Re: "Finding My Ideal Partner" Workshop"

Date: December 17-19, 2010 at UTS Conference Center in Barrytown, NY

In accordance with the emphasis of our National President, Rev. In Jin Moon, upon Blessed Children's education and the importance of maturity and preparation for the Blessing, an enhanced system of Blessing education is in development, comprised of three distinct levels. As announced in October, a "Level II" Blessing workshop, "Finding My Ideal Partner," will be held December 17-19, 2010 at the UTS Conference Center in Barrytown, NY.

This program is designed for those 18 and older, who are preparing to enter the matching process, or those 17 and above considering whether to attend True Parents' matching. Its purpose is to help candidates understand and prepare for the matching process, to consider the right time to begin, and to develop a clear plan in cooperation with their parents. Previous attendance to a Level 1 "Introduction to the Blessing" workshop is helpful, but not required at this time. Young adults should attend because they want to. It is not recommended that parents push or force their children to attend.

A "Level III" workshop for engaged and newly Blessed couples will take place early next year. In addition, materials for the Level I program are being developed for small group study, online education, and local workshops around the country next year.
