Points to Consider	As much as possible, the individual who liberated a particular 7 generation set of ancestors should also participate in the Ancestor Blessing Ceremony to bless those generations

1) Ancestor Blessing Ceremonies for generations 1-161 began from November 2008 and will be held once a month for a 5-month period until March 2009. Generations 1-161 can be blessed when their descendants attend an Ancestor Blessing Ceremony, held on the third weekend of every month. (Schedule is subject to change.)

2) Starting from July 2002, ancestors who have become Absolute Good Spirits through the blessing come to separate spirits from their descendants during the holy song session of the Ancestor Liberation Ceremonies. (Angels work with members who have not blessed their ancestors.)

3) The donation amount of Ancestor Blessing for generation 1-7 are set according to national group (as of August 2003). This is offered once for the F and includes all four lineages (F, M, GMF, and GMM). However, if blessing the four lineages at separate times, a blessing donation of gratitude (same amount offered for generations 8 and above) is made each time you register. It is

possible to offer the blessing donation in parts and to begin blessing generations 8 and above before it is completed.

4) The Blessing donation of gratitude for generations 8 and above is offered per group of 7 generations. It includes all four lineages (F, M, GMF, GMM) if blessing them all at once, and is offered again each time you register to bless lineages in a particular generation group.
