it is both.)

as captioned: True Mother's Mission

\* True Father's next Words are vital:

\* "Therefore, (red) the substantial kingdom of heaven on earth and in heaven can be established."  
(Chambumo Gyeong, 12: 4-3-7, 2003. 08. 04)

\* In other words, the perfect embodiment of God in True Parents is the very foundation for Cheon Il Guk.

as captioned: Mutual Perfection of True Parents

(I like to use this term 'mutual perfection,' mutual perfection of True Parents.)

\* Here is the new cultural revolution that challenges the world, our movement and each of us:

\* Without Eve, Adam cannot be blessed nor achieve the perfection of horizontal love.

(Father said that to just create a son is to create a person with only one leg. Without Eve, Adam cannot be blessed nor achieve the perfection of horizontal love. Does that include the first Adam? Yes. Does that include the second Adam? Yes. Does that include the third Adam? Yes.)

\* (red) "... only man through woman, or woman through man, can possess God."

(mutual perfection.)

(Blessing and Ideal Family 1993, p. 32, 33)

\* I call this the mutual perfection of True Parents.

(which explains some very interesting words from True Father)

## Mutual perfection of True Parents

- "Adam has to be born on earth and accomplish the course of going through Eve and being blessed...."
- "Without that, Adam cannot claim his position as a perfected Adam."  
(*Blessing and Ideal Family* 1993, p. 109)
- This indicates that the Holy Marriage Blessing of True Parents includes True Father going through True Mother to claim his position as perfected Adam.
- This is the essential mission True Mother fulfilled, from a position that True Father exalted.

as captioned: Mutual Perfection of True Parents continued

\* (red) "Adam has to be born on earth and accomplish the course of going through Eve and being blessed ..."

\* (red) "Without that, Adam cannot claim his position as a perfected Adam."

(*Blessing and Ideal Family* 1993, p. 109)

(Of course, Father said many, many things; but, He said this too. So, we need to understand everything Father said and find the comprehensive core of it. Without Eve, without being Blessed to perfected Eve, He can't claim His position as perfected Adam.)

\* This indicates that the Holy Marriage Blessing of True Parents includes True Father going through True Mother to claim His position as perfected Adam.

\* This is the essential mission True Mother fulfilled, from a position that True Father exalted.

(This is the essential mission True Mother fulfilled, from a position (She didn't exalt Herself. Did you ever see True Mother exalting Herself? Father exalted Her. Father exalted Her.)

## Mutual perfection of True Parents

- "If a perfect man is born, a perfect woman will be born. In the Bible, this is stated symbolically, when we read that a woman, Eve, was created out of a man, Adam."  
(*Blessing and Ideal Family* 1993, p. 265)
- "...would it be sinful for Jesus to love that woman? Would God stop Jesus from loving that perfected woman?"  
(*Blessing and Ideal Family* 1993, p. 101)

as captioned : Mutual Perfection of True Parents continued

\* (red) "If a perfect man is born, a perfect woman will be born. In the Bible, this is stated symbolically,

when we read that a woman, Eve, was created out of a man, Adam."

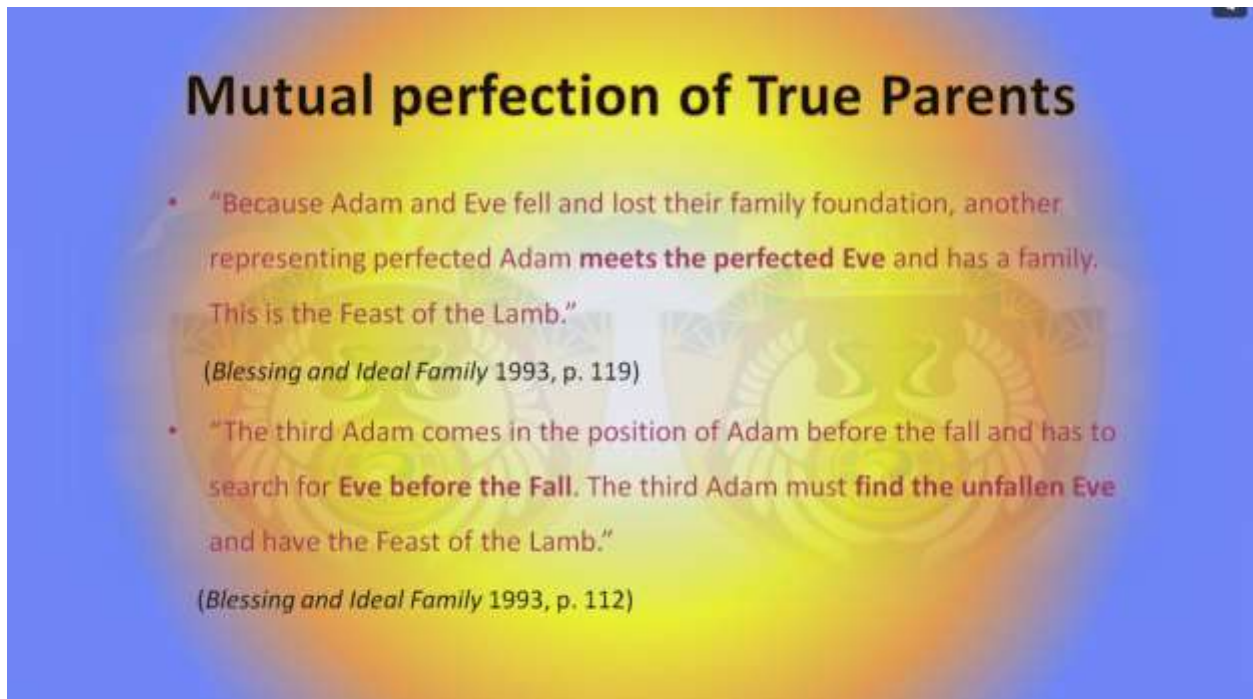

(My translator said, "Tyler, you can't just put that a perfect woman will be born, you have to put it in context." So, I added 'from the Bible.')

(Blessing and Ideal Family 1993, p. 265)

\* (red) "...would it be sinful for Jesus to love that woman? Would God stop Jesus from loving that perfected woman?"

(Blessing and Ideal Family 1993, p. 101)

(So, these are words from True Father that say that True Mother is, was, is, always will be 'perfect,' which ... Are we clear about that or not? Anyway, True Father said it sometimes.)

as captioned: Mutual Perfection of True Parents

\* (red) "Because Adam and Eve fell and lost their family foundation, another representing perfected Adam meets the perfected Eve and has a family. This is the feast of the Lamb."

(Blessing and Ideal Family 1993, p. 119)

\* (red) "The third Adam comes in the position of Adam before the fall and has to search for Eve before the Fall. The third Adam must find the unfallen Eve and have the Feast of the Lamb."

(A lot of these quotes are from the old, old Hoondokhae book called, 'Blessing and Ideal Family.')

(Blessing and Ideal Family 1993, p. 112)

## Mutual perfection of True Parents

- **But we have to remember the meaning of perfection:** "It doesn't mean never to make a mistake of mathematical or technical error. It means to have a mature heart of love and *live for the sake of others.*"  
(Sun Myung Moon, cited in R. Jenkins, G. A. Stallings, "True Family Values Ministry Bible-based Divine Principle Seminar," session 1)
- But living for others truly, as one pushes the envelope of God's providence to liberate the world from sin, requires the subjugation of the literal Satan. And this, True Mother accomplished.

as captioned: Mutual Perfection of True Parents continued

\* But we have to remember the meaning of perfection: (You know we have a fallacy of misplaced perfection.) Father said (red) "It doesn't mean not to make a mistake of mathematical or technical error. It means to have a mature heart of love and 'live for the sake of others.' "

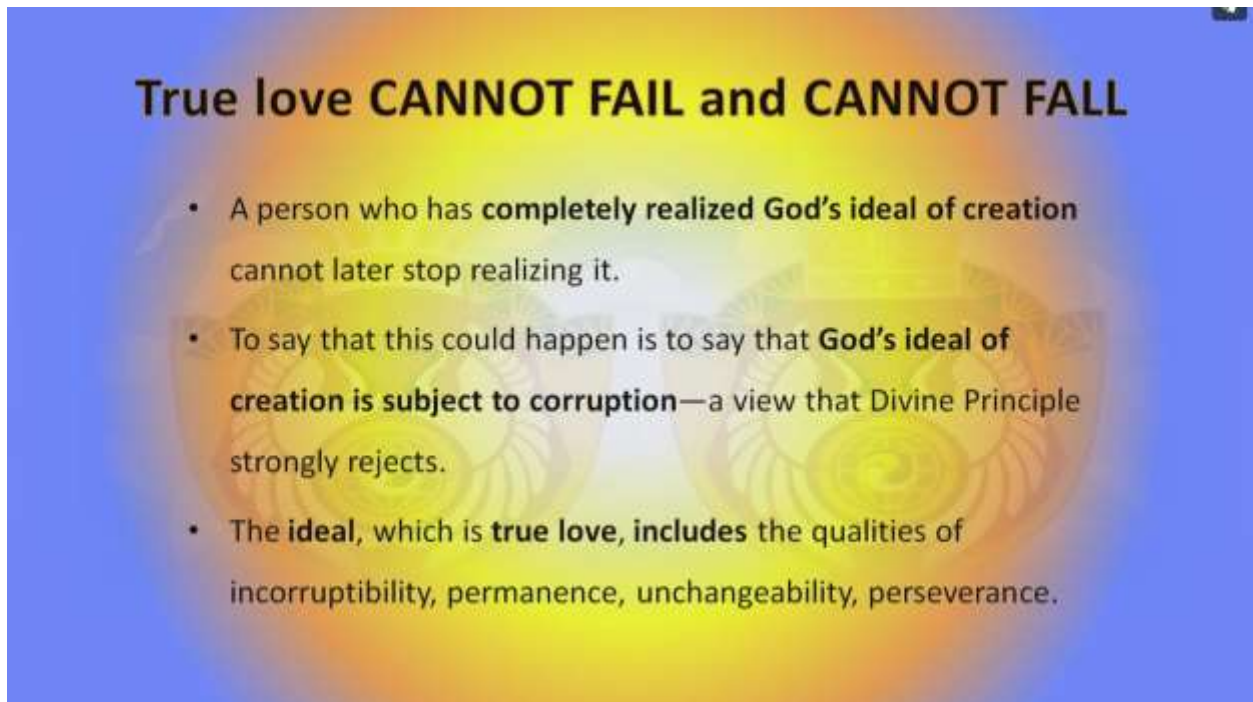

(Sun Myung Moon, cited in R. Jenkins, G. A. Stallings, "True Family Values Ministry Bible-based Divine Principle Seminar," session 1)

\* But living for others truly, as one pushes the envelope of God's providence to liberate the world from sin, requires the subjugation of the literal Satan. And this, True Mother accomplished."

(And we took out those two slides because I wanted to make it a little shorter; but, Father did say that True Mother subjugated Satan. Okay, it was in one of the global speaking tours. It was very specifically Father said it when She was in Beijing giving God's Word about God and True Parents, which is against the law in Beijing at that time. It was maybe mid 2000s or 1990s. And True Mother was able to work with the people. You have to know how to work with people. True Mother knows how to work with people, the government people, the leader of the women's organization of China and the leader of the disabled people's organization of China. You probably are aware of that. And they, knowing that the sensors did not want that speech to be said in the Great Hall of the People said, "She can go ahead and give that speech." And True Father said that She subjugated Satan. That was the subjugation of Satan by True Mother. So ... (applause ).

This is very, very important. Not just True Father subjugated Satan, True Mother subjugated Satan. God received Satan's surrender.

Okay now, this leads to a very important point:

as captioned: True Love CANNOT FAIL and CANNOT FALL

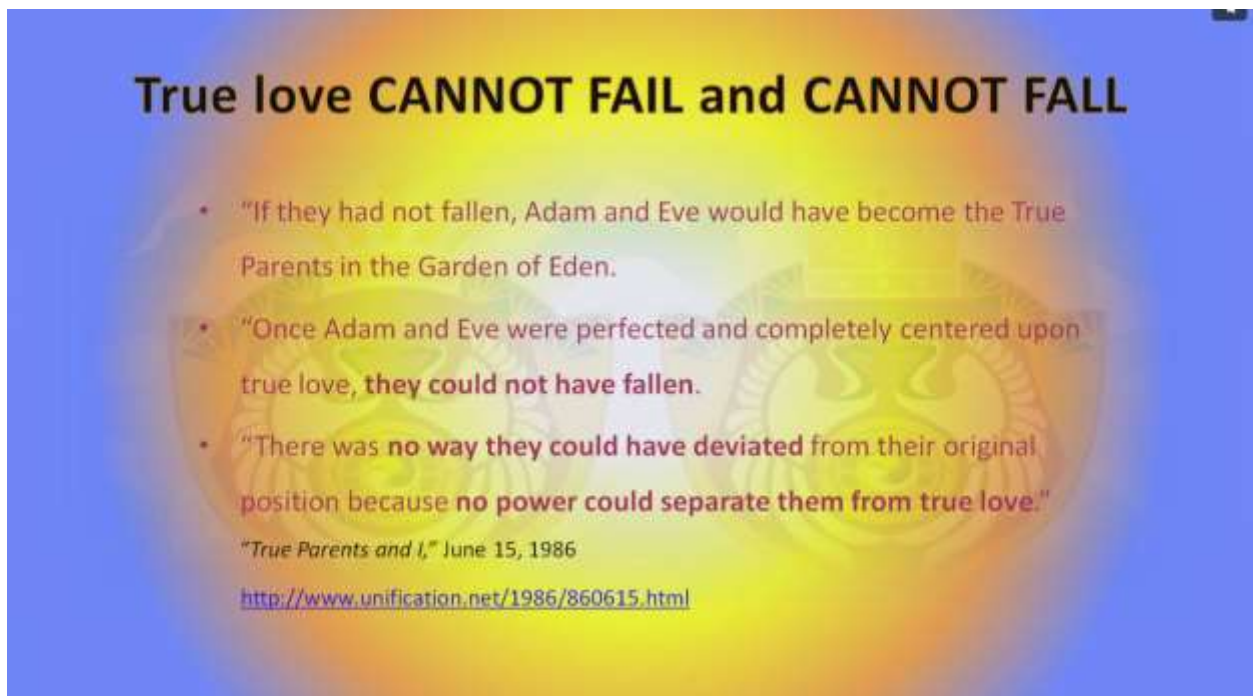

(True Father said at one of these slides that disappeared:)

\* A person who has completely realized God's ideal of creation cannot later stop realizing it.

(This is Divine Principle.

\* To say that this could happen is to say that God's ideal of creation is subject to corruption---a view that Divine Principle strongly rejects.

\* The ideal, which is true love, includes the qualities of incorruptibility, permanence, unchangeability, (and what the Puritans would call) perseverance.

as captioned: True Love CANNOT FAIL and CANNOT FALL continued

\* (red) Father's Words, "If they had not fallen, Adam and Eve would have become the True Parents in the Garden of Eden.

\* (red) "Once Adam and Eve were perfected and completely centered upon true love, they could not have fallen.

\* (red) "There was no way they could have deviated from their original position because no power could separate them from true love."

(True Parents and I," June 15, 1986

<http://www.unification.net/1986/860615.html>

True Father and True Mother have absolute true love which is eternal and which is absolute. It cannot fail. It cannot fall, by Divine Principle and by Father's repeated Words. And by this arises the authority of True Parents.

as captioned: The Authority of True Parents

(and again, more of Father's Words, that we need to understand in this context)

## Lord and Messiah

- "We can receive the seeds of true love only by receiving the true holy Blessing from the horizontal True Parents. They come as substantiations of God, the vertical True Parent..."  
(*Pyeong Hwa Gyeong* , p. 590)
- True Parents are **one** and their oneness is **not just with each other; it is with God.**  
*Exposition of Divine Principle*, p. 172, cf. p. 296

\* (red) "We can receive the seeds of true love only by receiving the true holy Blessing from the horizontal True Parents. They come as substantiations of God, the vertical True Parent..."

(That means One God 'They,' Two True Parents, One God. One Seed, Two Parents, Seed and Womb become One. There are passages where Father says that the Messiah and His Wife are the True Parents. True Parents are the Seed. Man and True Woman are the Seed. True Woman is part of the Seed. Every seed has male and female, you know.

There is another passage I found, not so many, but one, which said that the Husband and the Wife are the Womb. Well, wait a minute, I thought Father said that They are the Seed. They are the Womb. Again, logically, we need to understand the logic of love.)

(Pyeong Hwa Gyeong, p. 590)

\* True Parents are one and their oneness is not just with each other, it is with God.

(Exposition of Divine Principle, p. 172. cf. p. 296)

(This is important. I realized one day, "Oh, Father and Mother were One. They are really One; but it isn't just with each other. It is sealed by God. So, if we are talking about, 'No, maybe They are not really One; or, True Mother is distanced or something ... You are talking about God. God can't do that. Their Oneness is not just with each other. It is with God. The power of God is within it, behind it and working through it.)

as captioned: Lord and Messiah

\* (In the New Testament Age) The New Testament Age inaugurated the Oneness of the Father, Son and Holy Spirit. The Three are One and the One is Three.

(And we know that the Holy Spirit is the Wife, the Bride, right? This is what the Christians didn't know. The Son and the Bride, the Son and the Daughter, the Husband and the Wife, the Lord and the Bride are One with God.)

\* Jesus is fully God and fully man. By extension, the Holy Spirit now is fully God and fully woman.

(Fully God, fully Man and fully Woman! It's just ... Christian is the foundation we stand upon:)

as captioned: Lord and Messiah continued

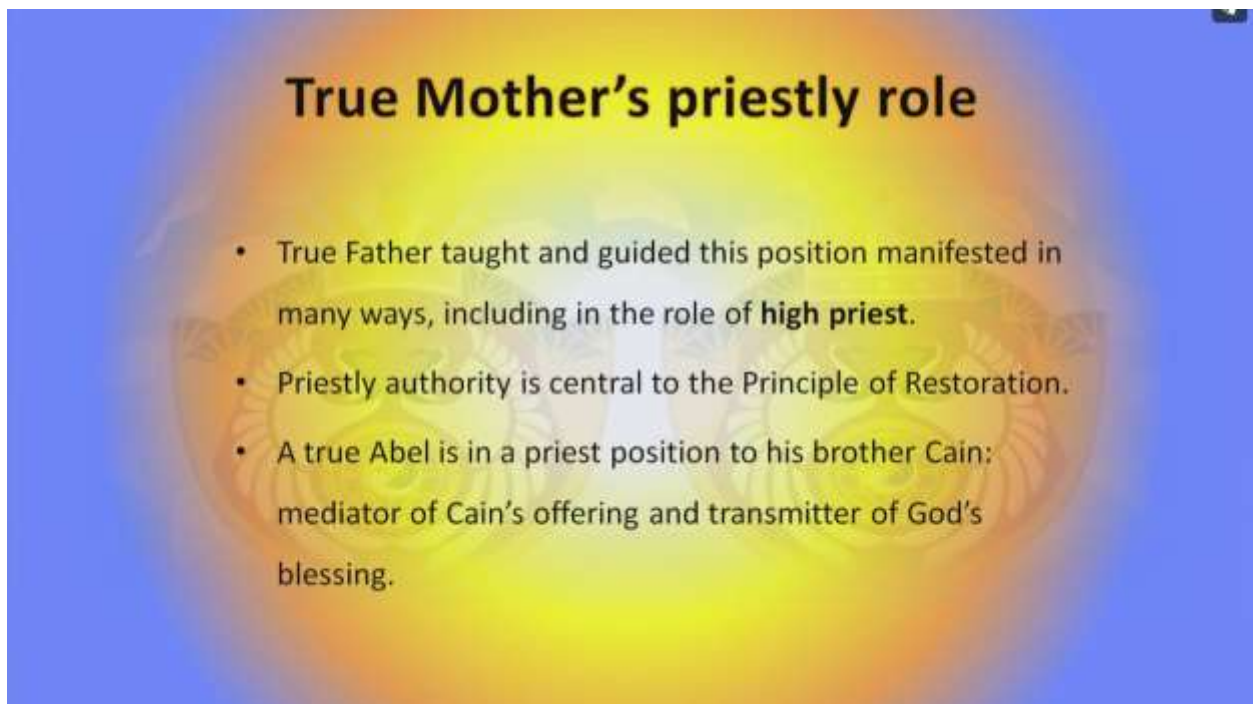

\* That is, the True Parents are the Lord, True Father is the Lord; True Mother shares His inheritance, position and life as His Lady. (His Wife, or if you want to say 'Lady.' Is the female Lord a Lady? That's what it means.)

\* Their divine-human love is the starting point of God's lineage. (They have divine=human love.)

\* (red) "The Lord of the Second Advent becomes the True Parents, creating the True Children."

(Blessing and Ideal Family 1993, p. 129)

(True Mother's priestly role. Now here is something Father didn't say very much. As Dr. Choong Shim Kim will remind me, "Father only said that one time." Sometimes Jesus only said things one time; but, you know, as Jesus said, "You are of your father the devil." "My Father is God; and, you are of your father the devil." Very, very important. He just said it one time. It's okay. We stand on that rock. Okay, here is what True Father said only one time:

as captioned: True Mother's Priestly Role

\* True Father taught and guided this Position (the Position or Role of His Wife or Lady) manifested in many ways, including in the role of high priest.

\* Priestly authority is central to the Principle of Restoration.

(Although we don't use that word very much ... priestly authority ... Abel , ya)

\* A true Abel is in a priest position to his brother Cain: mediator of Cain's offering and transmitter of God's blessing

(That's a priestly role.)

## True Mother's priestly role

- Thus, True Parents are in the priest role with respect to the Holy Marriage Blessing.
- In this context, let us consider True Father's words that it is women who are to assume the responsibility of "the high priest" in today's age.

as captioned: True Mother's Priestly Role

\* Thus, True Parents are in the priest role with respect to the Holy Marriage Blessing.

\* In this context, let us consider True Father's words that it is women who are to assume the responsibility of "the high priest" in today's age. (in the place of men)

## High priest in place of men

- "Today in the Age of Restoration, we have entered the age where **Eve has the responsibility of high priest in place of men...**
- "In the Unification Church we have placed a woman, **representing all women**, in a position to fulfill the responsibility of a **worldwide high priest** which nobody else could do."  
(*Blessing and Ideal Family* 1993, p. 354)
- The woman representing all women is True Mother.

as captioned: High Priest In Place of Men

\* Today in the Age of Restoration, we have entered the age where Eve has the responsibility of high priest in place of men...

\* "In the Unification Church we have placed a woman, representing all women, in a position to fulfill the responsibility of a worldwide high priest which nobody else could do."

(*Blessing and Ideal Family* 1993, p. 354)

\* (Of course) The Woman representing all women is True Mother. (Many times Father said, "You are the representative Woman.")

## High priest in place of men

- "I have placed Eve with Adam and am asking the people who can become Adams to unite with the women."

(Blessing and Ideal Family 1993, p. 354)

- Thus, Father's words: "We must define what it is to be True Mother and True Wife through attending True Mother who is the victorious representative of all women around the world."

(2012.07.16, iPeace TV broadcast, Kambashi translation, cf. Pyeong Hwa Gyeong, p. 893)

- True Father placed upon True Mother even more responsibility, giving statements as strong as this:

as captioned: High Priest in Place of Men continued

\* (red) "I have placed (in continuing this passage about the women are the high priest) I have placed Eve with Adam and am asking the people who can become Adams (that would be us) to unite with the women."

(Blessing and Ideal Family 1993, p. 354)

\* Thus, Father's Words: (red) "We must define what it is to be True Mother and True Wife through attending True Mother who is the victorious representative of all women around the world."

(So, here we have 'She is the representative of all women' what Father said in this passage in a high-priest role, in other words, not men, not Father, but Her, True Mother. Then He says, 'Well, what is it? How do we define True Mother?')

Father says it's not ... you are not going to define True Mother ultimately through a list of attributes or through a list of words or citations from Father. You will define True Mother in one way: by attending True Mother. That means you become it by doing it. Don't worry about defining it, just attend True Mother. That will define. God will define True Mother through your act of attendance. In other words, you are part of God's definition of what it means to be True Mother. That gives us incredible responsibility and also honor.

Father placed upon True Mother even more responsibility, giving statements as strong as this:

## All humankind can be born again only through True Mother

- "Mother is the one who resurrects your life. She gives you rebirth and then she blesses you."

(Chambumo Gyeong, 1:1-2-48, 1992.7.30)

- "All of humankind who were born before the birth of True Mother were born meaninglessly. ...Because you are born out of false love, you need to be born again through true love."

(Blessing and Ideal Family 1993, p. 184)

- Based on this, Father's words get stronger yet:

as captioned: All Humankind Can Be Born Again only through True Mother

\* (red) "Mother is the One who resurrects your life. She give you rebirth and then She blesses you."

(Chambumo Gyeong, 1: 1-2-48, 1992.7.30)

(It's in Chambumo Gyeong. He didn't say, "Mother and Me, We give you ..." Mother gives you. She blesses you. And get this next one here : )

\* (red) "All of humankind who were born before the birth of True Mother were born meaninglessly ... Because you are born out of false love, you need to be born again through the true love."

(There is a lot of weight here on True Mother's birth

(Blessing and Ideal Family 1993, p. 184)

\* Based on this, Father's Words get stronger yet:

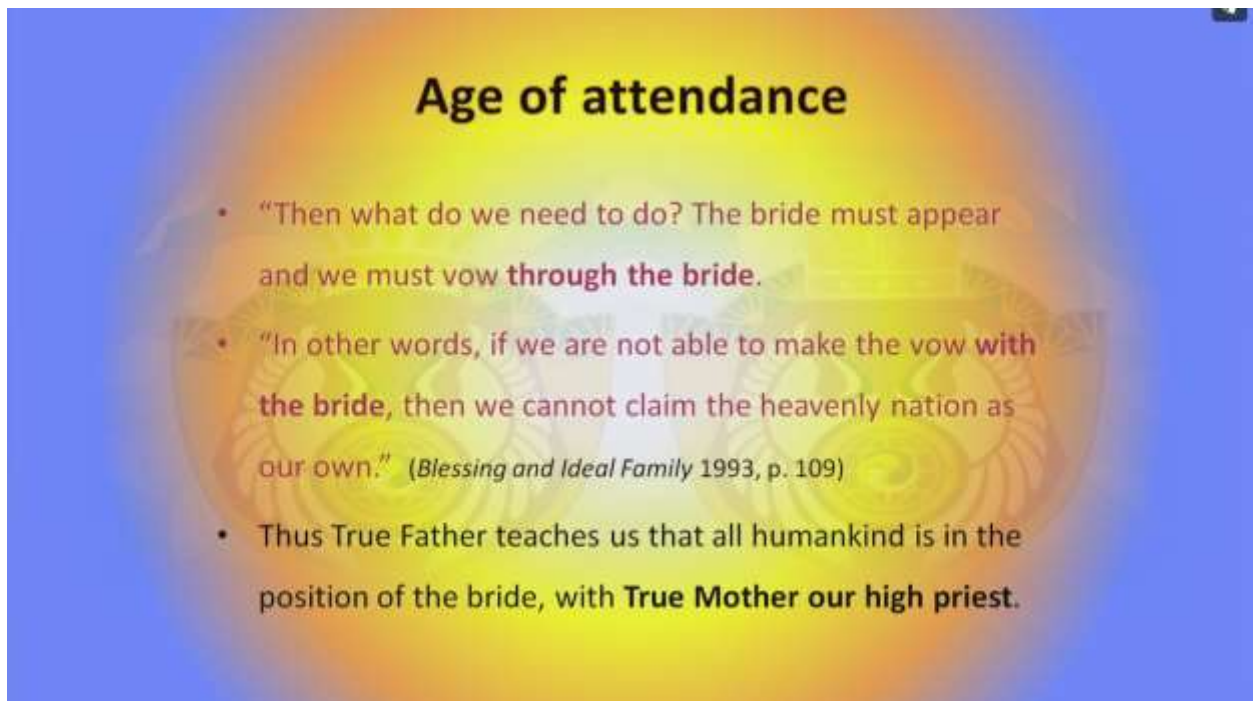

\* (red) "Then what do we need to do? The Bride must appear and we must bow through the Bride.

\* (red) "In other words, if we are not able to make the vow with the Bride, then we cannot claim the heavenly nation as our own."

(Blessing and Ideal Family 1993, p. 109)

\* Thus True Father teaches us that all humankind is in the position of the Bride, with True Mother our high priest.

(Thus, True Father teaches us that all humankind is in the position o the Bride, and we make the vow through the Bride and with the Bride. So, we know, like all of Christianity knows, the whole church is the bride of Christ, we are all the bride of Christ through True Mother, with True Mother, as our high priest.)

as captioned: Age of Attendance

\* We conclude that True Mother embodies True Parents' authority over the Blessing.

(If we are making the vow through the Bride, with the Bride, then the Bride embodies the authority of the Blessing.)

\* In Father's first speaking tour, (Oh, here's the quote I mentioned before in 1972, in New York) in 1972, He said that the purpose of the Unification Church is to attend the Bride:

\* (red) "...let us interpret the mission that today's Unification Church is trying to fulfill. The Unification Church is trying to attend the Bride of the Lord ... "

(Pyeong Hwa Gyeong, p. 28)

## Attending True Mother

- It is to present True Mother's **love and birthing**, but more than that, True Mother's incredible **burden of responsibility**.
- And it defines our mission from True Father to attend her.
- By doing so, we follow Father's way, we live by **Adam's thought**.
- Let's read what Father said about Adam's thought.

as captioned: Attending True Mother

\* It is to present True Mother's love and (power to give rebirth) birthing, but more than that, (we need to feel) True Mother's incredible burden of responsibility. (Not really sympathy, but just heart to share this incredible responsibility that Father carried His whole life, the responsibility on this earth that Father and Mother had together. Father and Mother on the earth alone without us, without us, alone.)

\* And it defines our mission from True Father to attend Her (True Mother).

\* By doing so, we follow Father's way, we live by Adam's thought.

(We think, 'Adam's thought,' the authority of Father and all that ... Well, what the heck is Adam's thought? Well here is a passage where Father explained:

\* Let's read what Father said about Adam's thought.

## "We live by Adam's thought"

- "Had human beings not fallen, whose thought would have ruled the world? It would have been **Adam's thought**.
- "This is **the same as the teaching centered on True Parents**. It is the **father-mother principle**.
- "No teaching can be higher than this. ...This is the ultimate principle, and it **upholds parents**."

(Pyeong Hwa Gyeong, p. 656—citation from *True Families: Gateway to Heaven*)

as captioned: "We Live by Adam's Thought"

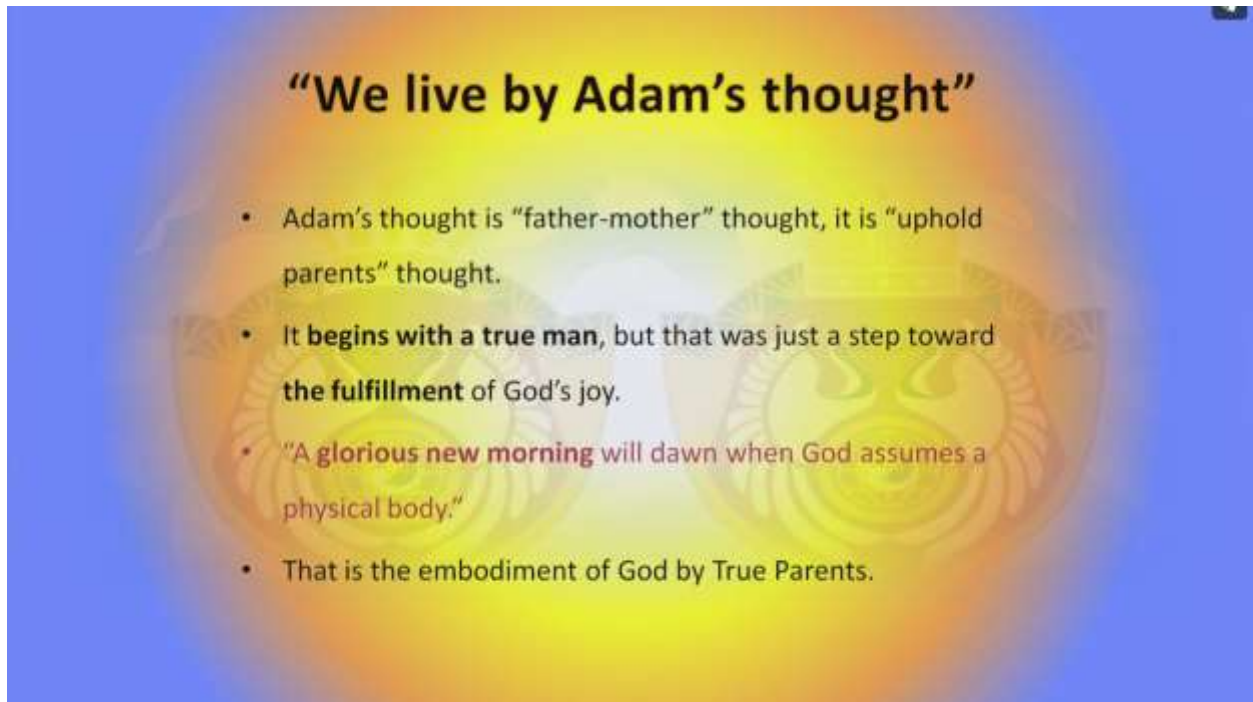

\* (red) "Had human beings not fallen, whose thought would have ruled the world? It would have ruled the world? It would have been Adam's thought.

\* (red) "This is the same as the teaching centered on True Parents. It is the father-mother principle.

\* "No teaching can be higher than this ... This is the ultimate principle, and it upholds parents."

(Pyeong Hwa Gyeong, p. 656---citation from 'True Families: Gateway to Heaven')

(Now, this is a citation from 'True Families: Gateway to Heaven' which is in Pyeong Hwa Gyeong)

as captioned : "We Live by Adam's Thought" continued

\* Adam's thought is "father-mother" thought, it is "uphold parents" thought.

(That's what Adam's thought is.)

\* It begins with a true man, but that was just a step toward the fulfillment of God's joy.

(Here's the fulfillment of God's joy:)

\* (red) "A glorious new morning will dawn when God assumes a physical body."

(We know, the purpose of creation, God must assume a physical body. That's a glorious new morning.)

\* That is the embodiment of God by (True Parents) in the True Family.

as captioned: Attending True Parents

\* (red) "Still more glorious will be the moment when God can love His grandchildren" ...

\* That is the completion: (red) "that moment will be more thrilling than when He first loves His son and daughter."

(These are Father's Word ... more thrilling than when God becomes One with Father, more thrilling, more glory than that is when God becomes One with True Parents , then greater than that is when God becomes One with His grandchildren. True Parents create True Parents. God is True Parent. God's goal is to create True Parents. True Parents goal is to create True Parents from Their Grandchildren. That's the most thrilling experience for God, the embodiment of God in the True Family.)

(Pyeong Hwa Gyeong, p. 661)

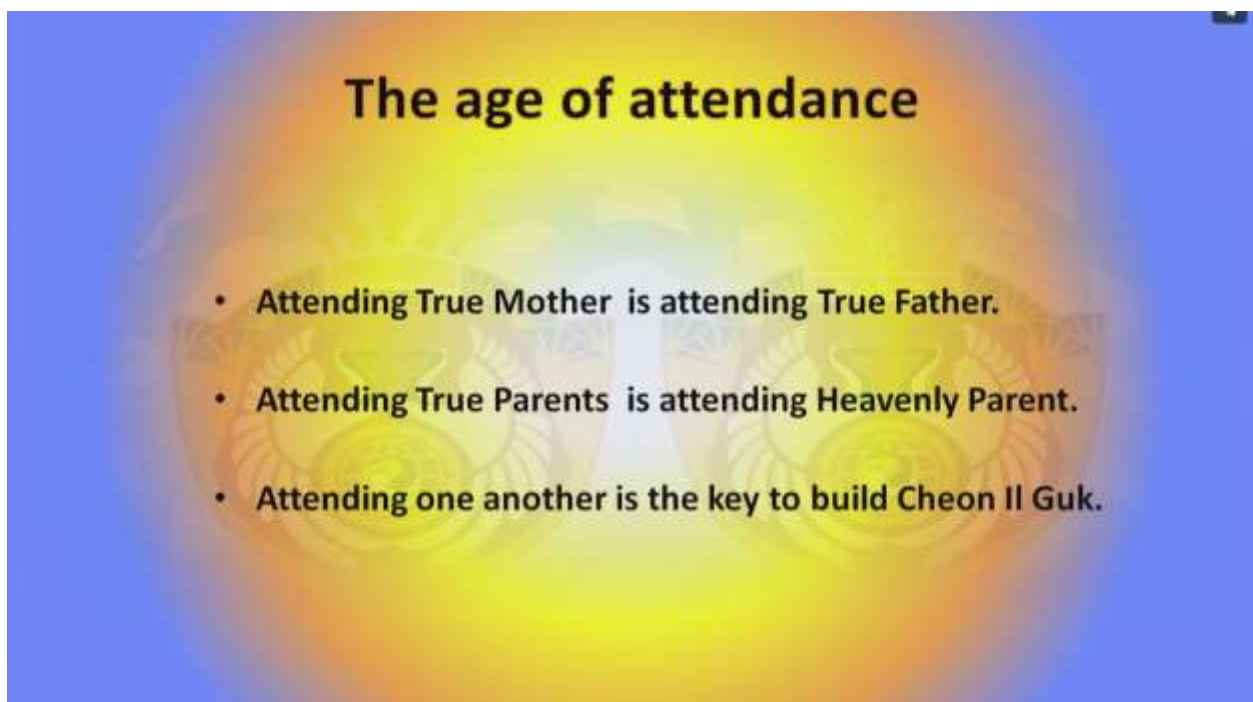

\* That is the embodiment of God in the True Family.

as captioned: The Age of Attendance

\* Our mission is not just to find and attend the Bride, but to find and attend God's grandchildren, the True Family.

\* It is not just True Mother's mission, not just True Parents' mission, not just True Family's mission: it is our mission.

as captioned: The Age of Attendance continued

\* Attending True Mother is attending True Father.

\* Attending True Parents is attending Heavenly Parent.

\* Attending one another is the key to build Cheon Il Guk!

Thank you very much. Thank you God and True Parents. Thank you everyone.
