### Chung Pyung Announcements in regards to the Spirit Fest

Dear brothers and sisters,

Greetings!

As everyone knows, the Ancestor Liberation/Blessing event will be taking place on the weekend of July 28-29th. We have approximately 2 weeks left to prepare for this very important event!

With that in mind, we would like to share with everyone two important announcements:

#### 1) Home Stay Request Form

We hope to make things easier for those traveling far to stay over night at member's homes on Saturday night. If you know of any families who are travelling from afar, please have them fill out the form below to see if accommodations can be provided.

With that being said, if any families from the local BFC community are able to offer a place to stay Saturday night (July 28th), please contact Miilhan Stephens at [mstephens@unification.org](mailto:mstephens@unification.org).

#### 2) Looking for more Chanyang Team members.

We are still looking for young, fast learning 2nd generation members (but not limited to) who can join the Chanyang Team. This is a great way to fully gain the spiritual benefit of the Chanyang. Experience is preferred, but not required. Volunteers will be able to learn during the rehearsal on the Friday before the event and accommodations will be provided.

Right now we are still looking for people to do:

Cards - 2 more

Vocals - 3 more

Drums - 1 more

Please contact Miilhan Stephens if you or anyone you know are interested at: [mstephens@unification.org](mailto:mstephens@unification.org).

Thank you and God Bless!

Miilhan Stephens
