## Beloved Members

Through the devotion and love of our fellow members we have come to the end of the first year of the heavenly era with gratitude and divine grace. Though there were many events over the course of last year, I have been happy and thankful because our Heavenly Father, True Parents, and my fellow members have been with me.

Last year was a very important and meaningful year for the Unification Church. To begin with, it was the year in which we celebrated the ninetieth birthday of the True Parents of Heaven, Earth and Humankind. It was also the jubilee year of the Golden Wedding of True Parents, marking the fiftieth anniversary of their Holy Wedding.

True Parents have proclaimed Foundation Day in 2013, and the Heavenly Era. Through 'The World Assembly to Proclaim the Substantial Word of God and the Era of the True Parents of Heaven, Earth and Humankind', they have liberated God and all of humankind, and brought all providential tasks in Korea to a complete settlement.

The year of 2011, the second year of the heavenly era! Let us be even more successful in the coming New Year. Let us return even greater joy and glory to True Parents. Let us make the seeds of true love, which we have inherited from God and True Parents, bloom into flowers within us.

Miracles take place on the religious path. We have firm conviction that we will be triumphant as we go this way.

May the blessings of God and True Parents continue to be with you in the year 2011. Aju!

*With our respectful best wishes,  
Rev. Hyung Jin Moon and Rev. Yeon Ah Lee  
International President, Unificationism*
