**Re. : Announcing Celebrations at the Beginning of the 3<sup>rd</sup> year of Cheon-gi and the “True Peace and Unity Cheonbok Festival”**

May God and True Parents’ blessings and love be with your regions, mission nations and providential organizations.

True Parents proclaimed the heavenly calendar on January 8, 2010 and spoke about holding a week-long festival marking True Parents’ birthday. Based on their words a number of celebrations including the True Peace and Unity Cheon Bok Festival was held successfully in the 2<sup>nd</sup> year of Cheon-gi.

The “True Peace and Unity Cheon Bok Festival” which was held this year served as a venue for celebration for all blessed families and the people of the world to start the New Year in prayer and *jeongseong* centering on God and True Parents. It allowed all of us to inherit all their victories and celebrate the value of the True Parents of Heaven, Earth and Humankind beyond the boundaries of religion, race and nation.

In the 3<sup>rd</sup> year of Cheon-gi we will be celebrating True Mother’s *Gohui*. This period will be a time of festivity for all humankind to celebrate and commemorate the Holy Birth of the True Parents of Heaven, Earth and Humankind, the most significant and sacred day in human history, transcending the boundaries of race and religion.

This is to announce the details for the celebrations to be held at the beginning of the 3<sup>rd</sup> year of Cheon-gi and the “True Peace and Unity Cheon Bok Festival.” Please offer your *jeongseong* in preparation for these events.

### **1. Meaning and significance of Cheon Bok Festival 2012**

Next year, the 3<sup>rd</sup> year of Cheon-gi (2012), the Cheon Bok Festival will be held for the second time. It will be celebrated at an important juncture in the providence, a year before Foundation Day. It marks True Mother’s *gohui* (seventieth birthday) and also a meaningful providential time in which God’s Wedding will be held together with that of Adam and Eve in a position before the Fall.

The Cheon Bok Festival commemorates True Parents’ Holy Birth is a seven-day festival through which the people of this world can celebrate together the idea of building a world reflecting the culture of heart. A number of official events, commemorations, celebratory performances and other programs and activities are being prepared for the upcoming Cheon Bok Festival.

Cheon Bok Holy Salt. For next year, soil from Jeongju, True Father's birthplace, will be added to the existing holy soil. Individuals and families that inherit the Cheon Bok Holy Salt will be able to connect the devotion and *jeongseong* of the four great saints and True Parents' birthplace to their homes. This holy item brings the opportunity to inherit heavenly fortune.

At the first Cheon Bok Ceremony, True Parents mixed the holy soil brought from the birthplaces of the four great saints with holy salt, personally sanctified it and pronounced a benediction over it saying: "I hope and pray that in the great cosmic universe that is eternal and infinite, all nations, all parents and all brothers and sisters connected to True Parents' bloodline can be united and can live forevermore bearing the fruit of true love and protecting the standard based on which they should lead their lives."

True Parents bestowed a calligraphic message, signed their names on Cheon Bok lanterns and prayed for the Cheon Bok Festival to be a success. The Cheon Bok lantern is a symbol of waiting for and welcoming the Lord who illuminates the darkness. It best expresses the meaning of the Cheon Bok Festival which is centered on celebrating and proclaiming True Parents' holy birth.

During the Cheon Bok Festival 2012 a special parade is planned, which will be held in the streets of Seoul. Through this we will testify to True Parents and proclaim them as the Messiah. The parade will reflect victorious and glorious aspects of True Parents' life course. Participants will hold and wave Unification flags during the parade. At the same time we will also proclaim True Parents using electronic billboards, radio broadcasts and other means of mass communication.

The Cheon Bok Festival will be a time of celebrating True Parents Holy Birth while inheriting heavenly fortune. It will become part of the culture of heart of attending and proclaiming True Parents in this age of attendance.
