

KINGDOM REVELATION, APRIL 2, 2017, REV. HYUNG JIN MOON, NEWFOUNDLAND, PA

At the Freedom Society Meeting, the last time we watched a video about the pedophilia elites. They were talking about all the pedophile rings that were being clamped down upon. There's been like 3,000 arrests since Trump got in. Three thousand arrests in the pedophile rings that are all around the country at the super elite level; and, they were talking about this Navy Seal guy. What was his name? Craig Sawyer, former Navy Seal and Federal Law Enforcement Agent. One of premier and top military law enforcement agents on planet earth.

He's like hosting two different TV programs about law enforcement. He started all that from the establishment that won't help him. They won't help him go after the pedophile rings; so, he's breaking away from that, and he's starting his own campaign, privately with GoFundMe, all those kind of things, and GoFundMe shut his stuff down. (Jamal Johnson said, "In one hour he raised \$50,000.") In one hour, he raised for him some fifty thousand dollars, because he's a federal law enforcement agents. He's got contacts throughout the CIA, the FBI. He's a former Navy Seal; so, he knows all the Seal guys – all the top, top, top special forces guys. This guy is the elite of the elite, okay; and he started making a GoFundMe thing. He raised \$50K in one hour. He wants to document one of the raids. He was raising money for that and GoFundMe shuts him down in one hour; so, he can't raise money. That's what he said. Wherever he was trying to raise money to go after these pedophile rings, every single avenue got shut down. Do you understand? This is not a normal guy. He a top federal law enforcement agent in the country. Former Navy Seal. Top, top, top official. You can look him up. He wants to go after these people. He wants to go after these demons.

They were talking about they had intel on the inside with that raid that arrested 474 in California. Did you guys hear about that? I showed you the KTLA article from out there. They literally found kids in dungeons. They were torturing children. They were killing them, all that kind of stuff; but, they haven't released those pictures yet, right. Of course, the media shuts it down. Whenever they started talking about that, the media shuts it down. There's no coverage about this; even the people are being arrested. There been like 3,000 plus people who have been arrested, since Trump came in, but no media coverage on this. Isn't that strange? Isn't that strange; because, the top elite have been in this. We showed you articles from the top elite. Sir Jimmy Saville and Sir Edward Heath, these people from the British Monarchy to the Hellfire group, all these groups. The demonic worship. They're literally Satanist's at the very top, which is the reason why the Bible is true when it says, "We fight not against flesh and blood, but principalities and powers, and rulers of darkness of this world, and spiritual wickedness in high places." It's all there; but, it's hidden in the echelons of power, okay. Archangelic power.

So, it's amazing, under President Trump, finally, they're going after them. The law enforcement agencies, they don't want to protect these people anymore, you know. They had to protect them, because they were their super elite bosses; but, now since Trump is in, and he's against this, they're starting to go after them. Three thousand plus have been arrested in the pedophile rings. That's a tremendous victory.

So, you can see the archangelic forces are so frightened, they're so scared. They just want civil war now. They want World War III now. They want to hurry up and get something going, so they stop this raid, because the law enforcement is energized to go after these groups. There wolves in sheep's clothing. At least they say they're Communists. At least they're openly Communists. We can define them, and see them more easily.

We have this whole CIA takeover group, when Father was doing the Washington Times. Of course, when we met George Walker Bush, Father told him directly, "You are the King of Satan's world; and, you must not go to war in Iraq." He warned him after 9/11, "You must not go to war in Iraq. You must NOT go to war in Iraq." Of course, he disobeyed, and did it, and profited greatly from it.

This happened this week in Korea. (Our Sanctuary Church members with pictures of their activity) We didn't tell them to do it. They self-organized. They came from different parts of the country; and, they registered with the police at Cheong Pyeong. They got a permit, and they did a protest in front of the Cheon Jeong Palace. Many different brothers and sisters from around Korea were there, including one of Father's lady boat captains. They had a sign saying, "The Lord of the Second Advent, Sun Myung Moon, the heir and successor, and his representative body is, Moon Hyung Jin." That's the big sign they made; and, they're in front of the Cheong Pyeong Stadium, okay, which is of course a huge debt anchor. That's just a huge debt anchor, which will sink that ship so quick. People don't understand, when you have a lot of assets, you have a lot of liabilities. You have a lot of debt is what you got; so, what they want to do is load up all those debts on all those assets, and then say, "Oh, Hyung Jin Nim, we want you to come back and now take it all." Those idiots. They're such fools. Such demons.

That's what you get. There's no honor in den of thieves, folks. We had to do the hard thing, and leave all those billions and billions of dollars' worth of assets, which were rightfully given to me as the successor of True Father. Just because of our honor code, and because we're real men, we said, "No! We will not go along with heresy. We will not go along with eradicating Father's Word, and this is not the Kingdom." This is not the Kingdom. The material assets are not the Kingdom. The Three Generational Kingdom will be secure, and Cheon Il Guk will come. We had to do the hard thing. We had to go into the wilderness with nothing; but, God is true and God is faithful, and to this day, basically, one year and a half years, since we broke the silence, already over ten thousand people, including Blessed children and young children are back under Father's Authority in one year.

So, you just realized how fast, that next year there will be twenty thousand. The next year, there will be forty thousand. Everybody in the Kingdom will come back, because there's nowhere to go. There's only one legitimate heir, and we're not dishonorable. We're not thieves; and, we're not robber barons as they prove themselves to be, all those archangels around the Han Mother supporting the heresy, okay.

So, that happened in Korea this week. There's our sisters who was here a couple of months ago. There out there protesting in front of that hill that goes right up to the Palace, okay. Here are those getting their crowns.

So, let's go to Kingdom Revelation today. We started all this on Wednesday with our Korean broadcast, and we had a whole Japanese group there. We spent another six hours doing another six-hour service. Was it six hours. Anyways, it went on from five in the morning to like twelve. I guess that's seven hours; and many, many things were discussed. It was like prayerful. Many things in the spirit came down; but, we also discussed about the book of Revelation. We also shared a little bit about this on Thursday, okay, on Thursday. So, let's go into the Book of Revelation a little bit.

Now, whenever you go into the Book of Revelation, there's always somebody groaning and moaning about it. Shut up, okay! Shut up! This is in the Bible. It's in the Bible, and you can look at it. At least people has to be able to see what is in the Book of Revelation, right. There are so many things about prophecy in the Book, which is a book of Prophecy that shows the end time; so, it's a very important piece of Scripture. This is a general over map of the Book of Revelation. (graphic shown on the screen) So, you have the general overlay here, okay. I can't read that. You have the precept of Christ here. You have the four horsemen down here. You have the seven seals of books here, okay. You have the seven trumpets here. You have here in the middle. This is mid tribulation period. Okay, here you have the woman clothed in the sun and the moon at her feet. You have the moon at her feet, and then, Satan is cast down from the sky. He is cast down from Heaven. You have war that breaks out in Heaven. You have the Lamb here on Mt. Zion. You have the figure with the Crown and God reaping the Harvest. You have the seven bowls that are poured out by the angels here, and those are different types of calamities. Then you have, of course, the 144 in the Throne of God coming down. Then you have the 144, 000.

Alright, that's the general picture. We can go into detail later. I'm not a super expert on the Book of Revelation, okay; but, it's a very interesting piece of Scripture and prophecy; and, of course, throughout the ages, many, many millions of people have preached about it and/or a piece of Scripture or prophecy.

And of course, throughout the ages, many, many preached about it, and tried to study it. But, let's look at Revelation, because this is what we've been talking about. We were talking about this on Wednesday; but, if you haven't heard what we were talking about then, I just want to share this with you real quick. This is what is known as the four Apocalyptic horsemen, or the horse of the Apocalypse, okay.

#### **Revelation 6:1-8 (KJV)**

**6 And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see.**

**<sup>2</sup> And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.**

**<sup>3</sup> And when he had opened the second seal, I heard the second beast say, Come and see.**

**<sup>4</sup> And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.**

**<sup>5</sup> And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.**

**<sup>6</sup> And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.**

**<sup>7</sup> And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.**

**<sup>8</sup> And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.**

**Revelation 6:1 And I saw when the Lamb opened one of the seats, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. 2 And, I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and, he went forth conquering, and to conquer.**

And so, there is a white horse that emerges, and on that white horse there's a person with a crown and a bow, alright. Now, the second one. The second seal is opened.

**3 And when he had opened the second seal, I heard the second beast say, Come and see. 4. And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth and that they should kill one another; and given unto him a great sword.**

So, there is a red horse. Then, there is a black horse here.

**5 And when he had open the third seal, I heard the third beast say, Come and see. And I beheld, and to a black horse, and he that sat on hi has a pair of balances in his hand.**

So, this is the third seal, and he had balances in his hand, okay. You know, like the scale of justice kind of thing. Balances in the hand. Then in verse 6.

**6 And I heard a voice in the midst of the four beasts, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.**

Oh, the oil, or the wine. Here we go in verse 7

**7 And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.**

**8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.**

The word for green in Greek is a pale horse. So, the fourth one is Death, and Hell follows him, and one fourth part of the earth is killed with the sword, and with hunger and with death, and with the beast of the earth. So, how many hear know of the four horsemen? Okay, the four horsemen of the Apocalypse.

So, this is a picture, kind of a CIG animation style picture. So, you can see the white horse here, with in the figure with the crown. It looks like fire; but, it's supposed to be a crown, and then a bow. A bow and arrow.

Then, you have the red horse here. The red horse, with the guy with the sword, okay. Then you have the black horse here. Can you see the scales of justice right here? So, the scales of justice; and, you also

have the green horse here with the big sickle, or the death, and Hell is following him, and he kills with the sword. So, these are the four horsemen of the Apocalypse.

Here's another picture, or another representation of them by an artist rendition. Here's the white horse here. See the bow? You have the red horse with the sword. The black horse with the scales. See the scales? Then, you have the black horse with Death, okay. Isn't that interesting?

So, we were talking about this, and there's one pastor out in Australia, who the Sanctuary brother is going to give Cheon Il Guk Constitution to; and, he talked about all these four colors. You have white, black, red, green. White, black, red, green. I didn't include a slide; but, I can't do it here. (in the Sanctuary Church) I can't include a slide; but, he had a whole presentation on the four colors; so, he had the white, black, red, green colors of the four horsemen, and what he was saying, he's a young pastor out in Australia. Italian and Asian, I believe. He looks Asian, but he's Italian. He speaks fluent English; and, he was describing, that, God spoke to him, and revealed to him that the four colors are the main colors of the flags of almost every Muslim nation in this world. So, when you look at the flags of a lot of Muslims countries, and I don't have the list memorized in my head, but you can look at it on his work on that. It's the "Discovery Ministry," I believe it's called, "Discovery Ministry."

He shows all these flags from the Muslim world. Black, white, red, green almost is always their colors. Black, white, red, green. Not always. Not for all the Muslim nations okay. It's like black, white, red, green. Black, white, red, green. Sometimes, there's no red. Sometimes, it's black, white and green. Sometimes, there's red, green and white. It's always in that combination of black, white, red, green.

So, he went, and he was talking about that as potentially the four horsemen, okay. This will be the conquering force of the world. This will be the force that will create the Tribulation. Now, we know that's partially true, because we understand the Archangel, we understand the role of government as the servant of the people, not the master, but to be the servant. It was supposed to be the Archangel to serve Adam and Eve, not to rule Adam and Eve. It supposed to be under the dominion of Adam and Eve, that is, it's citizens, okay; and, God gave the three Blessings to humanity – to be fruitful, multiply and have dominion over creation. He never said, Archangel, you get to rule over creation and human beings. He said to human beings, you get to rule over creation. Not to be arrogant and worship ourselves, but to give glory to God, and we steward the gift that He gave us. Does that make sense?

So, we know the proper role of government is not to be our daddy. It is not your mommy. It is not your friend. It is not like George Washington said, "It is not reason or eloquence. It is force. It is a dangerous servant and a fearful master," okay. That is what government is. Centralized power always leads to evil. Always leads to the psychopaths coming in and vampirically sticking on to that, you know, latching on to it and making it legal, to do their psychosis over everybody, right. An act of psychopathic will over

everybody; and, you see that history of satanic human history over and over and over, again. Over and over and over again, with all the satanic monarchies, all the satanic kingdoms, all the satanic totalitarian regimes, over and over and over again.

We also saw it in America. This time this country almost fell. It almost fell. Totally almost fell, and of course, before the Lord of the Second Advent returns, America was at the growth stage right near the perfection level; but, because Christ had not yet returned, it was the best that human beings could do; but, we saw it is not impervious to becoming being taken over by Communism, to be taken over by the global cartels, okay, which we almost saw one that they would completely disarm the public.

Hillary Clinton was going to do that. She promised and vowed it. They were already censoring the internet and censoring opposing voices, censoring different opposes voices on campuses, public education, all that. Sexualizing your children, telling them your children are not yours, telling them the state owns the children. All this has already been done in America. All of it has already been done. The homosexual, the transsexual, pedophile, minor attraction syndrome, decriminalization of pedophilia in the Western world was already being done, do you understand, folk?

So, it was a massive battle. We saw it. It was on life and death, and America had to stand up, had to choose the sovereignty candidate. Not that Trump is the Messiah or something; but, he is chosen by God to bring back some order out of this chaos that Satan has enacted. Now, we know that behind the scenes of all this havoc, we know there are some major killer blocs, power blocs of Satan's world. We've talked about them for years. See, the body of Christ, the Pastor should be talking about this every week; because, we have to alert the flock as to how the wolves operate. You have to know how the wolves and the demons operate in order to fight and defeat them, and resist them, and the Devil will flee. The Bible says, but you have to know what you're resisting. If you can't identify what you're resisting, you'll go right in. You got to know what happened; because, you got lollid into fake Gospels, fake pro-state Gospels, fake interpretation of Jesus being a Communist, fake ideology through the Catholic Church, etc. through different Protestant denominations were shut down by different laws in America that prohibits Pastors from speaking about politics or endorsing candidates, which is ridiculous. Pastors have to endorse candidates; because, they have to alert their flock to where and which candidate is more on God's side, and which is on Satan's side; because as Plato said that, was it Plato who said that? "You may not be interested in politics; but, politics will be interested in you; and if you're not interested in politics, you will be ruled by your inferiors, and it's your fault." (Pericles said it) You'll have psychopathic people who are your inferiors, who are not only less than you; but, who are venomous and demonic, any only do moral posturing and tend to be good; yet, they are to congregate and centralize and steal and use force to enact their will upon the innocent portion of the population, okay.

So, we understand all that. That's the backdrop. So, we know there are main powers behind Satan's kingdom. We know, for example, America starts collapsing and falling, since 1914, when America passed the Federal Reserve Act, and allowed the central banks to come in, the European Central banks, which use the control of the money supply to take over the economy, buy out the politicians, to take over politics to make laws in favor of them, and then, own the country and tax farm the population, okay. Right after 1914 is when you see the income tax, which of course is illegal in the Kingdom of God. The biblical principle is, you keep what you harvest from the sweat of your brow. It's not stolen away by some demon, or some archangel. God gave us the blessing to be fruitful, multiply and have dominion, not so He can take 90% of it. Do you understand? No, no, no, no, no. That's a satanic world, that's Satan's world. America, being the closest, based on evangelical Christian, Judeo-Christian foundation, that is a decentralized personal relationship with Christ, not a centralized catholic, or centralized Christian state run churches, or religion. Decentralized relationship with Christ.

You had the Puritans. You had the Methodists, you know, who came here. You had the Baptists and antiBaptists. All these Protestant groups that came and founded America. Led the revivals, etc. Decentralized Christianity. We need to have a relationship with God. To have a relationship with God, we need to encounter the Scriptures ourselves, okay.

So, that is the foundation of God's blessing; so, this country could be brought up to the Growth Stage Level. But, again, as a Christian, you know when he returns, we will be the Kings. So, as a Christian, we should be yearning for the Kingdom that is coming. That's why he said, pray every day, "Our Father who art in Heaven, hallowed be thy name. Thy Kingdom come thy will be done on earth as it is in Heaven." We have to pray that every day, he said; because in the end, we don't just serve a Republic. We don't just serve a state. We are waiting for the King, and his Kingdom, okay. The Kingdom, which is coming.

So, that's a big context. We have been talking about how there's really been three main power blocs. There is one more that is elucidated in the four horsemen; but, there are four power blocs in the world, of Satan's side that you can see. Four major power blocs. Now, we never talked about them in terms of them in the four horsemen. I usually refer to them as the satanic triad, or the satanic trinity, or something like that; but, really this week, it became real clear; and, the spirit of God just told me, this is really the four horsemen of the Apocalypse. The four calamity-bringing horsemen of the end of Satan's world. Apocalypse is not like the whole world blows up like in the movies that Hollywood wants to show. No, Apocalypse is the end of Satan's kingdoms reigning. Then, a new Kingdom after that; and, that's the Kingdom with Christ, okay. It doesn't mean the Earth is blown up; and, like there's tidal waves everywhere. There's a movie about that, right, about the Apocalypse or something like that. There were Tibetan monks in that one, too, right? "2012" Was it "2012" or something like that; and, even the Himalayas get covered in water, or something like that, okay. So, that's all Hollywood drama, okay.

But, in the Bible, it talks about these four horsemen of the Apocalypse; and, so it interesting. As we were talking about these things, these four main powers in the world, which are really these four main powers, we can see many of the symbiology the Bible had prophesized about. These exactly correlated with the symbiology of these different cartels, these different gangs, those different groups, okay.

In the Western world, we have the Anglo-Saxon banking cartel, which uses economic takeover strategy, in the divide and conquer strategy. That's how the Rothschilds group takes over the Bank of England. That's how they owned the five major central banks in Europe after the Napoleonic Wars. That how they took over, and then used the central banks to literally go after every single nation, tax farm them, and resource rape them. In the end, Andrew Jackson, who Trump loves BTW. Trump has both a portrait of Andrew Jackson and a bust of Andrew Jackson on a horse that, how you say? The horse is like standing on its hind legs. How do you say that? Rearing. The horse is rearing, and Andrew Jackson's like on there, right. That's in the Oval Office.

Trump loves Andrew Jackson, because what did Andrew Jackson do? He kicked out the central banks of Europe, because they were trying to get back into the US, trying to take over the money supply here; so, they could tax farming the people here; and, they had allowed them in, and when Andrew Jackson came in, he had to fight them off. He had to eventually had to kicked them out. They already eventually succeeded. After Andrew Jackson kicked them out, they were brought back in under Woodrow Wilson; and, that's what you have with the Federal Reserve Act, and the Income Tax comes right after that, and you have the robbing of Americans ever since for one hundred years.

Once that system comes in folks, it's not a God centered system. As soon as that system comes in, you get all the problems. You get the welfare state, which breaks up the families, which sanctifies women to divorce their husbands. You get the male hating culture, the father hating culture. You get the public schools systems, which indoctrinates kids to see their parents as enemies; and, it makes the State the owners of the children, all that kind of stuff, okay. Indoctrinates them into hyper sexualization, free sex culture, homosexual culture, transgender sex culture, pedophile culture, alright, and of course, it lead to complete economic, social degradation collapse; and, the United States of America is trying to fight out now with Trump.

So, it's very interesting. This is the Crest. The Royal Crest of the Rothschilds. The Rothschilds actually, they were so powerful, the King of England had to bow down to them; and, eventually the Rothschild line was married into the British Royal Family, which is not even British by the way. It from the Austrian-Germanic line. The House of Windsor is what they changed their name to. It's a Transylvania line coming from Vlad the Impaler, which Prince Charles is very proud about. They're not even British. There not even British; but, they're sitting on top of the British people; but, they're opposed to Brexit and all that

stuff, okay, and the Rothschild Royal crest, of course, the Crown and what weapon do they have? Look at that? The bow and arrow. Isn't that interesting.

These of course are the banking cartel, and is the main cartel out of the banking group. They are the ones who own, and have the main ownership of the IMF, BIS, Bank of International Settlements out in Switzerland, the main central banks that lend to the nation central banks, okay. It's a real mafia system; and, it is a real global banking cartel that takes over and conquers nations by bringing in their monetary system. Interesting, they are here with the crown and the bow and arrows. Look at that? Those are the five original Rothschild banks in Europe. So, they took over the Bank of England, France, They've got Germany, they got, what is it? Switzerland. They got one more. They got Italy. So, Italy is one of the first five; and, he actually had his five sons ruling those central banks, which is why they started with those five arrows. Now, they cover the whole world, even for example, Korea. The Bank of Korea is even connected to the IMF, okay.

So, they are over the world. They are the richest family in the world with over one trillion dollars. What is it? No, I'm sorry fifty trillion dollars. They have more power, monetary power than nations. Very powerful bloc, okay; and, these are the blocs. We have the gremlins like George Soros, who work for these fools, and the Soros' who fund riots and all this kind of insanity here in America, and in Ukraine, and Europe, etc. Basically, you have the Rothschilds, who the owner of the these branches; and, you have like Soros, who is one of their head people, that is, funding different destabilization strategies, using monetary supply, and using funding, and using non-profit originations to funnel money to, you know, that will increase Communism, because they want centralized states, they want centralized archangelic power, they want centralized Communist governments, because if you secure that one client, who is the centralized government, you got the whole nation. If you serve that one client, you got everybody, okay. That's why in the Kingdom of God, it's prohibit to have a central government. It's prohibited to have a centralized government. Yeah, bank. You have a federal government, but it only goes to ten percent GDP; but, a central bank, centralized education, centralized military, all is prohibited, because it is all remnants of Satan's kingdom.

What's interesting of the Rothschilds as well, they're also largely funded the re-establishment of Israel in the 1940's. Was it in 1945? When was that? 48. 46? Was it 46? I think it was 46. Anyways, it was in the 40s. They were huge funders and supporters of that; and, that lead to a whole Zionist movement, okay, which we won't get into today. They also saw themselves, or the family as a Messianic line, because they are Jewish, and they saw themselves as Messianic. You even have people write about them in the eighteenth century. People wrote about Nathan Rothschild as being his powerful person from the Jewish ancestral line, now ruling over the nations, and now fighting for Israel, or an Israel state; so, many people try to see them as a Messianic figure unbeknownst to the people that he betrayed the God

of the Bible, and the Rothschilds betrayed the God of the Bible, and created what is known as Sabbatean Judaism, or Kabbalist Judaism, which of course Sabbatean is the very dangerous part of that whole Kabbalistic history of occult Judaism. Sabbatean at the time, in 1666, was the most powerful Messianic cult movement in the world.

Over one million Jews were following Sabbatai Zevi. One million. That's like half the Jews on earth were following this fool, and what was this demon talking about? He was teaching that in order for God's Kingdom to come, the world has to be covered in sin, and God will come and vanquish it, of sin; so, we must create lots of sin, do you understand? We must create lots of sin, so that it will quicken and hasten the Kingdom; so, what did they do? They engaged in all sorts of sex cults. Orgies, homosexuality, pedophilia, licentiousness, etc. and the whole purpose was, in their view, they were giving a religious offering. They're sacrificing. They're sacrificing for the Kingdom that's coming, okay. So, this is basically this huge sex cult movement in the sixteen hundred's. Half of the Jews on Earth, on Earth, saw him as a Messianic figure. Isn't that incredible?

So, we have him and after his lines, Victor Frankel, the establishment of the Illuminati in Italy, or that illegal organization that was established there of course, funded by the Rothschilds as well, connected to the funding of the Rothschilds. Anyway, they get all connected, they get jumbled up; and, they become part of the same culture. The same culture of centralized power, centralized Satanism at the very top, literally doing worships, ritual killings, you know, human sacrifice, raping children. You have to understand, folks, that's all ancestral. Baal. The Baal priests were doing that. The Asherah priests were doing that. It's not like those demonic just disappear. They continue to occur, but they happen behind the scenes.

So, you have these major huge families. These huge families in Europe. Then you have of course in modern day, we are able to discover through British monarchy, through the Jimmy Savile case in Britain that there's massive pedophilia in the British political parliament, in the government. Jimmy Savile, if you know anything about him, look him up. Google him. He was the BBC Commentator. Very famous in Britain. He ran orphanages for children. What was he doing? He was trafficking those children, but after he died... He was protecting them while he was alive; but, after he died, over five hundred cases of children who have been raped sued the British government, okay. Over 500 cases of child rape basically confirmed after his death; but, they covered it up. Basically, he knew the powers that be. He knew Prince Charles, all that kind of crazy stuff, okay. So, the reason it sounds so crazy to you is, because, you're a normal person who's not psychopathic, and you don't want to harm people. You don't get off on that; and, you're not a demon. That's why it's so weird. You're saying to yourself, "What!? How could people like kill babies and rape children? How could Sir Edward Heath have the black assassins slit people's throats, slit five years old girl's throats, and have sex with their dead body in necrophilia?"

Yeah, yeah, the normal person can't comprehend that, right? You can't understand that; but, in that satanic realm, this has been happening for centuries. This is not something new that people just discovered now. This has been happening since Baal worship in the Bible talking about that a long time ago; but, Satan's been continuing and the top super elite with that centralized powers, and all that power that helps protect them, and creates blackmail and spy agencies to make everybody else criminals, normal people criminals, so if you ever, ever, ever stand up to them, if you ever open your mouth about it, they'll come after you and say, "Well, you're in a pedophile ring; or you're in a drug trafficking ring; or, you're in this or that ring; or, your connected to this and this," right; or, you broken this or that law, then they come after you. See what I'm saying?

It's a blackmail system; so, we understand that the gangs, the centralized cartels, the crime syndicates, the mafia, they operate on the same principles. It's money and murder. That's what they try to control. Money and murder. If you control that nexus power between money and murder, you can do whatever you want in this world. That what people have realized, and that's why they given themselves over to Satan's side, sold their soul to the Devil, and said, "Yes, I offer myself to you, Satan, just give me those two things." The money, the nexus of money and murder. If you have that. That's what you have in government. You have the nexus of murder and money, right. You have all the assassins. They are congregated into the federal bureaucracies. You have national militaries in Communist countries. Federalized police, federalized military. Everything that can murder people gets centralized into a hierarchical system, which is super dangerous; and, you have everything connected to money, which also then controlled with the banking cartel system. So, they work together. The matrix of money and murder, and of course, Kook Jin Nim is the one who has taught about that extensively.

So, you have in the white horse, interestingly, you have the white claiming to be the Messiah. Remember, you have to remember, part of the world bank system is also part of the whole bank system is the Vatican Bank. It's actually one of the biggest centralized banks in the world, the Vatican Bank; so, when we talk about this, some people just say the white horse may just be the Vatican, because it's, you know, the current Pope is clearly heretical, is clearly leading the world towards demonism archangelic culture, with centralized government supporting the UN, completely supporting the climate change agenda, the stupid carbon tax on everybody. The poor people should be taxed for breathing. All this insanity, the Pope is supporting.

Not only that, he saying Europe is not of Christian roots. We shouldn't see Europe as being from Christian roots, and there's no such thing as Muslim terrorism, okay, so he's totally out, the guy is like this fake, this fake holy man in white clothing. He's a total fraud. He's standing up for 100% archangelic satanic power, which rules over the normal man and woman who is good in their heart, who yearns for Christ, and yearns for God's Kingdom to come. They don't want God's Kingdom to come, they want their

Kingdom to come. Do you understand the difference there? Okay, so that person, that group is also connected to with the Rothschilds as well.

It's interesting. You have the white horse, and you have the arrow, the bow symbiology, and you have the crown. They're actually Royalty, the Rothschilds are Royals; and, there a symbolic family of the whole Western Anglo-Saxon banking cartel criminal mob, the Bilderberg Group, the Davos Group, they're all in there. That huge power bloc is behind so much of the evil that we see in centralization of government power that we see in the world today, okay. So, there's the white horse. The antichrist Messianic figure; but, of course on the white horse with the crown and the bow and arrow.

There it is the more formal version or it. (A new picture.) The Rothschilds crest. There's the five arrows; and, as you recall here, we also have the red horse. Of course, we talked about this many times. In Korea, we call the Chinese, "the Reds." In America, you called the Reds the Cincinnati baseball team. In Korea, when we say the Reds, it means the Chinese. In Asia, right, the Reds symbolizes Communism. The Chicoms are another powerful bloc in East Asia. They are the tyrants of the East. They are the ones who dominate. They oppress 1.6 billion innocent Asian people, the Chinese people. They're the ones who murder and massacre, and organ harvest you, if you are an evangelical Christians. They organ harvest you, even if you're following Gong. These are the ... I'm banned from going to China. I was detained in a trip that I went there. They kicked me out. They didn't organ harvest me; but, they kicked me out, okay.

So, the Chicoms, of course, are another major power bloc. There're also being pushed up by the Davos Group, which is a front group of the Bilderberg Group, which is a front group for the Rothschilds banking cartel group. All of them, meeting with the top 150 Anglo-Saxon Western powers, and since 2016, they're propping up China, as taking the place of America, because America's being a bad boy. America is being bad in electing Donald Trump; so, we can't have that. We can have that, so we have to get rid of America, because America's started to turn on its energy, again. America's starting to bring fair trade back. America's getting off the UN program, the TTP program of imploding on the deindustrialized America, so it will artificially collapse, and China will be artificially be pumped up; and, then China can be promoted as this model of neo-Communism, which the world should adopt, and the UN will emulate, okay. All of it is a satanic kingdom. All of it is for the purpose of developing more archangelic centralized power, that's it.

If you have discernment, if you understand who the archangel is, the federal government is in the position of the archangel, you can understand which group is moving, or trying to move the world towards God's Kingdom, or moving the world towards Satan's Kingdom. You can see clearly. Very, very clearly. That's the power of the Principle. The power of the revelation of Divine Principle, okay.

So, you have the Chinese Coms, these mass murderers. These oppressors. The ones who censor, who give citizens ratings, to their citizens, if you are filial pious to the centralized government of China, you get a higher credit rating. Did you know that? If you say bad things about it, you'll be flagged, and your credit rating goes down, because you are not filialpail to the state; and, guess who's helping them program that? Mark Zuckerberg with Facebook, a like total little losers, these little sellout little prostitutes. They're helping them to create those programs; so, you can just see very clearly, in the end, good and evil is divided, and there's no more grey. You can see who's on God's side, and who's on Satan's side. You can see very clearly, okay; so, that's another power bloc we talk about. The Chinese Communist, organ harvesting, totalitarian, Christian killing red Army; and, they are literally called the Red Army.

Then you have the black horse, and the black horse holds the Scales of Justice. This is interesting. This was a puzzle. Why do they have the Scales of Justice? What represents the Scales of Justice in this world? Remember, we see it, we always see it. The Scales of Justice. Where do we see the Scales of Justice? Courts, okay, but that's one branch of government; so, we know that it's one branch of government supposedly trying to enact justice. Now, in the US, we usually think of FISA courts, there illegal federal courts, which can make up their own laws, rulings, no jury, what is it, no jury, no trial essentially. You're just called in and the judge gives you a ruling. It's totally illegal. It's completely illegal.

And, then we have the takeover group of the American government, as one example, which is of course is the black ops groups, the black assassins. Who are they? Parts of the CIA, parts of the secret federal organizations, which of course, you see the CIA connects coming from George Hebert Walker Bush, he being the CIA Head. Then after that, whether Republican or Democrat, either way, whatever it is, they continued to grow government, either way. So, we know there's a two-party duopoly. They just try to make it seem like there's two parties, you have a choice; but, really, it's a takeover group that's colluding with foreign powers, that's colluding the Rothschilds bank cartels, colluding with the takeover of America, whether it's Republican RINO, or their lunatic Democrats, which are open Commies. At least, they're open Communists. I mean, the Republicans RINOs, who pretend to be Christians; meanwhile, they're selling out the country. Sometimes, they're worse; because, they're wolves in sheep clothing. At least the Democrats come out as demoncrats and say, they're Communist, okay. At least, they're openly Communist, and we can define them and see them more easily.

But, we have this whole CIA takeover group, when Father was doing the Washington Times. Of course, when we met George Walker Bush, Father told him directly, "You are the King of Satan's world, and you must not go to war in Iraq." He told him. He warned him. "You must not go to war in Iraq." Of course, he disobeyed and did it, and profited greatly from it. Halliburton, Dick Cheney's organization going in, and all that, making billions and billions of dollars off of the oil, even though sixteen of the Saudi, sixteen of

the hijackers were Saudi Arabians; and, they went in a killed Iraqis, okay. Absolutely ridiculous. Father was against it. He even got sick, when the Iraqi War started. He was hospitalized. Remember that? He was also hospitalized, okay.

So, you have the Scales of Justice representing, "Justice," who are the ones that are the assassins, the literal assassins of the modern age? They are people that are like glorified in James Bond movies. They have a license to kill. They literally have a license to kill. You don't have a license to kill. If you kill somebody, it's murder. If the government kills somebody, it's for national security, right. So, you cannot steal from people; but, if the government steals, it's taxes, okay.

So, again, always, always, always the Archangel wants to always relabel his crime as something for the people, or something for the general good, etc. Classic Marxist propaganda, okay. So, we have the Scales of Justice, also the black ops. The black shadow organizations. The CIA, of course, are running the drug trade and in charge of the now ninety-three percent of the heroine production in the world. 93%, we control it. I mean it's ridiculous. It's just ridiculous. When you first heard, we talked about this stuff. You thought I was nuts; but, when you look into it, you can see what's happening. You can actually see the graphs of opium production, when we took it over. It's now skyrocketed, and now we control ninety-three percent of the world's opium. Great job America. Great job.

Of course, that's not because of what normal American would know. It's because of this takeover back assassin group that wants funding, and that black funding matrix, and get black market prices of that illegal drugs, so they can use funding of those black assassination groups, destabilization projects, black op alliances between black ops governments, etc. It's so they can create a shadow alliance and behind the scenes power bloc, where and which they can collude, and create more power for themselves, okay.

So that's another black horse justice. Look at this? They are holding the Scales of Justice, right there, holding the Scales of Justice. That is of course another main power bloc in the world and the collapse of the world you can see. It's actually in the governments, in the black ops groups. Not that everybody who works in the CIA or FBI is a non-patriot. There are many patriots in there, but the leaders, the general ... There are factions in these organizations as well, and of course many have lead America into utter collapse.

This of course, this main horse here is what Obama is working with, primarily working with in his shadow house, two miles from the White House, organizing with the Deep State, organizing with the Deep State CIA, Deep State FBI. He hired like tens of thousands new employees, months before his term ended, with literally the soul mission to try to circumvent, and to put monkey wrenches into everything that Trump does. That's why you see, everything Trump tries to do, there's some monkey wrench, there's some person leaking, there's some organizations and some Judges saying, "No, we won't do that. We're

not going to follow Federal Law.” You know, it’s all over the country. It’s total lawlessness. This is the Federal, this is the President of the United States, and also the power of the Federal government. You have these Judges. There nuts. You have these Judges saying, “No, we’re not going by Federal law.” You’re telling the whole state, you’re not going to listen to law, and you’re a Judge. Anyways, it’s just insane; but, this Deep State, many of which are part of these black op groups, are a major, major power in the world. Major satanic archangelic power in the world.

And of course, we have the green horse, or the pale horse, which will be called Death, Hell will fall behind, and they will call by the sword, hunger and death, etc. and twenty-five percent of the world. What’s interesting, we always talk about the triad. The Anglo-Saxon banking as one major power bloc, we talk about the Chinese Communists as one power bloc. We have talked about the CIA and black ops as a power bloc; but, we sort of didn’t include this in the three triads; but, then we always talked about what? Radical Saudi backed Wahhabi Orthodox Islam. Anybody who sees The King’s Report, you’ve see the research that shows from their own Scriptures how radically different, Islam and Muhammad is from Jesus Christ and Christian culture. All you have to do is look up David Wood Acts 17 Apologetics is his Youtube channel. Sam Shamoun is there as well to see the difference between Islam and Christian culture.

Also, you have the green horse. Isn’t interesting that the Saudi Arabia, which is the center of Islam. That’s where Mecca and Modena is, you understand. That is where the central pilgrimage of Islam happens. That’s in Saudi Arabia. This, of course, is a place where women cannot drive a car, there’s Sharia Law. If you are raped, you are stoned to death, killed because you cannot produce four male witnesses, or four male witnesses won’t come out to say they were there watching you get raped; and, of course, this is the oil money. The global banking cartel has created an alliance with to create a monopoly on oil. That’s why they hate Trump trying to dig for oil in the US making a competing oil supply system from America. They don’t want that. They want it all tied up in the Saudis. That’s why you see Senator McCain and these traitors going to them, and like bowing to them, and saying, “Oh, yes, Saudi King.” doing their obedience to them; but, of course, this is the Wahhabi, Saudi Wahhabi center of the radicalization of the Islamic world.

In the twentieth century, much of the Islamic world, including Turkey, where becoming more modernized, and more westernized. You can go to Turkey, and you have not only McDonalds, but girls could go to school, and go to college, and you could wear jeans, etc. okay. When we went to Dubai, we were told by some people there that they’ve seen some of the people flying out of Dubai, and they’ve seen young girls, whatever, fifteen or sixteen, they were going to Europe; so, they come into the plane with their birkahs and hijab, you know, with the hijab and birkah, and while the plane is in the air, they go into the bathroom and come out with miniskirts and western clothes, and they’re ready to party in

Europe. So, it's a totally different civilization world view; and, of course, we know that not only the westernization but the reformation of the radicalization of Islam is happening. That's becoming more and more main stream. That's becoming in Turkey. That's becoming more and more with the different migrant groups, which are entering Europe, and flooding Europe. There not creating reformed Islam. There creating very radicalized Islam. Even in America, eighty percent of the mosques in the USA are owned by Saudi Arabia. Surprise, surprise. Owned by Saudi Arabia, folks. Eighty percent of the mosques. That means Saudi trained Imams are going to those town, those cities, and giving their interpretation of Islam to the people.

As you know with Christians as well. Not everybody understands their Bible, not everybody reads them every day. The same with normal Muslims. You probably know some normal Muslims. They're fine. There great. There not a problem. The normal Muslim and the normal Christian is not reading their Bible nor their Koran. They're not reading it. They're just listening to what the Imam says.

So, David Wood goes in and shows you from the Muslim sources some of the most shocking things about Muhammad. Unbelievable. It's shocking. I mean, not only owning sex slaves is legal in Islam, but they had a video talking about Muhammad in the garments of his brides. In the garment of Aisha, and he's giving revelation. In the garments of Aisha, Muhammad actually wears women's clothes. I'm not an expert in that field; but, there's people who are. I mean, just shocking things. Shocking things. In one of the Hadith, he is sucking the mouth and lips of a man, a male. I'm assuming that's where they get the homosexuality in the Islamic nations, where the Iman's are having sex with boys. You see that in Europe just last year, where a Muslim migrant raped a young boy at a pool. Remember this?

Remember this? He's going after a boy. He said he had a sexual emergency. Now, this one pastor in Australia is saying all the four horsemen are Islam. Steve Ciccocianti, he said he believed all are related to Islam. Walid Shoebat also said they were all Islam; but, that's just not simply true. If you understand the real power blocs of the world, it's not just Islam. That's one large caliphate cartel, one large bloc. That's not the only power bloc. It's not the only archangelic bloc. That's one of the main power blocs; and, these four main power blocs work together. Not that they actually like each other; but, they are competing for total control; but, they know they have to work together in order to take over the majority of nations, etc.

So, they are conveniently working together only in the future to want to backstab each other; because, that's how thieves work. You know, they'll ally with your gang to take over some territory, but they'll set up some way to know you off as they get the territory, or whatever. These are mobs. They are cartels. They are thieves. They're gangs, okay. Just on a larger scale, on a nationalized scale.

So, you have those main power blocs, then, in the world, which actually reflect reality, These four major biblical power blocs, which cause the beginning of the major calamities of the earth; and, of course, you can see all the symbiology of viable correlates to the four major power blocs of the world. So, you have the Anglo-Saxon banking cartel, you have the Chinese Communists, you have the black ops organizations, and you Saudi backed Wahhabi Orthodox Islam.

So, that's a very interesting understanding, and what is happening with the end times, now.

**Now, this is Revelation 6. We continue in Revelation.**

**<sup>11</sup> And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.**

**<sup>12</sup> And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;**

We had all those blood moons last year.

**<sup>13</sup> And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.**

**<sup>14</sup> And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.**

**<sup>15</sup> And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;**

**<sup>16</sup> And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:**

**<sup>17</sup> For the great day of his wrath is come; and who shall be able to stand?**

So, that was last year, folks. Revelation 12 is what's happening this year.

**Revelation 12 King James Version (KJV)**

**12 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:**

**<sup>2</sup> And she being with child cried, travailing in birth, and pained to be delivered.**

**<sup>3</sup> And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.**

<sup>4</sup> And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

<sup>5</sup> And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.

<sup>6</sup> And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

<sup>7</sup> And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

<sup>8</sup> And prevailed not; neither was their place found any more in heaven.

<sup>9</sup> And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

<sup>10</sup> And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.

<sup>11</sup> And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

<sup>12</sup> Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

<sup>13</sup> And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child.

<sup>14</sup> And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

<sup>15</sup> And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.

<sup>16</sup> And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.

**<sup>17</sup> And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.**

**<sup>18</sup> Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.**

So, in Revelation 12, there appears this great wonder in Heaven, where there's a woman, and she's giving birth. She's having a baby. She's pregnant; and, she's clothed in the Sun and the Moon is at her feet, and she's got a garland upon her crown of twelve stars. What is this imagery? What is happening here? Now, I reported about this about two years ago. I don't know if you remember this. Some of you may have remembered that. On September 23, 2017, that's this year. This year, September 23rd, I reported this to most of you two years ago. September 23, 2017, this will happen. This will actually be seen in the sky. You can see it. This will actually happen, this sign, which never happened before, by the way, will happen. Will coincide altogether. Let's take a look at this video. Do you have this video? Play that video.

So, this is one individual's interpretation of it; but, the fact remains that here, this constellation will appear in September 23, 2017. That's happening this year, folks, okay. That's happening this year, with the retrograde motion of the Jupiter planet in there for nine months. It's coming out. The woman clothed in the Sun, and the Moon at her feet. These three – Mercury, Mars and Venus will be in the Leo Constellation, making twelve stars above her head in a garland in a crown, which Bible says here: Let's look at it. We have that Scripture here.

This is in Chapter 13. There's different beasts, etc. There's different beasts. Okay, let's get a look here. Here we are. This is the mark of the beast. Revelation 13:15 So, this is about the beast, okay.

**<sup>15</sup> And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.**

**<sup>16</sup> And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:**

**<sup>17</sup> And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.**

So, this has led a lot of prophetic interpretation on some kind of symbol that one is wearing. Many Jihadis wear the Jihadah, which is the main tenant of Islam, that, "There is no God but Allah, and Muhammad is his Prophet," right. To become a Muslim, you have to utter that Jihad; so, when you see

ISIS fighters and Jihadi fighters, they wear a headband, which says the Jihadah in Arabic; and, you can even see the Saudi Arabia flag has the Jihadah on the flag. They actually wear it as a head some say, maybe that's it.

Other people say, we're in this state of technology, now, where they can have chipping. Microchipping is available, and so that can influence your buying and selling censorship, internet censorship, tracking, all those things are now available. We showed that on the King's report. The Mexican government is microchipping their Army service personnel.

So, that's happening in the world, actually. Centralized governments are actually chipping people like animals; and, of course, if one has a mark in their right hand or foreheads, then will be able to buy or sell. So, it's interesting, the mark of the beast from buying or selling. Isn't that weird? Buying or selling. It messes up your ability to buy or sell stuff. That's a very weird thing, isn't it? It doesn't say you're going to have super powers and spew fire from your fingertips. It says, you're going to have trouble buying and selling; so, it's going to influence the mark of the beast, which you know the beast are governmental bodies will make, will cause, both great-rich, small-great, rich-poor, be bonded in the mark of the hand in the foreheads, etc.

**<sup>17</sup> And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.**

**<sup>18</sup> Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.**

So, this is where the number 666 comes from; and, of course, in the next chapter, anybody who accepts the mark of the beast will be eternally damned. You will be damned. You will not be able to enter the Kingdom. You will be eternally damned. It means, you have sold your soul. You've been promised life-extension, you been promised riches, you've been promised good credit ratings, whatever it is, and you went with it, you will not be allowed in the Kingdom; so, there's a serious price for the people who take the mark. A serious, serious price. What that mark is, we don't know; but, if we see something at the time of Rosh Hashanah, which is the feast of the trumpets, right around that time, where the constellations are happening in the sky, we don't what will happen. We know that they're trying to kill Trump. We know that they're trying to start World War III. We know they are trying to create civil war. We know that George Soros is openly trying to fund riots coming up in America, called the America Spring, like the Arab Spring, like the different Springs he's been funding, like the Ukrainian Spring. They always do it in the Springtime. They get their lunatics out there. They literally go out there to start hot war. We know that the deep state wants it. We know they're officially trying to kill Donald Trump; so, we don't know what will happen; but, if around that time, we have some scenario, where some kind of chaos is happening like that, and we have something happening, which affects your buying and selling.

It's going to require you to take some kind of number, or mark, or worship government, or worship the beast. We don't know what will happen; but, something will happen at that time. If it coincides with the 9/23 thing. Boy, we know we're in it. We're in midtrib. (midtrib means middle tribulation) We know we're in midtrib. If this coincides with the mark of the beast coming on the worldwide level, maybe through the UN, maybe through the Catholic Church, maybe through, we don't know where it will come from. Maybe through the US government, maybe through NATO, maybe a collision with Russia, whatever.

This is interesting, because, in this chapter, too, there's this whole beast. There's the beast that comes out of the sea; and, there's the beast that comes out of the earth. That's very interesting. The beast that comes out of the sea is like a leopard, is like in the image of a leopard, and has the feet of a bear, and has the mouth of a lion. It's very interesting in that, the national animal, or one of the national animals of Iran is the Persian cat, or the Persian leopard. Isn't that interesting. The paws, of course, of the animal most associated with the bear is, of course, Russia, or its feet. Maybe it's not Russia in general, or maybe it's some type of feet, or connection to Russia.

And, then, of course, we have the mouth of the lion. Notice, the Bible didn't say an actual lion head. It said the mouth of the lion; and, of course, one of the mouths of a lion that keeps on popping up in the news is what? It's North Korea. The symbol for North and South Korea is the Tiger. So, if you have some crisis happening, you got Iran, you got the Russia scandal, you got North Korea. Major issues. We don't know. Those are the countries; but, it's very interesting. You see, that, those beasts, those governments are connected to... It's interesting that Iraq is a goat. The beast that comes out of the earth has two horns like a sheep, like a lamb has two horns, like a lamb; so, the closest to that... I just scanned through quickly, these national list of animals; and, here we are with the Iran is the Persian lion here, but, like another one, the Persian cat. They said a Persian cat, which also referred to as the Persian leopard. Of course, Iraq as the goat, which is interesting.

So, we don't know. We don't know where or what will happen; but, if we see some kind of coincidence coinciding with that, then we know that were in the midtrib period, okay. That would back the beginning of the tribulation period, where, of course, in the West, we've been spoiled. Do you understand. In Syria, hundreds of thousands of Christians have been killed. Beheaded. Remember, in China, they're being organ harvested, alright. We're very spoiled out here. We're so safe; but, believers all across the world are being massacred and murdered, whether by ISIS or by the Chinese government. Anyways, parts of those main four blocs of power, the four horsemen power, are murdering Christians; and, we know of course, at the very top, all the Satanists hate the Christians culture. It's the Christian culture that's the threat; because, it's the Christian culture that's preparing the way for the Kingdom of God.

Now, you have the seven trumpets as well. It's interesting, because you have all these calamities that associated with the seven trumpets, in Revelation 13; then, you have the seven bowls. After all this tribulation here, the point is, after midtrib, or the mark in the sky, we said, it gets worse. It gets worse. It doesn't get better; and, that's where the seven bowls are poured out; and, that's where the real big calamity happens. Sores, that afflict those who accept the mark of the beast, sea turns to blood, all sea creatures die, rivers turn to blood, mankind is scorched by the sun, blasphemes God, the beast's seat of government is afflicted, the Euphrates is dried, world armies gather for Armageddon, the earth is utterly shaken. Revelation 16:2-21.

So, this of course is what we are trying to avoid. The Trump administration is trying to avoid this with nuclear war, etc. We see the push towards nuclear war. We see all the geopolitics leaning towards nuclear war, because they're in a stage of, where the entire global cartel, world government structure is collapsing, is collapsing; and, the best way to reinstate it, is to set off a war, through that nuclear war, or set off a nuclear holocaust, and through that say they have the solution from world governments, again, to solve the problem. So, whatever happens we know it gets worse, not better, okay.

Now, it's interesting; because, most Christians feel it's a prophetic Scripture, that Jesus was born on September 23<sup>rd</sup>, and Rosh Hashanah. Of course, they don't know that he's returned already; and, his Kingship is here, the Brides have been of Christ have been established, the 144 are standing; and, in Revelation 14, we see him standing on Mt. Sinai. Look at this? With the 144,000, having his father's name written on their foreheads. Written in their foreheads. Why do you think the crown Providence is so important? You see, the mark of the beast is about writing the devils name, or the mark on your forehead or your right arm. The crown Providence is about connecting ourselves to the King of Kings. The crown Providence is very critical. Listen to this?

#### **Revelation 14:2-4 King James Version (KJV)**

**<sup>2</sup> And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps:**

**<sup>3</sup> And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth.**

**<sup>4</sup> These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb.**

One of our brothers and sisters saw this, of course, continuing on reading and continuing studying the Book of Revelation; and, said, "Hey, the 'Blessing of Glory,' the 'Blessing of Glory' is the new song. It's the Cheon Il Guk. Was that you Kerry?"

Anyways, what we do know, we are in very, very critical times. It's fascinating to look at this, again. We must become, we know that the Kingdom is coming, okay. The Kingship of God has stood; we have not fallen. The release of the Cheon Il Guk Constitution. The time of God's Kingdom is coming; but, again, it's going to be coming through tribulation. It's not going to get better. It gets worse; so, we have to be prepared, but the dispensation of the crown Providence, the dispensation of the Cheon Il Guk Constitution, and spreading Cheon Il Guk to those who are prepared. This is a very critical time. Let's talk about this.

### **CGG 927**

**There is nothing else God desires more than love. Who would be His greatest enemy in the Last Days? What is the number one premise for judgment? In the Last Days, individualistic self-love becomes the number one premise of judgment.**

God judgment is not hate. God's judgment is His separation of good and evil; so, it is really His love. His love which separates good and evil; and, so His Kingdom that He's prepared for the Foundations of the Earth can be restored, and it can be inherited to His people; and, Satan's kingdoms, which have ruled and reigned over them, and have tyranny and demonic power over them, constantly, will now be put under their feet; and, God's judgment will be done upon the wicked.

SOS come on up. We are in perilous times. We need to, more than any other time, be prepared for the Kingdom, preparing for whatever happens; so, we have to know when we have to be united with Father in Heaven, with the Holy Spirit, which is guiding us here, connected to Father's authority, the Three Kingships, all that. Every single day, people are waking up. Every single day, people are coming back to True Father's authority. Every single day, people are coming back to Father's Kingship. Every single day, people are receiving the Cheon Il Guk Constitution, and discovering it being able to see the Kingdom that is coming. We pray that thy Kingdom come, and His will be done. Whatever may happen, and it doesn't mean we may all survive through that tribulation period, but whatever may happen, we pray, and we are hopeful that God's Kingdom not only would come, but when it comes, it will rule and reign for eternity on this earth; and, the real restoration process, where God's people no longer are slaves, but now, those who stand with Christ and his co-heirs and his kingdom, receiving the three great Blessings – be fruitful, multiply and have dominion over the earth can finally be brought back to humanity. Let's give Him some praise, today. Let's all rise and give Him some glory. Let's praise Him. Amen-Aju!
