

It Was ALL a Mistake!

"And Ham, the father of Canaan, saw the nakedness of his father, and told his two brothers outside. Then Shem and Japheth took a garment, laid it upon both their shoulders, and walked backward and covered the nakedness of their father; their faces were turned away, and they did not see their father's nakedness." - Genesis 9:22-23

Greetings!

My eyes have been opened. **It was ALL a mistake!** Thanks to the journalistic skills of an outstanding writer, Larry Moffitt, we now know the facts about why Eve was shown in the subject position in the famous diagram. Shows you what committed, professional journalism is able to do! As Larry stated in a Facebook post last night,

"Atsushi Yamada, Manager of the Planning Department at FFWPU-Japan said they do not have Eve in the subject position in their official manual. The diagram (Lecturer's guidance on True Parents' life course) which Hyung Jin Nim shows in his sermon was an error made in Korea by someone on the staff of Dr. Tae-kyong Oh. The staff member incorrectly put Adam and Eve in reversed positions when he made the diagram. This was confirmed by one of Dr. Oh's staff in Korea."

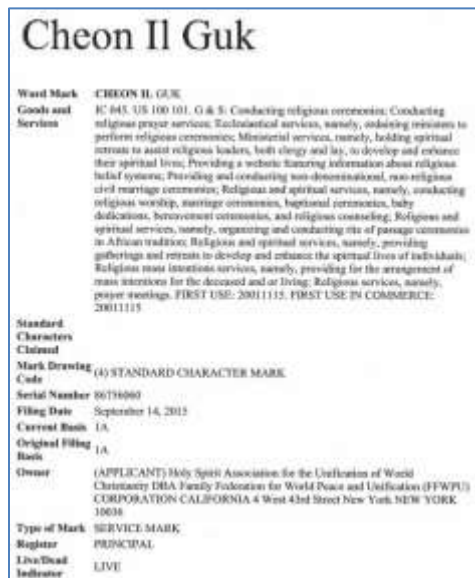

The "non-existent," "un-official" manual Since this error was printed in the non-existent/un-official Korean manual, surely the Family Federation will be releasing a public statement **very soon** clarifying that this was a regrettable mistake and heresy for Eve to be appearing in the subject position. I'm sure that the Japanese FFWPU will be happy to issue a similar statement regarding the non-existent Japanese manual as well that *"Eve appearing in the subject position would be a grave mistake and heresy."*

Of course, while they are paying attention to this regrettable mistake, they may as well add another statement regarding the heresy shown in the photograph, with Eve sitting in the subject position, where Adam sat for 50 years before he went to spirit world. Conscientious journalists and outstanding theologians in the Unification Movement will be inspired to arrange for them to clarify that this is a heresy as well. Right?

Surely leaving out Father's name on the blessing rings in 2013 was also a regrettable mistake made by one of the staff members. Headquarters will be issuing a memo about this soon!

And since adherents of the fair-minded FFWPU assure us that brothers and sisters are free to sing Father's Blessing of Glory song instead of the inspiring, North Korean-style "anthem" at official church functions in Chung Pyung, Family Federation headquarters will issue a memo about that right away, too.
Remember, it was all a mistake.

And Family Fed lawyers using its copyright of the Unification 12 Gate Symbol, which it stopped using 2 years ago but nevertheless considers it to be its "property," to shut down the Sanctuary Church's Youtube Channel in August, *that was just a mistake...*

And the trademark filing by FFWPU lawyers on September 14 to register "Cheon Il Guk" as its "property" was likely intended to prevent dastardly North Koreans from misusing Father's precious words and not an attempt to prevent Father's youngest son, *repeatedly appointed and anointed by Father from 2008 - 2012* as his heir/successor/resident body from using his Father's blood-stained words and covenants. *Remember--it was all a mistake.*

Finally, I'd like to renew the invitation sent out on Monday to have a public forum with Dr. Balcomb, Dr. Wilson, or any representative they can find who still believes in FFWPU's veracity, and myself to have a lively, but respectful discussion about all of these important issues. Here is the announcement from Monday:

In the midst of conflicting claims by the Family Federation and by supporters of the Unification Sanctuary, **I would like to propose a public forum in the NY/NJ area. Dr. Wilson, Dr. Balcomb, or anyone the Family Federation chooses could speak first** about Mother's new theological innovations and why they believe these deserve our support. I would follow with a statement about Hyung Jin Nim's concerns, and then we could have Q&A. **We could have a lively, but respectful, discussion about how to preserve True Father's real legacy to which many of us have given many decades of our**

lives. What do you think?

May God bless you and your families!
