

THE FINAL KINGDOM ~ JULY 30, 2017 ~ REV. HYUNG JIN MOON ~ NEWFOUNDLAND, PA

The Final Kingdom. It came and went so quick. We are here in the final three Scriptures of the Kingdom Scripture series; and, now we're in the Book of Revelation, and we are in the final three Scriptures about the Kingdom in this whole study. How long have we been doing these Scriptures about the Kingdom? Maybe a year or something?

We started in March of last year. That's more than a year. Wow! We've been doing this series for quite a bit. It's really people themselves that neglected it. It's Jesus himself that defines the Gospel of the Kingdom, and we just been told from state run churches that's not the Gospel. The Gospels about the Cross; or the Gospels about this or that. The Gospel itself is about the Kingdom. Jesus himself identified and defined it that way. I've shown all the Scriptures, dozens of them, and attested to that. Maybe after we do this series, we will try to get it into a print fashion; so, it becomes a book, or something like that. That way, everybody has those Scriptures. Some of that is even in the Cheon Il Guk Constitution, okay, which you'll see in the introduction to it.

So, we are now in the final Kingdom. We're in Revelation, Chapter 1, today. We are now entering into the Book of Revelation. The Book of Revelation is a very mysterious book. Let's look at it. We are in Chapter 1, verse 9, and we will go all the way into verse 20. Let me get a little closer on this.

Revelation 1:9 I John, who also am your brother, and companion in tribulation, and in the kingdom and patience of Jesus Christ, was in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ. 10 I was in the Spirit on the Lord's Day, and heard behind me a great voice, as of a trumpet. 11 Say, I am Alpha and Omega, the first and the last: and what thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea. 12 And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks; 13 And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle. 14 His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire; 15 And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters. 16 And he had in his right hand seven stars: and out of his mouth went a sharp two edged sword: and his countenance was as the sun shineth in his strength. 17 And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not, I am the first and the last: 18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. 19 Write the things which thou hast seen, and the things which are, and the things which shall be hereafter; 20 The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches and the seven candlesticks which thou sawest are the seven churches. Amen!

What a mysterious chapter. Of course, all the Book of Revelation is very mysterious. That's where you get the word "mystery" here. The mystery of the Shemitah, the mystery of Rabbi Jonathan Cahn loves to preach about. The different mysteries of the Scripture. Here we are entering into the mysteries of the Kingdom. Now, let's zoom in on some of this stuff here.

In this first verse here, in verse 9, as John is writing the Book of Revelation of the Island of Patmos, and he is in the Kingdom and patience of Jesus Christ. Now, as we did with all the Kingdom Scriptures, we can see the Kingdom Scripture of obviously from a microcosmic and individual level. Also, a macrocosmic national level, because we are talking about a kingdom that is to come. We can talk about a macrocosmic Kingdom in the future of an actual place. Christians aren't afraid. Every day, he prayed this single prayer every single day.

"Our Father, who art in Heaven, hallowed be thy name. Thy Kingdom come, thy will be done on Earth as it is in Heaven, etc, etc, etc." We're supposed to be praying every day for the Kingdom of God to come to Earth, not a celestial Heaven. Not just as a state run church has been saying about a spiritual kingdom. We're talking about a physical Kingdom, where Satan's Kingdoms, and all the Archangels come trampled underfoot, and become the servants to the owners of this world. This is not just a spiritual Disneyland. It has to be a real Kingdom. A real Kingdom.

Now, it's interesting. I want to get into each one of the churches, and we're going to look at each of the warnings that's given to each one of these seven churches. We're going to look at all the Scriptures. There's a lot to get through today; but, I'll try to move through this relatively quickly. John is in the Kingdom and in a patience of Jesus Christ.

The Kingdom, obviously, is not physically there, yet, even though the Christians are supposed to be praying from them. Even at that time John is writing on the Island of Patmos for the Kingdom to come, now; but, they are continuing to live in the presence of Jesus' Spirit. It's a spiritual kingdom, which is not the end goal. It is something that has happened, due to the failure the disbelieving people, and of course, the murder and crucifixion of Jesus; so, now you have spiritual salvation, and now the Providence has to move through the process of preparing the way for Jesus return.

What you have in the Kingdom, the center is the King, is Jesus, is Christ. It's the Spirit of God. It's the Spirit of Christ that, what does it say? "**in the Kingdom and patience of Christ**" that is patiently over his people, and people are even spiritually waiting for him, Jesus Christ is patient with us.

In the Kingdom on Earth, at the macrocosm on the national level, we have to see that this will not only, obviously, even though it's a Physical Kingdom in the future, it also is a Spiritual Kingdom, so it's both. We can't exclude either. We can't say it's on a Spiritual Kingdom or only Physical. It has to be both.

We talked about it, even in the lectures on the Cheon Il Guk Constitution, with the five branches of power. Also, the free press. The media being another power bloc; and, also, the final real power bloc towards God, because that's where all the rights come from. That's another power bloc in Cheon Il Guk. Is God, not only in God's presence, not only in the Constitution, not only in law, etc. but, over the nation. This is a Spiritual Kingdom that has a physical reality. It's both.

It's interesting here, that there's a voice all of a sudden. John is writing, and there's a voice. What does it say here? Look at this? People don't notice this. "**Behind me a great voice.**" Did he say in front of me a great voice? Isn't that interesting? Christianity has just passed by God's Kingdom, as it got taken over by the State. It's almost like a revelation for the current time for this Scripture. It's almost like a Rhema for

the current time. It's a warning reminding Christianity. Look, you now just passed by the reality of God's Kingdom and the Kingdom Gospel.

In state run Christianity, prior to Donald Trump and the Evangelical Movement's really starting to get patriotic and sovereign based once again with alternative media folks like Alex Jones and Breitbart and Roger Stone and Mike Cernovich and Veritas and James O'Keefe and all these kind of people, who are starting to bring back stronger evangelical sovereignty based audience. Not only is this growing, because the Spirit of God is coming more powerfully to the Earth than the lies of Liberalism, and the lies of Progressivism, and the lies of all that cloaked in nice new terms. Fancy terms, but really Communism. It's just simply Marxism. Communism. It steals from people and give it to your political benefactors. Centralized power, so you can use force to destroy your opponents. Monopolize and collude with large corporations, mega-international corporations, banking corporations, you name it. It just becomes a Mafia. That's all it becomes.

333333That's become now more and more exposed. Now, all these young people in schools are now starting to see them, because they actually have different funnels of information now. Not only from their professors, not only from CNN, they can look for themselves on the internet and find alternative voices, who also are young, like Paul Joseph Watson and Millennial Millie, whatever. All these young people who are smart, who are logical, they are rational, and they are speaking Conservatism is rational. You have to use your brain. You have to think. Don't just get sucked into this cult, because your Marxist professors are just telling you to do this or that.

Don't just buy into free sex culture. Hey, there's something called having a long-term relationship like marriage. Hey, what a novel idea. It's only the bedrock of all of human history. All these innovations, "Oh, I'm so creative. I'm going to be this or that gender. I going to be this or that sexuality." You're not creative. You're making fun of everybody. You're doing the same stupid crap we saw in the Old Testament. They were talking about that. You're making fun of the Old Testament being so old. You're so old. You're just following the same old ancient stupid serpent. That's all you're doing. You're not creative. You're not new. You're not innovative. You're the same dumb idiot ten thousand years ago. You're thinking you're new, because your same Marxist professor at Amhurst College told you so. Give me a break! Ridiculous

So, people are waking up. It's interesting, because it's almost like a word for this day. The Spirit of God is called from behind. It's almost like these fools running for it, thinking they're making the Kingdom, and God is calling from behind thinking, "Hey, wait a minute. Where are you running off with the Catholic Church? Where are you off with the UN? Where are you running off with this Hillary Clinton and Obama? They're talking about they're the new Messiah, and they're talking about they're going to create world peace for humanity by Socialism and Communism. They never call it that. They always call it Progressivism and Modernism and Neo-feudalism, all these kinds of things, which simply means slavery.

People are waking up to it, because they have people on the internet that can speak out against it that give an alternative opinion. That can debate them, and they can break down their arguments. This whole tactic of saying, "Oh, your disagreement. You're a racist and a misogynist and you homophobic and your Islamophobic, blah, blah, blah." It's just not working any more. White people are not being scared any more of being called Islamophobic. White people are not scared anymore being called racist. White people are not scared anymore being called misogynist anymore. Okay, so you can really

guilt/shame the White folks anymore. Everything you do, "Oh, you're racist. You're a misogynist." You can't guilt/shame men; so, people are seeing through it. They're starting to see through it, and see through the pack of lies.

Now, it's interesting, because this big voice comes out from behind as a trumpet. Isn't that interesting. Sometimes, the Bible says a trump or trumpet. What's interesting is, there symbolic. It's very symbolic. It's very symbolic of the Rhema.

You know, Trump is firing all these whistleblowers and the leakers. Priebus is out. Finally, finally, finally, the traitor is out. All these kind of people, we've been saying, get out, get out, get out. He's finally kicking them out; and, everybody knows they're the leakers. They've been against him since the nomination run. It's just ridiculous. They're completely establishment.

All the anti-Christian, all the Luciferian, all this Christian-hating crowd, all these people who are in this cult of self-worship, of narcissism, of wanting to control people, of wanting to lecture people about why they should listen to them, victimizing minorities and keeping them poor. All this kind of stuff is just going to break down. People are going to see through it. People are going to see through that this is propaganda, Marxist propaganda.

These people don't care for the poor. These people don't care about minorities. These people don't care about you or your family. They're openly trying to hypersexualize your kids. They openly trying to get the stupid UN program to teaching children how to masturbate at five years old. I mean, this is insane. Insane.

Canada is having he first general neutral baby. They actually got it past. They didn't determine the sex on the birth certificate; so, that the child can choose what they want. There's a reason why civilization never does this kind of insane behavior. When they do it, your civilization collapses. You have no moral reality. Everything is based on feelings. Everything's based on political correctness. Everything's based on this ridiculous arbitrary status quo. It has no basis in biology or reality, or actual social dynamic structure. It doesn't have any reality to that. It's simply illusion. It's a cult.

It's a complete ghetto social identity system that scrabbles their brain so heavily. It makes them mentally ill, so they will never stand up to the elites. There so hyper focused on this or that gender identity issue, or this or that color that was racist to them, or White people should be banned from college classrooms. If the teacher doesn't agree with that, well, we have to go and picket the teacher. I mean, this is just open racism, open misandry, or hatefulness towards men. Just open, in your face, Satanism. You know, trying to support NAMBLA, and organizations that are trying to reduce the sex age limit for minors. It's already getting into that in Germany that was fifteen years old, where the age a sexual consent is at fourteen years old. In Germany, it is now fourteen years old. What the heck does a fourteen years old kid know? They are dumb bum at that age. They could be preyed on so easily at that age, and they give legal status to consent to have sex with an eighty years old man. Some dude can come up to your house and say, "I'm here to date your fourteen years old daughter." This is ridiculous. Of course, they are always trying to push that age down. Down, down, down. The UN is saying that ten years olds have sexual rights. They're coming after your kids. That's why you better not let go of your guns.

So, it's like the Spirit of God is shouting, "Don't go. It goes so far;" and, there's a trumpet's that is blowing over the world, because the Trump Revolution is spreading. Look at this. This warning is given to the seven churches. This is Asia, we're talking about, or the Middle East. We have the different Churches there, which we'll get into. Let's get into a little detail. Let's skip over that for now.

Now, it's interesting. Then John "**turned to see**" in verse 12. That's a real symbol of what is happening now in this political atmosphere. Christianity is starting to wake up. Christians are starting to realize, wow! Centralized Christianity is not real Christianity. They're leading us to the same path as Obama, Hillary, the Bilderberg Group, the Davos Group. Total control. Total totalitarianism. Total serfdom. That Christianity is leading us down that path. They're one in the bed with the Devil leading humanity down the path, just justifying with a couple of nice words about Jesus Christ, sometimes; but, they are leading us into the slavery of the Archangel. You see the Pope coming out and saying, "There should be carbon tax. You should let the Muslim Invasion happen in Europe, and everybody should just let them pour in; meanwhile, he lives in three hundred foot walls around the Vatican. Ridiculous! People are sick of these fake leaders.

J.K. Rowling is making a total big story. These elites are so arrogant. This week, she's tweeting out. She's the one who wrote Harry Potter. She's talking about these migrants, and about the whole Trump thing. She's always attacking Trump. Of the eleven million tweeter followers, she's just attacking Trump all the time, which are complete lies, pushing a completely totalitarian agenda. Allying with the Progressive Left, which are just Communists. Allying with the World Government Communists. It's just ridiculous to see these kinds of leaders. It's so wicked. It's so selfish. She goes and lectures people on the media about why they should let Muslim migrants from totally war-torn countries just pour into Europe; meanwhile, she has umpteen mansions all over the place. She's got plenty of rooms. Not one migrant is allowed to stay in those rooms. Maybe she should show the example. Open up her mansions, and her swimming pools, and all those nice places to all the migrants, before she tells everybody else to let them into their house. How about that? Is that a novel idea? These people are just complete moral posturing frauds. Such frauds.

There's a turn back. As one turns back to see, as Trump surrounds himself more with Christians and Evangelicals, he wants to be around Christians. He wants to be prayed for. He's asking, "Pray for me." You know, he has preachers come and pray for him. There's nationwide prayer circles, now, for Trump, as information from the Deep State comes out. Just this past weekend, Pastor Brown, a South African Pastor, who's now an American citizen, who is now a patriot, and a real patriot, and an Evangelical Christian, is out openly saying, these people told me, a Congressman told me that there is an open coup in the Federal Government, and they're going to plan to take Trump out in the next thirty days, or so. They are letting the levers go. They are signing off. Do it! Their system is imploding. Pastor Brown is off. He had the Secret Service visit him right after he was on alternative news. Secret Service came to visit him. This is no joke. There putting their lives right on the line. This is not a joke. You talk wrong about the Mafia, you get wacked. It's as simple as that. This is the biggest Mafia in the world. You talk wrong to them, you get killed, okay.

So, we have people like that, who are coming out on the macrocosm, trying to pray for Trump, organizing prayers for Trump. Everybody's prayers have power. We are telling God. We are reporting to God. God already knows, of course; but, we're acknowledging that we're in union with God, and His understanding. We can decipher because we love Him, because we follow Him, because we can

decipher between good and evil, and we can see what is good and evil. We can confirm, when we pray and report to Him; and, then God can come and get involved; so, it is critical that we be praying for Trump at this time. He's under tremendous pressure. You understand, he's up against the most dangerous Mafia in the world. In the world. It's not like there is just one group. There's a couple of competing groups; but, they will ally together to wipe out their opposition, then they'll infight; but, they are allying together to get rid of their opposition. To stop Brexit. To stop Trump. To stop Poland from pulling out of the EU. To stop the Czech Republic from giving people the Second Amendment, from giving them rights to guns. They're trying to stop every single one of these motions, which are now happening, worldwide, now in Europe, in Eastern Europe, when they're trying to break away.

This is reality. You can't hate people. You can't call them crazy, because were informed. There's people who call you crazy because your informed, they're the ones who are ignorant, and usually they are speaking out in political correctness, or they just been trained that way in the colleges to just to be insulted, when somebody gives them opposite opinions, or opposite views of what they've been indoctrinated with by their professors. There just having a psychological reaction. It has nothing to do with reality; but. It is important to continue bombard and tell the truth to people, because at some point they do have to face reality. Turning to see now how God is calling out towards them, who is calling to give them revelations.

America is turning, turning to see now, how God who is calling out towards them, who is calling them to give them revelation, and to give them a new Kingdom, which He has prepared for them. Wow! You see, the Scripture speaks to us, today. The Scripture is not a dead book. It's not some historical book that you just read. It is a living Word, folks. It is a living Word. It comes from a living God. It speaks to us right now. We have walked right straight past God into the pit of Hell, and we're starting to turn back. That is incredible. America's starting to turn back. There's a time for tremendous revival will be coming.

People are starting to realize that whoa! Yes, all these groups are allied to get rid of Christianity, and hundreds of thousands of Christians are being murdered, and behead by ISIS in Syria; and, not one peep out or the media. Christians are being persecuted throughout the Middle East, and not one peep. Christian women are raped, sold as sex slaves in Africa, in North Africa, you name it. Sudan, you name it. Not one peep; but, the want to go all day about Trump and Russia, which there is no evidence about, but they want to make things go, Russia, Russia, Russia, Russia. Oh, and Trump was three years old, he met somebody, who knew somebody, who was connected to a Russian. It's ridiculous. It's ridiculous! Of course, that's why their numbers are tanking. CNN is flopping. All the traitors of CNBC like Megyn Kelly is flopping. Everybody can see right through it.

Obviously, you have the brainwashed cultists. This small little group. Maybe, they pretend to be bigger on the air, but just a couple of hundred thousand. A million at most. They are the real hardcore brainwashed people, who are part of the Deep State. The other ones are pushing the media. These comedians like Colbert and all these idiots who just pump and slam and hammer you with propaganda, with "Hate Trump. Hate Trump. Hate Trump. Kill Trump. Kill Trump;" and, you hear just everything he does is evil. "He's a Nazi. He's Hitler. He's Hitler. He's Hitler."

They're really so pathetic. They're so weak. They're just behind their little CIA desks trying to write up disinformation. Disinformation to confuse the public; but, now people are waking up. They are waking up. People are starting to wake up. If you told people three years ago about InfoWars or 9/11, people

thought you were nut case crazy. They say you wear a tin foil hat. You are a nut bag conspiracy theorist. Now, three years later, three years later, the President of the United States is on InfoWars. The President of the United States is bringing out things about 9/11. Senior top officials are now coming out about all those kinds of things. Now, you have the Left. They have become conspiracy theorists with Russiagate. They have become tin foil hat wearing conspiracy theorists with no evidence. It's a complete flip around.

Now, everybody knows that George Soros is one of the enemies of the international community. Poland, the Prime Minister publically coming out and saying George Soros is an enemy to Poland. I mean, when did you get this three years ago? This is unbelievable. It's a total flip. Now, people used to bully you because you know truth, and you had facts, and you had info, and you pierce through the different disinformation propaganda, which they were too weak to do; but, they were just trying to bully you into make you feel guilty for knowing something, for seeking truth, while they are in their cult of comfort. In their cult of liberalism and Progressivism, and they think they're on the winning side. They are so trendy and liberal, and all this celebrity cult. They are so attached to that propagandizing. That whole stupid braindead pot relation. They think they can try and bully you and say, "Oh, you're so...Everytime they feel defeated. Oh, you're a racist. Ah, you don't agree with this or that. You're just ridiculous. Name calling. Name calling. Name calling. That's all they can do. That has now been completely destroyed. They are no longer scared of that anymore. Their tactic of calling just White people in America are racist and misogynist, and all Christians as Islamophobic, or all Christians as misogynists. That don't work no more, because there is plenty about Islam on the internet; and, if you want to know, you can find it and compare Islam ethics with Christian ethics, and you'll see a very big difference. Do you understand. Ridiculous!

The country is turning. As Trump is surrounding with more prayer. As Trump is surrounded with more people who are praying for him, his spirit is calling out. His spirit is craving for the Spirit of God. His spirit is craving guidance from the Almighty. His spirit is completely coming into union with the fact that without God, nothing is possible. He cannot defeat this evil force without the power of God, and seeking truth and his righteousness. Trump is now starting to lean very heavily. His faith is growing. You can see, he's calling people to pray over him. His rhetoric about God is different in speeches.

Did you see the veteran's speech he gave? Wow! He's talking about God, God, God, God, God, Jesus Christ, Jesus Christ. I mean, this is incredible. What a phenomenal change. The fact you can say "Jesus Christ" in American public discourse now. That used to be banned and illegal. You could say Mohammad all day. You could say the Shaadi. You could quote the Koran all day long, and you'd be called wonderful. If you just say, "Jesus Christ," and not in a curse word fashion, they were fine with that; but, when you're talking about Christian values that come from Jesus like, protection of the children, protection of widows, protection of the poor, no exploitation of the poor, instill people with sovereignty, they're above the Kingdoms and the nations of the world, all these things that come from Christian ethics, the foundation of the abolition of slavery, the vote for women, all these Movement in the twentieth century were started by, surprise, Christian values. The nation is starting to turn. They're turning, but we are at a crossroads. It is a tremendously dangerous time.

Now, at the end of Scripture it said, '**seven golden candlesticks,**' he wanted to say that the Spirit of God here tells John that are, again, seven Churches, which we'll get into. Look at this? I found this to be very interesting here, when he actually see, the progenitor of that voice. He sees one like unto "**the son of**

man, clothed with a garment down to the feet, girded around the paps with a golden girdle.” That means like the chest. The paps are the chest plate, or breast plate area and that is like a sash. Golden girdle is like a golden belt or a sash.

So, there you have it. I was always wondering what are the colors of the Kingdom. There you go. You have the color white. You have the color gold. You also have the color of fire. His eyes like flames. You also have the color of fire, and of course, you have a sword that protrudes out from his mouth. His feet like fine brass as they burn in a furnace. Wow!

The Kingdom must walk through the fiery furnace to see this image. The Kingdom. Look at that? It says, his feet were as brass as though he had walked through a furnace. The path that Christ has to walk to establish his Kingdom is like a fiery furnace of torture and tribulations. Hard times. You name it. Suffering. Indemnity. You name it. His feet are a testament. The scars on his body are a testament to his sacrifice for the establishment of the actual Kingdom on Earth. Look at this. The sound of many waters, because there's times when Father said he was on the ocean and the waters, he could hear the voice of God. That exactly comes out of Revelation. Did you know that? Did you know he was quoting Scripture? It's right there. Look at that. **“His voice had the sound of many waters.”**

Verse 16, He had in his right hand seven stars, and out of his mouth went a sharp two edged sword.” Where did you see that? A two edged sword. The sharp two edged sword.

Verse 17 continues, **“And his countenance was shineth in his strength.”** Now, people used to say, you saw this vision of True Father and his face shown like the sun; and, so Lucifer actually means light bearer, so when you see Lucifer, he's really the bringer of light. No. Lucifer is just a reflection of the True Creator, God, who is the true bringer of light, whose face shines like the sun. Lucifer is just a counterfeit light. He's the reflective light. That's all he is. He's not actually himself. He's holding the light. That means he's the light bearer. He's reflecting God's light; but, he trying to trick you in saying that, “I am creating that light. I am God. Worship me.” Don't be fooled by somebody, by somebody like Lucifer, just because he's shiny. You see how that is? There's just a little double play on that, in that statement right there. Don't be mesmerized by shiny sparkly things.

God's face is as the sun, shining in its full brilliance and glory. It is not Lucifer. Lucifer is the counterfeit. Some people have spiritual experiences. I've had incredible spiritual experiences with Father. He came to me; and, I shared this many times. That's when I got the revelation of the seven deaths and seven resurrections that Father had to walk through in all the courses. Imprisonment. Incarceration. Torture. You name it. The death camps, all that. He walked through those for the different levels of liberation and indemnity from the individual, family, the tribe, culture, etc. You name it. When I received that revelation, I had this incredible vision of Father, and his face shining like the sun. It was coming to me, and I could see this double world, where Father was in prison, and the same time he was in Hell. He was tormented and tortured in Hell in spirit; and, he gave me this revelation. It brought so many Unificationists who understood that. There was incredible revival and spiritual experiences, and spiritual phenomenon were happening.

You have to understand, many people in Sanctuary may have had visitations from Father, had direct spiritual experiences with him. They saw a shiny face; but, then some demon told them, “Ah, I think that's Lucifer, because Lucifer means light bearer.” You idiot. Lucifer is just a fake light. He's like the

camera guy, when the person is taking a picture of a model, he's like the one shining the reflective light upon the model. Then he's saying, "Look, look, I'm making the light." No, he's not. All he is, is an underpaid person holding the reflective mirror thing. Did I say underpaid. Overpaid, who came out of Vanderbilt University with \$200 thousand debt from his student loans. That's all it is.

You see True Father, and he visited you in this incredible spiritual experience, and there's all this light. Well, when you met the son of man, you see God, even in these visions, he's like the sun. Don't let the Devil confuse you thinking that they know about Scripture saying Lucifer is the light bearer. No, all he is doing is reflecting light. He's just using God's light against you, so you get confused, and think that he's the Creator and progenitor of it, when he's just the holder. He's holding it to gain power. He's holding it to twist you and trick you, to make you surrender to him. Don't be ashamed when you have a spiritual experience that's powerful, and True Father's there, and you see his spiritual visage, like Transfiguration like the disciples on the mountain that saw Jesus in his true nature, and his brilliant true powerful spiritual brilliance, because the Spirit of God will lead you to hid righteousness.

That reflective light of Lucifer will lead you to self-worship. He will only tell you good things about yourself. He will tell you and trick you with seductive words, and that you are all that, you are wonderful your perfect. You don't need God. I'll give you all the freedom. I'll give you those things, that kind of thing. They just lead you away. You're the true light. Didn't Jesus say, "You are the true light as on a hill." You're supposed to be that light. It comes from you, actually.

It's just like the stupid trope. Young people are so brain dead. It's like anybody who's in the whole cultural world that's been brainwashed and indoctrinated by the Left and Progressivism. It's part of their religion. It's like core Luciferian doctrine; but, they don't call it Luciferianism, but, they may have many different branches of it, different genres of it, different manifestations of it, but really the core is the same. It's still self-worship. It's still not acknowledging a sinner before God. In order for you to be perfect, you need Him. Even before Father came, there are so many Family Frauders who are complete Luciferians. They literally thought they could reach perfection, because they thought they heard from some lecturer in Divine Principle without God. It is ridiculous. It is ridiculous.

Verses 16 and 17, "And he had in his right hand seven stars; and out of his mouth went a sharp two edged sword; and his countenance was as the sun shineth.... And he laid his right hand upon me," Now, it doesn't say what happened to those stars. What happened when He was holding those stars, **and he laid his right hand upon me."** What happened to those stars. We don't know what happened to those stars. That's very mysterious; but, that comes out more apparent as we study about what happens with these seven stars of the churches, okay.

Verse 18. **"I am he that liveth and was dead,"** that's what God says. The Spirit of God lives in Cheon Il Guk. Cheon Il Guk is centered on the Spirit of God. Now, the freedom of religion, the freedom of the press, the right to bear arms, all those kind of things, there's freedom, tremendous, tremendous freedom; but, there's also responsibility. It's not total unabashed Progressivist freedom, which is simply the license to be irresponsible. This is freedom with responsibility, meaning, if you scrub your life, you are going to pay for it. You make the wrong decisions, it's your business. You are going to pay for it. You treat your contracts bad, your name is going to go down. You're not going to big daddy archangel, and force people to steal money from them. You are going to have to be responsible. You going to have to treat people well. You're going to have to be an honorable person, when you do business. You are going to have decide what is good and evil. Who's trying to screw you; who's trying to help you. You are going

to try to have powers of discernment. You are going to have to know the difference between right and wrong.

The Spirit of God lives within that culture, because in that cultural, which is based on all that freedom, which comes from the Lord of the Second Advent. All those freedoms which we have enjoyed in Cheon Il Guk, that are descendants will enjoy in Cheon Il Guk, all the prosperity, all success that they will enjoy; but, all the sense of responsibility being part of the peace police/ peace militia, being realistic, being a part of defending your neighbor, the culture of defending your neighbor and innocent people. All that will be a product as delineated in the Constitution, which is a product of the Lord of the Second Advent. It will be a living product of him, a living fruit. He is alive in that culture. That doesn't mean everybody's perfect. That doesn't mean everybody's a saint. Everybody's flying around, like candles flying around with sticks in their hands saying, "Hey, I was in Revelation, Chapter 1." No! It doesn't mean that; but, you'll have the maximum amount of the people.

You'll have the none psychopathic class, which is about fifty percent of the people, trying to be honest and trying to take care of their families, trying to be hard working Christians in the culture. You think America has a strong evangelical class, boy, Cheon Il Guk is going to have a very strong Christian culture. Huge Christian presents, because by default Sharia Law is banned from Cheon Il Guk, because of the allowance of pedophilia, the allowance of childhood marriages, the allowance of sex slavery, all those kinds of things. You know, female genital mutilation, all those kinds of things are banned, locally, because people won't allow that in a strong Christian context, where the Constitution is based on strong Biblical and Divine Principle truth.

So, you will see the Cheon Il Guk in a very strong Christian presences; but, of course, you'll have all these little trendies who are trying to be creative by studying Buddhism, and this or that paganism, all those kind of things. "Hey, I'm different. I'm different. I'm different; but, really, they're not. You'll always have that small percent; but, they can't, because there's not a government that cannot go ten percent beyond their GDP. They can't, because all the local control is even more amplified than America. They can't. because all the people are armed; so, if they try to start a revolution, they will be killed by the peace police/ peace militia, if they enact violence. They'll be wiped out.

So, it's not a good place for Socialists, it's not a good place for Communists, it's not a good place for political Satanists; but, a great place for the normal man and woman, and a decent place who doesn't want to eat children and cannibalize human beings, and rape young babies, and other decent people like that, you know, who just want to get along. Who just want to watch a movie with their kids. Go out and have some spaghetti and some pizza, and things like that. For people like that, it's going to be great. The elites want to rape and ravage economies, want to get kids on student loans, want to have them worship them, their celebrity cults; meanwhile, they're in their sex parties costing sixty thousand dollars a pop for a ticket. These fools are going to have a very hard time, a very, very hard time.

So, God here, lays His right-hand in John's, and what does he say? He says, "***Fear not; I am the first and the last: ... I am alive forever more.***" In the Kingdom, the Spirit of Jesus Christ, which is the same Jesus Christ, the Spirit of Christ will live forever more; however, eternal. You can't separate it from the culture. "***The keys of hell and of death***" will be in his hands.

This is the real nature of sovereignty. As sovereigns, we were talked about this, even with endangered species, I have given you the statistics of two different African countries. I think they were the Congo

and Zimbabwe. One country did not allow private citizens to own the African Grey elephant, which is an endangered species; and, in that country, because the government was protecting the endangered species, what happened to that elephant. It went down. It got killed off, because they were on these huge government state lands, and nobody was protecting them; so, poachers got them, ripping and tearing them out, taken one by one, since the government agents could not protect them all. The other country allowed for private ownership of African Grey elephants, which was an endangered species, and they thought that was so crazy. How can you own an African Grey elephant? Well, how can you own a chihuahua? The country where they allowed the elephants to be owned the West African Grey elephant, which was an endangered species, guess what? Did that population disappear? No. The population of the West African Grey elephant increased in the country that allowed for private ownership, because now the person who saw that as their asset, and their source of livelihood, because they wanted to make sure it had all the proper shots, and it's healthy, and its sperm count is good, so it could have babies, and when they had babies, it would add to their business, whatever.

The gaming lands of South Africa don't have a depleting population of big game animals. Why? Because in South Africa you could hunt what? Big game. See, of all these private individuals, who were trying to keep these animals as healthy as possible, their reproductive organs as healthy as possible so they could make lots of babies, because that's their business. It was a win-win. It was a win for the animal so they will not be extinct. Animals dying is part of any ecosystem, since the animals are going to die off anyway; but, you have the human beings involved in it, they make a livelihood for their family. They don't let the population of the big five animals get depleted; and, you have the future generations being able to encounter and see the actual representation of those species exist throughout time.

So, having sovereignty and dominion over creation is such a critical part of sovereignty. Look at that. In His hands, he holds what? The keys of "hell and death." Death. Having the power of life and death, folks. Look at that. When you first came here, you never thought you would be able to harness the power of life and death. You never believed that, especially a lot of you ladies, who never touched a firearm. You never did firearms. You been brainwashed and told it is bad, bad, bad. It's so dangerous, dangerous, dangerous. If you do it, you're not trendy. You're not modern. You're fitting in with Hollywood, and Kattie Perry and Madonna, and all those cool, sexy beautiful people, or all those old and decrepit and lonely and ugly inside, who were always crying about themselves. Those were ridiculous people. Totally ridiculous nutbags. All they got is illusion on you; but, a lot of you of course, now start to think about it, said no. I have to have this power over life and death, because it's not only for myself, because what if my neighbor, and you're the only one there, and your neighbor is being assaulted or something, or somebody's being kidnapped, or some innocent clerk or a cashier is being robbed, and you're the only one stop that before this guy gets his head blown off? See, now your power over life and death is not just for you.

You now are defending your neighbor, which is the Second Commandment that Jesus said. The most important Commandment is to love the Lord your God with all your heart, you mind and strength; and, the Second is like unto the First to love your neighbor as yourself. Love enough to protect yourself. If you are a man, you protect your balls enough to where a cup; so, you got to protect other people. You got to protect other people, too. The guys got what I was saying, okay.

He's living, He's not dead, and He has the power over *"the keys of hell and of death;"* and, those who are sovereign, and those who are the inheritors of the Kingdom also holds the keys of life and death. It is so important to have the keys over life and death. That doesn't mean you become the judge, jury and executioner yourself. No, but it means you have the power to stop evil, when evil is trying to genocide and harm and rape and destroy.

Of course, in Cheon Il Guk, there is due process, which is also another microcosm element, which is happening here, too; because, of the first time also in Sanctuary, everybody's favorite topic is Jamal and Lourdes. All the time, I hear Jamal and Lourdes, Jamal and Lourdes. Everywhere I go, it's Jamal and Lourdes, Jamal and Lourdes. There is due process, okay.

Think about it. In Family Fed, you can't any... there's no due process. There's no recognition of due process, right; but, there is a case. Jamal can make a formal case, you know, against Lourdes. Lourdes, then, can defend herself. There's also an appointed judge. No, this is, of course, made in the image of the Cheon Il Guk Constitution, because Cheon Il Guk, itself, is not an actual sovereign nation at it says in the preamble of the Cheon Il Guk Constitution, if you read it. It is not an actual place with a Senate, a Congress, a duly elected President, etc. All those things will have to be there for it to be an actual place, with a Supreme Court, etc.

In terms of Church governance, this is probably the first time in history, where were going through jurisprudence. That's why I think it's a blessing in the long run. It a blessing, because it's jurisprudence on the microcosmic level, and on the church level, in the image of the Cheon Il Guk Constitution; and, it shows what? Due process in the Cheon Il Guk culture must be taken seriously, and due process must be honored. If somebody has been accused of something, the other person should have the right to defend themselves; and, they should be able to have a trial by jury, you see. So, God is leading us, too, even though it's stressing people out. This side, "Oh, Jamal is horrible;" and, this side, "Oh, Lourdes is horrible." I heard it both, okay. It doesn't faze me. I'm still digging up rocks and making rock gardens, and choking necks. Do you understand? It doesn't bother me. I'm still doing the same training, okay.

So, this is what's wonderful about it. It's like the microcosm of the macrocosm; and, you look at the Kwak group, you look at Han Mother group and the Family Fraud. There's no due process anywhere. You can't go and make a public complaint of this or that, and have your case heard in front of people, so that it can be transparent, and everybody can see the case for itself. There's no way to settle disagreements, which is the reason why you have some Korean leaders say, "Okay, you're going to kiss my booty. Yeah, okay. I give you a raise, and I give you more money, and I fire that person, okay. That's good." That's how you resolve it in the Family Fraud. "How much you kissing my feet? Okay, good, good, good! More, more, more!" You win. That's all you got, okay. You got no due process. You got no recognition and no due process.

So, this is a very important exercise that God is bringing, not only John. We were in the whole writings of Paul, and Hebrews and all this. All those writings of the New Testament. They were talking about the early Church. We are so braindead and idealistic that these Socialist looney bins, who want to present their Utopia as such a perfect picture; but, everytime it's manifested, it creates Hell on Earth, an actual hell hole of immense poverty, immense class distinction, immense class economic warfare, immense class disparity.

Any idea that you moved from Family Fed to Sanctuary Church there's going to be floating and playing harps, and singing around the King, and we'll have campfires where you can literally levitate and fly on angel's wings, okay, yes. There's an incredible Spirit of God here; but, we're still imperfect people. We still have tendencies that are holdovers from the past. We still have egos, and this or that to prove. All that can come up. The point is, there's a whole different cultural world, it's a whole different civilization. We don't condemn people, because they have different personalities, or clashing personalities, or disagreements, or this or that. We understand it is a part of human interaction; but, there is also a way to sort it out; and, that is what God is leading to developing real jurisprudence that is actually real, and manifests in the image of the Cheon Il Guk Constitution, which is actually a great blessing.

Sovereign people and inheritors of the Kingdom also hold the keys to hell and death. Look at this in verse 20 "***the seven stars are the angels of the seven churches, and the seven candlesticks which thou sawest are the seven churches***" This going to blow your mind, because in your recollection in the Book of Revelation in Chapter 2 and Chapter 3, which will get into right now, you probably remember that John is speaking the Word of God in the Book of Revelation and he's warning the different churches, whether it be Sardis, or Pergamos, or Smyrna, or Laodicea, etc. right. As you recall, he was warning them, giving them different warnings. You remember that? In your recollection that's the case. That God, through John on the Isle of Patmos is warning those seven churches. Oh, man! Wow! Let me show you what the Bible actually says. Check this out. Let's go to the first church, Ephesus, and look what God says:

Revelation 2:1 Unto the angel of the church of Ephesus write; These things saith he that holdeth the seven stars in his right hand, who walketh in the midst of the seven golden candlesticks; 2 I know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars: 2 And hast borne, and hast patience, and for my name's sake hast laboured, and hast not fainted. 4 Nevertheless I have somewhat against thee, because thou hast left thy first love. 5 Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent. 6 But this thou hast, that thou hatest the deeds of the Nicolaitanes, which I also hate. 7 He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God.

Unto the angel of the church of Ephesus. Do you here that? To the angel of the church. This whole thing, where God is speaking to John is directed to the angels who are over those churches; namely, when there is problem in the churches, who is God pointing as the problem in the church? Many times, there are people who are doing that; but, look? He's reprimanding the angels that is over those churches, showing again that the angelic realm, many times, is the problem source; so, we got all these Christians

that are worshipping these angels, but do you know what you are worshipping? You're not supposed to be worshipping angels. You are supposed to take dominion over the angels. Look at these. Every single one of these warnings through John on the Island of Patmos was to the Archangel realm. Can you believe that? That's not what you probably recollected.

Look at that. You see for yourself. He said unto the angels. He didn't say unto the Church of Ephesus. He said, "**unto the angel of the Church of Ephesus.**" These bozos keep doing it to God. He gives them responsibility to raise those people up, and they keep on screwing it up. That's why they're not the Lords of Creation. That's why God did not inherit all of Creation to the angels, or to the Angel Lucifer, or the Angel Gabriel. He gave it to Adam and Eve. Isn't that interesting? That is very fascinating, because that shows us that, again, it's the angelic class that's supposed to be looking over the Church, that ends up wanting to dominate the Church. Look at this. We will look at every one of them.

Revelation 2:8 And unto the angel of the church in Smyrna write; These things saith the first and the last, which was dead, and is alive; 9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan. 10 Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.

Look at that. You see that in the first verse to the Church of Smyrna? These things are from the first to the last. He said, "**I know thy works, and tribulation. And poverty.**" So, through all these churches he does reprimand; but, other churches like Philadelphia, he's going to praise a lot. There's always some good angelic realm; but, the majority is getting called out.

Revelation 2:12 And to the angel of the church in Pergamos write; These things saith he which hath the sharp sword with two edges; 13 I know thy works, and where thou dwellest, even where Satan's seat is: and thou holdest fast my name, and hast not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwelleth. 14 But I have a few things against thee, because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication. 15 So hast thou also them that hold the doctrine of the Nicolaitanes, which thing I hate. 16 Repent; or else I will come unto thee quickly, and will fight against them with the sword of my mouth. 17 He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knoweth saving he that receiveth it.

Why is it we keep seeing these classes? We see the angel class, we see God, and we see humanity or the believers. There's always the three parties. Always in this dynamic and tension in this relationship. It's

from the Garden to the Book of Revelation. **“And the angel of the church of Pergamos”** he wrote. He commanded John to write. You see, it’s always to the angels. Fascinating. When I was reading over this Scripture, trying to confirm each one of these churches, it was a shocking to see it was to the angel, and to the angel, and to the angel. Isn’t that interesting? That is interesting! I don’t believe I ever heard a sermon of John speaking to the angels, because their the stars he had in his right hand. God had those seven stars in his right hand, and it says even in the last verse that it is the angels, that it symbolizes the angels. God has dominion over those seven stars, or that angelic realm; and, if we could inherit God’s Kingdom, we are supposed to inherit the dominion of God’s right hand, which is why he put it on John’s right hand. Interesting!

Have dominion over the stars. That’s why the stars and stripes flag is good, but the stars represent angels. We know that the stars and stripes flag is the highest level closest to God, before the Lord of the Second Advent returns. The Cheon Il Guk Flag that you see here, it has the truth of God like the sun. There it is. Right here like the sun, because the stars, again, they are reflective light from the sun.

Revelation 2:18 And unto the angel of the church in Thyatira write; These things saith the Son of God, who hath his eyes like unto a flame of fire, and his feet are like fine brass; 19 I know thy works, and charity, and service, and faith, and thy patience, and thy works; and the last to be more than the first. 20 Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols. 21 And I gave her space to repent of her fornication; and she repented not. 22 Behold, I will cast her into a bed, and them that commit adultery with her into great tribulation, except they repent of their deeds. 23 And I will kill her children with death; and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you according to your works. 24 But unto you I say, and unto the rest in Thyatira, as many as have not this doctrine, and which have not known the depths of Satan, as they speak; I will put upon you none other burden. 25 But that which ye have already hold fast till I come. 26 And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: 27 And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father. 28 And I will give him the morning star. 29 He that hath an ear, let him hear what the Spirit saith unto the churches.

There you go again in Thyatira. Again, unto the angels of the Church of Thyatira. I always thought it was to the Church of Thyatira. I always thought it was to the Church of Pergamos. I always thought it was to the Church of Philadelphia. It’s actually to the angel. That is incredible.

Revelation 3:1 And unto the angel of the church in Sardis write; These things saith he that hath the seven Spirits of God, and the seven stars; I know thy works, that thou hast a name that thou livest, and art dead. **2** Be watchful, and strengthen the things which remain, that are ready to die: for I have not found thy works perfect before God. **3** Remember therefore how thou hast received and heard, and hold fast, and repent. If therefore thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee. **4** Thou hast a few names even in Sardis which have not defiled their garments; and they shall walk with me in white: for they are worthy. **5** He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels. **6** He that hath an ear, let him hear what the Spirit saith unto the churches.

Sardis, the same. **And to the angel of the church.**

Revelation 3:7 And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth; **8** I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name. **9** Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. **10** Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth. **11** Behold, I come quickly: hold that fast which thou hast, that no man take thy crown. **12** Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name. **13** He that hath an ear, let him hear what the Spirit saith unto the churches.

Revelation 3:14 And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; **15** I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. **16** So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. **17** Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: **18** I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see. **19** As many as I love, I rebuke and chasten: be zealous therefore, and repent. **20** Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. **21** To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.

To the angel of the Church of Philadelphia; and, to the angel of the Church of Laodicea. Isn't that interesting?

Now, look how God whopped on these churches. Some, he's going to whop on, and some, he will compliment. Look at this?

From Ephesus ~ These things saith he that holdeth the seven stars in his right hand, who walketh in the midst of the seven golden candlesticks; 2 I know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars: 2 And hast borne, and hast patience, and for my name's sake hast laboured, and hast not fainted. 4 Nevertheless I have somewhat against thee, because thou hast left thy first love. 5 Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent. 6 But this thou hast, that thou hatest the deeds of the Nicolaitanes, which I also hate.

Nicolaitanes was a heretical cult. It was a syncretistic cult blending Christianity with Gnosticism. Remember from which though art fallen and repent. This was the first church that forsaken his first love. Lucifer's first love should have been God. "He said, "These bozos, Adam and Eve, they're idiots. This Adam, look at this idiot. He's still playing around in the mud, and here I am with my glorious architecture, creating this entire Universe with God. That guys a schmuck. I should inherit it all. How can God give it to this bum, who is just trying to run around chasing trout? Run around climbing on trees. Run around catching snakes. Laughing around and catching a frog, catching a chicken and say, "Hey Eve, look at this." She's screaming. Adam's running around with a chicken." Satan's saying, "I know mathematics. I know the inner workings and the architecture of the Universe. I built it with God Almighty." You can see all these different layers and dimensions of reality, and Satan is saying, "Ahhh! I am better than Adam. Adam says, "Hey Lucifer, look at this chicken that I caught." Lucifer says, "Look at him God, a total travesty."

Now, the Church of Smyrna, the church that suffers persecution. God speaks to the angel of the church. He wrote, (See above) It's interesting. He directs it towards the angels. It's as if God is warning the angels of how the churches are going. Here is a church that would suffer persecution, and God is warning people of the church to be faith, but God is warning the angels to be faithful. Interesting!

To the Church of Pergamos he writes, (See above) there are pockets of false worship, or little pockets of Baal worship. Paganism is trying to come in. The fornication cults that start with sexual liberation and fornication, and deviate sexuality. It leads to younger and younger children, and it eventually leads to killing children; and, of course, it leads them into Baal worship. It's not saying the Church was at that level, but it's start into the path of this kind of Baal worship, which just start with fornication. You notice

how the Devil tries to mitigate, or minimize the language put around fornication. In Korea they say, there's just some wind gusting about. That's how Koreans put it. That's supposed to be a poetic way of saying people are cheating. They got call it adultery and fornication. You got to have a sting of that conscience. When you try to make it poetic, that kind of hides the nature of evil; but, when you call it what it really is, fornication or adultery, it is a sting to your conscience. It's meant to sting, because you are an idiot for doing it. It's supposed to sting, like a smack in the face sting, or a punch in the face sting. They are leaning towards Baal, which is the gateway to get you to be loose with your sexuality, to be a little slutty thing; then, once you become a little slutty thing, then you become "open" to the other sexual dimensions, and you become a beast. That's what you become, an ugly demon. That's the pathway in. It's always through a little fornication; then, more, more, more. You become more deviant and more satanic. Same road. Same pathway. Same slide down towards the path to Hell.

In Thyatira, (see above), this is the church that has a false prophetess like Jezebel. This church is also dealing with fornication; so, there are things that constantly plagued the Church. It's how Satan attacks the group. They group together in the community of Christ. As Jesus said, "You are not a building. You are living stones." Here they are dealing with a prophetess leading to cult worship. Maybe, female goddess worship, and of course to fornication. Towards fertility cults. "Oh, it's not as bad as Pastor says. See that picture. Isn't it so beautiful. You see how they do it.

Sardis, the Church that has fallen asleep, (see above) and God again, speaks to the angel of the Church of Sardis. It's interesting. All these churches, it says that God is warning the people in these churches. He's also giving the same warning. Judgment. Many times, He's demanding repentance to the angel. Isn't that fascinating. To the angel. He's reprimanding the angel. So, that's the church that has fallen asleep, or the angel that has fallen asleep. It's interesting. These bullet points. Christian hermeneutics are always to the Church. It should be to the angel, and the Church that has fallen asleep. They never blame the angel. State run Christianity. I got these bullet points for web page. They were bullet points of what each one was, and of course, these are the actual Scriptures; but, look how they put it. The church that has fallen asleep. No. He's talking to an angel. It's not only the church. It's the angel, too, that has fallen asleep. It's the angel there that doing Jezebel fornication. It's the angel there that's doing Baal worship.

Philadelphia, the church that had endured patiently. Now, this is the church that God is commending, which is why the founding fathers named the place of the Declaration of Independence, Philadelphia. Look what he says here. (see above) See that. This is the church where God is commending. This angel he's commending; so, they are not all evil, but there's a tendency for the angelic realm to what to flip the order around that God has said, namely for them to be the servant.

Laodicea, the church with the lukewarm faith. God said unto the angel of the Church of Laodicea. (see above) ***“So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.”*** from Revelation 3:17 Wow, wow, wow!

So, you see in the writings of John, God is writing through him to also give the message to the angel. The angel is getting these reprimands. Sometimes, praise, but that should attract attention, those who are in the Kingdom mentality. Those who understand the Gospel of the Kingdom. The proper order is to be the servant of Adam and Eve, the children of God, they should be able to see this is a warning to the angels from the Book of Revelation.

When is the last time you saw the Book of Revelation, where you see these warnings to all the churches, and these warnings given to the angelic class? Do you see that. God is warning the angelic class, because in the end, the clash will come between the Archangel class and the Inheritors of God’s Kingdom. The true Inheritors. So much to unpack in the Kingdom, or in the Book of Revelation.

We’re going to get into two more Scriptures, and we will actually be done with the Kingdom Scriptures. There’s going to be a new adventure after that; but, we know the people in the Kingdom, this is so important. We are preparing, of course, for the actual Spiritual and Physical Kingdom. Look how Father talks about how important it is in this Word from Cheon Seong Gyeong. Let’s look at this:

After the stage of revelations, you enter the stage where you have experiences such as those found in the Book of Revelation. In this stage you enter the spirit world and have various experiences all day long; you get connected to a far-off world. You can reach the limits of a state where you feel God in your daily life. Unless your faith is based on such experiences, you cannot apply the resultant realm of God’s great will to the field or sphere of your daily life. Therefore, believers without such experiences cannot be trusted. Faith based on such experiences is important.

See, I had that vision of Father. I literally entered the Spirit World. That vision of Father that was like the sun; then, he’s showing me, taking me through the seven deaths and resurrections, showing me what he had to endure through Hell. I literally felt like I was in Hell watching him being tortured; so, it’s like going into the Spirit World and have various experiences all day long. You get connected to a far-off world. This is what Father is talking about.

So, even though we yearn for the Physical Kingdom, we are doing all that we can. We must always realize that the center of the Physical Kingdom of God will be the spiritual God in Heaven that will be present through the Kings of Cheon Il Guk on the Earth, and Cheon Il Guk Constitution that is here; but, it will also be a Spiritual Kingdom. Having a relationship with this God, having spiritual experiences with this God; but, remember, if you have experiences with Satan, it is going to lead to self-worship; if you

have experience with God, it's going to lead to repentance and humility. You still can proclaim it; but, you going to lead to understanding that you're a sinner; but, you are saved by Grace, and now you have power, because of Christ's sacrifice for you. You will know where your true power comes from; and, that's why in the anti-Christian crowd, and the globalist crowd is so hateful that the spirit of Christianity is starting to rise up again, because they thought they had extinguished it, defeated it. They thought they made all the young people so braindead that they thought everything about Christianity was so evil, and they wooed them and told them Islam is the same as Christianity, and they're going to treat you fine, girls, and they're just like Christian men. You can boss them around just like you do with Christian men; and, now you get raped in Sweden, you get gang-raped in Germany; and, now the girls have realized, holy crap, this is not the same as Christianity. You can't try your little feminism on those Jihadis, and say, "Oh, don't you dare that." They'll smack you and rip your head off. They will punch you in the jaw and break your face, and then rape you, and laugh at you at how pathetic you've become, because that culture is satanic.

So, in the Kingdom, we yearn for experiences with God. We yearn for God. We always confirm in the Word. If you have incredible experiences, you confirm it in the Word. Get your Rhema. Get a Word. Center yourself back in the Word, because you could still get wacky things. It could be an angel trying to screw you up, trying to get into your head, making you self-worship you in a very sneaky roundabout way; so, if you do have an incredible spiritual experience, which we need. As Father said, we do need that. We want to go to the Word, which it leads us to the Word, empower us to the Word, and magnify to the Word, and then be used and released it in the atmosphere to shatter Satan's Kingdom, and to build God's Kingdom everlasting that is coming to this world.

SOS come on up. We're ready to praise the God of the Universe and Creation; and, He who inherits all things to those who stand with his King of Kings, and his authority. Let's all rise and give him all the praise glory and honor on this day. Amen-Aju!
