Goodness Grows, with WFWP and You

End 2017 on a high note!

Your tax-deductible donation to Women's Federation for World Peace will keep us strong in 2018.

This past year, thanks to donors like you, we reached and **educated over 3,200 people** in the Logic of Love.

Women across the nation were energized to utilize their unique talents and passion, their unique feminine leadership, to positively impact their communities!

How many more can we reach in 2018? It all depends on what grows this season! You can help us reach our goal of \$10,000 by today, December 31st.

God Bless You and Happy New Year!
