Re. : Announcement of the Stripping of a National Messiah Title

May God and True Parents' blessings and love be with brothers and sisters in your region, mission nations and providential organizations.

This is to announce that **Thomas Field** has been stripped of the honor of being the **Abel national messiah to Chile, South America.**

A national messiah must fulfill his sacred duty from heaven according to True Parents' instructions and teachings and be an example to the members in his mission nation by adhering to heavenly tradition. He is also in the position of following the regional president's guidance in carrying out his mission.

Thomas Field, while Abel national messiah to Chile, was actively involved in the series of incidents that occurred in Brazil and Paraguay in May and June and in activities that contributed to and were a foundation for those activities in the years before that.

His actions are not befitting a national messiah and have greatly tarnished the standing of national messiahs. Thus, this is to announce that he has been stripped of that honor.

The change is effective as of **September 1, 2010.**

Hyung Jin Moon
International President
