

Greetings from Sanctuary Blessed Life: Matching / Blessing Workshop for Parents and Candidates

Dear Parents & Candidates,

It is a serious time we are alive in, for it is truly a battle between good and evil on both the micro level and the macro level. So let us keep going back to Heavenly Father and True Father's words:

“Where do God's love and the love of humankind meet? At the point where love life and lineage settle. If it were not for that place, there would be no way for love life and lineage to connect. What is that place, that sexual organ and what is it used for? It is the place where the lives of man and woman connect, and when their lineage and blood intersect. God's life, love and lineage and those of man and woman are connected through this one point of settlement. Based on it their descendants come forth.” (1990.7.7) CSG Page 1733.

The Cosmic Perfection Blessing of True Parents took place on September 23rd. How precious it is to have a humble God centered True Mother Kang to show the way for us woman now. Now we have True Parents again, as well as Cain and Abel united.
