Sovereigns Unite!

The King of Kings Wants You!

The Kingdom Gospel

Since last March Rev. Hyung Jin Moon has been giving sermons which I call the "Kingdom Gospel Series." These talks have clarified and crystallized an understanding of the Cheon Il Guk kingdom we are working to establish. Prior to this series of talks I didn't have a clear understanding of what this future kingdom looked like, how it is to function and how we are to build it. Now we see through a glass, clearly

Jesus' Gospel is not that of his death and resurrection as many Christians may say, it is of the God's coming Kingdom. Although Jesus' sacrifice on the cross did indeed offer immeasurable salvation, he really didn't talk about that in his public ministry. What Jesus talked was the coming of God's Kingdom. True Father also consistently talked about establishing the Kingdom of Heaven on Earth and in Heaven.

You as a King or Queen

We call Jesus and True Father the "King of Kings" which begs the question who are the kings to which they are the King. **You and I** are to be the sovereigns of which True Father is our King. This makes sense if we look at the original ideal in the Garden of Eden where Adam and Eve were to be the king and queen and their children should have become kings and queens and so on throughout all generations. Therefore those people who are under True Father's authority are to be Sovereigns in the Kingdom of Heaven. **That is you.**
