Ancestor Liberation Update

Brothers and sisters,

Hyung Jin Nim wants to invite all of you to join us in this special ceremony to liberate all of our ancestors on December 6, 2016. Father asked that we liberate 210 generations. There is no minimal donation required. HJN simply wants to attend to every wish of his Father and continue on the work of restoration.

Our King, Rev. Hyung Jin Moon, is offering a unique opportunity for all members to complete the 210 Generations Ancestors Liberation and Blessing requested by True Father. All you have to do is to complete the online registration at www.sanctuary-pa.org. You may watch the event live via the internet.
