

## SINLESS ONLY BEGOTTEN DAUGHTER VS. THE THREE GREAT KINGSHIPS

MAY 7, 2017, DR. RICHARD A. PANZER, NEWFOUNDLAND, PA

Today, we are having a different thing for our sermon, our speech. We have Dr. Richard Panzer, who will be presenting with Kerry Williams in Belgium in the end of May 29<sup>th</sup> and 30<sup>th</sup>, which is right near Summer. The end of May, they will be presenting in Belgium to a group of scholars that have invited them to give lectures on Sanctuary; and, the Family Fed will also give lectures on their things. Dr. Richard Panzer and Rev. Kerry Williams will be going to give those lectures; so, this may be modified for that lecture further on. We want to invite Dr. Richard Panzer to give us a preview of what is going on with his lecture. Let's welcome Dr. Richard Panzer.

Dr. Richard A. Panzer:

Thank you! First, I want say hello to the Edamatsu Family. Welcome back. We're so happy to see you. You got taller, I think. You got taller, now. Good to see you.

I've been working on this presentation, and I have so many emotions about this topic, because we've seen some unbelievable happenings. If someone had told me a few years ago that we'd be seeing the things we've been seeing, I would have asked them, "What have you been smoking; or, did you have a nightmare or something?" I mean, God is good. God is good, but I have to say that is truly unbelievable what we're seeing. That's my honest feeling.

I also realize, I have some sympathy for people who they just cannot believe that Mother would be saying the things that she's saying, or doing the things that she's doing; and, in a way, I have to agree with you, it is unbelievable. It's unbelievable, but it's actually true.

So, I want to share with you kind of an overview, the brief history of what is happening in the Unification Movement after Father's passing. It is shocking. It is shocking content; but, look at the Bible. Honestly speaking, it is shocking to see what's happened in God's Providence.

One of the reasons I know the Bible is true is, that, nobody could make this up, good and bad, right? There is a war. There is a war between God and Satan; and, those people who think that Satan is taking a vacation somewhere, and he gave up his evil ways, maybe he apologized, but his posse didn't. His buds did not, but God is good.

First of all, let us review the Divine Principle view as to why Christ must return on the Earth. Page 119 of Divine Principle says, "Therefore, to uproot the original sin, which he could not remove through the crucifixion, and to complete the work of physical salvation, Christ must come again on the Earth."

So, our understanding is that Jesus came as the Second Adam, yet he was unable to complete the three blessings by marrying and creating God's lineage on the earth; so, that's why Christ must return.

And then, Father says, "Before Christ came woman was laboring as the archangel's wife; but, when Christ comes, the archangel will lose his bride to him." (Blessing & Ideal Family – Chapter 4)

So, Christ must return to restore a bride from the fallen world, and establish his lineage on the earth.

Father also said, "If the wife of the archangel is not restored, Eve's position cannot be established."  
(Blessing and Ideal Family, Ch. 3, Pt. 2 Rebirth and the Origin of the Blessing)

So, the bride comes from the satanic lineage; and, Christ steals Satan's bride back to God's side.

Father said, "In order for the five billion descendants of Adam alive today to stand in the realm of the royal family, they have to become absolutely one with the children of my direct lineage in a relationship of Cain and Abel (249-113, 1993.10.8 CSG page 2468)

So, all of us who do not deserve to become part of Christ's lineage, we have to become one with Father's direct descendants.

Now, I want to share Father's words about his successor that he actually shared three decades ago, and I have to confess my personal ignorance. I did not really study this. I mean, I should have studied it; but, I was not aware of this guidance that Father gave; so, I think we all should be repenting that we really did not think about this deeply enough. Let me read some of Father's words:

"After that registration is done, True Father will appoint his successor. That successor must be known to all the Unification Church, all the blessed couples and the True Parents' family. They must unanimously accept him." (June 5, 1983, Parents, Children and the World Centered Upon Oneself. God's Will and the World 1985 p. 651, Tarrytown, NY)

"No matter how young or youthful the heir is, he is the one who will supervise and control. Likewise, when the inheritance is passed on, it does not matter who is better or worse. When Father hands down this authority in the future, even if that heir is crippled, people must receive the Blessing from that person. That time will come." (Blessing and Ideal Family I Chapter 4: The Process of the Blessing under the selection of the spouse and who determines the one.)

The time will come, and that time has come.

"There will always be a physical representative of the True Father here on earth, one generation to another; there will be that axis on which the earth will turn. Therefore, all of you here on earth and all the people in the generations to come will be centered upon the same axis. (June 5, 1983, SMM, God's Will and the World 1985, p. 649)

Now, all of us had a natural expectation that one in Father's lineage would inherit and carry on Father's work and authority; but, the truth is, it was a very turbulent course for the True Children, isn't that true?

Yes, if things did not work out so perfectly, and it was not evident who would be qualified to be Father's successor, and some people became kind of cynical. "Oh, so and so made some kind of mistake. You know, we can't really trust the negative thinking" My question is, "Who did Father think was worthy to carry on his legacy?" That is the most important question, isn't it?

The good news, that the successor was proclaimed in 2008. I like to play the video of the Transfer of the Authority of True Parents. "Today, at this time, there must only be one line of authority... From now, I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses Hyung Jin (Nim) in his standard of faith or in any other way. Do you understand? I am appointing him." April 16, 2008

It doesn't look like Father was confused. He was pretty clear. "At the end of this life, with little to remain, let these two offer all they can to become a representative point that can teach the people of all nations about the path they should take from this time on... In terms of three generations, True Parents, the mother and father [Yoenah Nim and Hyung Jin Nim], and the Unification Church should be connected in one heart centering on this little child called Shin-Joon. Everything that is related should begin from this child, and in going beyond the pass of the realm of the heart of the fourth Adam in the new age." (Hyung Jin Nim Inauguration and Transition of Authority Ceremony 4/18/2008)

So, Father did not only appoint his immediate successor, but the successor of his successor. Father saw into the future.

Now, I want to talk about Kook Jin Nim for a second, because many people don't understand Kook Jin Nim, because he's a tough guy. He's very blunt. He doesn't hold any punches. I want to show just a little bit of Kook Jin Nim's words, when his younger brother was appointed by Father.

"My younger brother is respectable and lovable. I truly can serve Hyung Jin, my younger brother as the international president. If nothing about him were worthy of respectability, I would not listen to what he says. I would never help him. As you all know, I am a fighter. Once I resolve to do something, I do it to the end. I am a man who cannot avoid living according to his conscience. In particular, I really loved Young Jin and Hyung Jin among my younger siblings. I loved them like they were my own sons. I thought there couldn't be a more perfect person than my younger brother Young Jin. He was so smart and excelled in anything he did. What is more he was a brother who really loved all his siblings. Before Young Jin's accident, he told me that we should watch over and help Hyung Jin together. That was the promise we made, and I am so grateful to be able to keep that promise."

We have to be really proud of Kook Jin Nim as the victorious Cain for supporting his younger brother. Also, many people don't know about the incredible work that Kook Jin Nim is doing in Korea. For several years, he was giving strong Korean lectures, which obviously would have been quite helpful to Korea. You can see the challenges that South Korea is facing right now, and the threat that exists. You can see on the right that he was meeting with Mrs. Park before she became President. Maybe her presidency would have gone a little bit differently, if the two brothers had still been around. Actually, he also met with many business leaders. You can see he met with the Chairman of the Hyundai Foundation; and, also, he was on the front page of the "Economy Journal." He really made many of the Unification businesses profitable. Isn't that an innovative thought? Accountability. Thank you Kook Jin Nim!

In three ceremonies, twice in Korea (January 15 and 31, 2009) and once in the United States (January 31, 2009), True Father transmitted the Blessing and Authority of True Parents to his son Hyung Moon and his wife.

"In this Coronation for the Settlement of the Cosmic and Earthly True Parents' Holy Sabbath Authority, I transfer and pass on the Blessing of the True Parents (to this couple,) Aju!"

If you look at Father's face, he was so happy. You can just see that glow.

On June 5, 2010, Father wrote another declaration: "God is the one King of Kings. There is only one set of True Parents. All families are the people who share a single lineage, and are the children of one heavenly kingdom. Moreover, the command center of cosmic peace and unity is the absolute and unique Headquarters. Its representative and inheritor is Hyung Jin Moon. Anybody else is a heretic and a destroyer. This is the proclamation of the True Parents." Signed, Sun Myung Moon

It does not look like Father was confused. It's very clear. So then, the following year Father said,

"God is not necessary, Parents are not necessary. The first son is not necessary, and the third son is not necessary, but the youngest son is necessary, even for True Mother, who is Hyung Jin. Even Kook Jin is necessary, too. Two sons." June 21, 2011 Hoon Dok Hae, Cheon Hwa Gun, Las Vegas, NV.

Then the following year, 2012, Father said, "Kook Jin and Hyung Jin, these two sons have become united as Cain and Abel." (June 5, 2012, Cheon Hwa Gung, Las Vegas, NV) So, every year, for five years in a row Father said and reaffirmed the same thing.

After Father went into the Spirit World, of course we had the Seong Hwa, and there were many, many international news organizations who reported on that event; and, I know we like to say CNN makes fake news, but in this case, they actually said something correct. Even CNN reported. Look at the caption. It says, "Rev. Sun Myung Moon funeral – Hyung Jin Moon, left, Sun Myung Moon's youngest son and successor and Hyung Jin's brother, Kook Jin (right), leader of businesses operated by the Unification Church lead a funeral procession for their father;" so, you can see, this was widely reported. It was not a secret.

Now, I like to share a lecture that Rev. Sudo was giving from an OSDP lecture series. Quoting Father: "Oh, Heavenly Father, please send someone, even one person, who loves you as I love you! Even someone who loves you more than I love you. Even only one, every hundred years. One person every hundred years. Please send someone who loves you more than I love." He said, "This is my prayer." Another time, 30 years ago, or 40 years ago, he said, "I cannot find anyone." But, finally, one person appears, who understands the heart of True Father, and sheds the same tears as Father sheds? Do you understand who he is? Unseen person in the audience: "Hyung Jin Nim? The youngest son of True Parents?" Rev. Sudo said, "Yes, The World President, Hyung Jin Nim."

I loved the way he asked the question, "Say that again, say that again?"

I'd like to go back to the Old Testament for one second, because I think this is a relevant issue for the situation we're facing, today; and, I want to talk about an amazing woman named, Rebecca. Father spoke about Rebecca many times. Father said in the World Scripture Book:

"Jacob worked hard for that, of course, but his mother worked even harder – hundreds of times harder. She worked hard to change their attitudes, making sure they pledged repeated not to kill Jacob. How much rested upon Rebecca. She fulfilled a vital mission to make the restoration possible." (World Scripture II, History of God's Providence, page 471)

Rebecca risked her own life to protect her son and the lineage of the Chosen People. Now, in this context, I have to ask the question, "What has Mother done in relation to the victorious Cain-Abel pair that Father declared in 2008, 2009, 2010, 2011 and 2012?" Despite having Crowned Hyung Jin Nim with Mother at his side, three times, two weeks after Father's Seong Hwa, Mother began firing Hyung Jin Nim

from 5 different positions in Korea; and, in 2013, after Hyung Jin Nim was sent to service the American Church President, after In Jin Nim stepped down, then he was fired. He was fired from his position as the American Church President.

It's quite interesting. God makes even someone who wasn't intended. He will force people to tell the truth. I have a lot of love and respect for Mrs. Eu. She personally guided me many times, and she even guided our marriage; so, I feel this connection to her. Many of you may know her; but, she was sent at the end of 2015 by Mother, and she spoke in many cities around the United States, and the purpose of her tour was to convince people that they should support Mother.

Well, I got a phone call from a sister in Minnesota about what Mrs. Eu said; and, she sent me a copy of the video, and I posted it on my Youtube page, if you want to see the video. At one point in her talk, Mrs. Eu said, "Father embraced Hyung Jin Nim, but Mother was different. Mother said, 'No'" (Gil Ja Sa Eu, 12/9/2015)

We keep on hearing constantly that True Parents are one; but, when you look at who the successor is, it's not a minor detail. It's not like she's changing the color of the curtains at the palace. She's not putting in a new carpet or a new rug. We're talking about the successor to Christ, to the Messiah, to the Lord of the Second Advent. It's not a minor detail; and, on this very important issue, even as far back as 2008, she's talking about when Hyung Jin Nim was appointed. Father and Mother had a different point of view. She was different. Mother said, "No!"

I also had a wonderful opportunity to interview Yeonah Nim about that time. Look, most of us didn't know what was happening. I knew virtually zero about what was happening in Korea. We don't really hear reports in depth; so, I want to play for you three short videos. The first video is about Hyung Jin Nim's efforts to help support Mother as True Mother. Yeon Ah Nim speaks about this time:

"Hyung Jin Nim made a card, made a prayer about the size of appendix card; and, I often distributed this to members whenever I met them. I handed them the card we made in three different languages. We had a little ceremony. We asked the members to recite that prayer. Heung Jin Nim was actively supporting Mother in the Spirit World, too. There was one time I had to give a message when Hyung Jin Nim was away, and I talked about Mother. I told how a faithful wife she is, because we wanted Mother to be victorious. It's not known about the things that are not going well with Mother, with Father. We know that we wanted Mother to really be victorious, and we believe that was not Mother's true nature. That was really our perspective."

In this next video, Yeonah talks about Kook Jin Nim and Hyung Jin Nim, and how they were really putting their trust in Mother. Let's play this:

"They're the ones who put their entire trust on Father and Mother – Hyung Jin Nim and Kook Jin Nim. They actually put trust in Mother, too, not only Father. Yes, there was a friction between Father and Mother, there was such a tense moment; but, they could take it. They were adults. They were husband and wife. I'm sure I really make my husband mad, too; but, the thing is, they still put their trust in Mother, that Mother will make a good decision. One time, Hyung Jin Nim talked to Kook Jin Nim. He said, "Maybe, we should not put everything under Mother's name, because everything was under

Mother. Many things were under Mother's name, because Kook Jin Nim was ahead of the business foundation; so, he actually persuaded other people to put things under Mother's name, because after Danbury, he did not put anything under Father's name. He said it was the right way to do. She had spiritual authority; so, Kook Jin Nim put all his trust to Mother; and, \$50 million was raised for the building of Cheon Bok Gung, the new church in Seoul. \$500 million was set up for the mission foundation under Mother's direction, so Mother doesn't have to beg around to leaders when Father's not there. Kook Jin Nim really prepared her way; so, that she can be a victorious True Mother from inside and outside."

The last video is when Yeonah Nim talks about when Hyung Jin Nim was fired, and his attempts to meet with Mother.

"In 2013, he (Hyung Jin Nim) also went to see Mother. On Father's ascension, around that time, he went to see Mother, and he said the same thing to Mother, again. I was so afraid of Mother's glance. I couldn't say anything. My eyes were total froze. I was looking at the floor. Hyung Jin Nim said, 'Mother, you cannot do this. You cannot change Father's Word.' He repeated the same thing, again."

"I can't remember when it was, he met Mother, again, in Las Vegas. One on one, he said the same thing again to Mother. If you do this, you will screw with the Church, and Father will not be happy; but, she was so sure that Father was happy about what she was doing, and her spirit is so pure, and Father is rejoicing in the Spirit World."

"A couple of time, Hyung Jin Nim called Mother for Mother's Day, and he sent flowers for her birthday, things like that; but, we met her in Las Vegas, and in the middle of the conversation, she just walked out. When we called on Mother's Day, Hyung Jin Nim said, "I love you Mother;" but, she said, "I'm in a meeting," and she said, "I can't answer your phone call; I'm busy," and she walked out."

"When went to Cheong Pyeong in 2014 around Father's ascension time, Mother refused to see him. She said she had a meeting. Unless you attend the Father's ascension ceremony, show up your face, I am not going to meet you; so, he couldn't meet her. At that time, at Father's ascension ceremony, they wanted to put out the Cheon Il Guk Constitution that they made, that Cheong Pyeong made; so, Hyung Jin Nim said, "I cannot. If I be there, that means I am agreeing with the law that's going against Father's Will. I don't agree with that law; so, I cannot participate."

There was a lot of wind there. I think God was angry about what is being discussed. Hyung Jin Nim made many efforts to reconcile with Mother, and he begged her many times not to change Father's words.

Now, many brothers and sisters believe that Mother's perfect, that she's infallible. Father did praise Mother many times. Father was encouraging her, and praising her in many, many ways; so, many of us thought she must be perfect. I want to share with you a statement made in 2007. He said, "Mother must first perfect herself by June 16, 2013." (SMM, May 11, 2007, "Nature Renders Judgment for You")

So, if Mother's already perfect, why would he say she must perfect herself? You don't need to do something that you've already done, meaning that, she is not perfect. That's what Father's saying.

And then, on August 29, 2011, True Father spoke about the future “Perfection Level Blessing of True Parents” that was to take place on his birthday in 2012. “Our birthday next year will be for this wedding ceremony by having the wedding ceremony when True Parents can claim their perfection.”

So, Father was announcing this will take place next year, 2012. The day prior to this planned Perfection Level Blessing of the True Parents in 2012, with hundreds of leaders already gathered, True Father angrily declared that there would be a dress rehearsal, and that the real Perfection Level Blessing would take place one year later, in 2013. Since Father passed on later in 2012, it never took place. The Perfection Level Blessing with Mother never took place.

I want to talk a little bit about the Cheon Seong Gyeong. There are many scholars, at UTS and other scholars who are saying, “Oh, this new translation, this new compilation of Father’s words, it’s so much better, and the translation is so perfect.” Would you like to know what Father said about this topic; or, do you want to know the opinion of people who went to Ivy league schools? Which is more important? I was telling one of my friends, if you really want to be a complete fool, you need a PhD; because, only then, you can be completely disconnected from reality. Only if you get a Ph.D. So, let me share some of Father’s words.

“The word Cheon Seong Gyeong is a very dreadful word. Any person, a third person, regardless of how great they may be, even if they have several Nobel prizes under their belt, nobody can touch [or change] the Cheon Seong Gyeong. That’s why new denominations will not arise.” (The Selected Speeches of Rev. Sun Myung Moon, Vol 447-83, 2004.4.30)

Father was predicting if you do change the Cheon Seong Gyeong, new denominations will come about. There will be a split within the Movement. Father’s very blunt. Do you like it when Father’s very blunt; or, do you want to have his words polished? Okay, let me share you the key passage here.

“That’s Why I’m telling you not to mix in any other words into it. If I said ‘shit’ then it’s ‘shit.’ If I said ‘fist’ then it should read ‘fist.’ I will be the one to untangle tht. I will say, ‘they couldn’t change it around carelessly because it’s the most precious thing.”

The raw words of Christ are the most precious thing.

“Hyo Yul (Peter Kim)! [Yes], Can you say ‘Let’s leave only good things about the Founder (Reverend) Moon for history? Any bad things I will cover up, I’ll take responsibility’. Can you say that? Do I have to follow what you say? Hyo Yul, do you have to listen to me or I have to listen to you? You villain. I told you to publish this and do everything. But you do what? You yourself want to correct it, proofread? Who is going to proofread? You cannot do that! No one should this! Do Not touch even a single word! This must be published as it is.” (The Criteria for Peace. The Selected Speeches of Rev. Sun Myung Moon Vol. 614, p53, 2009.7.14. Cheon Jeong Goong)

Father knew what was going on. They thought, “Oh, Father’s getting old. Then, he doesn’t know what’s going on. Father knew exactly what was going on.

Now, I want to share a little bit about the dedication of the 8 Great Textbooks, which took place from 2010 to 2012. You can see, "I am leaving behind eight textbooks and teaching materials for humankind to use for all eternity. They are:

The Sermons of the Rev. Sun Myung Moon

Exposition of the Divine Principle

The Cheon Seong Gyeong [Heavenly Scripture]

The Family Pledge

Pyung Hwa Shim Gyeong [Messages of Peace]

True Family – Gateway to Heaven

Owner of Peace and Owner of Lineage

World Scripture

There were ceremonies held all over the world. Actually, they were held in New York in 2010; then, in Korea in 2011 with 12,000 people attending; and then, in 2012 in Korea.

"True Parents have already prepared the last words I will give to humankind. These have been prepared base on my triumphant six or seven life-or-death situations, including six periods of unjust imprisonment. I am leaving behind eight textbooks and teaching materials for humankind to use for all eternity. These are textbooks you will have to read and study even after you go to the spirit world. They are not just teachings that come from the mind of one person."

It's very clear. Let's play this video as well:

"These are textbooks of God. There are not two, just one set of textbooks. Those textbooks and teaching materials are God's teaching materials and textbooks. These are words you will have to follow. These are textbooks of God. There are not two, just one set of textbooks. Absolutely one set. Nobody can change them. You have to know that. These textbooks are not two. Absolutely one forever. Nobody can ever change that kind of textbook. Forever Textbooks."

So, Father said these are temporary textbooks? These are temporary textbooks that can be thrown out, and changed around by any person who thinks they know better than Father, right, is that true? No! No, that's not what Father said.

In April 2012 Mother visited Sung-Hwa Press and directed that certain passages in Father's sermon volumes be deleted. Subsequently, FFWPU headquarters issued an order recalling ALL volumes from volume 594 onwards, and new editions of these last volumes were issued to replace the originals. In the reprinted volumes, all those words of Father that critically refers to Mother, or to Father's raising of Mother, are deleted, as well as any references to Hyun Jin Nim.

I wanted to give you two examples of deleted passages. One is from a speech that Father gave on February 16, 2009. Father said, "How many years and month are left (until Ki Won Jeol)? If Mother does

not reach the level of responsibility she must take until that time, a problem will happen. That is why I have taken and fulfilled all responsibilities myself. Since I have even done this for her, as long as she does not vent her anger or throw a punch, everything will be alright.”

This could be read on page 310 of volume 607; but, it is not there anymore on page 302 of the reduced version of this book where it should appear. So, in the new version, this statement by Father is censored.

Let me show you one more example. This was from volume 614, page 141, published in 2009. It states that, “because Mother fell, she has to take responsibility to restore herself. These guys going around philandering cannot do it.”

Family Federation has republished this volume removing this statement, with the rest of the content shown on page 71 of the new volume.

So, in 2014, Mother replaces the 8 Great Textbooks with “3 Great Scriptures.” Let’s play the video:

Mother says the following, “In this regard, today, you have attained great jewels of all time with these three great scriptures. Congratulations.”

They should have picked better entertainment. Mother’s new polished Cheon Seong Gyeong replacing Father’s Cheon Seong Gyeong was published in 2014. The new Family Federation Cheon Il Guk Constitution only lists 3 basic Scriptures:

Mother’s Cheon Seong Gyeong

Cham Bumo Gyeong

Pyeong Hwa Gyeong

So, instead of the dedication of the Eight Great Textbooks, we have the desecration of the 8 Great Textbooks. You can see here, the books that were eliminated:

The Sermons of Rev. Sun Myung Moon

Exposition of the Divine Principle was not listed as a sacred textbook.

True Family – Gateway to Heaven is removed.

Owner of Peace and Owner of Lineage has been removed

And, World Scripture is not listed, neither.

And they changed: Cheon Seong Gyeong, The Family Pledge, Pyeong Hwa Shin Gyeong

Now, I would like to just go back for historical perspective. I want to talk about Jesus’ harsh words in the New Testament. In John 2:4, where Jesus’ mother Mary ask him to change water into wine, Jesus said something to his mother, which is quite unfilial. He said, “O woman, what have you to do with me?” Woman? Is that how you talk to your mother? Who here talks to your mother that way? Raise your

hand if you ever said to your mother, "O woman..." I don't think you ever did that. I never did that; but, Jesus did that. Why? It's because his mother was not operating within God's Will. That's the reason.

Then in Matthew 12:46-50 it says, "While He was still speaking to the people, behold, his mother and his brothers stood outside, asking to speak to him. But he replied the man who told him, "Who is my mother, and who are my brothers?" And stretching out his hand toward his disciples, he said, "Here are my mother and my brothers! For whoever does the will of my Father in heaven is my brother, and sister, and mother."

Jesus was saying that his own mother did not understand his Providential mission, was not supporting his Providential mission, and he actually refused to meet with her.

I want to talk about how Jesus spoke to his head disciple, Peter. Jesus said to Peter, "Truly, I say to you, this very night, before the cock crows, you will deny me three times." Matthew 26:34

You will be a traitor to me. That's what he was saying to Peter.

Now, I really thought about these Scriptures, and I was thinking, after Jesus was crucified, and after he ascended through the resurrection, just imagine if it had been a Scripture review committee. The Scripture review committee gathers together, and they say, "You know what? What? You know, we love Jesus, we love Jesus so much, but these harsh statements from Jesus, they don't make us look very good, you know; and, I'm sure his mother felt embarrassed, she felt ashamed, that she did not understand and support her own son. I'm sure she felt ashamed of that; and, Peter, I'm sure he felt ashamed of that, too. That he, at the crucial moment, when he had the opportunity to stand up and testify to Jesus, he was afraid."

Now, let me tell you why I believe that these are some of the most important parts of the New Testament; because, if we remove all the statements, where Jesus spoke harshly to his mother and to his disciples, because they let him down, and even betrayed him. But, what happened? Jesus forgave them. That's the whole point. If only perfect people can be accepted by God and Christ, then none of us are going to go to Heaven. None of us will be accepted, because you and I, we betrayed Father. I failed to speak up for Father many times. I let Father down. Do you understand this point?

The documentation of the failures of the disciples of Christ are actually a very important part of the Scripture, because if only perfect people can be accepted by God, we're all going to Hell. Is that true, or is that true? This is one thing that, unfortunately, Mother and the Family Federation do not understand.

In 2014, the Family Federation establishes a "Supreme Council" to lead the Unification Movement after Mother passes on to the Spirit World. It makes no reference to Father's heir and successor having any role in the governance of the Unification Movement. It rejects Father's direction for the Authority of his anointed lineage.

And then, Mother "Centralizes" Father's Appearances. In one speech Mother gave very soon after Father ascended, she said, "Do you think Father will just appear anywhere? No. Father will come only to me or to Cheongpyeong. Do you understand? If there is anyone among you who did not know that, it has now been explained." (2-12-10-25 Mother Speaks of Father 40 Day Transition. Forgive, Love, Unite p. 52)

Now, I thought about this for a while; and, I thought, “Well, Jesus appeared to more than 500 people after his resurrection at one time actually, and many other times as well, so this makes no sense. If Father is truly the Lord of the Second Advent, he is like in a prison in the Spirit World? Is he in a box, where he could not get out? I mean, why would that be? Why would that be?”

Father’s “8 Great Textbooks” have been replaced by Mother’s “3 Great Scriptures.”

Father’s blood-stained words contained in the “Blessing of Glory” Holy Song that we sing as the National Anthem. These are words that Father wrote after he was released from the Hungnam death camp, and it’s where Father says, “I can never stop feeling how grateful I am.” That’s what Father said after he was released from the death camp. Think about that. Anybody else would be cursing God, “God, why did you send me to this Hell hole? Why did you send me to this place of death? And Father says, “I can’t stop feeling how grateful I am.” How can they replace it with that stupid poetic flowery phrases? I mean, I hate the new version. I’m sorry! I shouldn’t hate; but, to me there’s no comparison between the new anthem, they force people to sing; and, many brothers and sisters in Family Federation, they tell me, they don’t even sing the words to this new version. They’re singing the old version, many of them. Many people I know, which makes no references to Father’s sacrificial course.

Father’s anointed Heir/Successor/TeShinJa, which mean resident body, was fired for not going along with Mother’s agenda. There’s no role for Father’s anointed Successor in the Family Federation Constitution.

Now, I want to talk a little bit about the term “Heavenly Parents.” Mother said, “I would like to change the way to address Him in prayer, to call Him our Heavenly Parents. By calling Him that way, it is natural in English. It also has a good meaning in Korean.”

You can see the selection from the Mother’s Cheon Seong Gyeong, and in the video, she actually says the words in English. “Heavenly Parents.” She says that; so, that’s Mother’s direction.

So, what does that mean? There’s a lot of confusion about this point. I want to share video of her presentation that Andrew Wilson gave. The title of his presentation on May 6, 2016. This was at the Cheon Il Guk Leadership Assembly. It’s actually on February 16, 2016. His presentation is called Heavenly Parents and True Parents. Let’s play the video.

Dr. Andrew Wilson: “Because the Jewish and Christian Bible was mainly written by men from a male point of view, we don’t get much help from the Bible in understanding Heavenly Mother’s side, or Heavenly Mother’s heart, I should say. So, at the Fall, we read in Genesis 3:16 God cursed Eve. Said you’re going to have pain in child bearing. In other words, God came down real hard on Eve as a sinner who deserved to be cursed. That may be one way that God relates to human beings, but I doubt that was Heavenly Mother’s attitude.”

Okay, so let’s deconstruct this statement. Andrew Wilson contrasts the angry, vengeful masculine Old Testament God of Restoration who “curses Eve” after the Fall, vs. “Heavenly Mother” who wanted to “console her.” Later on, in the presentation, he says, “Men’s fights lead to war” but “women weep for their dead children.” And he said, “Cain-Abel protocol based on rules that require one to submit to the other, “an example of masculine, competitive “win/lose” strategy.”

Okay. So, I really thought about, “what is this about? I could talk a lot about this for maybe an hour; but, let me just give you the conclusion. “Heavenly Father, the God of the Bible, gives us both truth and love, judgment and forgiveness. Is that true? If we really want to understand it, His judgment is love, because He wants to free us from Satan. He wants to separate us from our false Father. That is His love.

Dr. Wilson feminist critique of a biased Bible written by men ignores the sacrificial compassionate love of God and Christ. All of us, men and women, fall short of the glory of God, only accepted via repentance, rebirth, and attendance. That’s true for everybody. It’s not that the biblical God hates women. No, no! That’s not what’s going on. You probably have to go to an Ivy league school to not understand it. In the picture here, you can see, Jesus spoke about the story of the protocol son to explain God’s forgiveness. On the bottom here, you can see a representation of Jesus forgiving the woman who was caught in the act of adultery, and the woman at the well. He forgave several women actually, who were caught in the act of adultery; so, I don’t think we need feminist, Ivy league, new version to understand God’s love and God’s forgiveness. I think it’s already there in black and white in the Bible.

Andrew Wilson also said in his presentation, “the core resemblance in creation is between God whose essence is duality, and human beings who were created male and female... Since God has two genders, no individual of one gender can incarnate the full image of God.”

Now, Andrew Wilson asserts that God’s “essence is duality” and that God has “2 genders.” In contrast, Divine Principle teaches that Internal Nature, or SS, and External Form, HS, are primary, and that Yang and Yin are secondary. The God of heart, intellect and will, who created us, and sacrificed to save us is a Being, who we can all relate to.

I want to show a graph from page 38 of the OSDP that the Family Federation published several years ago. You can see that solving the problems of Yang and Yin. With the characteristics of Internal Nature and External Form, I believe Father explained to, I believe it was Rev. Yu. Rev. Yu thought that the Yang and Yin are masculine and feminine, and were the Primary Nature of God, and Father said, “No, that’s wrong.” He said, “The Primary Nature of God is Internal Nature and External Form or His power. That is the Primary Nature of God. God is a being of Intellect, Heart and Will and Power. That’s the Primary Nature of God; and, the Nature of Yang and Yin is Secondary. It’s not Primary. I believe, Andrew has a misunderstanding of this point. Do you understand?

Now, I’d like to give you a very practical example of the new Han theology. She is creating the Han theology of dualism; and, why is it quite harmful? I mean, honestly speaking, I have to confess, I don’t like theology very much. I’m sorry. I repent, because it the study of the nature of God, and I should love theology, except I hate... It’s very frustrating to me, but it is important. It is important. We have to think about it. The reason we need to think about is, because, if people misrepresent the nature of God, they could mislead us away from God. That’s why it’s important that we study this, actually.

I want to share with you an email that I received from a sister I have known for forty years in the Church; and, this is a sister which I always loved and respected greatly. She sent me this email:

Dear Richard,

Mother God, who had been suppressed and oppressed throughout human history began emerging after 2006 and was asserting herself alongside Father God, who have been a single parent throughout human history.

I'm sure Andrew's thinking he's helping are sisters by some way. No, no. You are making it more confused. There are not two Gods. There is one God. There's one God; otherwise, people...

This is actually convenient. Think about this. You go to Father God, and He's kind of strict, and you say, you know what? Thank you, Heavenly Father, but your kind of strict. Let me go to Mother God. Let me see if she gives me a way out of this. You go back and forth to see if you can get a better deal from one or the other.

Now, I want to talk about non-biblical claim, to be born sinless. On July 1, 2014, she declared, "The process of changing the lineage occurred while I was in my Mother's womb. This is something that you'll have to believe."

So, what's she talking about here? She's talking about changing from a satanic lineage to God's lineage, before she was born. Okay, she's saying that she was born sinless. That's what she's saying.

Then, on October 5, 2016. "Can you see me well? You are blessed, happy people. What makes you happy? It is because you met me, the only begotten daughter. Elder Blessed Families might have lots of affection for Father. But, there is something those elder families need to know. I was born with the Han lineage that has nothing to do with Satan for 6,000 years."

You know it's interesting that this was never referred to by Father. He never mentioned this. Don't you think this a fairly major theological point; and, don't you think Father might want us to know about this, if this was true?

Here's what Father said, "Mother was born from the lineage of the fallen archangel." (Hoon Dok Hae, October 1, 2003, New York Grand Ballroom from the lineage of the fallen archangel.)

"If the wife of the archangel is not restored, Eve's position cannot be established." (Blessing and the Ideal Family, Chapter Three, Part 2, Rebirth and the Origin of the Blessing.)

In order for Restoration to take place, Christ must marry, or take Satan's wife back; and, she must become the wife of Christ. That's from Restoration. Remember, Lucifer stole Eve, right? God's wife. Adam's wife, okay. In restoration, Adam must steal Lucifer, the Archangel's wife, and rescue her, and make her his wife. That's Restoration.

If the Bride of the Messiah is not born with satanic lineage, then there is NO RESORATION of the Human Race! If Mother was born sinless, then SHE is the Messiah who restored and forgave Father. This is the Han Mother's "Sinless Only Begotten Daughter" THEOLOGY. This is a new theology. We need to understand this. This is not a biblical theology, and is not a principled theology.

Then, in October 2014, Mother proclaimed, "NOBODY educated me... You CANNOT SAY that God's only begotten son educated God's only begotten daughter."

Now, I thought about this statement, and I thought, "What is Mother saying?" She's saying no one educated me? Can I say something about this, by the way? Somebody who says... I mean, first of all, what did Father say? A person of wisdom is learning from everybody all the time, okay. A truly wise, educated person. Some people think the purpose of going to college or university is so you can become really smart and know everything. Truly educated people that I've met, they don't brag about how much they know, because most of them by studying realized by studying, realized how much they don't know.

A truly, wise, educated person knows, that the more they study, they realize the limits of human knowledge. That is a truly wise person, actually; so, this is a remarkable statement. For someone to say nobody educated me, that is a foolish statement, actually. It is a foolish statement, because we should be learning from everybody else.

And then, secondly, when Mother says that God's only begotten son never educated God's only begotten daughter, she's actually saying that would be an insult. Then, my question is, "Why would Mother think that it would be an insult to be educated by God's son, the Messiah, Christ, her husband?"

You know, my wife educates me about a lot of things. I hope I educate you Miho, sometimes. I mean, it's a very unusual statement. It sounds like she doesn't want to admit something, or that she's angry. Do you know what I mean? It's something there?

She said in 2013, "When I first met Father, I already knew the providential history and the providence of restoration through indemnity."

She already knew everything when she met True Father?

"I have not studied the Divine Principle, yet I just knew it. Father absolutely needs my power in order to be victorious as the Lord of the Second Advent." (8/24/2013, Tongil Segye magazine [September issue])

Look, I'm not denying that Mother was prepared. Father said that she was prepared. Father praised her. Father loved her and praised her as an extraordinary woman. What did Father say about this issue? "The first seven years after the Holy Wedding Ceremony was the period to raise up Mother with heavenly education." That's what Father said.

Maybe, Mother didn't think she was being educated, but Father thought she was; so, then I thought about this. We have to find out who is this nobody who educated Mother? She said, nobody educated her. Who is nobody? Who is he? I mean, we need to find out who is this person who said, Mother said educated her? I found out! That's who It is. That's nobody. (Picture of True Father)

Why was Father angry? A "marriage ceremony" was held on January 18, 2012 at the Cheon Jeong Gung palace officiated by Hyo Nam Kim between Mother and a 'god' without Father present. When Father learned of this, he quickly came back from Yeosu to lead the next morning, January 19<sup>th</sup>. He angrily demanded that Mother and 4 church leaders pledge absolute obedience to him. (Jeong Roh Yun, Jun Ho Suk, Peter Kim and Sun Jo Hwang.)

I want to read to you. These are unofficial notes from that Hyung Dok Hae on January 19, 2012; and, some people might say, "Well, these are not official notes, and I agree; so, anybody's who's concerned about this issue, and this is a very important issue as to what Father said on January 19, 2012. Then, I hope all the Family Fed leaders will join me in calling for the release of the unedited video of Father's words on that morning, okay. So, Dr. Balcomb, join with me; Dr. Wilson, join with me, and let's release the video, so we can exactly see what Father said, instead of covering it up, so that nobody knows?"

Okay, so I'm going to read this. It's a little bit detailed; but, I think it's very important for all of us to know. From the notes of January 19, 2012:

"As usual this day also after the HDH reading. True Father spoke. But what was unusual was that his talk was about True Mother. His words were frank and painful, filled with fire and regrets. Those present were embarrassed. Here were some of his point:

- "True Parents of Heaven, Earth and Humankind" is not two as Father and Mother, but one.
- "Mother is Father's platform. Just eating and following Father around does automatically make her True Mother.
- Acting separately will cause doom and death. Those who do not respond to Father and just hang around Mother are villains.
- Do not brag about Anju (Mother's hometown) and family name Han. If you do that you do not become True Mother.
- Mother is going her own way like a Dokkaebi. (demon) She is not walking the same road as Father.
- You villains (True Children, executive aides and church leaders (mentioned by name) are following Mother and walking a different path than me. Villains!
- Anyone who follows Mother and thinks he doesn't need Father is a rootless Dokkaebi. (demon)
- Only Heavenly Father is with lonely Father.
- For Mother to say, "Don't listen to Father, listen to me" is more frightening than Lucifer.
- I am all alone now. I don't have any sons or daughters. Mother plays her own games.
- When Hyo Jin (Nim) was alive he said to me, "Father, I feel sorry for you. Why is Mother not listening to you, and doing her own thing?"

True Father proclaimed from this time on Mother has to absolutely obey Father. Then Father asked Mother who was sitting next to him to stand up and go in front of the table and face Father. Then True Father called four leaders by name to the front to make a line behind True Mother and made all raise hands including all Hoon Dok Hae participants to pledge absolute obedience. True Father repeatedly urged True Mother to answer, "Yes."

He then asked everyone to raise their hands and clap to confirm they knew Father's will and confirm and seal this special ceremony."

So, this is a very painful situation, but in my opinion you can see that Father was trying to save Mother. He was trying to help her to do the right thing, because Father knew exactly what was going on, even though they were trying to hide it from him.

So, was this January 18, 2012 “marriage ceremony” conducted without his involvement the reason why Father cancelled the Perfection Level Blessing planned for his birthday just 10 days later, and the reason he gave Mother one more year to achieve unity with him?

Was this “marriage ceremony” why Father refused to release the royal seals in late July, a few weeks before he passed on to the spirit world?

I would like to release this video of Father’s words. He was explaining, Hyo Nam Kim and Mother were pushing Father to release these royal seals, and he refused to do it. Video from July 24, 2012.

True Father” So, as of now, there hasn’t been the owner of the Royal Seals yet. Why? It is because the God of Night and the God of Day are still fighting.”

Okay, the God of Day representing Mother, and the God of Night was Father directly relating or still fighting. That’s what Father’s saying.

And then, this is an amazing situation. Father gave a speech on July 16, 2012. It was to the Able Women’s UN Assembly” speech; and, he is actually reading from the written text, and then, all of a sudden, he started saying some shocking words. Let’s play that video:

“I raised up Mother, (but now) there is no Mother. There is no one in the position of Rev. Moon’s wife. Mother is acting as she pleases! Whatever she wants she does!”

Then, Father continues to read the speech.

On December 6, 2015, Mother says, “There are 7 billion people in the world, but how is it that you met me. Blessed families have been made through me. Right?” Isn’t someone missing in that statement?”

On February 25, 2016 Mother declared to 1200 university students, “I have walked this path ALONE for 57 year.”

Isn’t that a curious statement? Let me just say something about this. If Mother had said, “Look, Father did everything he could to guide and help me to raise me up and support me, but there are certain things that Father could not help me with. I had overcome by myself those things.” I would have no complaint with that. I would not be complaining about that; but, that’s not she is saying here.

And then, on March 31, 2017, less than two months ago, less than 40 days ago, “Of all humanity, the only one who knew of God as Father was me, and Jesus.” This is a remarkable thing, a remarkable thing for Mother to be saying.

If you watch any of Mrs. Hyun Shil Kang’s testimonies in The King’s Report, you’d know that Mrs. Kang, Father’s first disciple in South Korea, speaks more about True Father in even one of her talks, and with more feeling, than in all of Mother’s speeches after Father ascending. Even just one of her talks.

I would like to share you just one sentence from Mrs. Kang’s talks from a talk she gave in February. Mrs. Kang said, “Even though Father was looked down upon, people spat on him, cursed him and persecuted him, he always thought about God’s authority, God’s position, and always followed God’s law.” Hyun Shil Kang, Search for God’s Heart” February 3, 2017

That's what Mrs. Kang said about Father. Has Mother even made one statement like this? I've not seen it. I've not seen it.

Then, Rev. Jeong Ok Yu was a lecturer of the OSDP content who was chosen by Father, gave a 3 day OSDP workshop last October 2016; and, he taught, "True Parents are only True Parents when with True Father. Only True Father is the Messiah. When Mother talks about being born without Original Sin, it is a lie. The Only Begotten Daughter describes, it does not exist."

This was from the person that Father trusted in teaching the entire Unification Movement about the deeper meaning of the Divine Principle.

Let me talk about the True Parents' Brand. You know, we live in a consumer culture, and people are using brands all the time; so, what does the golden arch represent? What does that represent? "McDonalds." I'm not saying whether you like it, or think it's healthy. I'm saying, what does it represent? The golden arches represent McDonalds, and you know, you just know that when you go into the building with the two golden arches, you can order a "Big Mac." They do have some kind of salad. I don't know how great they are. You know it's McDonalds, right? You basically know. Not just in America. You go to Beijing, Tokyo, you go all over the world you basically know, you see those two golden arches, and you are looking for some America junk food.

You know what you are going to get. The same is true about, what if you see a woman who looks like a mermaid on a green background. That represents "Starbucks," right? You know, if you go in there, you'll get some very expensive coffee, basically, right?

So, there are brands; and, the truth is, that, True Parents are also a brand. We've seen pictures, in my case, for more than four decades I've seen these beautiful pictures of Father and Mother together smiling and happy together, and I always believed. I never doubted. Maybe, I'm naïve. I never, ever, ever thought that there is any disagreement between Father and Mother. I never thought like that. I never did. I always believed, I always thought that Father and Mother are one. Whatever Father's doing, Mother is on the same page, on the same wave length. Is that what you believed? That's what I believed; so, when we see the term True Parents, it's like the two golden arches, we see the term True Parents, and we immediately think, "Oh, that's what it means. Father and Mother together, and they are completely united.

I didn't know anything about what's going on in Korea. No one told. Nobody reported about this. Maybe, some of you knew. I knew nothing. Nothing; but, I think there is a point in which we have to understand that the original recipe has been changed. The recipe has been changed, and we can see clues, okay.

The Blessing ring since 2014 had only Mother's name in them, okay. Why is just Mother's name in there? Then, you see Mother sitting on Father's Throne, Father's position, which she never did before. Then you see Cheon Jeong Goong. The portrait of True Parents was taken down, and the portrait of Mother as Empress was put up in the place of Father and Mother. Something's different. It's not the same.

This is like a mantra. It's almost like, I hate to be insulting, it's like Pavlovian conditioning. You've been conditioned to see certain terms, and it arouses emotions within you, and there are some people who are not willing to deal with the emotional pain that is generated to realize that this might not be true.

I've gotten a lot of angry emails from brothers and sisters I've known for many, many decades. I have people who will not talk to me, who I loved and respected, because they don't want to deal with the pain that comes about when you realize, they're not what you thought. Things are not what you thought they were.

So, the truth is, this is the True Parents' brand. This is the new True Parents' brand from the Family Federation. It's the Messiah, the Lord of the Second Advent. It's being erased and X'd out, and it's just the Empress, the Sinless Only Begotten Daughter. That is what the True Parents are to them. It no longer refers to this man here (True Father) except for an air brushed version, which they control. An air brushed version. They don't want the real Sun Myung Moon to speak for himself. They want to be able to control the words of the Messiah, and use them and manipulated them for another purpose. That is the painful truth.

I have to tell you, I communicate with different Family Federation leaders occasionally, the ones who still are willing to talk to me, and even some of the Family Federation scholars, and in private, a few of them have told me, they don't even believe what Mother's saying about being born sinless; but they're afraid. They're afraid, because maybe, I understand, we all have to live, and how will I support my family if I don't keep my mouth shut. Look, I'm not here to judge people for what they do or don't do; but, I do have some advice: If you really don't agree with this new theology that Mother's coming out with, at least don't be a cheerleader for it. Don't mislead people, because there are some people that are actually misleading people. To me, that's my advice to them.

I want to talk about the Original Obedience of Hak Ja Han. True Father said in 1981, some 21 years after the Blessing to True Mother, "Even under such circumstances she still kept up with it all, and in the end, she became the True Mother who is even greater than the holy Mother Mary. The most admirable point about Mother was that she believed in me more than in her own father, grandfather or elder brother. She believed in me 100 percent. Thus, she overcame all the obstacles and established a firm position. Whatever happened, even if she should die, she had to keep an unchangeable attitude toward her husband."

So, to me, the reason we all love and respect Mother is because, she went this course. I heard, Father used to talk sometimes. Many other women said within the Church, receive revelation that they would be Blessed to Father, and they would have the True Mother position, because all sisters are meant to be the Bride of Christ, right? So, many sisters in the Unification Church; they got different revelations that they were going to be Blessed to Father, and then when Father chose Mother, they couldn't accept it, actually. They were angry. They were jealous, and they said, "Who is this teenager, who doesn't know anything?" They were criticizing her, and so on; and, Mother had to walk that painful, lonely course of people spitting on her, and disrespecting her, and not believing her, and she could feel this. Mother was victorious for many decades.

I've had personal experiences with Mother, too, at East Garden, actually. My wife had ten years of experiences. Mother gave her personal things that she wore. She gave them to my wife; so, Mother has been a wonderful person. I have to say this. We're dealing with a painful reality, but we have very mixed feelings. I'm sure that Hyung Jin Nim had this more than any of us. This is his own mother.

Being the wife of the Messiah is the most Blessed position, and it's also the most difficult. Believe me. People who say, "Oh, I wish I were... if I could only be married to Jesus." Wow! I'm sure many women

maybe think like this. I mean, the nuns... actually, part of them becoming a nun is the promise of celibacy, and they are married to Jesus. That's what it means to be a nun, right? And now, with the Lord of the Second Advent, people dream about this.

Actually, the truth is, that the Messiah an intense person. Did you notice that? Anyone notice that point? You want to know my secret nickname for Father, which I probably shouldn't say right now? My nickname for Father is, "The Blowtorch;" because the blowtorch is very strong, but if you get to close to it, it's also very scary. Father is intense. I mean, honestly speaking, I would go to a speech of Father's, and he's speaking, and he says, "I'm only going to speak for two hours, I have to go someplace. I'm only going to stay for two or three hours," which is far more than most pastors would do, and then five or ten or fifteen or twenty hours later, Father's still talking, and I'm thinking, I'm less than half the age of this man, and he's doing all the work, but I feel worn out. I feel worn out, but I'm thinking, this is just one day a week.

We were able to usually see Father on Sunday, right? So, can you imagine, not just one day a week, but seven days a week living with this kind of person? Father's pushing himself twenty-four/seven, basically, which means anybody around him is also being pushed. I used to have a lot of sympathy for leaders. I know many leaders made mistakes, but to be honest, I personally felt a lot of sympathy for those leaders, because to be in connection with Christ is not easy, because he's leading a war against Satan. This is not for some whims. This is not for people... Your fighting a war against Satan, and to be around the General of the war is not easy; so, I actually have a lot of sympathy for the leaders, and I have a lot of sympathy for Mother as well. It is the most difficult position of any woman in history. I believe Mother was in that position, and that's the truth. We should not forget that.

The second thing is, the Bible shows that Satan is ready to invade at any moment, and at the last moment - the moment you think the victory's been achieved. I used to struggle all the time, because Father used to make these declarations of great Cosmic victories; and, from where I was looking, things didn't look so rosy, sometimes. In other words, Father would be declaring these victories, and I understand now more why he was doing that. He's claiming a victory, claiming territory, claiming God's territory; so, I understand more, now, but at the time, I sometimes didn't understand.

The truth is, even when... I mean, you all know the story about Abraham, right? God told him to cut the heifer, the ram and the dove; and, the heifer and the ram, that's a lot of work, okay. It probably took him several hours to cut this huge beast in half; and, there was this little tiny dove, and he said, "Oh, I'll do that in the morning." Miho, (Richard's wife) sometimes I'd promise to do something, but I'm so tired. I'll do that in the morning. That's what happened to Abraham. Satan was ready to invade at the last moment; and, the unfortunate truth is, there was one final test that Mother had to do without Father's help, when he was not there. The Bible says that Abraham went to sleep. Father went to sleep, too. Father went to Spiritual World, and he wasn't there; and, Mother had one last responsibility, which was to lift up Father as her Lord, as her husband, and that's the one thing she has not been doing.

Even Father said, there's a speech where Father says, "Mother in the position of the God of Day, has to lift me up, meaning Father, as the God of Night, and, if she does not do that, there will be a big problem." Father's very clear about this, actually.

Mother's Rebellion: Why did all this happen? Why did this historic tragedy happen?

There was give and take with Hyo Nam Kim and others who fed her resentment, encouraged her to think that she knew better than Father. We all encouraged her to think that she knew better than Father. You know, Spiritualists, I think we've seen in the Unificationist Movement, I noticed that Father, I know approach every situation, like, how is God working in this situation?

Initially, Father did accept Hyo Nam Kim in her role as representing Dae Mo Nim and so on. Father gave her directions to stop doing the Ancestor Liberation Cheongpyeong; but, Father was always looking at, how was God working in this situation? This person here in front of me, what does God want to do with this person? Father's always looking for that, right? Unfortunately, particularly with Spiritualists, we have to be careful, because they may be connected at one point to a very high spiritual world, or to God, but sometimes a little bit of ego creeps in, or something different comes in, and they're going off in a different direction; and, it is very apparent, Mother met with Hyo Nam Kim many, many times, even while Father was speaking. We sometimes saw Mother leave. Apparently, in the last years of Father's life Mother would be meeting with Hyo Nam Kim, while Father's speaking, and what is Hyo Nam Kim telling Mother? You know better than Father. Father's too harsh. You know, Father was harsh.

Father can be like we've been talking about, right? Mother was in an impossible situation, okay. I don't think any woman should envy the position that Mother was in. To be the Bride of the Messiah, we think it's very glamorous. No! There was suffering there. There was suffering in Mother's position; and, I think we all know here in this room, the only way we can overcome suffering is by offering up to God.

That's true for all of us. All of us, once we start to think, "Oh, this suffering. You start feeling pity for yourself. Satan has his claws in you right there, okay. I got you. You start feeling sorry for yourself. You start feeling, "Aw, I don't want to do this." You turn your attention inward. The only way to overcome suffering is to say, "Heavenly Father, I can't take this. I can't deal with this, unless you help me." That's what Mother should have been doing. That's what she should have been doing, and that's what we all need to do.

Mother's Rebellion, continued – Mother was no longer will to be an object to Father. She NO LONGER "believed in [Father] more than in her own father, grandfather or elder brother." You can see this. She's [Mother] praising her own lineage. "Oh, the Han lineage. It's the greatest lineage in human history."

It's funny, Andrew Wilson in his presentation, this lecture that he gave to the Leader's Association, probably last year, he's actually making fun. He said, "Why are we talking the Han Lineage and the Moon Lineage? There's only God's Lineage." Yeah. Yeah, Andrew, and Mother is talking about her own lineage as if it's something we need to be concerned about. Why don't you talk to Mother about that, Andrew? If you really want to help Mother, why don't you talk to her about that?

Mother wanted to be the Subject with absolute power to overrule Father. She wanted to be the Subject with Absolute Power to overrule the Heir and Successor to whom Father and she anointed in 2009. So, do you really know what's going on in the Unification Movement? This! The Messiah, and the victorious Cain and Abel, and the victorious Successor that Father repeatedly chose in 2008, 2009, 2010, 2011 and 2012? They're being erased.

You know, if you have an X and Y Chromosome, Mother doesn't seem to like you too much. Why is that? I'm curious. What is it about men that Mother doesn't like? I mean, we could speculate. Her father abandoned her, you know that, right? Her father abandoned her when she was a child, okay. We could speculate.

The good news is, that, despite Mother's tragic failure at the end, the legacy of True Parents did not fail. The FULL AUTHORITY and Blessing of True Parents have already been passed onto Hyung Jin Nim and Yeonah Nim in 2008 and 2009. Thank God! Thank God!

Father knew. Look, all this confusion and division. Father knew this was quite likely to happen, and he did everything he could to prevent it. Thank God, that Hyung Jin Nim and Yeonah Nim are standing up in their position.

Some people say, "Well, if it's true that Mother has failed, then what about the True Mother position? That is a very, very important question. It is. Fortunately, Yeonah Nim has restored Mother's failure. On April 26, 2016 Yeonah Nim pledged to surrender to the Messiah's lineage, something Mother did not do.

On May 24, 2015 Yeonah Nim bowed to her husband, Hyung Jin Nim, and son, Shin Joon as the Second and Third Kings of Cheon Il Guk; so, Yeonah Nim is restoring Mother's failure; so, I think we should thank Yeonah Nim for that. Thank you!

We all have a choice to make. After his removal in 2013, Hyung Jin Nim prepared for two years to fully embrace and proclaim what his father said about him and to confront Mother's rebellion in public; and, Yeonah Nim explained in the interview that after he was fired, he was trying to help Mother to do the right thing. He was going to her, and begging her not to change Father's words, several times.

He knew he would be vilified by the entire Unification Movement as an angry and unfilial son. We've seen the insults that have been levied against him. The mockery. "The Naked Prince in Pennsylvania." You've seen these things. The mockery and contempt that's expressed towards him. Dr. Yang should be ashamed for what he said. Ki Hoon Kim should be ashamed for what he said. They should be ashamed for what they said.

Despite that mockery, Hyung Jin Nim stood up. Hyung Jin Nim is standing up to preserve Father's words, lineage and legacy. In case you haven't noticed, Hyung Jin Nim and Yeonah Nim have much to offer the entire Unification Movement and the entire world. Is that true, or is that true? That's true!

You know, when I compare the content coming out from Mother's speeches, and I compare them to what Hyung Jin Nim is saying, Hyung Jin Nim is talking about the whole world. She's mostly talking about her own position. To me, there's a big difference.

So many different things Father was doing. I can see Father's nature in Hyung Jin Nim all the time. All the time. The most important thing, this is the son that Father trusted, chose and anointed.

I want to talk about the Future of the Sinless Only Begotten Daughter Sect.

- It is basically a new religion that's based on a non-biblical theology centered upon the "Sinless Only Begotten Daughter" that rejects and revises the words of Sun Myung Moon.
- It's based on a dualistic theology that asserts a morally superior "Heavenly Mother" vs. a vengeful, vindictive "Heavenly Father" and a Hak Ja Han who saved her husband, Sun Myung Moon. That is the teaching of the Sinless Only Begotten Daughter heresy.
- It has a lot of resemblances to the Roman Catholic Church in its attempts to control access to the words of its access to the words of Christ and a Supreme Council that mediates between "True Parents" and its "followers."
- It lifts up Mother as the "Sinless Only Begotten Daughter" similar to the Roman Catholic Church's worship of "Mother Mary" who is believed unbiblically to be born sinless.
- They even built a huge building to make it look like the Vatican, okay.

I'm sorry to say this, because I love my brothers and sisters in the Family Federation, and I hope they can wake up, and I hope they can have courage. Brothers and sisters in the Family Federation, some of you know that what I'm saying is true, but you're afraid. I understand. You have to sacrifice relationships, maybe someone within your own family. Your children, or even your husband or wife, or with other Family Fed you've known for many, many years, or maybe there will be financial costs for you to stand up for the truth; but, when you go to Spirit World, don't you want to be able to see Father? Don't you want to be able to say, Father, I stood up for you? When you needed me, I stood up for you, Father. Don't you want to be able to say that? I mean, why did we join the Unification Church? Why did we go through all the incredible things we went through, if it wasn't because we feel in love with Christ? What other reason could there possibly be? Did any of you join the Church to become rich and popular? I don't think so. What other reason could it be for you to possibly come this way; and now at the end, are you going to say, "Well Father, there are too many social consequences. I'm going to keep my mouth shut." Don't do that. Have courage. God will help you. God will help you.

Let me talk about the future of Unification Sanctuary.

- Unification Sanctuary started quietly in a cold living room in rural Pennsylvania in 2013. I know, because I came sometimes, even though the Family Federation leaders said, "Don't go to Pennsylvania." I love this couple, and I love message they were teaching about God and Christ, and Father and Jesus; so, it was cold in that living room. I wore my overcoat, but on the inside, I felt warm, because God's Spirit was there.
- "Breaking the Silence" 2015. So then, after two years, Hyung Jin Nim broke the silence, and said all these shocking things – shocking things that no one could believe. Things that we did not want to hear.
- It has a biblical foundation that honors Jesus and Sun Myung Moon as Christ and the Lord of the Second Advent; and, it honors the Heirs and Successor. It's based on a culture that honors individual freedom and responsibility, and a relationship with God, and Father's Absolute Sex Teaching.
- In 2 years since "Breaking the Silence, 10,000 brothers and sisters have "returned to True Father's Authority from 60 countries. That's an amazing achievement.

Thank you for listening. I had mixed emotions for preparing this talk, because it is such a painful thing to think about. It really is; but, the good thing is that God is alive. God is alive, even though things don't go the way you expect. No Hollywood screen writer could have written this script. I guarantee that no one would have purchased this script at all. They would have thrown it out. It's totally unbelievable; but, God is Good. Thank you! Thank you!

Hyung Jin Nim's last comment: Let's give it up one more time for Dr. Richard Panzer, everybody! SOS, come on up. Alright everybody, let's all rise-up, and give all the glory to God. Amen-Aju!
