

## **Clarification regarding the February 28, 2018 "Cosmic True Parents of Heaven, Earth and Humanity Cheon Il Guk Book of Life Registration Blessing" Ceremony**

The "Cosmic True Parents of Heaven, Earth and Humanity Cheon Il Guk Book of Life Registration Blessing" Ceremony will take place at the Unification Sanctuary in Newfoundland, PA on Wednesday, February 28, 2018 at 10am. All heterosexual couples, whether they have been blessed previously or not, or participated in the Blessing to Return to True Father's Authority or not, are invited to take place in this "Perfection Level" Cheon Il Guk Book of Life Registration Blessing.

The following statement clarifies that there are not "different levels" of this "Perfection Level" Blessing.

### **Background of the February 28, 2018 Blessing**

On August 29, 2011, True Father spoke about the future "Perfection Level Blessing of True Parents" that was to take place on his birthday in 2012. The day prior to this planned Perfection Level Blessing in 2012, with hundreds of Unification leaders gathered from all over the world, True Father angrily declared that there would only be a dress rehearsal and that the real Perfection Level Blessing would take place one year later, in 2013.

Since True Father passed away before 2013, the "Perfection Level Blessing Ceremony of True Parents" approved by True Father never took place.

After the fall of the Han Mother, Hyung Jin Moon had to step into his role as the anointed representative and "Teshinja" (Resident Body) of the True Parent Sun Myung Moon for Cheon Il Guk to be established.

On 8.4, 8<sup>th</sup> year of the Cheon-gi (9.23.2017 in the western calendar) the Perfection Level Blessing of True Parents, to re-bless True Father with his first disciple in South Korea, Hyun Shil Kang, took place.

### **Feb. 28 Blessing to be Officiated by 2<sup>nd</sup> King and True Mother Kang**

On the bedrock of this Perfection Level Blessing of True Parents that took place on 9.23.2017, faithful brothers and sisters under True Father's authority can receive the grace of participating on February 28, 2018 in the Cheon Il Guk Book of Life Registration Blessing which is the final, perfection level Blessing that True Father instructed all blessed couples to complete. This ceremony will be officiated by Hyung Jin Moon, True Father's anointed heir, and True Mother Hyun Shil Kang.

On February 28, all brothers and sisters who believe that True Father Sun Myung Moon is the Messiah and that Hyung Jin Moon is his representative and heir in the physical world who has inherited the True Parents' authority and preserves the words and practices established by True Father, are invited to participate in an historic Perfection

Stage Book of Life Registration Blessing that True Father promised. They can participate by attending the ceremony to be held at the Unification Sanctuary in Newfoundland, PA or at other locations via the Internet.

### **The Accouterments of the Kingdom are a Foundation of Faith and Substance to Unite with God's Providence at This Time**

Blessed couples are requested to bring the accouterments of the nation of Cheon Il Guk, **crowns** representing the sovereignty of Kings and Queens, and a **“rod of iron,”** designated by the Second King as an AR15 semiautomatic rifle or equivalents such as an AK semiautomatic rifle, representing both the intent and the ability to defend ones's family, community and “nation of Cheon Il Guk.”

If unable to purchase and legally transport such a “rod of iron” because of laws barring the purchase of such weapons, or other reasons, couples are invited to purchase a \$700 gift certificate from a gun store, as evidence of their intent to purchase a “rod of iron” in the future. Those attending the ceremony on Feb. 28 in Newfoundland with this gift certificate will be invited to participate in a color guard ceremony in the presence of the King.

These actions to participate with crowns and a rod of iron/gift certificate are signs of attendance, sovereignty and vigilance to protect God's coming nation of Cheon Il Guk. They are also a Foundation of Faith and Substance to unite with the Second King who is advancing God's providence at this time. To not do so, if one is legally and personally able, would be a sign of great disrespect to the Second King of Cheon Il Guk and to True Father himself. As the parable of the Ten Virgins spoken of in Matthew 25:1-13 explains, believers should be prepared internally and externally to receive the grace of the bridegroom's arrival so they can be welcomed into the “wedding banquet.”

Nevertheless, all couples attending at the ceremony in Newfoundland, or at another location via the Internet, with or without Crowns or Rods of Iron, will be able to participate in this Cosmic True Parents of Heaven, Earth and Humanity Book of Life Registration Blessing, the Perfection Stage Blessing that True Father promised before his passing.
