

## The One Hope

Sunday Sermon April 26, 2015: Rev. Hyung Jin Moon

The One Hope. Let's look at the one hope today as we progress with the spirit of God. Amen? What a powerful praise and worship song that was at the end. "I lift up my hands, standing unashamed." Praise God. That is what the body of Christ needs. Amen? Let's look at the One Hope Today. Let's look at Matthew 24. Let's read together.

### Matthew 24

- **35 Heaven and earth shall pass away, but my words shall not pass away, but my words shall not pass away. 36 But of that day and hour no man, no, not the angels of heaven, but my Father only. 37 But as the days of Noah were, so shall also the coming of the Son of man be. 38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, 39 And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be. 40 Then shall two be in the field; the one shall taken, and the other left. 41 Two women shall be grinding at the mill; the one will be taken and the other left. 42 Watch therefore; for ye know not what hour your Lord doth come.**

Amen. That gives me the Holy Ghost chills. Praise God.

Let's focus in on these two (highlighted) parts here. Because the scripture says that in the Last Days it will be as in the days of Noah. And down at verse 41, the Scripture says that two women will be grinding at the mill. One will be taken. One will be left behind.

What is this in the Last Days? Let's look at Genesis 9 and let's look at what the days of Noah were. Let's look at what happened. When people read these verses in Matthew Chapter 24, they are usually thinking about the Judgment. Today we want to look at, from a Principled perspective, what the days of Noah were. We usually get "taken up by the flood", but what was the real providential occurrence that happened in the days of Noah? Let's look at that. Let's look at Genesis 9 and let's read together.

### Genesis 9

- **22 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without. 23 And Shem and Japheth took a garment, and laid it upon both their shoulders, and went backward, and covered the nakedness of their father; and their faces were backward, and they saw not their father's nakedness.**

Remember when they were on the Ark and Noah had drunken wine and he was passed out laying there? He was passed out on this boat. He was totally naked, the Bible says; he was naked. I can just imagine. As the boat is rocking, his whole body is rocking. His organ is rocking back and forth. You know what I'm talking about? Ham sees that and he is ashamed of his father. He is ashamed of his father's nakedness; because, no self-respecting person would be drunk on a boat with his organ flopping around left and right.

It is very interesting to see that Ham is the father of the Canaanites, whom later God orders to be killed annihilated. Every single one is killed. Every single one of Ham's descendants, the Israelites are

commanded to destroy. I find that very interesting because in this hour, the real question is, “What kind of child of God are you? Will you be ashamed of your father’s nakedness? Or, will you not be ashamed of his nakedness?”

This is as it is in the days of Noah. The test comes upon the children of God. Will we be ashamed of our father? Will we forget that in the garden, Adam and Eve were naked? There’s no shame in being naked. All of you take a shower every day. You’re naked every day. But the children of God saw him with their carnal eyes and did not see him with their spiritual eyes. This is the man who slaved for years, and years, and years to save their life. He built the boat that is saving them now. They’re alive because of him.

He slaved away year after year, getting mocked and scorned, and they’re on that boat with their breath in their lungs; not under the water, because of their father, Noah. Yet, the children and Ham choose to be ashamed of the father who has saved them.

What’s that song we just sang? “God my savior... “. Right? Who? He saved us. God my Healer. God my Deliverer. They choose to be ashamed of their father. They could’ve said, “Oh. Daddy’s just taking a nap. He’s free in the wind.” They could say, “Daddy, you worked really hard for the last 40 years. Let it cool off. Cool off. There ain’t no shame in that.” They could have just not been ashamed and said, “Daddy, we love you. This Holy Ghost breeze wants to cool you. We know where we come from. We know who our father is. We’re not ashamed of him.”

It’s interesting because last week we looked at the word Diabolos. We looked at the word devil in the ancient Greek and we saw that actually the Devil is also a fisherman. Remember that? The Devil fishes because, dia means “by means of” and bolos means “casting nets”. So, Diabolos or the Devil catches us by casting nets on us; but, he has to see us to be able to catch us. He will check to see if we are swimming in shallow faith, in shallow waters where he can see you.

And we talked about how you have to swim deep in your faith. You have to swim deep, then the Devil cannot see you. He cannot catch you with his net. Remember that? We were having this discussion after last sermon and Kook Jin said, “What kind of fishing did the Messiah do?” He did deep sea fishing. That is so different than the small little things you can catch by a net at the shallow water. He did deep sea fishing. That’s where the big fish lie. How many know that’s where the tuna are?

The deep sea fisherman is the Messiah. He’s fishing at a deep level. Amen? When our faith is deep, he can catch us. He can bring us to him. Amen? We’re like the big fish tuna that he caught. The thousand-pound tuna. We were talking about last week the armor of God. We’re armored tuna. We’ve got armor on, so even if the sharks try to bite us while we’re being caught by the Lord, they just bounce right off.

For the first time this week, Father’s covenant has returned back to the earth, in the last three years. Now it’s come back to the earth and miracles are happening across the world. There were four rainbows here. There was a rainbow above the church. There were two rainbows simultaneously in Korea. We were told by Koreans. And a tremendous miracle which I cannot share now, but which I will share soon; a tremendous miracle has happened. Some of you will know about it.

What was so exciting about the blessing, and I thank all the brothers and sisters watching world-wide joining us for those broadcasts and studies, we were studying the three-day ceremony openly; without shame, without hiding. Father always talked about the sanctity of the sexual organs; because that is

where you come from. That is where the grandchildren come from. That's where the descendants come from. The seed of Abraham was blessed.

But in this modern world, people of faith cannot talk about that. Only the Devil can talk about it. Only Satan can talk about sex all day long. On TV, this or that radio program or music channel, whatever it is. Only Satan can talk about it; and, that is why the families and the relationships in the body of Christ are collapsing.

I saw that there is a higher divorce rate for believers than for non-believers. Because, the body of Christ cannot talk about the most sacred, fundamental relationship; the relationship of which they are a part of, the bride and the bridegroom. We talked about the three-day ceremony in detail. We went through it.

When we look at the three-day ceremony, I've talked about this before, but I want to repeat it again; what position were the women in? What position were you in before you got Blessed? You were in the position of fallen Eve, that needed to be restored by Christ. Right? How many sisters know that?

Then, what position was the husband in? Notice, he was not in the position of Adam. Isn't that interesting? The husband was in the position of the fallen Archangel. How many brothers know that? OK, there we go. You're alive today. You've got the Holy Ghost.

See the fallen Archangel, through Christ, is re-created as a son of God; because, he does what is opposite of what Satan did, which was to try to put a throne above God for himself. Remember? And, the husband takes the object position and stands in obedience to Christ. Even he is a fallen angel, by that relationship through Christ, he is recreated as a son of God. Praise God.

The bride stands in the position of the fallen woman, fallen Eve. Through the marriage and the meeting of the bride groom, she is created to be the Bride of Christ. Remember, what does fallen woman mean? It means someone who is now in an illicit relationship with Satan. It means a woman who is relating with Satan as her husband. But, through the relationship with Christ, the woman is cut from that relationship and she comes to her true love, the Bridegroom, who makes her a Bride of Christ; re-creates her.

Think about it. In that situation, Father is standing as the True Adam. We didn't even know it, but all the sisters were like nuns. Remember, nuns in Christianity; the nuns are all married to Jesus. All of them are married to Jesus. That's their vow. How many people are from a Catholic background? OK. All the nuns that you met, have rings on their fingers. Why is that? Because, they're married to Christ.

So, it's not a strange thing to understand that all the peoples of the world as the body of Christ believers are going to be married to Christ. This is part of the history of Christianity waiting for the Bridegroom. Even our sisters around the world, if Father commanded you to be celibate your whole life, you would obey. You would be nuns your whole life. You were nuns, basically, when Father met you. Some people had seven-year course of celibacy. Some people had longer. But, you are the nuns; you are the Brides that have met the Messiah, when he came.

You are the Brides. All the nuns of the history of thousands and thousands and thousands of women gave their life to marry Jesus. When he returned, you are the Brides that got him. You are the ones who had him.

I want you to wrap your mind around that. That is unbelievable. That is unbelievable! You have reaped the harvest of two thousand years of Brides waiting for the Bridegroom. That's why it's the Blessing folks; because, all of history has been waiting for that. The Wedding Feast of the Lamb. You became a Bride of Christ, and Christ gave you to his son. He gave you to his son. You are his, but he gave you to his son. The son that stood obedient before him, that was re-created from being an Archangelic person under the dominion of Satan; re-created to become a son of God. He gave her to you to love and protect as the cherished Bride of Heaven.

Do you understand what kind of gift we have received, Knights of Cheon Il Guk? We have received the Bride of Christ. And, we love and protect her with our lives. Amen? Remember that Scripture, Ephesians 5, we looked at this Tuesday? It had this Scripture at the beginning. Remember, the husband and wife will submit to each other in Christ and, the wife must submit to her husband. How can the wife submit naturally to her husband? If she realizes that she has received a son of God, who had acted totally opposite of what Satan did and who obeyed Christ, separating from Satan to be crowned a son of God; she will respect that man if she knows what he had to do to stand in that position of obedience. So many other men ran away, but that man stayed in obedience. That man stayed with Christ, and stood with him in faith and in love. That is why the Scripture calls wives to unconditionally respect your husband. Amen? Change him through respect.

And, of course, husbands are called to unconditionally love their wife. See, when we understand the positions in which we are related to Christ. We will see the actual power of our marriage. We will see where the real power of our Blessing comes from. It is not boy meets girl. They date and get married. There are spiritual relationships here that are eternal, that have been founded on the victory of faith, love and obedience.

Do you see what your Blessing has folks? It stands on that position of victory in faith, love and obedience. It's amazing; because, when we gave the Blessing and Father's covenant vows came back to the earth, there was like a spiritual wave. There was like a spiritual wave that blasted open and miracles started happening across the world.

We have now Blessed children from Europe, North America, Japan, Korea all writing to say, "I need to be under the Covenant." People are waking up. People are realizing that they need to be under the Covenant of God. They had been deceived, but now they realize that they have got to get back under the covering of God.

I remember, one brother said to me, "When you were giving the Blessing, I was looking at Mother's throne and I saw that her seat is empty. She has left her position. Well, my question is, "Who is sitting in that seat now? Who has to sit in that seat?"

Do you know what I told him? I told him your wife has to sit in that seat. Angela, Layla, Kerry, Miho-san; all of the Brides must sit in that seat and they must realize the incredible, incredible position which you sit in. You must be able to sit there and to totally, totally surrender yourself to your subject. Not to sit on top of him, sit over him, as the Bride, but you are to love him. You are to uplift him as your King. You are to show him how much a Bride loves her Bridegroom.

That is who must be seated in that seat. Every single one of our sisters must realize their true identity as a Queen of Heaven. The only way to save True Mother, because she is the representative Queen of all

the Brides; is for the Brides to be real Brides, and to not be ashamed of their relationship with their Bridegroom. You need to love him more intensely, to yearn for him more intensely, to want him more intensely.

Can I be honest today? Ok. I'm going to be honest. Every single day, literally seems I am getting testimonies from couples, Blessed families, who are calling me and telling me, "You know, this many years ago or even recently, The Spirit of God came. Jesus returned came. Father came. They're one, Right? The Spirit of God came and He wanted to make love with my wife. This is what they tell me. Christ wanted to make love with my wife. He wanted to be intimate with her. And, as the husband, I rejoiced. Oh? How come it got so quiet all of a sudden?

Do you understand what a Bride and a Bridegroom are? It is not a friendship relationship. It is not a relationship of siblings, or even parent and child. The Bridegroom and Bride relationship is the most intimate relationship you can have. And, women, you're Blessed. You're Blessed, because as sons of God, we can relate with God's love. We can devote our life to Him, to serve and protect Him, as His son and glorify Him. Yes. But, you have a gift. He can love you more deeply. He can be intimate with you more deeply as your Bridegroom.

You have a tremendous anointing, which you don't even realize you have. Just from the couple of people who came from Korea, almost every single one of them told me that testimony again; and, I've heard it from many Western brothers and sisters as well. But, they come and tell me in a hushed "I need to tell you something. Can we meet in private? I need to talk to you in person. Can I share something with you?" I'm like, "OK? Just make sure it's in a public place, OK?"

But I have had this experience too many times. Ladies, you have to stop trying to tell me in secret about your Bridegroom. There is only one being on Earth that can make you feel ashamed of wanting to love your Bridegroom; only one. Do you know what his name is? Satan is his name. How can anybody come to my wife and make her ashamed of the fact that she wants me? Or, that she wants to make love with me? Nobody can come to make her ashamed of that, because that is the fruit of the Bride and the Bridegroom. Amen?

Nobody should be able to make you ashamed of being intimate with God. Do you see what I mean, folks? But, we have bought into the lie because Satan is a father of lies. We have bought into the idea that we cannot talk about these things. We are afraid of how people might react when we say, "Christ was intimate with me. He's my lover of my soul. Spiritually, He takes me over, and makes love to me through my husband."

This is the testimony that I have received from across the world. And, I know that eighty to ninety percent of the sisters have also experienced it. You're just not telling anybody about it. You know who your Bridegroom is. Your spirit, your soul, knows who you will serve for eternity; who is in the subject position to your life.

You see, in the time of Noah, in the Days of Noah; This was a time of Father's early ministry. Look at him, glorious in the white robe. (Slide of Father sitting for a picture when he was young and dressed in a white robe.) This is Father in the early times. Remember, that in the Spirit World this is how he looks. When he visits you, this is how he will look. In the Spirit World, he will appear in the most vibrant form. Of course, when I have seen him directly and encountered him, his face is shining with light and his

presence is so powerful, but he is the returning Jesus. Jesus has returned in the flesh. Who cares if he is Korean? That is not the point. Jesus was Middle Eastern. It's not saying you like Middle Eastern men over white men, or Middle Eastern Jews over Black men. It's saying you love Christ, is what it's saying.

See. We are standing in the days of Noah, because the question is, "Will you be ashamed or will you be proud?" Will you hide your secrets that you only can tell your Pastor in private, or will you stand strong and proclaim, and stand forth with no shadows about whom you love? That's the Days of Noah.

The Age of Women that Father proclaimed is not a power trip. The Age of Women is not a power trip. It is a love trip. If all the Blessed women become CEO's and Presidents and UN Ambassadors, "Oh, the world will be changed." I guarantee you, it will not. I can guarantee, it will not. It is not a power trip. The Age of Women that Father was talking about before he passed, are the women who love him.

Remember how when he explained the Age of Women. The women have the mothering spirit, a nurturing spirit but, connected to Christ. How are you mothering after him? How are you seeking him and searching him? Are you ashamed of your relationship with Christ? Are you ashamed? Do you think that your purpose in life is to come to this world, to meet some man in the flesh; so you can live for a couple of decades and die?

What is your perspective on your life? Why are you put here at the time when the Lord comes back; when the Bridegroom brings the Seed of God? Why are you here? Are you here to do those things that I just said; carnal earthly things only? Or, are you here to totally transform your generations, the lineage; to become engrafted onto the Olive Tree?

I believe that at this time, there is only one way to save the Head Bride, Mother. There is only one way. Cain and Abel have our own responsibility. It is now the Age of Women. The women of the Church must not be ashamed of their Bridegroom. If you are ashamed of your Bridegroom, True Mother is lost for eternity. If the women of the Church do not stand and love their Bridegroom more intensely and remind True Mother what it means to be a devoted loving Object partner, who does not want to dominate, subjugate, sit above and beyond, proclaim she learned nothing from Father, True Mother is lost.; no, her true, original part, when she first became a Bride to Christ, is lost.

It is now the women of the world, who are betrothed to the Lord, who can show her the example of love. Do you understand how important this is folks? If we don't do this what kind of repercussions will happen, for Mother's eternal life?

Do you remember the Original Divine Substance (OSDP) that Father ordered that everybody must study, before he passed? Do you remember that? At the core of the OSDP is the teaching that Mother is reborn through Adam, because Father has the Cheong Ja; the Seed of God. He brings the Lineage and the Family of God, as the Bridegroom. Through him, Mother's generations of Original Sin are re-created; through him and she is re-born pure and sinless.

This is not the opposite, which they are trying to teach now; that she was born of three generations of pious, Christian families, and thus her Original Sin was eradicated. Well, that means that every Italian family has no sin. That means that every Spanish family has no Original Sin. They go back way more than three generations of Christians. No. Not this type of lunacy, but to stand in her original position of a love trip; not a power trip. A love trip. A love trip. It's all about love folks. Don't you know. There's a song. "People get ready. There's a train a coming." There's a love train coming. "Just get on board."

It is so important that the Bride of Christ does not try to monopolize the love of God. This is so important for the women of the Church to understand. You must not try to monopolize Father's love. This is the problem of what is happening now. Mother believes that Father is only hers; that she has to protect him, that she saved him from the six Marys, or she saved him from whatever spiritual or physical weakness of the flesh.

Let me tell you something. Father's mind and body was completely united. You cannot speak twenty-three and a half hours without going to the bathroom or without taking a drip of water, unless you love your Objects to whom you are talking. Who was Father talking to in Yeosu, when he talked twenty-three and a half hours? He was talking to all the Japanese sisters who had come; and, as the Bridegroom, he loves each and every one of the Brides of Christ. He is the lover of your soul. He is one with the Father that has created you. No man can ever love you more than him; no man.

It's impossible because any human man has not created you. No man can love you more than God; no man. I don't care how good looking he is. I don't care how ripped his abs. are. I don't care what he is. He cannot love you more than God, who created you. Amen?

Stop being ashamed of your relationship with Christ. It is killing True Mother. It is covering her eyes. It is reinforcing the false reality, that only she can have all his love. Her job as Mother was always, when all the original disciples were there, Mother's job was always to understand that this is Christ. This is the Bridegroom for all the believers. For all. Not for one woman. Not for one family but, for all. Do you understand what I am saying folks?

We must not try to monopolize God's love. We must rejoice. We must rejoice when Christ is loving our sister, because through that we can remember, and we can experience how much he loves us. We must not feel jealous, when he visits by his Spirit and loves you intimately. Don't envy that sister. He loves you the same. You just have to let go of the blocks that are in your heart.

God wants to dwell within us. God wants to be intimate with us. As men, God wants to be our Father, whom we can trust, whom we can bring pride to, whom we can defend, whom we can serve as our King. As a man, there's nothing more honorable than that; to serve your King, who is also your Father. To be able to see your Father as the King. To not try to dominate him like Satan did, to not try to sit on top of him as Satan did, but to stand as a proud son of God, who is intimate with the Father.

I bathed with Father. Do you understand? It's normal in Korea to bathe with your parents. It's not like the Western world. In Korea and Japan, you have public baths. You understand, Japanese people? You know. You go to the public baths with your Dad. There's not all this shame about your nakedness, that you find in the West; to be intimate with your father, to have nothing between you and him.

Seek to serve him and uphold him. Seek to lift him up. Live your life for him. As a man, there is nothing more incredible than living for God and for your King. Nothing more incredible. It is the privileged relationship that we were given. It is an honor. As a woman, there is nothing more incredible than being in love with the lover of your eternal life; and exchanging intimacy with the lover of your soul. There is no relationship that can surpass that. None. Even your husband cannot surpass that relationship.

It is time that the women of the Church stop trying to talk to me in private. You know what put your testimony on YouTube. Put it up. What are you afraid of? Why are you scared of wanting to love your Bridegroom? Only Satan is making you ashamed of that. And, because we are not standing up and

proclaiming; because the women of the Church are not sharing those intimate, spiritual moments that they had when Father came, when he, through your husband embraced you.

What did Father always talk about? With absolute sex marriage, when husband and wife are united, God will dwell there in the midst of their love. In this context, it means love making. It's intimacy, folks. You can't have a powerful marriage without powerful love making. How many people know that?

You've got to have powerful intimacy in your marriage, to have a powerful marriage. If you don't have that, I'm sorry; you might as well be room-mates. The nature of the Bride and Bridegroom relationship is that of romance. It is that of intimacy. It is that of total oneness.

Because the women of the Church will not stand and proclaim their relationships; their spiritual moments with God and their intimate relationships with him. Satan has been allowed and has the full authority to keep telling Mother, "You own him. Nobody else owns him. You own him and he hurt you. He hurt you when he loved the sisters. He hurt you when he poured out his heart for twenty-three and a half hours, pouring out love on them. You own him." Do you see what Satan is doing to her, folks? He's killing her. Mother, nobody owns God's love. Amen? Nobody can own it.

If the women of the Church stand with Christ, be proud of their Bridegroom, they're the true man, the true man, the true man; if you will not be ashamed of him, and you proclaim your love for him in this world, you will see the Age of Women appear. It will not be a power trip. It will be a love trip. And, upon that train, that love train, we will see the Kingdom of God. You don't need no baggage. You just get on board.

Why are you ashamed of loving and being intimate with your Bridegroom? Why are you ashamed of being intimate with your Bridegroom? Stop being ashamed of being intimate with your Bridegroom. He loves you and you love him. You think he's owned, but that's not true.

The answer to barren marriages. Why do we have so many Blessed marriages with totally barren marriages? Why do we have so many barren marriages? Your barren marriage will not be fixed by you, folks. I hate to give you the bad news. It won't be fixed with your effort. It won't be fixed with your talents. It won't be fixed with you. If you have a barren marriage, there's only one answer to that. That is Christ. It is totally falling in love with Christ. That is the answer to your barren marriage if you have a barren marriage.

You see, men usually think, if I support and encourage my wife to be intimate with God, and if she's telling me about how God is filling her, and how God is love making her and God is intimate with her, I'm going to start feeling bad about that. "I don't want to hear about no man." What if that man is Jesus, who will give her eternal life? What kind of husband are you? Are you an Archangel, or are you a son of God? When your wife shares with you the intimacy she has with Christ, will you say, "Praise God. Go closer. Go deeper. Go more intimate? Or will you be jealous, like Satan?"

You see men, what we don't understand is as we encourage our wife to be more intimate with Christ; guess what, as we encourage her to the King's throne and say, "Hallelujah the Bride of Christ is going to the Bridegroom." Guess what will happen. The King will see her. He will anoint her, and he'll send her back to you. But when she comes back, she's going to have the anointing oil of heaven on her. She's going to have the new, anointing power on her, because she just stood in the presence of God. She was

at the Olive Tree. Now she's covered in Olive Oil. Now, when she comes back to you, she looks gorgeous and radiant and beautiful.

You see it's opposite of what you think. You think if you push your wife to love Christ, you're going to lose her. You're not going to lose her. You're going to gain a Queen of Heaven. You are going to see, descend from those stairs, a glorious being who has been in the presence of God, who has the oil of anointing from the top of her head to the tip of her feet. You will see her floating down to you.

Lord have mercy. Men are sometimes so stupid. You're not going to lose her. You're going to gain a Queen. You're going to gain something you never could imagine; and, your power and your anointing and your intimacy with your husband will be on another level.

Can I talk about this in Church? It'll be on another level, because when she is with you, she will not only be with a son of God, she will be with the Bridegroom. He will be with you. He will be present. And the explosion of love that you feel; the nuclear power has come into your hands and in your midst. And it is this power, you see this is the irony of loving Christ. We think that if we encourage our wife to intimate with Christ, she'll love him more than us, as men. She'll love him and seek him more than she seeks us. We think we're going to lose her. She isn't going to want to be with me. Compared to a glowing man, I am nothing. Compared to light shining out of his face, here I am in boxer shorts shouting at the TV about what football is on, whatever. She's never going to want to be with me. No. No. No."

This is what the boys don't understand. You see, if you try to just get your wife to love you, she's going to know that you're trying to possess her. She's going to know that you want her, or you like her because she gives you pleasure. She's going to know that you want her to be an object possession. But, if you intensely encourage her, and if you stand with her in that anointing of being intimate with Christ, intimate with Father as the Bridegroom to have those incredible relationship experiences and share them with you and be rejoicing together, she will know that you are not trying to own her as a possession. She will know that you have her eternal life in mind. She will know that you will have her eternal heart relationship in mind and that you care about that more than anything else; and that's why you're her man.

Let me tell you something men, when you start standing in that anointing, your wife wants you bad, because she knows that this is a man who is a man of God. This is a man who loves my soul. This is man who is pushing me to the everlasting King and he is loving it.

At that moment guys, when you stand at that anointing, you are the most beautiful man on the planet, because every other man wants to possess her or control her. But, only you know her deepest desire. Her soul is yearning to be with God. And you stand with her and you rejoice in that. It's the irony of true love. It's the irony. We think we'll lose her. No. We'll gain her. You think we'll lose him, but no we'll gain him.

You see if the women of the Church now understand what the Age of Women is, stop being ashamed of their intimacy with Christ, stop trying to hold onto that experience and trying to message it to me on Facebook. Stop it. Put it up on line. Share your testimony of your intimacy with God. Share it. Be proud of it. You are a Bride of Christ. You do not have to be ashamed of being intimate with your Bridegroom. That is normal. It is natural. It is true love. Amen?

Uma you want to say something?

Yeon Ah Nim begins to talk:

Thank you so much. Let's give one more big round of applause for my husband, Pastor Moon. Thank you so much.

Today before I say anything, I just want to mention that I had dental work about two days ago; so, my right side of my brain is not working. My right side is a little bit swollen, so I apologize. My husband prayed for me so it is miraculously healed; so, I actually don't have a tooth pain so how can I miss Sunday to serve God and to meet you, the body of Christ? I am so glad to be here. I just wanted to mention it, just in case you think it's strange.

You know many people actually tell us and send us a message, "Oh, we love you so much Yeon Ah Nim." They tell us a lot of that and we are very grateful for that. But I know that when they say that, they are not actually telling me that they love me as a person. They are actually telling me that; because, they actually love the unity of me with Hyung Jin Nim. I know my position as an Object partner. Clearly, I know that; and, I am gladly obedient to that position that God gave to me, to Christ. That's why I know people love me.

Let's just say that my husband joined the Spirit World and I'm starting to say, "You know what, actually I know that my husband did a very great thing, but I actually never really learned anything from my husband. And, you know what, I know my husband was a very funny person and he preached the good word, but you know what I actually can do a better job than him."

If I start to say that, you will start to say something is seriously wrong with me. "But you said you loved me, didn't you? Didn't my husband tell you guys that we were united. No?" But still, even though we spent fifty years in marriage and after my husband is in Spirit World, and I started saying that you would not respect me as a good Object partner and good wife and a woman who lived a life to serve Christ. Wouldn't you? Right? So today, I'd like to make a little pledge in front of all of you, and in front of the World Church, and especially in front of God. In front of our Christ, I want to make two pledges:

The first pledge is this: "I, Yeon Ah Lee Moon, want to pledge that I know my position as Object partner to my husband, who True Father anointed as a successor, as an heir. I will be gladly to be put in Object Position, to love him, to respect him, to support him to the end of my life; and, if I stray from the position, please be the first one to cast a stone at me, and correct me so that I can be in the right position, brothers and sisters. That's you, as the body of Christ, showing me love. That's my first pledge.

My second pledge is this: I, Yeon Ah Lee Moon, pledge that True Father, anointed my third son, Shin Joon Moon, who Father chooses and wishes to complete his Three Generation Kingships. I appoint those wishes on my son, and when he becomes the age to serve God, as the humble servant leader of the movement, I will never usurp his position. I will gladly be in the supportive position, to support him behind the back. I will promise this in front of Heaven and Earth, in front of the entire Congregation and World Wide Church, I pledged this. I humbly pledge this.

I really prayed as to why Heavenly Father would want me as the Bride of Christ. That is the thing that as a woman, we have to ask in the Era of Women. I really believe that as a woman, we need to make this pledge, not only me, but all of the entire women who's watching this; because, we have our subject as True Father. He's our absolute Subject. We are his Objects; and, we live our life to glorify him. We live our life for our husband, because he is the one our True Father gave us as a representative of him. God

gave us also to our sons, so that we can be in the future to support them, to become great leaders of this movement, to serve God with humility.

I'm not saying that daughters are not important. I have a daughter, too. I know that they can be a great leader; but, the point is, it's not about their ego. It's not about themselves. It's all about serving God. If they have a humble spirit to serve God to know who they're serving, they can be an excellent leader. But they have to absolutely, crystal clearly know who they're serving, who their subject is; and, this is the exact thing that I tell my daughter and even ask my daughter,

You know I really, really believe this. This is the time as all the women, we are as the Bride of a True Adam. We are in the Devil's test. That is that the Devil is testing us. It's like in the Garden of Eden. He's testing us. Are you going to choose power trip; or, are you going to choose the love of Christ, which is the love-trip. I am on that train, by the way. I am on that love train. I'm not going to miss the train. I'm never going to miss the train, because I know what has eternal value. I know what has eternal value.

And you know what sisters? We are beautiful when we are in the position of Christ's Bride, and we are also, we have to be dangerous to the Devil's temptation. Let us glorify His name. Aju.

Yeon Ah hands the mike to Hyung Jin again. Hyung Jin says. "Praise God."

People get ready, there's a train a'coming. Whoo. She looks too good in that oil anointing. Praise God.

All right. Let's get to this folks. Cheon Seong Gyeong 510.

- **The question is: what is it that God needs most? What is God called? He is the King and Owner of true love. If He is the King and Bridegroom of true love, it is an absolute principle that He needs a queen to become His partner. Who can be partners of true love for the Absolute God? True human beings.**

Amen. Amen. Let's give God some praise this day. I want everybody to stand please. This is a serious time. If you are a Bride of Christ, if you're a sister and you want to be set free from your shame, and you want to be set free of your fear of telling the world what your intimacy is with Christ, I want you to come down. If you need to be set free, come down. If you want to come and be intimate with Christ at a new level, and be freed in your heart to have no more shame, come down.

I also want to call the men forth. Men, if you want to be set free of any residue of envy or jealousy you may have, if your wife is intimate with Christ, I want you to come down. We need to cast the Devil out of you. Amen? I want to ask, if you came with your spouse, please stand behind her, and put your hands on her shoulder. Amen. Amen. Amen. Thank you God.

Heavenly Father, we thank you. Father, we thank you right now. Father, right now you want to remove any barriers that are in the hearts of your Bride. You want to remove that, because they are still ashamed and scared to proclaim it to the world. You have given them everything. You have loved them so deeply and sincerely with everything that you have; but, there is something blocking them from shouting out and proclaiming your love for them. Father, we ask right now that your holy hands are placed upon their heads. Husbands put your hand on your wife's head. Father, we ask right now that the spirit of fear is commanded to leave NOW! The spirit of shame is commanded to

leave NOW! Freedom is coming. Freedom. Come Freedom. Liberation come now. Let them stand in your anointing as a Bride of Christ. Father, no more shame in their life, in their heart. We ask the Holy Spirit to come right now. Husbands put your hands on your wife's heart. We pray that right now through that hand, is a sharp two-edged sword that pierces their heart right now, cutting off any ties of shame, residue of fear that Satan is holding on. Demon, we cast you out now, with the authority of True Father. And, you are commanded to leave. This is a free woman, who has been saved, sanctified and delivered by her true love. And, she is Yours, God. Claim her right now! Father, we ask right now. You take her fill her with your presence, now. Fill her with Your spirit now. Cover her with Your holy anointing now, even in the presence of her enemies. Father, we thank you. Father, right now, this day, we pray that the shackles and the strongholds that are clamping down on the hearts of the Brides of Christ, are broken, and that they will proclaim their love for him and run, run, run, to the lover of their souls. We, as the husbands, stand and rejoice in joy unspeakable, of the closeness of which You are blessing us to be with You. We rejoice and we ask you, Father, to love our wife through us. To touch her, to kiss her, to be with her in her most intimate part of her soul, that You will release the anointing of these men and your sons, so that when she is with us in intimacy, she will feel the presence of God. Thank You. God. Thank You, God. Thank You Father. Thank You Father. Thank You Father for setting us free this day. We are in the Days of Noah. And we are not ashamed. We are not ashamed of Your nakedness. And Your beauty and Your glory. We love You and we proclaim it to the World. Thank You for loving us, Father. Thank You, Father. Thank You, Father. Receive this now. Receive it. Receive it now. In the name of the Central Blessed Families, we pray in His precious name, we pray. Amen and Aju. Amen. Aju.
