

Sunday Sermon November 6, 2016

## The Kingdom of the King

We're going to talk about the Kingdom of the King. That sounds sort of redundant, doesn't it? The Kingdom of the King. But that's very important. You can't have a Kingdom without the King. So, let's go to the Scripture. Today we will go to Luke 17. So you brought your Bibles get to Luke 17.

### Luke 17

20 And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, the kingdom of God cometh not with observation: 21 Neither shall they say, Lo here! Or, lo there! For behold, the kingdom of God is within you. 22 And he said unto the disciples, The days will come, when ye shall desire to see one of the days of the Son man, and ye shall not see it. 23 And they shall say to you, See here; or, see there: go not after them, nor follow them. 24 For as the lightening, that lighteneth out of the one part under heaven shineth unto the other part under heaven; so shall also the Son of man be in his day.

Let's read it together.... Amen.

This is of course a very famous Scripture that everybody quotes. I know a lot of New Age people love to quote this one, because they are into self-worship. A lot of the New Age Pagans, which is seems to be new, but it's an ancient philosophy. They want to pretend it's a New Age. They love this quote here where Jesus said, "the kingdom of God cometh not with observation: Neither shall they say, Lo here! Or, lo there! For, behold, the kingdom of God is within you." They love that. "Yeah. That's me and I'm divine. And we're God." But Christ is talking about in the Word that we're studying today, what Jesus is talking about, the title today is, "The Kingdom of the King." Which King do you have inside your heart? Who is the King in your heart? You see the New Age Pagans, and especially those following the most ancient occult religion in the world want to believe that the Kingdom of Heaven is within me. I created the Kingdom of Heaven. I can manifest it. I can declare it. I can will it into action. Essentially, I am God; whereas, somebody who has a relationship with God, someone who understands the son whom He has sent, who is the King of Kings and is relating with that King, then has who as a center of his being, spirit, soul, heart? Who is it? It's Christ right here. And when we have the King in our heart, the Kingdom is here. Does that make sense? When we have Christ at the center of our heart, the Kingdom is here; His Kingdom is coming.

It is so easy to manipulate this away from the person of Christ, from God incarnate, man who became flesh, became a man who was flesh, and theologizes into a sneaky form of idolatry. This is of course what you'll see in all the empowering books, all the positive psychology or all the new age pagan manuals will teach you that you created the Universe. You attract everything. You have the power of the Universe. And this, of course, is for weak minded people. People of weak mind get attracted to this. People of very low levels of spirituality get attracted to this, because they want to be gods. They want to be powerful, yet they know they are weak. This, of

course, colludes with the basic tenants of philosophy of Relativism, plus the religion of Luciferians and Satanism. That comes after that.

It is very important, the Kingdom of God is within us, to have the right King in it. Does that make sense? And what they want to do, is they want to separate the Kingdom from the King, which you cannot do. You can't have the Kingdom of God and not have Christ. You can't have it. They want to separate the Kingdom of God and put themselves in the middle as the creator of it. Essentially, themselves as Christ.

So, it is true that the Kingdom of God is within us, but that is when we have the King at the center. Doesn't that make sense? He said to the disciples, "The days will come, when ye shall desire to see one of the days of the Son man, and ye shall not see it." Wow! This has probably been the most intense, intense, spiritual warfare battle leading up to this American election cycle. The American people have never seen an election cycle this intense, literally, for the last 200 years. We are literally witnessing the second Revolution since 1776. It is literally a massive Revolution that is spreading across the nation, standing up against the powers that have taken over this country.

So, it is a tremendous time, of course, that we have been witnessing, but also connected to the election, because there is a micro and a macro providence that is moving and almost mirroring itself as time rolls. What's so amazing is that before the Ancestor Liberation, a couple of days before the Ancestor Liberation, I had a huge spiritual battle. Remember that image of Baphomet that I showed you, with the goat head and he's sitting cross legged and he has goat legs and he is meditating? He's got the fire and the different hand mudras? Remember that? That being a couple of days before the Liberation was assaulting me during the night. It was like a spiritual battle, and essentially, he said that he was going to try to kill my children and particularly my youngest. Now, I didn't tell them that. That is why for the next couple of days I didn't send my kids to school. I kept them near me. I kept them with me etc. because it was such a massive spiritual battle.

You remember when we were talking about this? We were talking about how undergirding the macrocosm is this massive spiritual battle. We also mentioned it in the Ancestor Liberation, if you listened closely to the speech that I gave right before the Ancestor Liberation in the beginning part of that speech talking about what type of civilization these two people are representing.

Clinton on the one hand is representing the type of civilization that will murder the most innocent person on the planet, an unborn child, who has committed zero sin. She is willing to kill that child one day before its due date. Trump calls her on it on the third Presidential Debate and she will not deny it. She is allowing that to happen.

So, what kind of civilization will allow the most innocent, the most perfect citizen to be murdered? If you allow that as a civilization, your civilization is evil. It will become wicked. It will degenerate. It will collapse. It will never stand the test of time, because civilizations are not built on deceit and lies. Those last for very short time. Civilizations that stand long, will have to be built on seeking truth, honesty, etc. Freedom, liberty, rights, all those things. Those are the

things that can stand the test of time. Principles, morals, yes. All those are connected. It is a massive spiritual battle.

What's fascinating is that right after the Ancestor Liberation, you saw the huge exposure of the voter fraud videos coming out. Internet Programmers literally making programs of themselves being able to go into the voter machines and do what's called, "fractional shaving." Did you see this? It was on Drudge, and they had an African-American Programmer who showed the video and said, "I will show you exactly what I am doing." Boom! Boom! And he shows how you can manipulate the vote. What they do is called, "fractional shaving," So basically, since they have control of the decimals, one vote does not count for one vote. An easy way to put that is that if a Democrat votes for Clinton, they can easily count that as one vote, but if a Republican votes for Trump, they can count that as .001. You see that. You see what they did? Because they have what is known as decimal fraction magic, is what they are calling it. Built into this program, it's remote too. He was showing how in one location, he can decide the vote in Alaska. In an Alaskan township, this African-American Programmer can decide the vote in that place, and he shows it right on screen for you to see.

So, the day after you see that kind of incredible confirmation of the massive fraud, that is already undergirding this election cycle. At the same time, after that you see boom. You see another explosion. The FBI saying that they will re-investigate Clinton. Then the NYPD comes out and says, "We now have more things on Clinton, 650,000 e-mails that they have retrieved from Anthony Weiner. He's got an over-active satanic wiener, and Huma Abedin was his former wife. They're divorced. She was the top Clinton Aide, and she's of course a Saudi Arabian agent. The NYPD found that all her Internet e-mails had a direct link to the Saudi Arabian government. Not only that, of course, she has direct connections through her mother and brother who run the Minority Islamic Non-Profit organization in London, which is also directly connected and funded by one of the top Saudi Arabian officials. So, you see a direct connection. You see, of course, many millions and millions of dollars being poured into the Foundation. So much corruption. So much buying off the politicians and this type of wicked, wicked corrupt evil. Evil which is running for the Presidency. Not only that. Think about it. If you had the FBI investigating you, and you went into Burger King or McDonalds and tried to get a job, but you were under investigation by the FBI, would the McDonald's give you a job?

So, why is this woman who is under investigation by the FBI running for President? She can't even get a job at McDonald's, let alone President? Does this make sense? Do you see how insane this is? This is the insanity of how corrupt this archangelic system has become. You wouldn't let an employee work at McDonald's let alone the Presidency of the United States of the entire free world. All right? Give me a break!

So, this is the insanity, but this is just the beginning, because right after the Ancestor Liberation what started coming out? The WikiLeaks started exploding up. And what in the WikiLeaks connected to young children and Satanism started coming out? "We Are Change," which was led by Luke Wadowski, who's a real journalist just like Project Veritas or Mark Dice. These people are real guys, that are actually real guys, and are actually going out there and doing real journalism. They wrote the story about, "We are Change." They are young people. They are very

against Globalism. They're against the centralization of Communism and all this kind of stuff, and they went out there and broke this story.

Before I show you that video, I want to invite Mr. Lee here, who stayed with us for a week from Korea. Rev. Lee gave us a report on the Korean situation, particularly in the last month of October. There were massive, massive microcosmic things that maybe you're not aware of that happened, that has direct link to the macrocosm. Let's invite Mr. Lee to give a brief report about what's happening there. Let's give him a big warm, round of applause. Do we have a translator? Tim (Elder) will translate.

### Mr. Lee's Report

My name is Sun (Hwan) Lee. I came from Korea. I give thanks to God that I am able to speak here today in the presence of the 2<sup>nd</sup> King of Cheon Il Guk. We titled my talk to day "The work of True Father's Holy Spirit during the month of October."

I am quoting here from Father's words, from Father's Collected speeches: Volume 29, p. 269. The important point in this quote is, that the 6000 years of providential history was about finding one man, Adam. We will read it together. Father is saying that without Adam, there could be no Eve.

Now I am showing you the content that the Han mother spoke on October 5<sup>th</sup>, when she spoke to the special rally that was held in Yeong Pyeong Resort with 800 Japanese and 650 Korean Leaders.

Mother: "Can you see? Are you happy people? Why are you happy? Because you have met the Only Begotten Daughter, me. Older couples have a lot of affection for Father, but these older members need to know something. That is, that I am the Only Begotten Daughter that was born after 6000 years with nothing to do with Satan's blood lineage. God is my father."

"2000 years ago when Jesus was born, God called him the first Only Begotten Son. Finally, after 6,000 years the Only Begotten Daughter was born. It is a miracle."

Rev. Lee: It's a long speech, so I am quoting just a part of it. I'll go down to the bottom. We're still reading her speech on October 5<sup>th</sup>.

Mother: "It's because of Mother that God's Providence was completed."

Rev.. Lee: In other words, Mother is saying the God's Providence was only completed because of herself.

Mother: "They must not lose sight of this."

Rev. Lee: That means that the Eve country must help the True Mother to accomplish its responsibility. It's what she is saying, and hear the read portion.

Mother: "Who was it that made it possible for the name True Parents to come about? It was the Only Begotten Daughter."

Mr. Lee: This was what was declared by her in Korea.

Mother: "This is what you need to know. In the Spiritual World, the fact that Dae Mo Nim was able to do that spiritual work, is that, Dae Mo Nim worked her entire life and not for her family, but for the True Parents, for the Only Begotten Daughter. So, that is why I established the family of Dae Mo Nim. 2000 years ago, Mary was not able to accomplish her responsibility. But Dae Mo Nim was able to accomplish the responsibility, so that now True Parents can now exist in perfection."

Mr. Lee: So, she says that Dae Mo Nim accomplished her responsibility, so it is because of Dae Mo Nim that she could be without blemish. She could be perfect.

Mother: "So, that's why you need to love Cheong Pyeong. Korea and Japan are the Providential countries, especially Japan has to accomplish the mission of the Eve country. You have to consider what kind of life Dae Mo Nim and the Han Mother have lived. We are trying to accomplish the life dream of our True Parents. The Eve country must do this."

Mr. Lee: So Cheong Pyeong now is being called the HJ complex. She says that HJ stands for Hyo Jeong. Hyo meaning filial piety and Jeong stands for heart. I am going to introduce some messages from Spirit World, and I am going to explain where these messages originated.

Mrs. Kim Yong Sun, who has received many messages from Spirit World is the wife of Mr. Chung Ho Ung who was the head of the administration department of Sun Moon University. She actually began receiving letters from Spirit World about 20 years ago, when Dr. I Sun Hun was still on earth.

Father instructed Dr. Lee to read the Spirit World messages. At that time, it was from Rev. Lee's wife who at that time was in Spirit World. This was the beginning of the messages. Father heard that messages had been received from Rev. Lee's wife, so he had that message read in his presence and in the presence of many members; and, after Rev. Lee's wife went to Spirit World, she sent many messages to Mrs. Kim and these were delivered to True Father.

These messages that she received are recorded in the Pyeong Wha Shin Gyong. These messages, Father is said to have read 2000 times. The most famous of these messages is the one that literally God sent to True Parents addressing, To My Beloved True Parents. Also, the messages from the five Great Saints, which were delivered from these people, through Dr. Lee Sun Hun and to Mrs. Kim, and then presented to True Father. Then, last October 4, a day before the Han Mother spoke at Yong Pyeong, Mrs. Kim received a message from the Han Mother's mother, which is Hong Su Nae, called Dae Mo Nim. I want to read the entire text of this letter.

## Letter to Mrs. Kim from Dae Mo Nim

Members, hello! I am Dae Mo Nim or Hong Su Nae. I'm sure that you who are on earth have been waiting for news about me. I don't know what to tell you. To True Mother, I'm very sorry but I don't think that she knows what is going on in the Heavenly World, so I want to tell you exactly what is happening now, there. I am the mother of True Mother, Dae Mo Nim, so I am responsible to tell you this and it hurts my heart very much to have to do this.

Members, if you live the wrong way on earth then your position In the Spirit World will be eternal. Your life on earth is very short, but your life in the Spirit World is eternal. That is the issue. So how are you living now? When the Messiah was on the earth, he taught you what the original way to live is. If you live a life that is contrary to that, there is no excuse for you in Spirit World. No matter who you are, God will not forgive you. That is the Principle and that is the Heavenly Law.

Who did Father love the most? Of course, she was the True Mother; but, members I am sorry to say this, but True Mother is now living in the wrong way. Dae Mo Nim says that True Mother is living in the wrong way. She is not the True Mother of the past. She is arrogant. She has a lot of arrogance. She has gone far away from the position of the wife of the Messiah. She thinks that she, herself, is the Messiah. She thinks that she is running the providence herself. In many ways she is changing and undermining things that Father did.

Rev. Lee: So, Dae Mo Nim is saying, as I am pointing out that the Han Mother has left her position, and by quite a long distance, she has left her position as wife of True Father and wife of the Messiah. So, the current Han mother is not the Messiah, Dae Mo Nim says in this message. Han mother says that she is the Messiah. But Dae Mo Nim says that Han mother is not the Messiah in this message.

Mrs. Kim/Dae Mo Nim: There is a lot of controversy about her claim that she is the Only Begotten Daughter, but her understanding of Only Begotten Daughter is wrong.

Rev. Lee: Dae Mo Nim is saying that she is wrong when she says that she is the Only Begotten Daughter.

Mrs. Kim/Dae Mo Nim: She is nothing more than the wife of the Messiah. In the Heavenly World or on earth, all the providential works that the Messiah does is what she has to follow, and she cannot go beyond that. So, the leaders of the Church seem not to have realized that she has left her position as the wife of the Messiah. Even though Han Mother has left her position, the Senior Leaders of the Family Federation are just watching that, and just looking at it, and they are not doing anything about it. In the Unification Principle, and also Father's words, where can you find such a teaching? Dear members, if you're in the Heavenly World, we are seeing the reality of the mistakes of the Han Mother. We feel very painful about her mistakes, about her wrong direction; so, a lot of people in Spirit World see that Mother's doing wrong and they feel very painful about this.

So, what are you going to do about it on Earth? Do you want her to be excluded from the Spirit World areas where Father will be? But, these erroneous things that are happening on Earth must be resolved on Earth. So, in reality, True Father is very concerned and worried about the implications of what she is doing on Earth. Please pray about this. Please follow your Original Mind to clear up all this situation on Earth.

Rev. Lee: That was the close of the message from Dae Mo Nim through Kim Yung Sun. The next message was received from True Father addressed to the Leaders of the Family Federation. He's addressing this to the 36 couples. He's addressing this to the President of the Family Federation; to the ministers and all members by saying I speak sincerely to all of you.

Mrs. Kim/True Father: True Father loved Mother. I love all the children around the world who have (inaudible... ) True Parents. I feel very sorry now for God, who, even when things were difficult to live, I enjoyed to live with Father (inaudible ?). Father in Heaven feels very sorry for the members who are now on Earth. I want you to live according to the Will of Father who is in Heaven.

So, Father is saying that more than Mother, he loves the members, his sons and daughters around the world. Today the Unification Family cannot remain as it is. What did I teach you when I was on Earth? When I talked to you about love, when I talked to you about the Spirit World, I told you about the Heavenly World. Even if you live in a healthy way on Earth, eventually, without exception, you have to go to the Heavenly World. The life in the Earthly World is very short, but the life in the Heavenly World is eternal, but it looks like you are not even thinking about your life in the Heavenly World the way that you are living now. That you are just dancing to the music of Satan on Earth.

Rev. Lee: Because we are not living according to Father's Way, Satan is dancing and enjoying; so, what do I have to do? Now, I'm teaching the community about the reality of the Heavenly World, so that she can teach you.

Mrs. Kim/True Father: You need to resolve or clean up your life on Earth before you come to the Heavenly World. It is only that way that you can live together with me in eternal life. So Kim Yun Sun will tell you these things.

I am now going to talk about True Mother. She has left the position as the wife of the Messiah. Father says that Mother has left her position as his wife. I shouldn't have to tell you. You've seen the way that she lives. You are watching her right now.

So, Kim Yung Hee and Il Ji Sa, You know when I was on the Earth, you have to remember, what was the core of my teaching? Do you not even know that? I said, you should not touch my teachings. I told you, clearly, not to touch my teaching but, now what are you doing with True Mother? Is that Heavenly Law what you are doing? Why aren't you able to make clear what I taught you? When you come to the Heavenly World, do you want to live with the Messiah, or do you want to go to that lower level? Life on the Earth is not all that great. You say that she has no original sin? You say that she was born as the Only Begotten Daughter, with nothing to do with Satan from the time she was born? Dear members, 36 couples, President of the Family

Federation and to all the Unification family members; all you children are creating such trouble for me in my heart. How is that you are not able to tell the difference between good and evil? All the Clergy, you need to repent in your lives right now, before you come to the Heavenly World.

I feel sorry for the True Mother. What needs to be done? Dae Mo Nim asks about her daughter; but, now she has to desert her daughter. I have many things that I want to say. Please prepare yourselves before coming to the Heavenly World, and understand that the Heavenly World is the important one. 36 couples, President of the Unification Church and all members, you need to tell Mother to follow these teachings. Tell her clearly. That is what you need to do in order to be True Children. I ask you to stop this terrible situation that I see happening on Earth. That is the end of Father's message.

Rev. Lee: After this message was publicized Mr. **Chung Hun and .. San** received a lot of persecution; and, the Family Federation Leaders, retired Pastors, retired Leaders went to their home and told him that they should publish a revised version of Father's message and Dae Mo Nim's message. The result of that was the apology that was published. I will tell you about that now. The title of this apology message is "Regarding the True Father's Spirit World Message."

He says that the core of Father's message is that the three brothers must become one centering on True Mother.

Rev. Lee: So that's what he says, but I read you the entire message received from Father, and there is nothing about that in the message. But in the apology message, they said that that was actually the core.

Apology message Number 2: This message was publicized by mistake, and that during the process, that it was being reported to True Mother.

Rev. Lee: As you saw, Father's message was addressed to the 36 couples, to the President of Family Federation, to the Clergy, and to members. True Father was speaking to everyone, so he was not speaking to a specific person. And the 3<sup>rd</sup> point in the Apology, Family Federation Apology Number 3, It says, To have Hyung Jin Nim's side to stop immediately from using this message for their own strategic purposes.

Rev. Lee: We've never used Father's message for our benefit at all. We need to be one.

Family Federation Apology letter: We need to forgive each other, love each other for the sake of peace is the last point.

Rev. Lee: So, the apology was put up; and, now the husband and wife are experiencing a great deal of difficulty.

Now, I've told you of two spiritual messages: one from Dae Mo Nim and one from Father. From the 17<sup>th</sup> to the 19<sup>th</sup> of October, Rev. Yoo Jung Ok came to the Seoul Sanctuary and gave a workshop on the Original Substance of the Divine Principle. The OSDP was given by Father as the final education for all Blessed Families around the world.

Father began this education by repeating it 5 times during the course of a month, and Father said it should be spread out to all the Blessed families around the world. It was very important to Father that this education be given.

Rev. Lee continues: I had to read some excerpts from Father's words:

First about the identity of True Father or the Messiah. This is from Volume 186 Page 40. It says that God is the vertical True Parents, and Messiah is the horizontal True Parents. Who is God? He is my vertical Father, my Parent. You didn't know who God was until now. You didn't know who I am, but you need to know exactly about God. You need to know exactly who God is. He is absolute. He is unique, and He is a Father. He is not someone who is far away, He is my God. He is my Father. He is not the father of the Church. He is my God. He is not the God of your husband. He is your own God.

Then this is spread horizontally in a 90 degree angle. This 90 degree angle is totally important. Love always goes the shortest distance. When the Messiah comes to the earth, that has to fulfill the position of the True Parents.

So, the position that the Messiah must fulfill, when he is on the Earth, is the position of the True Parents; and, that is what is said in the Original Substance of Divine Principle. So, what are True Parents then? They represent the Vertical Father. Horizontally, they are Parents. So, who is the Messiah? Christianity says that the Messiah is God, but God is not the Messiah. He is the vertical Father.

Rev. Lee: The Han Mother says that she is now talking about Heavenly Parents, but Father has said through the OSDP, that God is the vertical Father and that He is unique. There is only one. There is no way that the Messiah is the vertical True Parents. God is the incorporeal True Parents; So, True Parents come as the substance of God's Divine Nature. The Messiah appears as the son who attends God. God is like the mind, and True Parents are like the body. This is page 239 in the OSDP textbook. When you look at these words, we can see that even when Father is alone, we refer to him as True Parents. But when mother is alone, though we must not refer to her as True Parents. If you look at it in terms of God's Word, it would not be appropriate to call her True Parents when she is alone.

Let's continue: When Father comes to earth, he comes as the substantial body of the mind, so he appears as True Parents but we call him True Father, just as we call God Father. Just as True Parents, we refer to him as Father. This is the same way that we refer to God as Father. When you consider what I've told you today, the Han mother is wrong when she says that she is the Only Begotten Daughter who was born without original sin. For the first time in 6000 years, you see in the spirit world message, from OSDP. They all deny what she is saying, and that what she is saying is wrong.

During our tour, Father reports really tremendous spiritual works. The 36 couples gathered on October 10<sup>th</sup> at the (Loti) hotel, near the Center of Seoul. They had a lunch meeting, but the meeting itself was called by Father.

Father appeared to a man who attends the Chong Bok Un (Kuri's) Church and spoke to him to his right ear. This man heard Father speaking to him. Father said to take care of the 36 couples. This man, after hearing Father's voice, put together some money and he contacted Choi Yung Guk who is Secretary or Coordinator for the 36 couples, and He gave this money to Mrs. Choi. The President of the 36 couples' organization is President Kim Young Whi. What Father said was reported to President Kim, so they used that money to have a gathering in the Loti hotel. The amount of that money, I am told, is considerably large.

When they gathered, the content of what the Han Mother had said in the Yong Pyeong Resort was read to them. Also, Father's message was read to the 36 couples who were gathered there at the hotel. The point was made that what the Han Mother is saying is quite different than what Father is saying. This is completely aside from the Principle, and that she has left Father. This is the type of statements that were made by people who took place in the discussion there.

After that meeting, someone then conveyed the content of that meeting in Japan. After the content of that discussion became public, the Family Federation put out an official memo saying, "Don't believe in these spiritual messages." The Family Federation said that Kim Sung Un has been excommunicated, and that what she says has no validity.

They then gathered all the Ministers from around the country, and the President of the Continent addressed that meeting. They said that "Father is the Holy Spirit. Father will only appear to you clergy. He's not going to appear to just anybody." That was the President's statement there.

What I am hearing recently, is that they are saying that, "We've heard Father's voice, too; and, he's saying that, yes, she's doing a great job. Father is saying that the job of being Messiah is very difficult, and that she may not be able to do everything she is supposed to." This is the rumor that Family Federation is putting out now.

The family of Kim Chung Un, even though they've received a great deal of persecution, they say that no one can undermine or criticize Father's message. They say that people will have to decide for themselves, according to their the standard of their own faith, how to receive that message.

Mother has instructed this couple not to receive any more messages from Spirit World. They say that although they have been given this instruction, they have to follow Father's instruction. "We have no other choice. My wife and I have to put highest priority on Father's instructions and on his commands. If there is a contradiction between what Father tells us to do, and what Mother tells us to do, we have to follow Father. If we are excommunicated, then go ahead and do it. My wife and I have come all this way in our lives following Father. Unless Father excommunicates us, no force is authorized to excommunicate us."

Finally, I'd like to summarize the claims that Han Mother has made following Father's Seong Hwa. She has made many claims, but I will summarize just the main ones.

First is that she says, "I was never educated by anyone. When I met Father, I knew everything. I brought an end to the Providence of Restoration through Indemnity. The 2000 years of Christian history was the religion to bring about the Bride."

Regarding the change in blood lineage, she says that her blood lineage was changed in the womb. “No-one educated me. It makes no sense to say that the Only Begotten Son could have educated the Only Begotten Daughter. The True Mother who is sitting here in front of you is the Only Begotten Daughter who is born for the first time in 6000 years and I can prove it. No-one other than me can do this.”

If we look at what she says over and over, she says: “I am the Messiah. Father has the lineage that has original sin. Father’s ancestors are fallen ancestors. I was born without Original Sin. I am the Only Begotten Daughter. I am God.”

Finally, I’d like to give you a brief testimony of my own testimony. Until last year, I was the Regional Leader of the Family Federation for the In Cheon Region. Many members of True Family have used the residence in the Hang Gun Moon Training Center, which is the residence where True Parents lived at one time, and the King and the Queen lived there at one time. On the day of Jan 11<sup>th</sup> of last year, this was being changed from a True Family residence to a VIP residence.

Since Rev. Lee was a Leader, he was invited to attend that Ceremony of this change in the status of that property. During that Ceremony, he had a conversation with a Leader who was attending Han Mother very, very closely in close proximity. This Leader was someone who had been educated by the King a great deal. When the King was in Chun Bok Cheon in Seoul, this man respected the King very highly. But after we had had a discussion, for about an hour and a half, his final conclusion was that if the King was to come back to the Han Mother. He needs to confess two things. What are those? 1. He must confess that Mother is God. 2. He must confess that she is the Messiah and Only Begotten Daughter.

When I heard this, after that on the 16<sup>th</sup> of January, I told the Family Federation that I was going to submit my resignation to the Family Federation. These were the things that the King could not accept. I could say that they were making it impossible for the King to return. This made it very clear to me that this is what they were doing. I realized that as long as I remain in this public position I would not be able to say anything. I needed to become a lay member and to attend the King. I needed to tell people about the Providence that True Father had inherited to the King. That is why I submitted my resignation in March of last year. I came here, and the King gave me the authority to work here at the Unification Sanctuary. That is why I am standing here now. Thank you very much.

Hyung Jin says, “Thank you Rev. Lee. One more time give a round of applause for Rev. Lee. “

HYUNG JIN NIM CONTINUES HIS SERMON:

You may have heard those things, but this is a lot more detailed. Some of this stuff even we did not hear, or forgot some of those points. There are so many things spiritually. You can see there is a spiritual warfare going on.

Obviously, I do not endorse any of the spiritual messages. That's our policy. People get messages all the time, all over the place, but the message is pretty clear. We've been saying it for the last three years. As you can see, with these spiritual mediums they flip flop, flip flop. When you pressure them with money and power, they flip flop, flip flop, but for a lot of people, especially in Asia, because this was the lady who did the spiritual messages, The Cloud of Witnesses. For them, it is a big impact. It is a very huge thing that happened last month leading up to the time that we are in now. This is a video of "We are Change." This is a video which is fighting on the sovereignty side.

Remember, on the macrocosm there is the Globalist, Centralized Communist, Archangelic Satanic world vision. Then there is the Sovereign side represented by Trump, on the Abel side, on God's side, fighting for the citizens to have sovereignty that is much more in the direction towards the Kingdom; where, the people are co-owners of Christ and have the rights over the Archangelic realm, the archangels, the government officials and so on. That is in the proper direction. Of course, as you saw last night, there was a huge scare with Trump returning to Reno. There was allegedly an assassination attempt. They thought he had a gun and wanted to kill Trump, but now they say he had no gun. There was a big stir about that.

This is a video with Lou Kordowski, a very young fellow. You can see him in the corner here. (of video post front page) He always just does his stuff in a T-shirt. He sometimes wears a baseball cap backwards, and goes out and interviews the top people, and try to get them on film admitting to different things. He's one of the top journalists. They have a whole team of young professionals who go out there and just go after these Globalists. They go after the Elites super hard. If you don't know about them in the freedom side, you should know about them. Them, Info Wars, Project Veritas, Milo Yiannopoulos, and all the other real journalists that are out there fighting to bring real information to people. These are very Abel type people. Some of them believe in God. Some of them don't believe in God. What they are united on is that this woman is demonic, and that she is not only a politician who is greedy and a political prostitute that can be bought off with money, but that she has other things about her that are going to start to come out. That's what's amazing, because after Ancestor Liberation these things Boom, Boom, started to happen. More internal secrets about Hillary and her coterie of people, her top people and what they are into and what they are doing and what type of meetings they're having, began to come out. That happened last week, right after the Ancestor Liberation, and it's directly connected to those types of Chadron.

Title of the Video running now: "Hillary Clinton Speaks to the Dead for Therapeutic Release" by Lou Kordowski. At the beginning of the video that Lou Kordowski often comes in in the running video to comment as he just does. Sometimes he cusses, and some of the things he's going to show are graphic, so just be braced for that. There are some graphic things in here, and the young man cusses as some young people do. Go ahead.

This week, one of these came out and showed Marina Abramovic. Have you heard about this woman? This is the woman that is creating all the scandals. She's supposedly a performance artist. She is the one inviting John Podesta who is the top Chairman in Hillary's campaign management. He is the right-hand man to Hillary Clinton. WikiLeaks came out about him and his brother being invited to what is called, Sprit Cooking dinners. These are fun little Satanist

parties that they do by Marina Abramovic. She has carved a pentagram into her naked body. She says, "I'm so artsy, and I'm so creative, and Oh, I'm confronting blood, and I'm confronting our stereotypes of death, etc." In the name of art, you see what these people are trying to do. Trying to claim this art, but of course, doing different forms of Satanic practice. Then after she cuts a pentagram onto her body, she lays on a Cross to mock Jesus, to mock the Cross, to mock Christianity. Notice they're never against Islam. These Satanists are always against Christ, because they know Christ is real. And they know that Jesus is real.

See how they are into blood and gore? This is one of her pictures, (Picture on screen with her on a table with her head hanging over the table with her entrails visible on her chest.) where she is trying to beautify blood and internal organs, and trying to be Avant Garde. Oh, she's so trendy and nouveau. She's so creative and she's so brilliant. You can see the dead corpse there. The internal organs are splayed all over the place. This is supposed to be the great creativity of Marina Abramovic. She is a person who is taking out their internal organs putting them outside her body and displaying them as art.

This is the woman, whose birthday cake is a naked woman, whom they carve up (slide of Marina Abramovic birthday cake) and eat in a mock cannibalistic ritual. This cake is a person, and they eat it for fun. Now you have to understand, why would Satanists do this? Why do Satanists do this and package it as art or say, "We're confronting our preconceived notions and stereotypes of blood and organs and death, etc." It's because these fools are so weak and pathetic. They literally think that they are badass doing these kinds of things. This, they think, makes them stronger and gives them higher energy. They actually think they are being brave by doing these kinds of things. Do you know why good people don't do these things? It's because they are despicable and disgusting. That's why good people don't do these kinds of things. There's no purpose to do these kinds of things.

There's no purpose to cannibalize people. There's no purpose to have little kids in hot tubs for pedophile parties. There's no purpose to that other than desecration. That's why good people don't do this kind of thing. Not that good people are scared of blood, or not that good people are scared of me, or that they're not strong. These are just wicked and crippling acts to engage in such things. Satanists actually feel the judgment upon them. They can feel the fires of hell ready to consume them. That is why they are infatuated with wanting to live forever. They don't want to die. They are so filled with fear.

They know God exists. They're very spiritual. They do know God exists, but they dread Him, because of the choices they have done. They sold their souls to Satan. They try to pretend they're tough, having bloody things, and carving up fake cakes. Do you see the psychology here? It's so weak. It's so pathetic. It's so infantile and puerile. It's so debased. It's so low. It's so unbelievably weak.

(Another slide of her stabbing the cake of a person) There's another image of her as she stabs the cake. Oh, she sticks some knives into a fake lady cake. Oh. I'm so scared. Wow! So, badass! Right? Give me a break! This is so like a turkey who is fluffing up its feathers. This is so weak and pathetic. Whenever someone who is strong sees this kind of thing, we're not intimidated. This makes us laugh, because it just shows how weak they are. They are putting on a shield of

toughness that they feel they are so tough. “We can do things that you’re scared of and that you have stereotypes about. We break all the rules because we’re creative and brilliant.” No, you’re not. You’re pathetic, and you’re weak, and you’re the scum of the earth. You are coming down with Hillary Clinton. You are being totally exposed for your decrepit weakness. This is the reality of Satanism. It is so pitifully weak.

(New slide of Lady Gaga and Marina Abramovic with woman in a tub) You see her again here with Lady Gaga, and she is trying to be so courageous. Look at her. They have a woman lying in a tub of blood and semen and urine that they mix up together in these Satanic rituals. If you’ve seen the spirit cooking videos, you’ve seen Marina Abramovic here (slide of spirit cooking) doing the spirit cooking here. She has an effigy of a little baby in the corner of the room. She’s throwing globules of coagulated goats blood onto the effigy of a child, painting it with a brush, mixing it with urine and semen, writing on the walls in another video that’s available online, driving a knife strongly into the left middle finger and eat the pain. Those words on the wall are not in this video, but they are in another one. She writes that in pink blood. “Oh wow! That’s so tough. I’m so scared lady. That is so intimidating.” No! You’re a pitifully weak, debased idiot, who’s trying to say you are spiritually powerful. You have sold yourself out to the weakest, most loser of spirits, Satan. You’re trying to parade around as yourself.

In another picture, she writes on the wall: Use fresh urine and sprinkle over nightmare dreams. A lot of these people, because they are constantly communing with Lucifer, they have constant nightmares. Lady Gaga is known to have constant nightmares, and is known to have nightmarish attacks on her from different entities. Well, you are channeling them. You are bathing in blood. You are drinking people’s urine and sperm. This is what Podesta was doing. Podesta is being invited to these parties where they put fresh sperm milk and fresh breast milk and urine and they drink it, so that they absorb the life energy of those constituents, and then can access higher consciousness and higher power. A lot of this New Age stuff drives right into this higher consciousness, and all of this kind of stuff and Relativism. It really does drive into this.

This whole week, the Clinton administration, not only have they been shown to be the most corrupt crime family in the history of the United States, but probably with the Bushes as well. Father’s chastised the Bushes. He called him the King of Satan’s World. He told him not to go into Iraq. That he would ruin the country, and he disobeyed Father every single time.

The Clinton crime family, until last week, everyone knew that they were a crime family, and the FBI was coming out against them. NYPD comes out against them. The Huma Abedin, her Secretary, is directly connected to Saudi Arabia. The NYPD will go after them. They said, they would start a legal case against her, and then at the same time, all that criminal stuff. We know she’s doing this criminal stuff; but, then there is the spiritual stuff. There is this religion that she is a part of. There is this cult that she’s a part of. What is it? What does it lead back to? Aleister Crowley and his inspired Marina Abramovic disciples, the Satanic cult. It leads right back to the Satanic cult. It leads right back to these sick, vile, mentally ill, deformed, despicable, deplorable, weak, pathetic, scumbags. That’s what it leads back to. It leads right back to that.

So, Hillary Clinton is not only a criminal, she is now being exposed as her inner circle people are being exposed to being into Satanism, and of course what they call performing artists. Isn’t that a

convenient little shield. “Oh, she’s a performing artist. Ah!” You’re so stupid. You believe that don’t you? “Ah.” This is how idiotic these people think you are. This is how idiotic these Satanists believe people are. Why? Because they see them as human animals, which they also ritually sacrifice and cannibalize. So, you see. Even in their celebration of mock cannibalism that they’re doing at a party, carving up a human being and eating her with delight as a cake, these are the people.

Normal people, you go bowling. You go to the movies once in a while. You practice Marital Arts. You go to a restaurant with your family for a good time. You see. These super Elites. They’re not normal people. You see this? They are for fun, going to blood, semen, urine drinking, spirit cooking parties with known Satanists. They are having effigies of little children in the corner of the room, spraying them with blood and semen. They are writing blood rituals and formulas on the wall and saying “ah. I’m so brilliant and creative.” That’s their idea of fun.

You see that? You see how demonic that is? The spiritual battle of this battle comes to the forefront. And it’s interesting. How many children who were aborted were offered to Satan? You saw the testimony of Zachery King, who is now a Christian, who was a Satanist in a Coven. He was one of the Managers in their Covens, which they call a Wizard. In his testimony, which I’ve told you about, he says he worked in those abortion clinics. The Witch Covens send their people to the abortion clinics. The Satanists gather at the abortion clinics. At midnight, at appointed celestial times and astrological times, they will gather, and they will offer those children who were killed to Lucifer. Why? Because they are not even atheists. They are not even regular Liberals, regular Fascist Communists. They are very spiritual. They are highly spiritual people. Just being spiritual doesn’t mean you’re good. They are highly tuned into the Spirit Realm. Of course, it is the Spirit Realm of Satan. These people gather at those abortion clinics. The 54 million babies dead, the 2 billion that are killed, after the Ancestor Liberation, how many of those babies were offered up to Satan? How many? It’s unknown. How many of those children were killed? And Father’s direct words come out exposing exactly that abortion is murder.

You saw the video that has now emerged. The lies at the microcosm that the Family Fraud is perpetuating. As they become exposed, you can see at the same time, the macrocosm explodes; and, at both levels, it shows that it is an immense spiritual battle between God and Satan. It is not just a Presidential election coming up. This is a battle between a man who is not perfect, but he’s like the King of Cyrus. He’s trying to do God’s Will. He’s trying to make this country great again. He’s trying to get back to proper principles and values. I’m not saying he’s a Saint or something like that, but he’s trying to get back to that. On the other hand, you have a woman who is now connected or in the inner circle connected to Covens, Satanic worship, Satanic liturgy, rituals, pedophiles. In a video by Lou Kordowski, one of the WikiLeaks came out with Podesta, one of the ladies was interacting with him on e-mails and she said “Oh. And I’ll be sure to send my three little friends, a 7-year-old, 9-year-old and 11-year-old to join you all in the hot tub for your entertainment.”

So, that came out just last week too, showing that these super Elites are not only Satanists and exploit children sexually, not only that Clinton has been to Mark Epstein’s pedophile Island 27 times, (This is the guy who has under aged girls and the rich people come and have sex with these underage kids.) Hillary Clinton herself has been there 6 times. That’s now coming out in

the WikiLeaks. She, herself was on Pedophile Island, not only her husband. She also went six times.

So, it shows now the nature of these entities. They are not just politicians just parading around. They are literal vessels for Satan. They are literal vessels for entities beyond this Realm, that are influencing and using them to bring that archangelic power and system to this world. It's what we call demons. They're literally demons. It's unbelievable. It's almost mind-boggling how spiritual it's getting. Even a lot of the journalists didn't want to report on this story, because it's so occult. Nobody's going to believe it. It comes out in the verified WikiLeaks, but nobody's going to believe it because it's so wacky. Normal people just go bowling and eat French Fries; and, when they're having a hot dog, they're thinking about a bun and catchup and mustard; whereas, these Elites at these Satanic parties are told, "There will be three hot dogs there and five hamburgers." That's their code word for 5 girls and 3 young boys.

You see. These people are literally, literally demons. They are literally the scum of the earth. They are Satanic Luciferians. They worship Moloch and all the other forms of Satan. Thank God for the liberated children who are acting out their holy revenge upon the pitiful, pathetic and weak Satanists. Thank God that those kids can suck it to them a couple of times. Keep beating on those children. Keep beating on those fools. It is such an intense battle. This is a video that was many of you have seen before. Again, it was produced by someone you have met before. People are coming out, and people are going to Father's Word. What did the Han Mother say? What did Father say? I showed you seen the video before, but that brother has made another video. I just wanted to share that with you. Let's look at this new video one more time.

(Video on screen of comparing Mother's words with Father's Word) One brother made that, so people have to go to the Word. They need to go back to the Word to see and seek God at this time. It's not about anything else. It's about getting right with God at this time.

Now, we know we are in such an important time. Folks, we only have two days until the Election. Two days. You know the Clintons want to start World War III with Russia. You know they have so much crime. They're trying to get out of it. The way they do that is to divert your attention by starting wars. That's classical tyranny. That's why they're already having ISIS issue warnings saying, "ISIS is going to attack on election day and kill Americans rampantly." You cannot be scared of that. We cannot be afraid of that. We have to go out, even if there is voter fraud, and Hillary does win by fraud. The American people cannot stand for that. That is where we go boots on the ground and we march. We have to go march on Washington. Obviously, we want to do everything peacefully, but we have to be able to say that we will not allow this woman to be inducted into the Oval Office. We demand a recount, and Trump absolutely should demand a recount.

If it is such a massive landslide that Trump does get in, it's not going to be easy either. You know with the Soros people, the Banksters and the bankrolling of the BLM and all those other domestic terrorist groups, they will start riots. You know they will. They've said they would, and they have started already many.

So, we know those things will happen. It's not going to be easy either way, but it is critical, because the future of humanity is at stake folks. The future of the world is at stake. Will we allow these Globalist, arrogant, pathetic, Satanist, debased, blood curdling, sperm drinking, spirit cooking, masochists, lead us into war with a nuclear power, so all our children can be killed and they get away Scott-free and make a big buck after the wars and during the wars? Do we allow them to take us into that Realm? Well, that is what has happened. The people have chosen the path towards destruction. We know that judgment comes, and we have talked about it many times. And the judgment of the people will fall upon this world, because the peoples have chosen the evil Satanic Witch, who has been exposed right after the Ancestor Liberation, by people in the Freedom Movement. If they have chosen that evil, High Priestess, in the occult cult, then judgment will fall upon the people.

The flip side of that in the time of judgment, is if Trump gets in. He is on the Abel side. He is being used like King Cyrus, who was also a secular King. King Cyrus had a harem. Trump doesn't have a harem. He says stupid things, but he doesn't have a dang harem. OK? King Cyrus had a harem, but God used him to destroy Babylon, and free who? The Chosen people. If Trump gets in and he does what he says, he will lock her up. If he does what he says, he will wage war against the evil element, the Satanic elements within the Federal bureaucracies and go after them. Drain the swamp! You hear them chanting "Drain the Swamp!" That is a Biblical reference folks to King Cyrus, because that's how he came in and got Babylon. He drained the swamp, and he killed all the evil politicians that were gathered there.

So, Trump will have to use all their illegal laws to prosecute them and to put them in prison. Then what is happening then? The judgment is not falling on human innocent people. It is falling upon the Archangels who have created the mess. Nevertheless, it is still a judgment. Does that make sense folks? That's the historic time we are living in. If you're from different countries, it doesn't matter. What happens here is going to influence the world. You cannot just run away from nuclear war. There is no place you can run that will be far enough away from nuclear war with Russia.

It is an unbelievably immense time. We have voter cards out there. If you have them, distribute them. Put them in the shopping mall. Just put them in people's windows. We have to get people awake and aware. It's only in two days, folks. Two days and the election is here. There's going to be massive vote fraud. There's going to be massive election fraud. This is the reason why they need exit polling in all the major key areas. All the people in the major swing states, need to be vigilant. We need to be doing exit polling. We need to be keeping those people accountable, Keeping their cameras on them etc. Serious time folks. We know it's going to happen. We know that voter fraud will happen, but at the same time, we know that Americans and that worldwide people are waking up. They are realizing how corrupt and evil, and how decrepit, and how Satanic these people are. They will not prevail in the end. They will never prevail. They will never prevail. But during this time of Judgment will we prevail? Judgment on the whole world, and on innocent people, or will we choose Judgment on the archangels who have created the mess, and try them at the maximum amount of the law and lock them up? That is the choice before us folks, and it's here in two days.

So, we live in such an unbelievably energetic and fantastic times. These are fearful times. These are terrifying times, but it's also a time where we see the Movement of God.

SOS come out, and as we pray and praise God, we have to pray about the Election. We have to pray. Please everybody, while we are singing and praising God, we have to pray about the Election. This is critical. Whatever happens, we pray that it doesn't turn into a hot war, a hot Civil War, where we have to rely literally on the Second Amendment. We don't want it to go there. We want it to end peacefully, so that this Judgment will fall on the appropriate partner, the appropriate figure, and not innocent humanity. Let's all rise and as we give praise and thanksgiving. Let's, at the same time, pray for the fate of this world and the Election that is coming in two days. Two days. Less than two days. Amen-Aju!
