**Re. : Fund to aid Japanese members affected by the earthquake**

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

As you will be aware, on March 11 Japan was hit by a very strong earthquake and resulting tsunami. The most severe earthquake in the 150 years since records were kept, it has resulted in widespread loss of life and damage to infrastructure. In light of this, the World Mission Headquarters would like to ask for a special time of offering prayer and jeongseong for the members of our church in Japan, the Mother Nation, who have been taking so much responsibility through their invaluable efforts for God's providence. Moreover, we wish to set up a fund through which to gather money to be sent for their aid.

We ask all leaders to actively cooperate so that as many members as possible can participate in this. The Japanese members have made many sacrifices and accomplished so much for the providence that True Parents are guiding. We ask for members' jeongseong and prayer that they can recover rapidly from the terrible losses they have incurred and regain a stable situation in their lives.
