Tribute to Dr. Edwin Ang, UTS Executive Vice President (1977-1994)

Christina Lange March 9, 2021

We invite the UTS community and friends to join us on **March 16, 2021** for an online Tribute to Dr. Edwin Ang.

Dr. Ang ascended to the spiritual realm on January 21, 2021 and his National Seonghwa Ceremony took place on January 25, 2021. This Tribute is being organized for Dr. Ang because of the key roles that he played at UTS where he worked with Founding President David S.C. Kim from 1977 until 1994. Dr. Ang served as Executive Vice President of Unification Theological Seminary during that period and he and his wife Marie Ang number among the earliest followers of Rev. Sun Myung Moon and Dr. Hak Ja Han Moon in the United States.

The UTS Tribute will feature a presentation by UTS Vice President and Professor of History Dr. Michael Mickler who also serves as the Director of the Sunhak Institute of History USA, entitled "Edwin Ang: Model Confucian Gentleman, UTS Administrator and Higher Order Visionary." The program will also include reflections by several UTS Alumni including Dr. Thomas G. Walsh, International Chairman of the Universal Peace Federation, and UTS Adjunct Professor Lynn Walsh, as well as UTS Trustee Dan Fefferman who has written a song honoring Dr. Ang.

All UTS faculty, administration, students, alumni, and friends are very welcome to participate in this tribute to an outstanding leader who played a key role in building the UTS legacy and served as architect of the process leading to UTS attaining its Absolute Charter from the New York State Office of Higher Education and its accreditation by the Middle States Commission of Higher Education.

Best regards,
