

Nora Spurgin's Calling Your Own Circle of Angels to Energize Your Life

December 16, 2019

"Love came down at Christmas,
Love all lovely, love divine;
Love was born at Christmas,
Stars and angels gave the sign"
- Christina Rossetti

Angels feature prominently in the Christmas story as heavenly messengers, and they are associated with the holiday to the present day. As we hang angel ornaments on our Christmas trees this year, WFWP invites you to think a little more deeply about the spiritual beings that exist in our world and are here to help us.

We are offering our readers an exclusive look at one of WFWP's monthly webinars open to members, where Mrs. Nora Spurgin shares stories and tips on "Calling Your Own Circle of Angels to Energize Your Life." Mrs. Spurgin is a psychotherapist who has always held a special interest in the empowerment and healing she believes is available to us through spiritual sources, centered upon God.

In the video, Mrs. Spurgin shares the story of how she first discovered the ability to call on angels for help during her time serving as the first president of WFWP USA. Telling God that she felt overwhelmed and wanting to delegate work, she suddenly started humming the song "Oh Come, Angel Band" and realized that God was telling her to call on angels.

She has had many experiences over the years that gave her a spiritual boost, so she decided to guide other people by writing the book "Circles of Angels" (available [here](#)). Anyone interested in ordering her book or reaching out can contact her at noraspurgin@yahoo.com. To get a taste of what she has to offer, watch the webinar below, which was given for the second time this

December due to popular demand.

"There [is] great interest in gaining the support of angels for many of us drowning in media and earthbound pragmatism!" - webinar attendee

"Nora's thought-provoking, simple, easy-to-follow methods...draw more of God's energy into our daily lives..." - Cheryl Landon, radio producer and hostess
