Re. : Special Original Divine Principle education presided by True Parents

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

On April 18 (3.16 by the Heavenly Calendar in the Second Year of the Heavenly Foundation), the True Parents of Heaven, Earth and Humankind, on the 51st anniversary of their Holy Wedding, offered a Hoon Dok Hwe devotion that lasted for over twelve hours, during which time True Father did not even drink a sip of water, in order to re-proclaim the Era After the Coming of Heaven.

True Father further emphasized that an understanding of the Original Divine Principle is necessary in order to correctly understand the God of Night, the God of Day and True Parents. Substantiating the Abel UN through the Original Divine Principle education is an important providence and mission in the era after the coming of heaven of fulfilling God's will.

In accordance with these instructions, a total of 750 boon-bong-wangs, national messiahs, national leaders and other participants took part in this education which True Parents presided over in May and July. This education will now be expanded further for all blessed families. Regional presidents, national leaders and those in the public mission should actively cooperate in reaching the participant goals. Please guide blessed families and members who complete this education to carry out tribal messiah activities so that we can welcome Foundation Day in victory.
