

Rev Hyung Jin Sean Moon

The Spirit of Truth

April 12 2015

Kids, have a good time at Sunday school, all right? All right, we pray that those children be filled with the Spirit, and have anointed lives to change the world, and bring it to Christ. Amen! All right kids; have fun! And now,

Let's look at "The Spirit of Truth," and let us start with The Book of Acts chapter 2 and verse 1, and we'll go to 6 and then we'll skip to 12 and 13. Let's read together real quick:

1-And when the day of Pentecost was fully come, they were all with one Accord in one place. 2- And suddenly there came a sound from heaven as a rushing mighty wind, and it filled all the house where they were sitting. 3- And there appeared unto them cloven tongues like as a fire, and has sat upon each one of them. 4- And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance. 4- And there were dwelling at Jerusalem Jews, devout men, out of every nation under heaven.

6- Now when this was noised abroad, the multitude came together, and were confounded, because that every man heard them speak in his own language... 12- And they were all amazed, and were in doubt, saying one to another, what meaneth this? 13- Others mocking said, These men are full of new wine.

Amen! Wow! What a word! What a powerful word! What an amazing, amazing word! This is of course Acts chapter 2 where the disciples are all in the Upper Room, and they're there, waiting of one accord. It's interesting because you see this Scripture down here, "*there were dwelling at Jerusalem Jews, devout men.*" This is the Feast of Weeks holiday, biblical holiday that is celebrated by the Jews, and it is fifty days after Passover. That's why you have all the Jerusalem men; the male Jews have to congregate in Jerusalem, and that's why it says, "*There were there Jews of every nation under heaven.*"

And on this day there's a tremendous move of the Holy Spirit. Now there are things that we want to go into, and we'll get into this a little later. I want to come back to it.

But one of the things that we can all feel as we are walking with the world church is: Why did this not happen after Father passed? Why did Pentecost not happen? I'm not saying it has to be exactly fifty days or whatever, but why did the Spirit not pour out upon the people?

I would say it's different, because those in different places have not felt the pouring of the Spirit; a lot

of us here have felt the pouring of the Spirit. Amen! So we are living in another dimension because we are pursuing God, Christ; we are pursuing Messiah, and that's why the Holy Spirit can fill us.

But we have the majority of the world church which does not experience these things, which have not felt the infilling and indwelling of the Holy Spirit, and just as we talked about last week, have been in a spiritual crisis. Why have we not experienced this on a worldwide scale?

Of course, we have to understand the reality of what happened, even though it's painful, and even though it's not enjoyable to talk about it. I was giving a Korean sermon this past weekend; I was shouting out to the heavens, "Why do *I* have to do this? Why is it me? Why the baby has to do this?" If you guys didn't understand what I was saying, you probably felt me in the spirit.

But this is what happened. We had a situation where the opening of the palace was the real beginning point. Of course before that, the archangels were working on Mother, trying to get her, pull her strings to them, but really after the palace that palace, palace, palace! Just a building of marble and whatever it is! It's just material; it has no real authority and power, but they convinced her that because she had a palace, now she would be God.

She would be the one who would glorify Father, even though he was already glorified, because now we have a physical building or a palace, now everybody will respect us. No! That's not how it happens! How many monarchies have fallen with the most gorgeous palaces, and the most gorgeous accoutrements you've ever seen in your life?

I've heard one pastor talking about Russia. In the museum in Russia, they have a gown or something of the queen, who was all diamonds. It was a diamond studded gown that she wore once. And the handmaiden that sewed that gown together went blind, because she had to do so much intricate detail on this luxurious garment, and on the day that she became blind, she finished the garment, and the queen wears it once! So, there are plenty of palaces, plenty of kings and queens with all sorts of accoutrements that have perished.

But you think about the King of Kings, when God stepped into this world in the flesh as Jesus, and he died on a cross. When the prophecy was that he was to build and take over Jerusalem and be a glorious King, he died bloody on a cross! It is not the material things that make a king a king. Amen! It is who they are that makes them the king! It is the blood that they carry that makes them the King!

They had worked on Mother when she had now the luxury of the palace, the accoutrement of the palace. I've told you millions of times, it's a beehive in there; it's not a nice place to live. People, room, ring, halls, whispering all the time, rumors mills galore, backstabbing; you know palace intrigue, all those things that you see dramatized in the dramas, they are real, folks! And then what is that? *Game of Thrones* or something like that- I haven't seen the series- but those things are real.

They exist when you have palaces, because there is a false illusion of power, and falsehood begins to congregate around that false illusion, where they believe materials give you power. Amen!

And then those who are spirit-led by Satan who want to accumulate that power for their own gain and advancement, will congregate to that power. You will see this in nation states as well. When governments become centralized you have deceivers who want to enter into the political arena to get to the power; and this same thing, you will see.

If the authority rests in a palace then we have nothing to do; if it rests in a material object, if that's where the glory of God resides, well I tell you, I've been in it, and I could tell you there is not any glory if there's not the proper owner there. When the king is not present there is no glory in the palace!

This is what happened, and everybody now realizes it, and everybody is listening, beginning to understand the intrigues and the dark secrets of the palace, how it actually operates, how evil congregates to it; self-seeking political parasites want to use it to create money streams for their selves and their luxury and you've seen the fall of so many kingdoms.

What was the main temptation when Satan tempted Eve?

Well, we'll look at it! Let's look at Genesis 3:

4- *The serpent said unto the woman, ye shall not surely die. God said if you ate of that tree you would die, but he said, "No, you're not going to die. God is lying to you!"* 5- *For God doth know that in the day ye thereof, then your eyes shall be opened, **and ye shall be as Gods.***

That is *the* cardinal sin of man! The arrogance and the hubris that we believe we can become God!

This is the arrogance of the elites- we've talked about this dozens of times - where they are trying to literally live forever, and advance technology so they can live literally forever. In the modern world this desire to be as God is real.

This is of course the primary, the first Commandment: Do not take any idols before God; do not worship any other idol than God! Because this is the spiritual fall, this is where Eve's spiritually falls, where she listens to the temptation of Satan and says, "Yes, I think I can become God! If I stand with you, you'll make me God! If I stand with him- he's pretty powerful- I will become God, and I will be worshiped in my deity!" And of course we know the story; she goes on to tempt Adam.

What happened in our case? It is the exact same temptation that the archangels gave to Mother, the Queen, "You will be God; you are God, you are Messiah, you are the Only Begotten Daughter, you are goddess, you are new love goddess!" This is the exact same temptation. The devil is stupid, and the devil continues on with the idiocy from the garden, because human beings so willingly get deceived to want to be God!

We knew about this, three years ago! I was in a conversation with Mother, and she said, "Who am I? Who do you think I am?" And I told her, "Mother, you are the victorious True Mother, the bride of Christ! You are the most precious human being on this planet; you are victorious True Mother, and you are the bride of Christ!" She said to me, "No! I am God! She said, "I am *Hananim!*" - That means God in Korean, folks! I literally dropped my jaw, and I said, "NO! You're not! Mother! You are not God! And if you proclaim this, you will be humbled; you will be humbled."

This is nothing other than total deception, and falling under the dominion of archangels, of Satan, believing and pursuing godhood, that, "I will become God!" This is nothing other than a spiritual fall; this is the fall! It's spiritual; it has not manifested physically, I do not believe, but it has spiritually been manifested.

And yes! That's painful! Yes, that is painful! I had to talk to Christian ministers and introduced myself; and yes it's painful, that I have to say that I'm going through this, and my mother has eaten the apple, and wants to be God! Spiritually wants to be God! It's not only embarrassing; of course it's painful for me! I'm her son.

But God is faithful, and when the hubris of man comes before God, proclaiming and trying to be God, God has a way of humbling humans. Amen! He has a way, and He always will humble those people who want to claim they are God.

See, we knew this three years ago, when I heard that come out of her mouth. She's my mommy, I suckled her breast, she fed me; she's my mother, I love her, but I grieve that she is deceived on that path. And I knew that, "I cannot help you, and help legitimize your own destruction and your own suicide. I cannot help that! If I love you, I have to intervene and stop you from doing it!"

But God told us to remain quiet, silent, for a season, because nobody could grasp the severity of this situation, and certainly there would be no evidence of it in the beginning. They would just say, I am Plum Loco, raving mad! Now we have all the public statements, and still they say I'm a bald man lunatic, in Pennsylvania.

Well, I wonder why if I'm such a lunatic and I wonder why, if I'm such an irrelevant bygone thing, why is the church collapsing before you, archangels? Why is the whole world church collapsing before you? I thought I'm the naked prince in Pennsylvania, talking about this and that, shouting to the trees and the cedars and the sycamores. No! You know who I am! You know what Father bestowed upon me, and that's why your kingdom is crumbling; it is collapsing.

I want to take this time right now to thank all the Japanese brothers sisters, because guess what? You thought you could control them and exploit them and continue your slavery and slave hood over them, but they have finished and succeeded victoriously in all their responsibilities, and they have glorified Father, and guess what? Beyond all of you they have a spiritual connection to Father.

Father said to them that they would be representatives of his bride in Japan. They all have individual spiritual connection with Father, so they can feel the spirit. And you think they're so stupid that they will continue to fund you if you just mandate it and command them to do it; well, now you see what the reality is!

I thank the Japanese brothers and sisters. I thank you because you are true samurais and you are true people; you are victorious and you're standing with God in this hour. And with all the persecution that you are receiving from the false and illegitimate hierarchy, don't stop! Because as you pursue Father, you will not only be filled with the power of his Holy Spirit, and you will not only find the purpose of your existence, but the archangelic hierarchy and systems of control will collapse and are collapsing.

I'm happy to announce that Japan last month had the lowest donation in the history of the church! In the history of the church! Oh, but I thought I'm just a raving lunatic in the middle of Pennsylvania! I thought I have no impact on the Japanese members and the worldwide church, even though they saw me be crowned three times!

You thought you could just command them and have them as your slaves to worship you as false gods, you pitiful fools! And now your kingdom is crumbling! Let me tell you all world church, a little reality about the Japanese church: you have in the Japanese church- and all of you leaders know that- you have a \$30 million per month overhead, that means operating cost. You have to raise \$ 30 million to run the church in Japan, and last month- praise God- that was not even close.

It was so abysmal that it's never been seen in the history of the national church. They gave you and donated to you, false illegitimate leaders, only \$ 6 million; that will not cover your \$ 30 million. Now you're 24 million in the hole every month, and it will only increase; in one year you're 240 in the hole.

You see what happens when you disobey your king, and when you turn and desecrate him, and seek your own deity and your own worship? You will be humbled, punished by the spirit world. God doesn't even have to do it Himself; your own ancestors are punishing you!

I command you, and I thank all the brothers and sisters in Japan, because what you are doing is: you are freeing the church from Satan. You are freeing the church from the grasp and clutch of the devil, and you are allowing the age of liberation and complete release to come unimpeded into your lives, to let the Holy Spirit come into you lives, and have a direct connection with the Creator of the universe, the president of the universe, the King of Kings who is your Father. I command you and salute you samurais that are standing up in Japan because the archangelic kingdom is collapsing.

You thought, "Oh! Such a small little thing here in Pennsylvania," and made a mockery of them. You see, when people stand with spirit and in truth, and stand against illegitimacy, adultery, fornication, falsehood, and we stand in righteousness and truth in Christ, the kingdom of Satan

versus the Kingdom of God has no comparison. It's not even on an equal fighting plain field! Satan is so weak! Your kingdom is collapsing before your eyes, and as you hold on, and grasp harder, and try to enslave members more, the more they will be freed from you.

Oh, and let me not forget to mention the \$14,000 per family tax, you're adding to the Japanese members this month, which they of course don't need to pay, because they are freed from your clutches, Satan, and they are freed from you to live as sons and daughters of God with the King of Kings! Too bad! Japanese members have no obligation to fund a hierarchy that is desecrating their Father; absolutely none!

This month, it's a \$14,000 tax on them, and then next month you'll probably try to squeeze them harder; the more you squeeze, the more they'll be freed. So, squeeze all you want because they have their Daddy now, and they are now able to chase and be with their Father who has all authority in heaven and earth!

You are no comparison and no contest to the people of God, because when we are filled with His power, His authority and His spirit, you can only tremble and fall, because that is all you are, fallen adulterers; that's all you are! You are fallen adulterers who want to exploit the sons and daughters of God, feed off of them, to fill your bellies. Like little pedophiles, who like feeding off of the life of children, you are trying to raise up the new generation to feed off of them too! Pitiful! How quickly your greed will make you crumble!

And that is the justice of God, that is the goodness and faithfulness of God, because even though the faithful are persecuted by you, and persecuted by you, adulterers and desecrators, in the end there is justice. Because God is good, and He is just, and He is pure, and He is righteous, and He is magnificent, and He is above all things, and in Him there is joy unspeakable, because *the joy of the Lord is my strength*, and He who is great living in me is greater than he who is in the world, and you have no power now over the children of God.

Oh! I'd like to, of course, thank all the provocateurs for being so loyal to the archangelic hierarchy, because now *you* can so graciously pay for the \$ 24 million deficit of the Japanese church and the world church, of course which is funded by them. Oh! You're so loyal! You've been so good to your masters, and so now it's your turn to pay the bills, boys, and time to actually fund the entire world church that is led by deception. Good luck! Farewell! Good riddance! Because you now are no longer in the Kingdom of God, and all the burdens and curses are falling upon you. We don't delight in that, but it is what you have earned for your actions words and thoughts.

The people of God are not stupid; we are not slaves. We are free men and women, and we have an eternal relationship with God, the Creator, the Alpha and the Omega, the Maker of the universe, and you cannot steal that and take it from us, because you are nothing but decrepit false 'wannabe' gods, pitiful old people that will die in diapers; you are no way near the glory of God, and that is what you are.

So we rejoice in the Japanese church. See, one thing these foolish archangels don't really recognize: they just think Japanese members are little robots who are so stupid that if you just tell them, "Pay me \$ 10 million," they'll pay you \$ 10 million.

No! See, these are people who are much smarter than you; they are much more spiritually awake than you too. They're much higher in their spiritual status, and that's why they can follow their Father, because he was real, and that's why they would do anything, just like any of the children, to sacrifice for him, because they know in their spirit who is Christ.

And you desecrate, you doubt, and you took them for fools, thinking that they would bow to you because you have some position. You're nothing but losers; that's the colloquial word to say it right, nothing but losers, nothing but illegitimate losers. And you have no authority over the Kingdom. Thank God for that.

God is good folks! Because the archangels have no authority over the children, and I praise God for the liberation that He is unlocking in Japan, and the people are recognizing who they are, and stopping to fund the desecration of Father. Praise God! What a beautiful, beautiful, day it is! And this is why; this is in the end what the archangels are so afraid of, so afraid of.

Look! I'm not a mean person, okay? I'm a nice guy! Everybody knows who meet me, I am a nice fellow, but when Satan comes in the room I get a little mad; I can get a little mean. Because the people of God are not supposed to be nice to Satan; they're not supposed to be adulterating with Satan, and they're not supposed to be helping Satan build his kingdom and exploit and enslave people.

They're supposed to be standing with Christ, in whom there is liberty, where there is freedom to be in peace. Because peace is not a place, nor is it a process or an evolution; it is a person, person! In the person of Christ there is peace; in the person of Christ there is righteousness; in the person of Christ there is goodness! All things which you do not have archangels!

And guess what? Now the world church can laugh at you and mock you, because as the people of God tried to stand, you tried to stomp on them and squash them; and you tried to use peer pressure to make them feel as if they were not sons and daughters of God, "Guilty little children, you're not sons and daughters of God!"

I say, "We are the sons and daughters of the Most High King, and we stand in position and power, and we don't let you usurp it, you adulterers, nothing other than weak adulterers!"

"And when the day of Pentecost was fully come, they were all with one accord"

Look at this! What's amazing here: people usually don't see Acts chapter 1; and in Acts chapter 1, it says the people had gathered, and also Mother Mary was there. Mother Mary, Jesus' mother was there! How many have heard that in the upper room Mother Mary was there? We hear so much that

Mother Mary did not love Jesus enough, or did not help him to actualize the lineage of God, to create an ideal family, to meet his bride etc ...

We hear even in the Principle the story of Moses and the failures of Moses, and he was angry, so he hit the rock, and you know God's providence was delayed, or Abraham, or all these things. We see people's failures in the Principle, but we don't see the ending. That's why we have to continue to study the Scripture in the Bible; because what happened to Moses? Yes! Moses did those things; yes, he did not make it into the Promised Land, but God did not throw him away! God continued to use him until he was right outside the Promised Land, but that is where Moses wrote the Pentateuch; he wrote the five books.

Mother Mary, yes, she may have had those issues! Yes, Jesus said, "get out of here, you woman!" to her; that's recorded in the Scripture. But yet, when she came to understand the Christhood of Jesus, and totally surrendered herself to him- look at that- she was also filled with the Holy Spirit, and she was also restored.

You see, and this is the greatness of God, because even though Mother has spiritually fallen with the archangels, and chased out her sons whom Father anointed as the True Cain and Abel, to protect her; even though that has happened, because Adam remains true, because Father was a true man, and because he did not eat of the power fruit, and because his anointed successor and the Cain and Abel stand, and did not eat of the power fruit which you tried to give us to tempt us, but because we did not, and we stood with God, Mother's return course is so easy.

She can return, she can be restored, she can be totally recovered, because all she has to do now is come and be with Cain and Abel, and we will set the conditions to repent before Father, with her. Because it does require repentance; she does have to repent to Father. That is true! She is not the King. She has to repent to Father. Unavoidable; unavoidable! But the course and path is there, and instead of causing 3,000 years, 5,000 years of future suffering, this can be resolved in a matter of years, or days, or weeks. Whatever God ordains!

That's what's so sad about this situation on one hand, but also what's so hopeful about this situation, because the church is crumbling, and it is and it will continue to crumble, and it needs to crumble, so that she can be freed from this deity pursuit of trying to be God, and return as the object partner of God, whom God loves and desires more than anything else.

He doesn't need another subject; HE IS the Subject! He doesn't need a subject, He needs an object! And when she returns to that position, and we repent, and we begin to orbit around Christ again, and we orbit around the center and the sun, then the planets will come back into alignment, and balance will be restored in the universe.

The course is so easy now, and that is the grace of this time; temporary pain, yes, but necessary pain to teach all future generations that if you seek to be God, you will perish. You will perish! Even True

Mother will perish on this course. But when she returns, and there's restoration, we will be able to see the conclusion of that story. That, yes, there was a temporary spiritual fall, but there was a goodness of God which outweighs the sin of man, and with repentance and a turn from the wickedness of our hearts, we can turn back to God and pursue Him.

As we do that, we can find redemption, we can find restoration, we can find recreation and resurrection in the Holy Spirit, and as Mother Mary did, not perfect, but in the upper room, when Pentecost fell, I believe that when she stands in that position of object again and repents, Father's spirit will fill her, and Father's spirit will anoint her once again, and Father's spirit will free her from the shackles, and that deceitful prison and chains of trying to pretend you're God.

I am so sorry for anybody who has to try to pretend they're God, because you can only but fail. Amen!

And look at this: *"when Pentecost came, there suddenly came a sound from heaven."* Look at that! *"There came a sound"* What is that what's unlocking here? What sense is unlocking? Spiritual ears unlocking! Boom! The spiritual ear is unlocking; when we're filled with the spirit our ears can unlock. Boom! They start unlocking.

Look at this: *"and appeared unto them cloven tongues like as a fire, and it sat..."* What happened here? What spiritual sense is appearing? And the spiritual sight appears? Boom! The spiritual eyes open with the infilling of the Spirit, *"and the cloven tongues like fire sat upon each of them."* What is it when the fire of the Holy Ghost is sitting on top of you? What can you do? What sense is that? We can feel it. We can feel the unlocking of the touch sense of the Holy Spirit, of the Spirit!

So, even in here, we see that in Pentecost, when the Spirit fell, the beginning of the unlocking of the spiritual senses began to open. Whoo! That is exciting, folk! They began to open. And so many of us have smelt heaven; we have heard, we have seen.

But now in the world church, in the world church, we will see as now people can understand what truly happens, we can see Father's Spirit, and a Pentecost sweep across Britain, Russia, Europe, Asia, Japan, Korea, Africa; all our brothers and sisters can start having the indwelling of the Spirit, have their senses unlocked, so they are no longer slaves to some false spiritual mediums, and can have direct experiences with Almighty God, with Christ, Messiah, Jesus, Father.

Whoo! Oh, Lord! Mercy, mercy! How easy it is for God to smash archangels' kingdom! So easy, so easy! All He needs is spirit and truth. That's it!

"And they began to be filled with the Holy Ghost and began to speak" Look at that! *They began to speak!* They started uttering things! What's unlocking? Their spiritual mouth is unlocking. Amen! They started speaking in tongues unknown to men, and look at this: *"and everybody was amazed by all the people that were there."* The prepared people of God were there, they saw this sight and they were amazed. They were saying, "What is this? They're speaking my language? They're speaking this

language? They're speaking that language! I can understand what they're saying!" They were speaking in tongues; they were unlocked by the power of the Holy Spirit.

How many of us want that? How many of us want and desire that? See, we desire the Holy Spirit and we desire worldwide the Spirit that Father can come into us, dwell within us, speak what he wants. Amen! Every time we come up and we say, "Father, let me be zero and let you be the hero today! Father, you say what you need to say; say what you need to say. Use me as an instrument to say what you have to say!"

They began to speak utterances in a heavenly tongue, and they began to communicate! What if there comes an age when Father prophesies, when our spiritual sight, smell, opens, you know what this is? Yes! We were told to learn Korean so we can communicate with him, but this is the language of spirit world.

What did Father say the language of spirit world is? It's the language of heart! It's the language of heart! So when we have the spirit indwelling, and we begin to worship and love him, and express our heart, we may not even know what we're saying, but as we yearn for him, desire him, hold on to him, seek his face, search after him, crave his presence, then our heart begins to sing, our heart begins to speak; and we may not know what we're saying.

How many of you have said something? You don't know what you're saying sometimes, but your heart knows what you're saying, and God knows what you're saying, and all the archangels try to understand what you're saying, but they can't, because they don't understand the language of heart, and God can hear us directly. Amen?

What a beautiful secret code language that God gives to us! It's a spirit of the heart, a code language that the archangels and all the demons cannot understand. They can't understand the will of God; they can't hear the strategy of God, they can't try to throw monkey wrenches in it, because they can't understand it, and when the people of God begin to unlock their spiritual senses, *not by might not by power but by His Spirit*, we will see the outpouring of tremendous supernatural miracles.

We will see the power of Almighty God, active and alive in our life. We will see transformation, resurrection, change, restoration; we will see the Kingdom being built in front of our eyes! Amen!

Let's give glory to God this day, because it's Him whom we need! And we know that day is so fast approaching, so fast approaching. My, my, my!

Umma! You want to say something? I saw a beautiful woman in the front row! I said! "Oh! Wait a minute!"

Yeon Ah Nim:

Let us give one more big round of applause to my husband! Thank you!

You know, when we were doing ministry in Korea, I had a good friend, a Japanese friend; of course she was a member, and we were very close, and she shared a lot of things with me. After True Parents' ascension, she shared one of her little stories with me. So, that story I'd like to share with you.

She said, one day she went out by car to get something, and then right in front of her there was a small bus. It was a village bus; it had a route within the village, so it was a small village bus, and then as the traffic light changed, she just bumped into this mini bus. It was clearly her fault, so she went out of the car and the bus driver came out, and then she took out a business card, and gave it to the bus driver, the man.

The bus driver saw her, and said, "So, you're Japanese!" She answered, "Yeah! I'm Japanese!" and he said, "Wow! Okay." She told him, "Oh yeah! I'm so sorry. Any damage, I'll cover, you know; just send me the estimation to this number." Then to her surprise, he said, "You know what? Actually I can take care of my car damage, it's not really big, but can you meet me up separately one time?" And she was like, "what?" It was very strange, right? Maybe she was so pretty, right? That's why? No!

But she says, "What?" And she asked him, and he said, "No! No! No! It's nothing strange! Nothing strange! I just want to meet you in a coffee shop and have a talk," and then the day came, and she went. She loves True Father so much, so she brought Father's autobiography under her arm, and she went and she met with this guy in the coffee shop.

As soon as she sat down, he took out his Bible, put it on the table, and then he's starting to talk about his testimony, "You know what? Once I was a really sinner; I was such a bad person. I committed all kinds of sins that you can't imagine, but now I'm changed, because of Christ. So you also, accept Christ, and change your life!" he said.

He was crying, and at the same time he was filled with joy; she said she could feel it. And here she is; she took out Father's autobiography, and she said, "Oh! You know! I actually was matched by Reverend Moon. That's why I came here in Korea," and then they exchanged their contact numbers.

After that experience she came back and she told me, "You know Yeon Ah Nim, to tell you the truth, I was actually envious of him! I was testifying to Father, but I was not really able to feel Father. Father is not with us anymore in the physical realm, so I didn't know how to testify. I was envious of his joyous spirit. I was envious of his spiritual life. I wanted to testify about Father like that, but I could!" She even said, "I feel like I failed Father!"

Brothers and sisters think about it! For us as human beings, what's the purpose of our lives? We always hear from the Divine Principle that we exist for the purpose of returning joy to God, right? The reason for our existence is to return glory to God, right? That's the purpose of our existence. So when we don't do that, then we don't have any value as a human being, right?

Let's think about the church! When the church does not testify to Christ, then what happens? It becomes like a body without spirit, right, because the church is the body of Christ. Can you imagine a body without a spirit? That's not a body, that's a dead body! And that's why, many of us in the worldwide church we feel so lacking. We feel no spirit in the church, because we are not testifying about Father as Christ. Do you see that?

Brothers and sisters, Father is alive! How can we invite him? How can we invite his Spirit into our life? We don't want to go into any house where we are not invited. We have to invite him otherwise he cannot come in! See, we have to actively search and yearn after him, "Father, be with us! I know you are alive!" "He is alive and I want him so badly! I want him!" You have to declare it! Declare today, "He is alive!" Let's say it out loud with us, "He is alive! Father is alive!"

Okay, brothers and sisters; let us glorify his name! Aju!

Pastor Hyung Jin Nim:

Whoo! She's too beautiful! Whoo! Praising Him! Praise God! She's a bride of Christ! Whoo!

Okay! Let's end with Cheon Seong Gyeong 667:

"The condition enabling you to go to heaven is to love God more than your own children. You must love the Lord more than your own spouse. You must love the Holy Spirit more than yourself. That's the oneness of the Trinity." Amen!

Let's pray that, over the whole world church, we can now see the moving of the Spirit. Amen! Let's all rise, and please come on down, if you want to come down and pray. Let's pray for the awesome freedom that is now coming to the Japanese members. You want to join us in prayer; we want to pray for them, that they remain strong in their liberation, they remain strong in their complete release, they remain strong in their anointing as sons and daughters of God, and they do not let the archangels intimidate them anymore. They are not slaves to those archangels! Amen!

Let's pray for them:

"Heavenly Father, we thank You so much for the awesome works You are doing. Oh! Thank You Father, because now, we are free from the clutches of Satan, and we see a way. You always make a way; You always have everything planned out.

We thank You so much God, because now the Japanese church is being freed from their chains. The false chains of Satan that have been around them, and the falsehood of the illegitimate hierarchy that is trying to enslave them and exploit them for their own luxury, it is crumbling.

Father, what a great move You are doing in Japan, that the people of God are starting to remember that they are truly Your children, they are Your blood, they are princes and princesses of Almighty God, and the archangel is the servant. He is below the feet as the Lord said, *"He will make our foes' footstools to us."*

And Lord, we thank You so much that You are giving them their strength and their identity in Christ back, that they're reclaiming who they are and whose they are, and as they do that, and the engine of the false church is crumbling and breaking down and dilapidating, we are able to see a move of the Spirit like never before.

A Pentecost set is sweeping over the hearts and minds of the sons and daughters of God, an awakening of the spirit body is now coming open, with new eyes and new ears, a new sense of touching the Holy Ghost! And Father, we thank You that You are now indwelling with us, filling us with Your authority and power, that we may stand strong as Your children, and that we may destroy the kingdom of Satan, so that Your Kingdom can reign gloriously on high.

We give You all the praise glory and honor, and we come here in agreement with all the words spoken today, and we thank You, thank You for all that You are doing and are going to do! We give You all the praise, glory and honor! In our own names, we report, as central blessed families, and we give You all the praise. Amen and Aju!

Let's give God some praise everybody! Let's give Him some praise!

Whoo! Freedom! Freedom has come! Free at last!

Hug your neighbor. Tell them, "You are a son and daughter of God, and thank God!"

If there are Japanese members here, give them a hug, and thank them; thank them for what they've done. Amen! Amen! Aju!
