아이티 교회 재건축 2011년 5월-2012년 2월

2010년 1월 12일 화요일, 현지 시각으로 16시 53분에 아이티에 지진이 일어났다. 아이티 교회 또한 지진으로 인해 붕괴되었다. 지진이 일어난 후, 우리는 아이티 교회의 정원에서 예배를 드렸다.

우리는 교회 건물의 붕괴된 부분을 부수고, 나머지 2층 부분을 복원하기로 하고 건물 안에서 예배를 드렸다.

지금은 건물이 다 복원되어 창문하고 문을 달아 놓았고, 벽에 페인트 칠하는 작업, 가구 장식 및 내부 수리하는 작업만이 남아있다.

하지만 건축의 자금이 부족하여, 현재 자금을 모으고 있는 중이다.

대륙의 따뜻한 지원 덕분에 건축을 할 수 있었던 것에 대해 진심으로 감사의 마음을 표한다.

2012년 1월 12일은 아이티 지진이 일어난 지 2년이 되는 날이었다. 우리는 하나님과 참부모님께 감사하는 기도를 하며, 기념예배를 드렸다.

The earthquake in Haiti occurred at 16:53 local time on Tuesday, 12 January 2010. The Haitian H.Q collapsed by an earthquake, too... After an earthquake, We had worship in a garden of Haiti H.Q.

The building which collapsed dismantled it and restored the second floor part of the building which remained, and we could have worship inside building.

Now we are attaching windows and doors. And we need to paint work on the wall and fix the interior decoration in future. However, a construction fund is short and raises the fund now.

We thank for heartily what was able to construct until here by warm support of the American headquarters !! On January 12, 2012 which was the second Anniversary of Haiti Earthquake. We had Memorial Service and Prayer Meeting of Gratitude for God and True Parents.

The meeting consists of two parts. First part is a joyful lunch time. On each occasion, bringing along a proud plate, members came to the meeting. It was most plentiful lunch time. Throughout this lunch, we also could feel that if we gather even our little power, we can get the better result than we expected.

We all were delighting each plate which was full of love.

And second part is the time to shear testimonies of members and the guideline about how we can introduce the outline of Divine Principle in short time. In order to introduce the Divine Principle and True Parents, we need to speak about the idea of creation of God, especially true family of God. Then we can introduce about the hall of Human and the necessary of blessing to change the blood line, and true mission of messiah. Rev. Moon is messiah because this person dedicate own total life for realizing the true family of God, which no one can resolve it except messiah. Bible said that throughout the works we can know it.
