

Revelation 15, 16 ~ October 29, 2017 ~ Rev. Hyung Jin Moon ~ Newfoundland, PA 18445

Let's go to Revelation 15, 16 today; but, before we do, we have very big news this week. The Han Mother called together all the Ministers of Korea, okay, of course who betrayed Father, and are there for money. Called them all to the Cheon Jeon Palace to give them a speech. So, basically what she's doing, she's beta-testing a speech, okay. She's beta-testing what she wants to talk about on November 11th or something; so, they're planning to do like a big rally, and so these are the henchmen on the ground to have to promote this heretical theology, so she is beta-testing on them, and it's just so sick. It's sick. It's very sick.

So, Yun En Suk, the idiot Korean President right now. He's a complete swindler a fraudster, etc. Total fraudster; and, he's really a Commie. I mean, he's politically, he's a Commie. So, he come up there before the Han Mother comes out; and, he says, "All of you, we have wonderful fat envelopes for all of you." What that means in Asia, the fat envelopes mean money. Cash, okay. Bribes. So, he comes out, and he says, "All of you we have fat envelopes prepared for all of you. Just make sure you clap a lot, okay, alright." So, this is what they do. And so, the Han Mother comes out, so the Queen has it right here. Let me translate for you on the fly what she's saying. Go ahead.

"Okay, so, she's saying that Jesus was supposed to come back, and do the Marriage Supper of the Lamb, okay. So, she's saying here that Christian history was for the preparation of Jesus. The first condition is to find the Only Begotten Daughter, and the Only Begotten Daughter has to be born. It is not the Only Begotten Son, which is not the first thing. So, if the Only Begotten Daughter is born on Earth, then the Only Begotten Son is manifested." Woah, that doesn't even make timeline sense. That means she was born after. She's born way after. This is how insane this type of thing is; but, not the people get to see what she actually believes, and why we had to stand against her, because she's completely fallen into Satanism.

"Okay, so they have to raise up the Korean people and Christian civilization; and, the fruit of that is the Only Begotten Daughter." Don't do the whole thing. I don't want to hear the whole thing. Just give me some of the highlights. It's painful to even have to hear this crap. "Okay, she's been keeping it inside, enduring, for fifty years, and not speaking out about this. I am the only one that can liberate God. It was the night time, but now the age of the Only Begotten Daughter is the bright morning. I have to tell this truth to the world. Now, the Age of the Only Begotten Daughter is the bright morning. I have to tell this truth to the world. Only the mother bears the children, not the father. Through the True Parents there's revival, resurrection."

But again, these completely insane, flipped around. This is why they can't teach DP, because they're teaching the antithesis of the Divine Principle. Of course, after that, where's the place she asks everybody to applaud? She made everybody applaud; and, news is from intel sources inside, you know, some people are leaking this out; but, like only twenty percent of the women were applauding. So, even people within that ministerial class, they too are saying, "Holy Shish-ka-bob. How are we going to explain this? How the heck are we going to explain this? It's like, "Hey, hey, remember the fat envelopes you bum." "Oh, yeah. Okay, applaud." Okay, this kind of idiocy. It's just so absurd.

But, okay, it's expected. Not surprising. Again, we see the Harlot of Babylon theology, and the heretical theology, and the God denying theology, and the self-worship, again, continue from the Family Fraud; and, of course, even the people in there know that this is wrong. Now, remember this is "the educated

ministers," okay. They're the ones that have to do the whole propaganda machine, right; so, they're the ones that have to go and teach the slaves in Family Fraud. So, they're saying, "Oh, my goodness. How are we going to talk about this?" They're between a rock and hard place. You see, when you sell yourself out to devils and fraudsters, there's no honor in a den of thieves. They always come back to bite you. You think you can get away with it temporarily. You think you can get away with it for temporary gain. It always comes back. It always comes back. It always comes back to get you. So, now, their lies, and their hiding of this cannot occur anymore. What they are trying to promote theologically, how heretical this is. Did she say at some point that all the Christian leaders are applauding the Only Begotten Daughter theology? They're celebrating across the world. All the Christians are celebrating the Only Begotten Daughter. Oh, I'm sure that's true.

Okay, so, she does say that Father is the Only Begotten Son, but until she meets her. Oh, no. There's a whole section, where she's saying, 'I'm different than all of you. I'm born without sin.' Right. So, you can see the nature of the heresy coming out further and further, more and more; and, of course, she's beta-testing this on the leaders, of course, in preparation for the November 11th speech she's going to do. What is that, they're trying to gather like ten thousand people, something like that? 70,000? Where are they trying to gather that? The World Cup Stadium. I mean, they're just wasting so much money, I'll tell you that. Oh, my gosh, with these bigger and bigger events. It's just ridiculous. Everybody's saying, "What the hell is going on," because everything they've been told, they know it's all a lie. They are staying there, because they think they can hold on to some vestige of money; but, of course, that's now evaporating.

Oh, no, no. There's a big part of that speech, where she said, "The reason why North Korea and East Asia is so unstable, is because of Japan." Anyways, it's because of the Japanese members, you see; so, you better send more money to Cheon Pyeong." Oh, it's so funny. She said this in Japan. Okay, she said this why she was in Japan. She said it to them, okay; but, you can see how fast it's imploding. The fact that they got her to go to Japan, and I know that they're saying, "Oh, Mother, we don't have any more donations here in Japan. If you just say one word, they all will just... They'll give everything." I know that's happening, probably, around here, okay; and, she is so foolish, she actually believes that crap.

And then she goes there, and then reveals herself to the Japanese ministers, who pretend that she's not saying that kind of thing, and they're basically saying, "Don't come to Japan. If you come to Japan, everything collapses here. We can't keep up the farce, you know; so, then she goes to Japan, and she talks about the Only Begotten Daughter, and all this ridiculous heresy, and now, larger and larger venues, larger events, where everybody's forced to come, and of course, she'll throw that theology on them, again; so, she'll expose herself again to the heresy and the heretic that she's become. The "heretic and destroyer," as Father predicted.

So, it's sad, but that's what happens to thieves and heretics and those who want to worship themselves. That's what happens. So, that is of course, right there in Revelation 17. We're not going to cover that today, obviously. We covered that about a year ago, okay. So, a lot of things in Revelation don't happen in Chronological order. Many times, they are happening at the same time. They are happening at the same time, but just author is just revealing it through pen and paper; so, it has to come out like chronological; but, a lot of these episodes in the Book of Revelation are happening simultaneously. Okay, we see the Harlot of Babylon to continually exposing herself on the microcosmic and macrocosmic level.

Alright, let's go into Revelation 15, which is a little shorter, and Revelation 16. Let's read this together"

Revelation 15:1 And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; for in them is filled up the wrath of God. **2** And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God. **3** And they sing the song of Moses the servant of God, and the song of the Lamb, saying, Great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints. **4** Who shall not fear thee, O Lord, and glorify thy name? for thou only art holy: for all nations shall come and worship before thee; for thy judgments are made manifest. **5** And after that I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened: **6** And the seven angels came out of the temple, having the seven plagues, clothed in pure and white linen, and having their breasts girded with golden girdles. **7** And one of the four beasts gave unto the seven angels seven golden vials full of the wrath of God, who liveth for ever and ever. **8** And the temple was filled with smoke from the glory of God, and from his power; and no man was able to enter into the temple, till the seven plagues of the seven angels were fulfilled.

Let's continue. We'll come back to all of this. Let's continue reading:

Revelation 16:1 And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth. **2** And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image. **3** And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea. **4** And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood. **5** And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus. **6** For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy. **7** And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments. **8** And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. **9** And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory. **10** And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain, **11** And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds. **12** And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared. **13** And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the

false prophet. 14 For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty. 15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. 16 And he gathered them together into a place called in the Hebrew tongue Armageddon. 17 And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done. 18 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great. 19 And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. 20 And every island fled away, and the mountains were not found. 21 And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.

Wow, okay. So, we just past after the 144 in Revelation 14, etc. The mark of the beast, and all those kinds of things. Now, in Revelations 15 and 16, we move to these Scriptures, okay. Now, let's go into a little more detail, but keep context, okay. We are living in a time, now, that's breaking this weekend. That's braking this morning, it broke, that "North Korea conducts mass-evacuation drills as threat of war heightens." This is like the first.

"North Korea has been conducting rare mass evacuation and black out drills throughout the country in preparation for war, it emerged this weekend." This was published October 29. What is it today? October 29th; so, this morning.

"Multiple sources told NK News that the drills have taken pale in secondary and tertiary cities and towns, particularly along the east coast, but not in the capital city, Pyongyang.

The revelation comes during a time of heightening tensions between the hermit state and the US, including ICBMs, etc, etc.

The threat of nuclear missile attack by North Korea is accelerating, US Defence Secretary Jim Mattis said on Saturday during a trip to the South Korean capital, to meet his counterpart, Defence Minister Song Young-moo.

"North Korea has accelerated the threat that it poses to its neighbours and the world through its illegal and unnecessary missile and weapons programmes," he said, adding that US-South Korean military and diplomatic coloration had taken on "a new urgency."

Mr. Mattis warned that the US would never accept a nuclear North.

“I have never heard of this type of training exercises before in North Korea, but am not surprised,” Chum IN-bum, recently a retired South Korean three-star Lieutenant General told NK News. “They must realize how serious the situation is.”

They are now starting evacuation drills in North Korea.

At the UN General Assembly in September, Mr. Trump threatened to “totally destroy” North Korea if provoked, etc. etc. etc.

So, we are on a serious collision course with North Korea; and, of course, the leftist lunatics, the world level Commies, they love it. They love it, because this is something they’ve been preparing; and, it is the trope, the trope to suck everybody into world war, and a world level conflict, because their whole system of lies and deception is crumbling. I mean, most people in the US now, don’t believe the narrative that is coming out of CNN, etc. They don’t believe what the government is saying about 9/11.

So many people are waking up. 9/11, different people used to call it just conspiracy theory. People are just waking up. The JFK files have been released. You see this huge rebellion. JFK files have been released with damming, damming, damming, evidence is coming out. But, it’s all coming out pointing to Lyndon B. Johnson as the killer, who was organizing to kill, what was it, Kennedy; and, of course, the whole issue with the multiple shooters, all that kind of thing, is starting to come out.

Of course, people who have been speculating on this, like Roger Stone, etc, they have been talking about this the whole time, okay; but, now you have extremely damming evidence that is coming out. JFK files, Trump is starting to declassify all these secret files. That’s very important. Now, at the same time, but at the same time, there is a rebellion; but, you can see they were supposed to release all the papers, but then, the Deep State stopped like 3000 pages of files. They stopped like 3000 files from coming out. Of course, that’s like, they are going to appear blacked out. Oops, they all have like black lines through them. Whoopsy daisy, that’s how they were; but, just so condemning. It just goes to show the nature of the Deep State. They’re going against the President.

He’s saying release these things. Let the American people know, and they’re withholding it, and they’re blacking it out, okay. So, this is a huge, huge bombshell, historic evident that we’re seeing unfold before our eyes. We just think it’s regular news, it’s not. It’s huge, huge and historic. People waited 50 years for this, because you had the assassination of a US President, the most powerful man on Earth. This is what people think.

Everybody knows that JFK was trying to mess around with the Fed, and he was trying to get rid of the Fed; and of course, that’s why the big banks, and the oil bankers said, “Hey, let’s cut this guy out. Kill him. Get rid of him.”

So, we know the backstories behind that. People have been talking about these experts on the inside. They've been talking about this for decades, okay; but, now there's confirmation with the papers that are coming out; so, this is absolutely humongous. It's incredible time to be alive, so look, you could have gone your whole life and not seen this. You could have easily gone your whole life and not seen this, because this implicates George Herbert Walker Bush...

Woah, you see that? He was down there in Texas. He was there in Texas on the day, right; and, as more and more comes out, he was not only there, he gets this promotion right after the assassination. Boom! He's a head of the CIA, and boom! His whole CIA group starts taking over, and that's where you hear about this New World Order talk that's coming from the Bushes. They're the ones using the term New World Order, even though they make that sound like some kind of conspiracy theory, or something like that. They're the ones who use the term New World Order on multiple occasions. You know, the Prime Minister of Britain, all these elites talking about New World Order, New World Order. It was one of their stupid talking points at the census gatherings in the Bilderberg Group, the Davos Group, etc. These people were saying the New World Order.

That's why those criticizing that didn't make it up. They were going off a term they, themselves, were using. Alright, I've shown you this on The King's Report; and, I shown all the New World Leaders. A New World Order, a New World Order. I mean, like come on, we don't want your stupid New World Order. It's like a hell hole of Communism, centralized Communism. It's what it is. It's political Satanism at the worldwide level; okay.

So, that is absolutely bombshell incredible, unbelievable Trump is delivering. He's starting to declassify, and Kook Jin Nim was talking about this on the Freedom Society on Thursday. Trump needs to continue to declassify the different secret operations. The Black Ops, CIA funding, running the drugs, all of that stuff. He has to start letting it go, and declassifying it. He to declassifying the first bombing of the World Trade Center. He's got to start declassifying all that stuff; and, he doesn't need to decide what he's got to do with these people, or with the CIA or FBI. Trump just has to declassify and say, "Hey, American people, what should we do?"

Let's take a look at this. I'll let you guys all take a look at these declassified files, Black Operations, Assassination files, all this stuff. What should we do? Your own FBI and CIA. Your own Intelligence agencies have been doing this. What should we do? I'll let you decide. Ah, that's what he should do. He should declassify it all. Show the more-deeper Saudi connections to the Islamic state, and to the funding of 9/11. You know all of that. Just declassify it. Oklahoma City, declassify it. You know what I mean. Sandy Hook, declassify it. You see how devastating that would be?

And so, they know this is potentially coming down the line with Trump, because they never thought that he would do it. CNN, MSNBC were saying, Trump would never release the JFK files. Nobody cares about them, anyway, because they start feeling the heat, because they know George Bush would be implicated. They know Father called him the King of Satan's world. They know he's into subterfuge into this Head of the CIA. He is a Black Ops King. He is an assassination King.

That is what the Black Ops and CIA do. That's what they do. They kill people with your government money. I mean, it's your tax payer money. Can you believe that? And the money they're making off the heroin trade, because they produce 97% of it in Afghanistan. Why do you think we went to war in Afghanistan? This is ridiculous.

Now, our Sanctuary people, they understand these things, but the normal child has no idea what's going on. They still teach it in the text books. Kook Jin Nim told me this actually; but, the textbook on 9/11, they have it like a missed report. "9/11 was a historic momentous tragic time in our history's past." They have like a paragraph on whatever. They say, "Usama Ben Laden and Al Qaeda attacked and killed 3000 US citizens." They're just giving the NIST report in the Public Schools to the children, because they can control the narrative, they can control the history, they can control your identity, they control who you are, where you came from, what reality you live in. Isn't that interesting?

Trump is starting to implode that, because he's starting to declassify all these things. Well, not all these things, but he's starting. He started with the JFK file; and, that's big, because the JFK files, you understand, this is where they killed a US President; and, everybody knows because he was going after the Fed. He was going after the banker money, and the quantitative easing, and all that stuff, and all they're doing. The illegal printing press, all that stuff. He was going after them.

What was it, Executive Order 99 or something? Anyways, it was the Executive Order to start auditing the Fed, and start separating from the Fed, which is not a federal body, it is a private bank; and, he was going after those guys, after those controllers, because on the inside, Kennedy had all these different problems, sexual issues, and all these kinds of things; and, that's one way they tried to control him, but in the end, he had a conscience, he had morals. He said, "Hey, I don't want the American people to be ruled by these nefarious forces, and he was wacked. He was wacked.

Remember that documentary we saw about the trajectory of the bullet that went into his head? The government institute is saying, it went through him, through his brain, turned around in his head, and came out the other way. What the hell you talking about? Can you believe that. They were saying that in the report. It's outrageous. How stupid do they think you are? I understand, because unfortunately, the American people were that stupid. They didn't believe anything that came out of CNN; and, the official government report says that Kennedy was hit. They just put some stupid fancy name on it. Reverse

ballistic trajectory, or some stupid thing like that, and America said, "Okay, reverse ballistic trajectory, okay." What the heck you talking about? They said, it did a u turn in his brain. It's absolutely ridiculous, okay.

So, that has been well known from the early beginning, but of course conditioned and preprogrammed the people, so if you bring any of this up, they have cognitive dissonance that if you want to rebel against this, that you are rebelling against what I heard. You're destroying what I heard in the Public School and my history class that Mr. Schneider taught me in fifth grade history. That the NIST report is correct; and, 9/11 was Al Qaeda. You're going against Mr. Schneller. You're bad, or whatever your teacher's name was, okay. Mr. Schneller. That was one of my teachers. That was my history teacher.

But, this is why they give you, they give you these deceptions and lies as your history; so, you have to believe in a history of lies and deception, which are not true. You are prohibited from discovering the truth about your history, because if you did that, your identity would change. They don't want you to have an identity that's separate, or that's off their plantation, off their system, off their control. They want you to have any identity, which they molded, they've given to you, making you think that your free, making you think that you've free chosen, making you think in these little social clubs, and these liberal little parties that you are the majority, and you are the truth, when you are the ones who are the lemmings jumping off the cliff into death and ignorance. This is the state of, of course, where we were in the 70s, 80s, 90s, you name it, but now it's starting to break loose.

Trump is delivering. He is delivering at the great risk of his life. This is not a joke, folks. These people kill people all over the world, you understand. They run the drugs throughout town. Everyone wants to make a big stink about, "Oh, in the county, or that county, in Pennsylvania or New York, we have a heroin epidemic." Yeah, of course we have a heroin epidemic. It's a problem. The bigger problem is the CIA that runs that dang heroin epidemic. That's the bigger problem, you understand. The bigger problem is the CIA runs the dang heroin. Why are they profiting off that black money to the tune of \$800 billion per year to fund their illegal operations, illegal surveillance, illegal spying, you name it? That is illegal. It is unconstitutional. They are doing subterfuge, and they are doing criminal behavior, because it has become a criminal organization. You got all these little suburban college brainwashed children, who think it's so cool to be in the CIA, because they are in the little beta club, where they could be, "Oh, I'm so strong. My organization secretly kills people, yeah, I'm bad!" I mean, they're just in a cult.

They're in a cult. You say we're in a cult. You are in a dang cult. Give me a break. It's just so ridiculous; but, of course, that's the scenario we find ourselves in today. Trump is doing tremendous in revealing these things. That's absolutely tremendous.

Now, look at this. This interesting. **Revelation 15:1 And I saw another sign in heaven, great and marvelous, seven angels having the seven last plagues; for in them is filled up the wrath of God 2 And I saw as it were a sea of glass mingled with fire:** Now, it's interesting, there's a whole scene in Revelation 15 about the Spirit World. There's this whole scene about this Revelation 15. Look at this?

(Verse 2-3) 2 ...Sea of glass mingled with fire; and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God. 3 And they sing this song, etc. Right. And, then you have the angels coming out of the temple, but this temple is of course a testimony in heaven. 5 ... **the temple of the tabernacle of the testimony was opened,** etc. So, you have this incredible celestial scene. The scene of the Spirit World.

Now, it's interesting. I wanted to know, so I went a little bit deeper about this **sea of glass...** so, I did a little wonderful word study here. Hualinos, look at this. It Scripture, transparency is a greatly valued virtue, representing the Lord's glory shining through (reflecting Himself) Reflecting Himself. For example, "the glassy sea" surrounding the throne of God in heaven (**Rev. 4:6, 15:2**) is apparently what reflects the Lord Himself, as manifested (reflected by) His saints. By God's light, their sanctification-glorification has a spiritual transparency that reflects the image of Jesus Himself. So, you see this? This is not where we ourselves are glorifying ourselves. It is not that we self-sanctifying ourselves. It is the work of God, through the saints, right, in the Last Days, that is sanctifying and glorifying, okay; and, of course, that's all tied to the mark of the Father on their foreheads on their crowns.

Let no man take thy crown from **Revelation 3**, right. It is the crown, not the physical crown, right, because that's just gold, or whatever it's made out of; but, it's the gift of God that is substantiated, that is represented by the crown, the sovereignty, etc. Then, of course, that sanctifies us into Christ. Glorifies us. Look, we are humble people. We don't want to have dominion over the world in that evil way. We don't want to oppress people. We don't want to rule like past dictators, etc. We don't want to do that. We're humble people of God. We don't want to do that. We just want people to have freedom and responsibility, and have sovereignty. We want people to have to relate to God, right. We want people to have the ability to see God. You can only do that if there's a place of freedom, because if you don't have that ability to choose, then you can't really choose to love God, because you can't love somebody without really choosing. It has to be a free submission to somebody to love for you to love them.

So, God is patient; so, of course, even though we disagree with a lot of people in the US, or something like that, still we agree that people must be able to be free. They must be able to ally themselves and seek God and have their conscience, even though we're able to speak out against their actions. We should be able to speak out against their actions. We can say that's wrong, and that's sinful. We can say that we repented. You should repent, too. The Kingdom of Heaven is at hand. We can say that. That's expressing our belief, right; but, at the same time, we don't want to get state powered to rule over

people, so that they're forced to do that, so that becomes like Sharia Law; and, we don't want to put like death penalties on people, who are struggling. In Islam, you're dead. Any Muslim can kill you, legally, okay.

So, that is not the Christian culture, that is not the JC culture, the Jesus Christ culture, that's not the Kingdom of Christ. There is a larger ethic, ethos, civilization; and, again, we have to get back to narrative. The story. The story of the history. God story. His story throughout time. The understanding of history, and our connection to our past is absolutely critical. This is why every Marxist revolution, and every Socialist, Commie revolution is trying to uproot your past. Right now, they're trying to go after the US. Former Presidents. You know, they're throwing red paint on Teddy Roosevelt statue in Washington DC, just a couple of days ago. They're trying to blow up other statues of George Washington the other day. What was it, a month ago, two months ago.

This is a common Marxist technique. Look at the cultural revolution when they were in China. The first thing they did was try to destroy any ties that people had to the past. Why? So they can give you a new history, a new identity, which they themselves have created, which you are the slaves; but, you're meant to think that, that identity is good, because you are taking off the yokes and shackles of traditionalism, and you're now being sexually liberated and free; and, now the new rulers are giving you sexual freedom. They say, "Hey, live it up. Go to clubs and party, and have sex all over, it's fine. Have abortions, it's fine; but, why they sell that to young people, they're imbuing you with you a new identity of evil and sicknesses and decay and venereal disease and STD that's now being put into the blood supply thanks to Jerry Brown, the Governor in California. Thank you, Jerry Brown for giving us all HIV. You people are crazy, man. They're just sick. Sick, sick crazy.

You can't make this stuff up. If I told you ten years ago the State of California was going to allow HIV into the blood supply, you would think I'm plum loco, and wouldn't have to wear a deer skin crown. Do you know what I'm saying? I wouldn't have to do it. You would just say I'm totally nuts, but this is what's happening in California. You can HIV into the blood supply, because it's going to make people feel bad, who have STDs. You know, misery loves company, right. "Hey, we just been censured. We have done orgies. We have tons of venereal diseases; but, hey, all of you have to have it now, because we're so miserable, and now we're eighty, and when we were 60 and 70, and now we're on this and that medication. We get this shot every day, you know. We just want all of you to experience the same thing we did. Where's your compassionate heart, huh?" It's just unbelievable how crazy, crazy these people are. They are so insane. They are so psychopathic. They're so predatory. It's just ridiculous.

So, there's this incredibly glassy sea in this world. There's a sea of glass, where all those who stood up against the mark, the image, etc. Now, it's very interesting. These different things that represent Satan's power, you can see even the frogs in Revelation 16 that's coming out like the false prophet. All these

things are tied together, you know. These large multinational groups, cartels, crime syndicates, cabals, you name it. Just put whatever name you want to put upon it. Massive politically Satanist despot organizations that have the same purpose, they're actually different organizations, just like the four horsemen are different horses; but, they operate and pursue the same organization. Radical Sharia Islam, the green horse. Red Commie China that organ harvest 1.6 billion people, and oppress 1.6 billion people. That's like how many organs you can harvest in a year? You can order a liver and a heart in four days. That means, that's a fresh kill. That means that's a fresh kill, okay.

So, you know about the red horse Commies, who are just trying to take over East Asia. You got the black horse of the Black Ops with the scales of justice, pretending they're scales of justice by weighing the scales of justice; meanwhile, they're killing the scales of justice. Meanwhile, they're doing subterfuge, running the drug trade, doing the assassination attempts all over. I mean, it's just ridiculous. It's ridiculous; and, then of course you have the white horse, which Satan knows the True Christ will be riding on the white horse; so, he sends the anti-Christ on the white horse with the crown and the bow and arrows; and, of course, that is exactly the crest of the big bankers and the Rothschilds groups. That's actually their crest. Of course, that's connected with the false prophet, who is also with the white horseman, which of course, poses as a Christian, poses as someone who loves Jesus, poses, but then colludes with all these evil forces; and of course, there you have it. He's the Pope. He's a false prophet. He's the powerful religious figure in the world, and he's completely allied with these cartels. 100% allied, in his ridiculous pathetic pontifical study of sciences, whatever. That organization just reported this week, he's invited Jerry Brown from California. The guy that allowed HIV to be put into the bloodstream, okay. The same crazyman. He's invited Jerry Brown to talk to the Pontifical Science Studies Center, whatever it's called. Pontifical something, right, because they say that the largest problem, the danger that Europe is facing is global warming.

Okay, North Korea about ready to nuke the whole world, that's not a problem, you know what I mean? Iran, you know, building up its armament saying it's going to take over, and Saudi Arabia funding pedophiles, and radical ISIS. That's not a problem. You know, the biggest problem is you, because you drive a car; and, it's you, you know, because you are creating greenhouse emissions, and you should have carbon taxes on you. You are actually more dangerous than Kim Jung Un, because you drive to work. You are more dangerous, okay. You are more deadly than Jerry Brown putting HIV into the blood supply, for your safety and health, of course. For your long and wonderful life ridden with venereal disease and STDs. You are more dangerous. You the normal person, who is driving around in a car. You are committing greater violence to this world than Kim Jun Un, Obama, Saudi Arabian King, Iran, the Mullahs in Iran, Vladimir Putin and Hillary Clinton combined. You're the worst. That's how they are. That's how they are. You have to join the suicide cult of the left. You have to join the Hollywood cult of the left. You have to hate yourself, and just slit your wrist, and say, "Hey, I give it all to Satan. That's

what you have to do. Of course, get people pregnant. Have babies, and kill them; and, then eat them at the same time. You know, you don't need Burger King no more, even though Burger King is there to make you filled with GMOs and poisons, etc. I mean, it's insane. It's crazy. These people are sick. That was a long sentence. Wasn't that a long sentence? Man, it's ridiculous. It's so crazy. These people are absolutely psychopathic, okay.

Oh, goodness; but, you have this whole thing. Isn't it interesting, that it's interesting that Facebook changes it's whole thing to exactly the number of the 63206. Wasn't that incredible? They didn't do that by mistake, by the way. Isn't it interesting that they're the number one social media organization company monopoly in the world? Isn't that interesting? Allied with Google. You know, the logo for the Chrome is like three sixes. You look at the Chrome thing on your hand phone. You see that little thing? There's like a little circle, with a six this way, and a six this way, and a six this way, if you look at it. There's a six, six, six right on it; and, of course, that happens to be the largest monopoly in the world. The largest internet provider, in the world. Isn't that interesting? It's rather convenient. They chose the number six, six, six to represent them. Hmm, it's convenient that Facebook conveniently chose the number 63206, which is six, six, six. Isn't it funny that all these things, all these multinational monopoly colluders with government? We know that anybody who's against the left, that's against fascism, Communism, they're always trying to censor people. You know, these multinational massive, massive, massive worldwide organizations, how they think it's funny. They think it's a big joke putting six, six, six on their logo. Isn't that funny. So, so funny. It's all a big joke to them. All a big joke.

Isn't it interesting. Look at this, in Revelation 15 we see, "by God's light, their sanctification-glorification." These are the people who overcome the mark, the image, the beast, the organization. We know the beast is not an actual beast, okay, we know all of that. There's not one Christian Theologian the beast is an actual monster that comes out of the sea, and of the earth, that has different heads, the body of a leopard, bear claws, and the head of a mountain lion. Nobody believes that. Everybody knows these are international supra-organizations that are combines and collectives of the same predatory elite class, that is then trying to make a world government, which they essentially already done, especially with the whole internet, and the algorithms that can they can put on to it, controlling what's trending, controlling what you see, controlling everything, making it harder and harder for you to actually find Conservative voices, or sovereignty based voices. It makes it harder and harder, but they do it subtly, with numbers and algorithms, to send you material that is only leftist biased, and censure other voices. Even Joy Villa was censored. Even Diamond and Silks, they were censored by Youtube, and the racist Youtube, the racist Google.

Meanwhile, the most dangerous thing now is the white male. The white Christian male is the most dangerous thing now on the Earth; and, now there's a new Halloween costume of the white dangerous

Christian male. Yes, a new Halloween costume, where you can dress up as a white male, because of course that's the most dangerous for us in the world. Radical Islam, cutting women's genitals off, and raping children, Mohammad having a six years old wife, raping her when she was nine, that's all healthy. That's all healthy behavior, according to CNN, because they say pedophilia is not a crime. What is it, it is a disposition. It's a sexual orientation, you see. Yes, oh yes, according to CNN, and Newsweek, and the New York Times. Can you believe... I mean, it's like ridiculous.

So, the most dangerous thing is the white Christian male, who has a Protestant Ethic, and works hard. That's the most dangerous thing. I mean, this is just out of this world bonkers. When you look at all the crime statistics, you name it, you are least likely to be killed by a white male Christian. Least likely to be killed. They're actually the safest group. They're not the group that's most dangerous. Are you kidding me? Oh my gosh. Yes, I'm sure it's the white male Christians, who are in charge of the Patriarchs, yes, that are slitting women's throats, throwing acid in their face. Oh, yes, I'm sure it's the white man over there. It has nothing to do with radical Jihad. Nothing to do with Allahu Akbar. It had nothing to do with Jihadis raping girls, and putting it on Facebook. Nothing. You all saw it incorrectly on your Facebook, you all saw it incorrectly. They are all white people who did that, okay. So, it is white people who are throwing acid in people's faces, you know slitting their throats running down London Square, you know; and, of course, they're screaming Allahu Akbar. Maybe, they're screaming Allahu Jesus? These people are crazy. They're just insane.

The problem is, of course, so many people were asleep, and they were actually believing the narrative that was given to them by CNN and MSNBC. It is ridiculous; but, now look at Spain. Catalonia is standing up trying to be free. You see what I'm saying? Austria is trying to stand up and be free. The UK and Brexit is trying to stand up and be free, even though they are getting sucked back in; but anyway, that's another thing; but, people are starting to wake up. In the US, Donald Trump is pushing forward releasing these things. Who's getting exposed? They say he was a Russian agent; now it's been coming up by Mueller himself that Hillary was the Russian agent. She was the one with the Uranium One deal, that 20% of Uranium was sold to Russia thanks to Hillary Rodham Clinton, while she was in the State Department. Mueller had connections to Russia. Podesta. Bill and Hillary Clinton Foundation. Busted, busted, busted.

It's like the biggest trick in the book. Their robbing your house, and a friend shows up to stop you; and, then you arrive at the same time, too, and they say, "Hey, look, your friend was trying to rob this house. I stopped him. It's the biggest trick in the book. There, the criminal was robbing your house, your friend showed up to stop him, you showed up at the same time; and, you say, "Hey, what are you guys doing in my house?" And your friends, like, "No, this dude was robbing your house." Then the criminal says, "No, no, your friend was robbing this house. I stopped him." You get it? That's the oldest trick in the book.

That's exactly what they are doing. Their saying, Trump was with the Russians. He was doing Russian deals, when they were the ones with the Russians. They were the ones doing the multinational million-dollar deals. They're the ones receiving them. How many millions of dollars to the Clinton Foundation, and a false dossier. That's the whole thing with the DNC. Now, they're in big trouble. They're the ones the DNC's caught paying for it, paying for a false dossier that is coming, trying to show that Trump colluded with Russia, and now it's coming out they violated campaign laws, and now they must be under investigation. Even Leon Panetta, the former CIA Chief is saying, this needs to be investigated, because he sees that this boat is sinking. He was an ardent Obamaite. He was under Obama. Leon Panetta, this idiot, now he's saying, "This should be investigated. This is great, illegal activity. Oh, very convenient now, Leon Panetta, now that you got your pancetta on a frying pan now. Give me a break.

He smells the sizzling burning hogs on the fire. It's just so ridiculous. So, it's all coming out. It's all coming out at record speed. If you even talked about this over the past three years, that if you even talked about this, you would be considered crazy. Think about it. In the last three years, if you had brought this up, the people would literally shut down and say, "I'm never talking to you again. You're just... You're in a cult." I mean, that's what they would do; but, now, the New York Times, it's forced to report about it. Newsweek is forced to report about it. The New York Post is forced to Report about it. The Washington ComPost is forced to talk about it. They have to tell it, because it's gone out; and, it's true. There is no Russian collusion with Trump. It is the Hillary that did it. Hilary is the colluder with Russia. She's the one involved with the DNC, saying that Trump hired prostitutes to pee on Obama's bed. McCain. McCain was in on the deals as well, because remember, he's the one who brought it up. He's the one that brought up McCain.

All are colluding with Soros. All their funds from the Open Society Foundation, and you name it. Just ridiculous. They were blaming Trump for everything they were doing. It's all coming out. The pedophile networks are collapsing. Hollywood is exploding. I mean, this is huge, because you got to understand, what holds all these criminal political Satanist organizations together is the sexual deviants, is the sexual pedophilia, the criminality, part of their predator nature, etc. That's what holds it together. They have to get you into the club by you doing evil, so they blackmail you, if you ever try to get around them, and expose them. That's how it's tied one to another. The fact that Hollywood is, Hollywood is tied to Washington DC. Hollywood is tied to London. Hollywood is tied to the Europe pedophile organizations. Hollywood is tied to the Saudi Arabians, the Chinese trafficking, the Southeast Asia trafficking. It's all connected. They're all held together by the sexual ethics. Why? Because civilization is held together by sexual ethics. Now, Satan's Kingdom, too, is held together by sexual ethics. That's why you have these separate groups who are radically different in theology, who are totally different cosmologically, in the universal metaphysics; but, they'll ally together to do the same goal, because, they're trying to create the same Kingdom of hell on Earth. Why you are a slave and your daughters can be sluted out to them.

Do you see that? They are the ones that are trying to make that Kingdom in reality; and, that's why, even though they are different religions, different organizations, different pagan traditions, they all are one. They're one. You know, they love to say in a multiculturalism, "We're all one religion going up the same mountain." Remember this? "We are all different paths..." No, that's Satanism. All Satanism's lead to one, yeah, that's true; but, to God, there is only one way, one truth, and life. He is the way, the truth and the life; and that is Jesus Christ. It is Jesus. It's the JC civilization. Okay, that's what the Cheon Il Guk Constitution is all about. It's about the JC civilization, because there is substantiation of God's Kingdom, codified, when God returns. But, we know is Revelation, too, what an exciting Chapter. Do you see that? "For God has a new name." That was an incredible Scripture.

Now, I'm gonna hold back, okay. I'm gonna hold back. I'm going to go back here, one more time. "The glassy sea" surrounding the throne of God in heaven is apparently what reflects the Lord Himself, as manifested (reflected by) His saints. By God's light, their sanctification-glorification has a spiritual transparency that reflects the image of Jesus Himself." We become spiritually transparent. The light of God shines through us. It's not that it's our light. Satan wants you to believe it's your own light. No, it's not. I'm disappearing. I'm becoming invisible, and God's light is shining through me. It's not my light. It's God's light. I got to become invisible. We call that kenosis. Disappearing. Emptying oneself. This is what Paul talked about. But, it's God's light that it's sanctification-glorification that has a spiritual transparency that reflect the image of Jesus Himself through us. It is Christ in us that is the light of the world. You're supposed to be like the light – the House on the hill with the light; but, it's not our light. That's the problem. Mainstream media, athletic organizations, whatever, want to make you believe it's your life, your dream. It's you, you, you. You are glorious. You are God. You are wonderful. No, you're a sinner; and, every one of us knows your sin, because we had it, too, before we gave our life to Christ, and he cleansed us. We have it, too. We know where you're at. Do you see what I'm saying?

And, that's not what's shining. That's not what brings the light. It is God Himself who is now taking over. He's the Subject position, in like the Subject of a sentence, the main part of the sentence, right. You are the Subject of a sentence, and you have the Object, then you have the prepositions, whatever. He's the Subject of the sentence. In the west we say Subject. Sometimes, that means the slave, like the Subject of a King, right. Sometimes, it means the opposite; but, when the Divine Principle talks about Subject, like in a sentence, it's the main part of the sentence, okay.

So, it's God's light going through us in the glassy sea; and, those who overcame the image, overcame the beast, overcame different things, it is God's light that shines through; and, that reflects through ourself into the world. This reflects the glory He invested in them as transformed transparent saints; thus, we become saints, not in the way the Catholic Church is called saints. We're saints, because we're standing under God's authority. It doesn't mean we're flawless. It doesn't mean we don't fight sometimes. You

know, Lourdes and Jamal, they're saints. Not like the saints we think; but, they're still under God's authority, whether you love or hate them. It doesn't matter. They're still under God's authority. How come it always becomes Lourdes and Jamal in the end, huh? This is why I told Jamal, "Hurry up and start your own Youtube Channel. Stop wasting all your time. Start your own Youtube Channel and attack the pedos. Go on after the stupid political Satanists.

So, this projects and reflects the glory invested in them as transparent saint. In this way, the Lord gets all the glory. Wow! In that way, God, who substantiates His Kingdom, gets all the glory. We just have to do our five percent of staying transparent, and not filling ourself with ourself, and stop blocking the light of God coming through us, and becoming the satanic light, which is not really a light, it's just a fake dark light, which is posing as a bright light, which then sucks you up into evil. The Lord gets all the glory and believes the unbelievers have the incredible privilege of sharing and reflecting Him; so, in the end, by standing with God at the throne, we are reflecting God's glory, and we are sharing in the sanctification-glorification process, even though we're humble people. We don't want to be glorified, but just by standing there, God glorifies us, because we don't want to worship ourselves, because we always remind ourselves, hey, I don't want to be worshipped. I don't want to be glorified. God, you have all the glory. Alright, so that's interesting.

So then, after we have **gotten the victory over the beast, over his image, over the mark, over the number of his name, and they sing a song. Look at that scene in Heaven. They're singing the Song of Moses, servant of God, and the song of the Lamb, saying, Great and marvelous are thy works, Lord God Almighty; just and true are thy way, thou King of saints. (Chapter 15, verses 2, 3)** Isn't that amazing?

See that. They're singing, again, the sacred song. They're singing, again, to the song that ties us to our whole history, the Providence of God. We call it either the Providence or Dispensation, or we call it history. It's the story of God. It's not like the story in Deepak Chopra's book of God, where he's trying to say, "Look, there's many stories of God. Oh, and they're all relative, and oh yes, oh, the Hindu gods are the same as Yahweh. Oh, we're all the same coming up the mountain." That's how they fool you. No, they are not. They lead to radically different civilizations. Radically different civilizations. Gods are very different. They lead to different worlds. There's no coincidence to the fact that the most-free countries on Earth have adopted the Protestant Christian worldview and ethic. There's no doubt. This is what they're saying in the Middle East. This is what they're saying. Hey, some of the civilizations cannot have an open and free society, because of their history, their historical context. This is the whole argument that the Economists in Sweden was making. Not everybody can copy the Swedish model, the US model, the Western model; because, some of these civilizations come from backward, medieval, women raping, slave holding religions; and, you can't have that in that cultural context. Sorry, it doesn't happen. It

doesn't work. It cannot last, because that culture context is violent; and, once it rises up, it will smash the existing culture, especially if it becomes secular, because secularism has no power against radical Sharia Law or Orthodox Islam. Absolutely none. And of course, this is what Europe is facing at this moment.

So, they're singing a song in Heaven **(Verse 4) Who shall not fear thee, Oh Lord, and glorify thy name.** Who shall not fear thee. It's interesting. It's amazing, because there's a time throughout all this fighting. This huge battle between sovereignty vs. worldwide Communism, even on the macrocosm. Look, Stephen Molyneux, one of the biggest philosophers. Probably the biggest philosopher on Youtube. He's an open atheist; but, he lauds. That means, he praises, he praises Christian civilization. He praises it, even though he's an atheist. Go figure that out? He says, I'm still contemplating about God, whatever. Okay. But, he's one of the top, top, top philosophers on the internet. Millions and hundreds of millions of views; and, he himself, has to praise Christian culture. In fact, he has a whole video, I believe it's entitled, "Why I was wrong about Christianity." He has a whole video on it, where he's admitting that he doesn't need it; but, he's seriously considering Christianity, because from a sociological standpoint, it creates the most stable, ethical society, which then creates the background, and the context, where free markets can exist, where in which people can do free association, you name it. Entrepreneurship, prosperity. It's the Protestant Ethic. Protestant Ethic.

The Protestant Christian Ethic; and, this is what's interesting about the Protestant Ethic. It's not a centralized church, like the Catholic Church. The Catholic Church is a centralized church, right. They own, they have charge over all ministries that are Catholic. They have charge over them; whereas, the Protestant, it's quite often, what is there, 44,000 different Protestant... Maybe 43,000. The latest count, maybe 44,000. About 43,000 plus Protestant, you know, Churches; but, they say that, you know, to pretend they are all different religions. They're not. They have the same core. They have the same core beliefs. Now, they disagree on some of the systematic theology, or some of the ways which God glorifies or sanctifies, you know, things like that; but, the same cruxed of it, okay, Jesus Christ died for your sin, rose from the dead. They all believe it. Every single one of them; so, they're not 43,000 different ... They're like a big family of many people; but, they all hold to the core of God the Father. They all have the same Father, okay; and, it's that kind of culture, and it's okay if you have a ministry, and it's okay if your brother wants to go into the ministry and start Church, that's okay. Do you see what I'm saying?

It's like Sanctuary and Family Fraud. They centralize everything. They control all the different ministries. You can't start your own ministry, without going through the ranks. In Sanctuary, as the King, I give permission. They can start separate ministries. If there's some issue with one location, other people can be empowered to start a ministry right near, and they'll still get the blessing; but we're all tied, we are all held together by our faith. We are all held together by our belief, by our common civilization.

So, **who shall not fear me, Oh Lord, and glorify thy name. (verse 3)** The beginning of all wisdom is the fear of God. That means, the reference of God, the love of God, the submission of yourself to God.

So, there's this incredible scene in Heaven. All the saints are singing. All the saints are overcome by these things, who are once martyrs, who had died. They're singing for the judgments who have been made manifest. After that, **⁵And after that I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened:** Then you have the seven angels.

So, you have this tremendous vision and activity in the Spirit World. Of course, many of us have not only sensed, but experienced. Different revelations and signs, meanings pouring out of the Holy Ghost, gifts of the Holy Spirit, you name it, especially at this time, where it's so intense, spiritual activity which is so high, and the Ancestor Liberation which is coming up, it's so high. It's so high. So high.

And you see then, the angels coming out of the tabernacle, and they're holding what? They're holding the vials. The vials are the wrath of God. In **Revelation 16**, we look at the vials; so, look at these vials.

The first one, the vial that is poured out upon the Earth (**Verse 2**) **And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image.** So, the vials begin; and, the vials, when they begin, they are extremely destructive. Extremely full. The cup is full of God's wrath. Full of suffering' but, it's interesting.

Even in the midst of that, look at that. Look how these demons still blaspheme God. Even they're being destroyed, they still curse God; so, they double down on it in the end. The demons double down. Satan's side doubles down. Political Satanism doubles down. "You think you are going to screw with us. You think you are going to take over our cartels. You think you are going to destroy our international crime syndicate, monopolies and collusion with international banks and governments, etc. You are going to die with doubling down. They curse God even more. They hate God even more. They blaspheme Him even more. Isn't that interesting.

And, there fell a noisome and grievous sore upon the beast. So, you can see there's a clear divide, even in the internet landscape, which is like an ocean of glass. It's like a transparent place, where you can see everybody's beliefs. Everybody, what they believe comes out on the internet. At least your macro beliefs. Whether or not you stand with, you know, the UN, or you stand with Trump. At least those beliefs come out. You know what I mean?

Then there fell a noisome, gruesome, grievous sore upon them. (**Verse 3-6**) **3 And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea. 4 And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood. 5 And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and**

wast, and shalt be, because thou hast judged thus. 6 For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy.

Look at what has happened on the macrocosmic level, these Family Frauders. They thought they could get away with it. They thought they could get away with it by betraying Father; but, in the end, they drink the blood, the blood of Satan and Judgment, because that the blood of Satan is. It's condemnation and eternal separation from God. In the end, you have to drink from that cup. It's the blood.

(Verse 7-9) 7 And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments. 6 And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. 9 And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory.

The fourth angel poured his, look at that. They have shed the blood of saints and his prophets. They have martyred. They have maimed. They have attacked those who stood with under Father's Authority. Not that you're all perfect. Not that we are perfect, but God called us to Him, knew that we would have to stand at this time. And, the fourth angel poured out the sun of the angel to scorch men with fire; and, you see complete devastation; and, isn't it interesting that it's all concentrated right now, in its context, right now on North Korea, the center, the epicenter, where Father was locating the building of Cheon Il Guk culture, the beginning of Cheon Il Guk as the Adam Nation, the Father Nation; and, at the same time, right now, over the weekend, I just got on, I just showed you, they're now doing mass evacuation drills throughout the North preparing for war; and, of course, if we go to war, you understand that tactical nuclear war with the North.

You understand that, right. We're not going to get this over with conventional war. 100,000 artillery fire within the first hour in Seoul, Korea. You understand, that's the level of severity we are dealing with, right. You understand, Trump attacks North Korea, he's got to take them out hard, and he's got to hit them hard, and he's got to hit them fast, with the Davy Crockett. Do you understand. The Davy Crockett are tactical nukes, you understand; so, we're talking about nuclear warfare. This war cannot be fought with conventionally. It cannot be physically fought conventually. If you even bomb them, or you try to touch them, whatever, within an hour, they will be shooting Seoul up like Swiss Cheese, with huge artillery guns hidden in the mountains, which you cannot find, and the US doesn't know all the posts of all those things; so, they literally have to blow up the whole DMZ with tactical nukes. You're talking about 40 tactical nukes that basically explode the whole region up right around the DMZ, which has all those mountains, where all this ridiculous artillery is hidden underground within these caves. I mean, they'll blow up the whole mountains. It's the only way to stop that raining down fire and brimstone hell that North Korea can shoot upon Seoul; and, we know they have the defense knowledge to do it. The artillery technology is not that high, compared to the hydrogen bombs that they just exploded one month ago. So, you understand what war means with North Korea.

Isn't it interesting that AOL and the liberal media like New York Times, and the Washington ComPost, all these fools. Can you believe it. They themselves are talking about EMP attack the last two weeks. I mean, it's unbelievable, because they've been denying that it ever existed; but, now you got the liberal

media pushing EMP attacks. How ridiculous is that? The liberal media is covering EMP attacks; but, if you talked about an EMP attack two years ago, you would be called a nutbag.

“Your living in fear. What are you afraid of? We have Socialism and Communism here.” I mean you have mentioned this, you would be called a whacking nut, and now you got the New York Times writing articles about it. I just saw it on AOL this morning. Another article on EMP strike. The liberal media. How the heck is the spiritual conspiracist now? Freakin’ nutbags. Totally, mentally deranged, ill. And of course, they’re saying an EMP attack would, I’m sorry. AOL’s article was, “Why the US would lose nuclear war if we went against North Korea.” That was the article. That was the title. “Why the US would lose nuclear war.” It’s amazing, amazing what these conspiracy theorists are writing about in the New York Times, AOL, and the Washington ComPost. Wow, they’re so tin-foily, aren’t they? They must believe aliens abducted John F. Kennedy. Oh, my gosh. Give me a break. This is ridiculous.

Look at that. **6 And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire.** But look. Even then the demons doubled down. Even then they say they’re right, and they start blaspheming God. **9 And men were scorched with great heat, and blasphemed the name of God,** Look at that. Great heat, and blasphemed the name of God **which hath power over these plagues: and they repented not to give him glory.**

So, even though they are being burned up, even though they are being hit with the fire, even though they are being hit with the sores and noisome sounds, they are still cursing God. They’re still cursing Christianity. They’re still cursing Christ. They’re still cursing Christian civilization, saying a white Christian male is the most dangerous on Earth, combined with carbon taxes. You’re number two, you white men. Greenhouse gases are the most dangerous, and then it’s you. Oh my Gosh. It’s such a joke.

(Verse 10) And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain, ¹¹ And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds. Wow, the Washington ComPost changes its whole title to democracy dies in darkness, saying that Trump is bringing the darkness. They’re the ones being exposed. They’ve been in the dark for the last fifty years. They’ve been doing the Black Ops for the last fifty years, since 1947, since the inception of the CIA. They’ve been doing the dark stuff. Give me a break. Bring all the Russian NSA agents from Operation Paperclip after 1947, and literally bring in the surveillance system into the United States. That is ridiculous.

Look at that. The pedophile networks are exploding. They’ve been in darkness the last forty years. Oh, now all the Hollywood Queens come out saying, “Yes, it was all. I suffered so much, and yes...” Why are you coming out now, girls? In the industry, Rose McGowan who was attacking everybody saying all this. Now she’s at a conference in Detroit. Now her narrative changed. It’s not that Hollywood was the problem. It’s that all America has this problem, and all Americans are to blame for this, especially toxic masculinity in men. Men. It’s all men’s fault. What Harvey Weinstein did to her was your fault. If you’re

a male, it was your fault. I should show you. I show it tomorrow on The King's Report. Will watch it. I watch her stupid speech. It's ridiculous.

She was coming out attacking these directors online, which was good, but then showed her true colors. She's a feminazi. She's a Socialist in panties. She wants control of resources. Her concrete conclusion is not that Hollywood was a problem. Her great conclusion was not that liberal bastards that have sexual predators as their politicians and their heads and CEOs of all the organizations in Hollywood. None of that is the problem. The problem was toxic masculinity, and the normal American man. This is the conclusion. So, if you're the seafood business, you are responsible for raping Rose McGowan. If you were doing transcripts, or whatever you're doing. If you were in the supermarket night, you are responsible for Hollywood. If you bought a duck call from Duck Commander, you are responsible. If you know how to skin a buck and fillet a fish, you are the problem not Hollywood. This is her conclusion. This is unbelievable.

You can tell, these women are not the brave sort. They're being used as propagative agents to bring the new narrative that now we got to divide men and women, because they couldn't divide the races. They tried it with the black and white division, but a lot of blacks are waking up. They're putting up, "I'm not gonna fight white people. I got white freakin friends. I'm not going to have a civil war with this." So, they lose this, so they got to divide the sexes. Now, they can say, "Man vs woman. Yes, Harvey Weinstein was terrible, but it's Gideon's fault. Harvey Weinstein was raping women, and trying to poll three hundred sex accusations John's fault, because he makes jewelry. Do you see what I'm saying? This is ridiculous. This is insane. Now, the narrative is changing to that. I'll show you tomorrow. I'll show you her ridiculous speech given in Detroit. She's made millions of dollars from Hollywood, and now she's trying to pretend she was hero. "Oh, I'm calling them all out," only to do another double take, only to do another double swindle, and switch it to say, "It's all toxic masculinity that's responsible for this. Are you crazy? And Harvey gets a slap on the wrist. He gets a gets mores prizes and more Grammys, and he'll be right back doing his thing; but, meanwhile, it's your fault, if you work in an Alabama fish plant, or you work in a car manufacturer in Detroit. I guess, Detroit has no more car manufacturers. Wherever it is. Ridiculous!

You can just see the nature of their lies, and they double down. They double down. See, their Kingdom that was full of darkness, which is now being exposed, which is now people can see the darkness. You can see it. You used to not be able to see it. You used to not be able to see the darkness. It used to be hidden behind it. Now you can see it. You can see it.

All that is exploding. What do they do? They gnaw their tongues, and blaspheme God. They curse God more. They curse God more with other types of ideologies, that in the same stupid ideology, only target it on different subjects now. Instead of dividing the races now, they divide the sexes. It's the same stupid

program. It's the same funding by George Soros. It's the same funding by the Bilderberg group, and behind the Black Ops. It's all the same stupid program.

¹¹ And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds. They're still going after Christianity. They are still going after Protestant Ethics. They're still going after you, trying to guilt/shame you. They know you have morals, and you'll feel bad if they try to guilt/shame you. They try to get you to surrender to them; and, of course, Trump says, no, I'm not going to do it; and, I'm gonna declassify more; and, Kook Jin Hyun said, "He should declassify more, he should move out of Washington and go to the Gold Tower, the Gold House. Don't stay in the White House. Go stay in the Gold House, and release all the classified information." Then the people will arrive with pots and pans, and arrest all those criminal entities in Washington; and, Trump never new about it, because he was in his Gold House. Ridiculous, ridiculous, ridiculous!

(Verse 12) And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared. Oh, the kings of the east might be prepared. Isn't that interesting. We thank God for the Japanese brothers and sisters, and of course the Korean brothers and sisters, who stood up so hard fighting for sovereignty in their... they fought their heart out, but of course, Korea is so cursed that the Commie presence; but, in Japan, the Sanctuary in Japan fought super hard; and, this time around Abe had a massive victory in Japan. We were the only ones on the frontline, literally, we were the only organization at every single one of his events. We were on the frontline. I'll show you some of those pictures. Maybe next week, or so. Our people are on the frontline, right in front of Abe, speaking around the country. We were at every single one of his events. Every single one, with big signs, "We love Trump. We love Abe." You name it. There's nobody doing that; but, of course landslide huge victory in Japan; and, of course now, God may have positioned Japan Sanctuary to influence Abe, because now no one helped him to get into the Prime Minister mission before; but, this time to increase the members in Congress, or whatever they call it. The Parliament there. The Diet. Now, over two-thirds, which means they can change the Constitution, and they can start initiating a strong Japan, strong America Alliance system. A change there to reflect their Constitution to be more sovereignty based, bringing the right to bear arms down to their citizens, which then of course, will secure from the tyrannical governments from taking over.

They thought we were crazy. You know, Japanese culture, Asian culture, it's pretty nuts to have pictures of you with Crowns and an AR15 rifle. That is pretty nuts, because, at least we have a big gun culture, we have a hunting culture. In the East, they have zero, zero, zero, you understand. Like touching a gun, you committed a mortal sin in Japan. You cannot access a gun; so, if all our Sanctuary brothers and sisters, you know dozens of them, hundreds of them, wearing a crown, standing in front of pictures of Father,

and carrying an AR15. Of course, it's a fake AR15. They bought it at Toys R Us, or whatever Japanese equivalent there is; but, it is representative of the symbology portrayed, and it's a mighty symbology.

You understand, these Satanists are into symbols. They're into images. They're into messages hidden into different things; and, when they see the peace police/ peace militia symbols as the AR15 as the sword of truth, they say, "Woah, Holy Shemitah. What is that? You mean to say you don't support the UN, and you have a weapon like that, boy, that's terrible." If we had a logo like that, and supported the UN, and the Bilderberg Group, and the Hollywood pedophiles, boy, they'd say, "That's a fantastic logo. That's a beautiful logo;" but, because we stand against that, "Oh, that's a dangerous logo. That's so dangerous."

The Japanese brothers and sisters for the last three weeks, even the FBI came and met with Erikawa Kicho. They met with Erikawa Kicho. They called her in. What is it with all these pictures with the crowns and guns? And so, she explained it; but, now, amazing, because of the hard work of the Sanctuary brother and sisters fighting super hard in Japan, we have the micro and macrocosmic totally allying together; and, we have a situation now where two-thirds of the Diet can actually start changing the laws in Japan to make it more real that people can get the crown, and they can obtain guns, too. I'm not saying that's guaranteed, but now the opportunity is there. Huge, huge, huge, huge, huge. A hole blown into Satan's face, especially in East Asia; so, there are Kings of the East that are rising up, baby. The Kings of the East that are rising up. Oh, yes, they're coming, because, right now, it starts with fake crowns, Walmart crowns, Halloween crowns, and they have little toy guns; but, that is the beginnings of a symbiological change, a spiritual atmospheric change, which then can be manifested into real law, which then at some point, which then the Japanese people can get hold of weapons like they do in the US, and have the kingly rights, have the kingly rights of citizenry over the Archangel. Whoa, whoa, whoa, that's a humongous change. If that happens you'll see the explosion of Protestant Christianity, and of course, you'll see the explosion of understanding the Cheon Il Guk Constitution in Japan. You will see that, because with proper gun rights, gun etiquette, gun culture comes, the Protestant Ethic, the work ethic, and secure and protect the gifts that God has given to them, the fruits of your labor that God has promised you, and to be able to have sovereignty and dominion over the Earth that comes with the Protestant Ethic.

The crown and AR15. I know some people like the Kalashnikov, but the AR15, the AR and the crown is a massive symbol of the Kings of the Last Days. Wow! Wow, wow, wow!

(Verse 13) And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. You see that with the globalist and the Bilderberg Group, and the false Pope, and all this ridiculousness. What are they. They're spirits of devils. Spirit of devils working miracles. It's not an actual frog coming, but it's the spirit of devils. The

spirit of Satan, and you can see it. You can see it on the Chinese. The political elite of the Chinese. The normal Chinese population, they're just brainwashed slaves. They're fine people, but the elites, the dragon, the beast, the false prophet, the Catholic Church, you name it. All the explosion of the pedophiles covering up the pedophile in the Catholic Church. Cardinal Pell, the Deputy Pope, for decades sex trafficked over, what was it, three hundred children? Three hundred plus kids. Ooh, man, did you see this? It's all breaking out now. Right now, Hollywood is exploding, the pedophile cult is getting exposed. The Catholic Church is becoming exposed. How many people are from the Catholic Church. You know. Big, big, big secret, all coming out. That organization who did the open secret on Hollywood, they should do an open secret on the Catholic Church. And of course, the godless ideology that Mary is sinless. That is totally unbiblical; although, the normal Catholic is so nice, and so wonderful. Just like the normal Chinese, but they're ruled over by these Archangels, who are demonic. They don't want to disarm them. They want to put them onto slavery, and have them rule and perch on top of them.

(Verse 14) For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty. Look at that. It covers the whole world. Let me tell you, folks, it's gonna get worse. It gets worse, before it gets better. 11/3, which is November 4th, they're planning for big thing, which Antifa's been saying. George Soros has just move 18 billion dollars to his Open Society Foundation. Eighteen Billion dollars. The Prime Minister of Hungary said, that creates an existential for Hungary, and nationwide Western states. Soros has just moved, what was it, two weeks ago? \$18 Billion to his radical leftist violent organization. 666, \$18 Billion. Yes.

(Verse 15- 17) 15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. 16 And he gathered them together into a place called in the Hebrew tongue Armageddon. 17 And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done. Notice, that the evil continues to blaspheme God, until the end. They can't admit that they lost. They want to double down, triple down, quadruple down, and say, "No, we're winning, winning, winning." Even though they're dying, even though they're disintegrating, even though they're wiped out, they still want to pretend that they have the moral highground, that they're the majority; because, their little cult is about their fake confidence that want to put upon the people saying, "Oh, yes, we have a consensus. Oh, yes, pedophilia is okay. Oh, yes, you know, the UN agenda is fine. Oh, yes, carbon tax is necessary for the greenhouse gases. Yes, climate change is the most dangerous. No, radical Islam is not dangerous. It is ridiculous; but, they continue to blaspheme God. They continue to attack Christianity, because they know it is the force, the only force upon the Earth that could existentially irradiate their civilization. Sharia Law won't do it. Buddhism won't do it. What other religion? Hinduism won't do it. Only

Christianity. Only the Protestant Ethic. Of course, Christianity is the most prosperous, the most free societies in the world's history; but, when they lose their ethics, and get sold out to secularism, then they get overrun by Islam. Some fifty years later, they get depressed economically, because they get taken over by Socialism, Commies, the Democratic left in the Party, you name it. It's the same stupid pattern.

(Verse 18-19) 18 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great.

19 And the great city was divided into three parts, and the cities of the nations fell: There has to be a division in the end. There must be the great three, divide. 33% will support the revolution, 33% will be opposed to the revolution, 33% will be too weak, too spineless, and too cowardly, and say, I don't want to take either side, okay; but, it is the 33% that support the 3% that will actually fight, that will actually win the war in American history. So, just because God's side is small doesn't mean they lose. All it takes is three percent of honorable, good, God-fearing people that destroy and decimate the imperial powers of Satan on this Earth. Only 3%. That's it. Of course, they're supported by the general 33%, but it's the 3% that will stand up and fight, be counted, be persecuted, be mocked, maimed, and hated. That's why I said, don't waste energy on one another under Father's Authority. You're all brothers and sisters. Waste energy on the enemy. Lose your energy on the enemy. Attack the UN. Attack Hollywood. Attack the Bilderberg Group. Attack Monsanto and Bill Gates vaccinating and poisoning 70,000 poor Indian children. Attack them. Your voice, then becomes amplified; and, you can spread the Gospel of the Kingdom, as you attack Satan.

(19 continues) and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. Ooh, there is great fierceness coming. For all the leftist lunatics, and all the political Satanists, who thought that it would be profitable to sell themselves out to Satan, and sell themselves out to a den of thieves, who thought they would gain in power and privilege, all they get is condemnation and the wrath of God, just like the Family Fraud.

(Verse 20-21) 20 And every island fled away, and the mountains were not found. 21 And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great. Look at that. Even at the last bile, they're still cursing God. Even when the nukes are falling, whatever, the hail and brimstone is falling down, they're never penning this in. They're still saying, "We didn't do nothing wrong. Look at all these people that stolen it from us," Hillary Clinton is saying, "I'm not going anywhere. The Democratic Presidency, the Presidency belongs to me." Did you see her stupid tweet the other day? I think it was this week. It was a picture of herself, when she was like ten years old, and she said, "The future President of the United States of America." This woman worships herself. She thinks she still

going to be the President of the United States. This woman is incredibly... this is how sick ... This narcissistic and unbelievably ... They're beyond psychopathic. It's unbelievable they won't repent, because they're in so deep. They become so corrupted, and so fallen, and so pathetic, and so weak. They're nobody's. They're nobody's, and they know they're nobody, which is the reason why they have to pretend they're somebody, and say, "Ooh, I'll be the President. This little girl will be the President of the United States." You're done Hillary. Go to your grave; and, you done it to yourself by colluding with Russia as a Russian agent, and doing everything that you blamed Trump for. These people are sick.

So, even to the last minute. In the last hail storm, they're saying, "I hate God. How dare you God do this to me. We almost had it. We almost had the whole world. We almost had total control, and the EU control of the whole world. We almost had Hillary Clinton as President. We almost had John Podesta in the bathtub with six years old, eight years old children, and Marina having sex with children, and semen and blood." It is ridiculous. God. They're driving me crazy.

Even to the end, they will blaspheme God. They will curse him to the end, and that's why they're will be the great divide. There will be a divide, and God will not let them into the Kingdom. **and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.** We're living in the great and terrible day folks. The great and terrible day. Exciting. It's exciting. It's definitely exciting. It gets your blood pressure up, but it's exciting.

Alright, SOS, come on up. Let's go to **Cheon Seong Gyeong 582**

If a global unified world had been formed in which Adam's birthday, his wedding day, and the day of his return were commemorated, the human race that commemorated those days would have been a unified brotherhood of one people. That is to say, they would have become a people that lived in one world. If that had happened, all the customs of Adam's life would have been inherited in the history of humanity, and the culture formed at that time would have been inherited eternally, (31-230, 1970-6.4)

There is a new civilization in town, and Satan's Kingdom's will die eternally. There is a new civilization in town, and Satan's Kingdom's will die. Alright, let's all rise, folks; and, give glory to the one who deserves all the praise. Go ahead, SOS. Amen-Aju!
