JOINT EFFORT TO HELP THE PHILIPPINES

Our hearts almost stood still when we saw the horrendous images flashing across the TV screens and computers of the typhoon hitting the Philippines, destroying homes, towns and taking so many lives. We prayed to God immediately for the victims and their families and set up this Philippines Relief Fund WFWP USA to collect donations.

We join hands with the Filipino International Community of America (FICA) and the Philippine Red Cross on the ground to amplify our efforts most effectively and also provide additional help such as medicine, clothing and food.

At this moment, donations are most urgently needed. Any amount is welcome. For example, a \$100 donation can feed 20 families in the Philippines.

To donate, please go to our website, www.wfwp.us or click below:
