

**2018.02.25 ~ Kingdom of the Rod of Iron 6 ~ Rev. Hyung Jin Moon ~ Newfoundland, PA 18445**

Okay folks, we're getting back into it. We're on the 6<sup>th</sup> part, and as you know we are going through the Bible of the Kingdom verses as God Himself describes the Gospel, as the Gospel of the Kingdom of God. You see it right there for yourself.

**Matthew 6:33 But see ye first the Kingdom of God, and his righteousness, and all these things shall be added unto you.**

Look at **Luke 4:43 And he said unto them, I must preach the Kingdom of God to other cities also: for therefor am I sent.**

Jesus himself said, I am sent for the reason of preaching the Gospel of the Kingdom of God. The Gospel of the Kingdom of God. Look at this right here in:

**Matthew 4:23 And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the Kingdom, and healing all manner of sickness and all manner of disease among the people.**

The Gospel of the Kingdom. The Gospel of the what? Kingdom. He didn't say the gospel of Socialism. He didn't say the gospel of Castro. He didn't say the gospel of liberation theology, okay. He said the Gospel of the Kingdom of God, and everywhere that Gospel was taught, there was healing, but there was also huge upheaval, and the centralized powers hated it. They hated it wherever that gospel was preached. There was healing power, and the centralized power, the centralized governments hated it, including the Pharisees and the religionists of the day. The "religious people" of the day that railed against Christ, okay.

Look at the in:

**Mark 1:14 Now after that John was put in prison, Jesus came into Galilee, preaching the gospel of the Kingdom of God,**

The Gospel of the Kingdom of God. I'm not making this up, folks. People call me a heretic. I'm not making this up. It's in the Bible. They're not reading their Bible. Look at what Jesus said himself what the Gospel is? Look at for yourself? You can see it. The Gospel of the Kingdom of God.

I guess, you know, one brother was telling me. The Chief said, they called Billy Graham a heretic all the time. I'm not saying I'm Billy Graham or anything like that. I'm say, hey, look at the Bible? Jesus himself defines what the Gospel is. It is about the Kingdom, the Gospel of the Kingdom of God, okay.

There, **Matthew 9:35 And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the Kingdom, and healing every sickness and every disease among the people.**

The Kingdom is from the word, "basileia." It comes from "basileus," which is the word for "King." King is basileus. Kingdom is basileia. So, America Christians, or anybody, we should be against Kings, because Jesus is a King. Jesus is the King of Kings, and as coheirs, Romans 8:17, as coheirs with Christ, not only in suffering, but in glory we're also to be heirs of his inheritance. In other words, we're also to have the right of Kings, but not for our own glory, not for our own egos, not to boast about ourselves, but to give him glory, and give him praise and thanksgiving through our lives, to all the blessings we nurture and create for other people, etc. God's Kingdom is glorified.

**Matthew 24:14 And this gospel of the Kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.**

When the Gospel of the Kingdom is once again preached, the end shall come. Amen!

**Matthew 25:34 Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the world.**

Now, so God gets to talk about the Kingdom. He's says His Gospel is about the Kingdom; so, He gets to define how His Kingdom will be ruled. I don't get to decide that. You don't get to decide that. Nobody gets to decide that. God decides how his Kingdom will be ruled; so, there's no way around it. God very clearly said His Gospel is a Kingdom, and then there's a certain way His Kingdom's going to be ruled.

There's going to be sovereignty, there's going to be a rule and reign, and there's going to be accoutrements. There's going to Crowns. In **Revelation 3:11 Let no man take thy crown.** That's in the Bible. The Preachers are not telling you that. Look it up for yourself. The Bible says, you have a Crown. Woo! That's why they call me heretic. They call me colleia. Look at your Bible?

And there is a Rod of Iron, folks. I didn't just make that up, okay. Mr. Sean Moon, okay, didn't make that up, okay. I did not make that up. God gets to define how His Kingdom will be ruled. And look at it. He says for Himself how it's going to ruled. It sounds a little scary, but that's what He says. So, look at what he said:

**Psalm 2:8 Ask of Me, and I will give you the nations for your inheritance, and the ends of the earth for your possessions. 9 You shall break with a Rod of Iron; you shall dash them to pieces like a potter's vessel.**

I did not make that up. Go look it up yourself. Look it up. I'm not making this up, okay. You can look it up for yourselves, okay.

You shall break them. You know, in legal language, shall is one of the strongest. Rights shall not be infringed. Shall, shall. Shall is very strong powerful language. You shall break them with a Rod of Iron. You shall dash them to pieces like a potter's vessel. That's how He describes it. Not me. I am not describing it. He's describing it that way. So, don't have a beef with me. If you got a beef with somebody else, okay. I'm just showing you the Scripture. If it's not what you're used to hearing. That's why you got to read. You shall break them with a Rod of Iron. You shall dash them to pieces like a potter's vessel.

**Revelation 2:27 AND HE SHALL RULE THEM WITH A ROD OF IRON, AS THE VESSELS OF THE POTTER ARE BROKEN TO PIECES, as I also have received authority from My Father;**

Notice, in Psalm 2:8 You shall; so, as his coheirs, we shall. But, also in Revelation 2:27 He shall; so, he's also going to have the Rod of Iron, too. He's going to have the Rod of Iron, too. He shall rule them with a Rod of Iron, as the vessels of the potter are broken to pieces, as I also have received authority from My Father. Again, Christ has been given this authority of the Rod of Iron from his Father. It comes from God, folks. It comes from God. The authority of the Rod of Iron comes from God; and, you are not slaves, and you are not the peasant class, you're not the slave class, you're not the servant class. You are coheirs with Christ. Romans 8:17. Inheritors of his Kingdom. You must shed off the slave mentality and adopted the royal mentality.

It's not Britain's little royal family, or whatever these people. These are false royal families, okay. And, at the very top, they're very, very connected to Vlad the Impaler. Prince Charles always says that. It's crazy. It's the cult of a comic book. It's just ridiculous. You can't make it up. I showed you the clips on BBC, right, where Prince Charles is bragging he from Vlad the Impaler, a descendant of Vlad the Impaler; and, the House Gottesberg is from the German line and the Transylvania line. It's not even British; but, that's a whole other story, okay. It's ridiculous. How are they legitimate, and the people of God are not legitimate? That's ridiculous. You just wait. Someday, these Crowns will all be gold and jewels. Will they then be legitimate? No. It's legitimate because of their relationship with Christ.

**Revelation 12:5 And she gave birth to a son, a male child, who is to rule all the nations with a Rod of Iron; and her child was caught up to God and to His throne.**

I didn't make it up. You see it for yourselves. Okay, so it makes the normal Christian whose never been given exposure to any of these things, it makes them feel a little uncomfortable. You just kind of want to brush over these Scriptures, even though it's the way that describes how God shall rule in His Kingdom; and, He tells you dozens of times that His Gospel is about the Kingdom of God. And, He's telling you how He's going to rule it; and, then you want to brush over the Scriptures quickly, because it makes you scared. I'm telling you, it's not a scary thing. It is not where he rules as a castrous tyrant, you know, like Kim Jung Un, or some kind of dictator, because the people in the Kingdom are his coheir, Romans 8:17; or inherit his authority, and will live and rule with him, Revelation 20: 4 and 6. We'll have responsibilities. We'll rule with him, and we're going to study that Word, because it's amazing. Amazing. You'll see the depth of that.

**Revelation 19:15 From His mouth comes a sharp sword, so that with it He may strike down the nations, and He will rule them with a Rod of Iron; and He treads the wine press of the fierce wrath of God, the Almighty.**

Predators fear the Rod of Iron, folks. That's why the Leftist lunatics are always trying to disarm the public in any Communist, Socialist dictatorship, including the West. In America, too, we have the Leftist Communist Party, too, basically. The Democrat Party has basically become a Communist Party. It's a Communist Party. Radical, Leftist, Communist Party funded by Nazi collaborator, George Soros. I'm not making that up. He was the number one campaign contributor to Hillary Clinton. I'm not making that up; and, he was an actual SS member Nazi. I mean, you can't make it up. It's so ridiculous. It's so ridiculous. It sounds like I'm crazy. It's ridiculous how reality is this crazy.

He rules them with a Rod of Iron, and He treads the winepress. The thing that Goerge Soros, and the Bilderberg's and Davos groups, and worldwide elitist who love what they call neo-feudalism, or basically a time of stratified super elite class, with a serf class. And they call that, Progressive. That's beautiful, because that's their desire. They are of their father the Devil. They love what Satan loves. They love ruling, because they're weak, and pathetic, and ugly. That's why they have to disarm everybody; because, when people are armed, they can't mess with them. They can't oppress them. They can't ruin their business, and ruin their lives, and steal their property. They can't do that. It kind of messes up their system a little bit, okay.

Just the fact that people have the Rod of Iron builds tremendous fear in the psychopathic class, like wolves. It's so fearful that the normal person can claim they're King and Queen. They have sovereignty. They are sovereign people. They're like a King and Queen. They can't touch my territory or Kingdom.

There's going to be consequences you touch my Kingdom. How come the Kings and Queens get to say that, but you can't? That's ridiculous. Right.

Just the that those who rule with Christ have the Rod of Iron builds fear in the wolves, but it brings comfort to the sheep. It brings comfort to people who know God, and who know His voice. **They rod and they staff, they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD forever. (23 Psalm)** Amen! Right!

Thy rod and thy staff, they comfort me. They comfort me. When good people have CCW in their arm, I am comforted. Hey look, a report asked me, "Hey what do you say to the young kids that experienced the shooting." I said, "Look at Inside Edition's Report on the Utah Schools? Inside Edition, which a very liberal outlet? Watch that report?" Inside Edition goes to Utah, talks to the schools where all the teachers are armed, the ones that have CCW licenses are armed, and the Reporter asks the kids on camera in front of the teachers of the kids that are there, "How many of you feel more safe because your teachers are armed?" Every single student raised their hand. Every single student, because they know Mr. Richardson, or they know whatever or who it is. They know this guy. They know this guy loves them. They know he wants to help them.

They know he doesn't want to have them die at the hands of some lunatic on psychotropic drugs or some SSRIs. The media never wants to talk about that; but, these guys are loaded up on psychotropic hallucinogenic drugs that says on their labels that will make you homicidal, or potentially has a side effect. That's ridiculous, because they're many times funded by the pharmaceutical companies. Just watch CNN. Just watch MSNBC. You'll see all the commercials.

"Oh, are you dealing with depression? Do you have stress. Undue worries. Then Xanax is for you." You know you always see these commercials. They're paying for those programs; so, that's why they're not calling this out. The mass shootings are all happening with these SSRIs and psychotropic drugs.

**He will rule them with a Rod of Iron; and He treads the wine press of the fierce wrath of God, the Almighty.** Sorry, I didn't make this up. It's right in the Word of God. It's just that, you know, the Leftist people will not tell you this. They're not going to tell you. It's right there. You don't get to define, no preacher gets to define, no Pope gets to define how God will rule His Kingdom, or how He describes His Kingdom. Only he can define that. And the fact that I'm pointing that out, I'm a heretic, I'm a cult leader, I'm a whacked-out bald Asian man. I'm not making this up. Look at the Word of God?

Good people, coheirs with Christ, with the Rod of Iron, with Christ, with the sovereignty, with Crowns, in His Kingdom. That's His vision for the Kingdom of God. You see? It's not the vision of Liberation Theology, where Jesus is going to get everybody on welfare. "Oh, no more worries." They always quote,

"He's going to wash every tear from your eye." Yeah, then they say the very next person, he's going to give him authority though. He's going to make you work. I mean, you rail against liberals all the time, and then you want to believe in some Christian welfare state. That's nuts.

Alright, so let's get into this world rule, because it's very important rule. Poimaino. Poimaino. Isn't that amazing? Poimaino. Look at this? When the Bible says, And He shall rule them with a Rod of Iron, the Word is Poimaino. Okay. Look at this? This only confirms what I'm saying. Poimaino means literally to act as a shepherd, not a dictator. The fake preachers and the fake priests are teaching that you're supposed to be wishing for Christ's rule as a dictator; so, they can essentially create hell on Earth, and give the worldwide Communist government folks a Christianized vision, legitimizing their desire to create worldwide governance, and not allow people to be sovereign, and not allow people to be free, and to regulate everything from Brussels, and to regulate everything from Switzerland, or wherever they want to create their headquarters, okay.

Look at the word, Poimaino? It means to shepherd. When the Bible says, And He shall rule them with a Rod of Iron, okay, that's true; and, He will Poimaino with a Rod of Iron. Okay. He will shepherd them with a Rod of Iron. Now, you see that there. You see what that is. Look at that. Look at that there. Shepherding, tending, herding, governing, ruling; but, also look down here. Guarding, guiding the flock, etc. Protecting. Protecting. Hmmm! How come your Pastors are not telling you that? Let me go back to the Scriptures in that context. Watch this?

(Reread Psalm 2) Ask of me Me, and I will give you the nations for your inheritance, okay. The ends of the earth for your possession, not for your glory. Not for your glory, so that we shepherd shall rule with Christ. You shall break them with a Rod of Iron; you shall dash them. Now here in Revelation 2, And He shall rule them, He shall poimaino them. He shall shepherd, He shall care for, He shall protect them with poimaino, with the Rod of Iron. The Bible's actually pretty clear.

Folks, the Democratic Party with Margaret Sanger pushed Planned Parenthood into the Black communities, cause she literally was a filthy racist. Wanted to kill Black people. I grew up mostly with Black friends and Hispanic friends. That's why, you know, I speak the way I do; but, I'm not saying all Black people speak like that. That's how we spoke. Okay.

So, this filthy, racist White Supremacist. I mean, I'm talking about a real White Supremacist. This Margaret Sanger, she wanted to eliminate. She said her plan, let's exterminate, what she called the Negro class. She said that, okay; and, then how are you going to do that. Let's get rid of the babies. Kill the babies. So, it was all sold to, "Oh, we want to give you free services and blah, blah, blah. All this sort of thing. But really, it's to exterminate them, because the Black neighborhoods, the Black community

was one of the fastest growing communities in term of... They had some of the highest graduation rates. They had the highest entrepreneur rates. Their starting businesses, etc.

LBJ was against Black emancipation. The Democrat Party was against freeing the Blacks, right; and, the NRA and the Republican Party were actually trying to help; and, the Democrat Party was running the Klu Klux Klan. Oh, this is crazy; and, now they'll just say, they flipped. They flipped, right? Margaret Sanger was going there, a filthy White Supremacist, racist, bigoted demon, who openly said she wants to kill Black people, and exterminate Blacks. And, then she said in some of her quotes, you have to get Christian Pastors, because they have a lot of influence in those communities. So, you got to get the Christian Pastors, and you got to make them teach the Liberation Theology style, or a Socialist Jesus. Jesus wants to give you free things. You got to vote for Democrats. Now they want to give you free stuff, because Lyndon B. Johnson said, "Give them a little, but not enough to make a difference; and, then we'll have them voting Democratic for the next two hundred years." He said that.

But, people are waking up. A record number of Blacks had voted for Trump. A record number of Hispanics had voted for Trump. A record number of Asian had voted for Trump. I'm not saying the Republican Party is perfect. There's a lot of NeoComs, there's a lot of careerists, there's a lot of corruptors in there; but, Trump is just changing the atmosphere. He saying, I mean, look at the lecture he gave at CPAC yesterday, or two days before? Incredible! Amazing!

One of the keys of breaking down a nation is to take over the Churches. If you can get all the Pastors to start legitimizing Socialism, Whoa! We love our Catholic brothers and sisters, but they're protecting pedophile rings with Cardinal Pell. He's now being sued by the Australian government. The Deputy Pope. Huge pedophilia problems in there; and, the Pope himself is saying, China is the example of human rights. Are you kidding me? They're organ harvesting poor Asian people; but, I guess that's the epitome of Christian love. He's a devil. He's a Socialist, Communist devil. CNN, and all of WaPo, you can quote me on that. I'm not saying Catholics are the devil; but, that guy is not representing Christianity.

If you can get the Priests and the Pastors to preach Socialism through a fake gospel of Jesus that gives the Body of Christ no sense of responsibility, no sense of responsibility for their politics or their nation state, because, oh, don't be involved in it. God's going to take care of it all. Just let the Socialists have power, just let them have power. They're giving stuff free like Jesus. They're giving everything free, right. Jesus never centralized power. Jesus never created a government, Jesus never said for his Church to create that type of centralized body. Christianity for three hundred years was a decentralized religion, with a personal relationship with Jesus. Personal relationship with Jesus. They call me a cussing Pastor. Well, Martin Luther was the cussing Pastor. Martin Luther cussed the shmita out of the Pope every single day. It's called scatological language. In theology, that's what you call it. Scatological language. Cussing me all the time because I cuss. Well, it's the story of Martin Luther.

If you can get the Pastors and the clergy to teach that fake gospel, you got that nation. They're going to start buying it, and they are going to start buying into Socialism. They're going to start allowing you to take control, and gather resources for yourself and your friends, and completely corrupt hell on Earth, which Socialism has created everywhere it goes. Communism is created everywhere it goes, because the normal people are just serfs. They're slaves. "Oh, income distribution will be solved with Socialism." Really? Centralize all power to the government authorities, then they're going to solve income distribution, folks. It didn't work so well for North Korea, did it? It didn't work out so well for Venezuela, for Argentina, for every single example on Earth.

But, this is what's so great about the Kingdom, folks. The Leftist can never change the laws, because God will decide the laws. He will decide the laws, but then it's not democracy. You can't change it by mob rule. That's a great thing. Praise God for that. Praise God for that. You can't change it with mob rule. He gets to define His Kingdom, and how he will rule it. Poimaino, how he will shepherd it. Poimaino, how he will care for it and protect it, as he is the what? Father.

You see. So, I mean, if you in your heart know, and you have the protective instinct, and you don't want to be a victim of some crazy person's lust of power or resources, whatever it is. And you know you have to hold fast to your Rod of Iron, you know. You know your spirit is connected to the Kingdom of God. You know, there's something inside of you that is connected to something beyond you, that yearns for you to be in his nature – a protector. A lover of people. Somebody who doesn't want to exploit, and who does not want to destroy, to get high on power. Because he rules with a Rod of Iron; but, the Rod of Iron, again, it's not a scary rule. The Rod of Iron rule is a poimaino rule. It is a shepherding rule. It is a caring rule. It is a protective rule, which represents the God of love. Justice and mercy, where people will have free will. How come in the Kingdom God will eliminate free will, all of a sudden? The Bible says, "He's the same yesterday, and today, and forever," right? (Hebrews 13:8) He gave free will in the beginning. He continues to give throughout the entire Providence, the Old Testament and the New Testament. How come when the Kingdom comes, he's going to all of a sudden change and eliminates free will, and everybody's gonna be a robot? You got free will. People can choose to do evil, just like they did in the Garden of Eden, and they didn't have Original Sin.

So, you will continue to do evil; but, evil will have very quick consequences. If you try to do something very evil, you're going to get a consequence very quickly. Very quickly. And because you can't centralize power, and because you can't create a Communist government, and because you can't create a Socialist government, the psychopathic class, which Psychologist say is about 5 to 10 percent of any population, and the sociopathic class, those are the people who will go along with the psychopaths for resources and for power - ie mainstream media and this kind of sellouts – buy into evil for the sake of getting power, or getting more resources themselves, whether they be sexual resources. Remember, we did a

whole study or r and K type animals. Remember that? Or monetary resources, whatever they are. In God's Kingdom, you can't do that. It's not going to happen.

Everybody's going to be peace police/ peace militia. You try and do some socialistic revolution, everybody's already trained in the Kingdom of God. You try and do a violent revolution, try and build Socialism, you're going to be put down very quickly, and you won't have the moral high ground, because Socialism doesn't have the moral high ground. It has the deceptive, lying ground of wooing people into false promises, fake compassion for the proletariat, but then switches at the end, and becomes the master class. "Ha, ha, ha! Too, bad! Whoops! Sorry." That how it goes. Just like Satan. Just like Satan.

God's rule is a rule of the Rod of Iron. Again, shepherding with the Rod of Iron, and caring and protecting with the Rod of Iron. Their routine, it is not an accoutrement. It's just to demonstrate power, all this kind of thing. No! It is for the people of God to rule and reign with Christ, to have sovereignty and dominion, to be able to care for their neighbors and their families and their Kingdoms, to be able to protect innocent people. The Rod of Iron represents those things. We don't worship the Rod of Iron. It's a gift that God gave. We don't worship the Crowns that God gave. It's a gift that he gave; but, we protect what he gives, and we worship the one who gives it.

"Suntribo. Suntribo. Look at this? And he shall break into pieces. Crush. He shall dash them into pieces like the potter's vessel, the Bible says. What is this word? Suntribo. That he shall break by crushing. Shatter, crush, bruise. From "sun." And the same as "tribos." So, when we look at the Scripture, it seems to be saying, obviously, this is a very scary reign. There is harvesting the use of force. There is a very powerful force, which is the Rod of Iron, which is being harnessed. It has the power to dash nations. Dash nations like the potter's vessel. Shatter them into pieces. It has tremendous power and force, but guess what? It's in the hands of the good people. Not in the hands of the archangel, which is a centralized government. Being responsible for the deaths of some 240 million people in the last hundred years. The worst killers in all of humanity. The last hundred years is not even your local criminal. It is centralized government. Mao Zedong killed 80 million poor Chinese people. Pol Pot killed 2 million. Hitler killed 12 million. Stalin killed 40 plus million. It goes beyond race, religion and creed; but, it tends to usually focus on Christianity.

That's Marxist own doctrine. He said, religion is the opium of the masses. Religion must be dismantled from the beginning to allow Marxism to exist, essentially. He openly states that religion is a problem that you must get rid of to create Marxism; and, especially what he means by religion is Christianity. Judeo-Christianity. He'll ally with other religions that create a fascist system like Caliphates like radical Islam. The Left will ally with them seeking the same despicable centralized demonic government, where they can do whatever they want to the people; and, the people can't do crap about it. That was scatological language, okay.

So, that is the reason why in the Kingdom peace police/ peace militia is part of the culture, okay. Play this video. This is kind of a brief description of it. Some of our kids who trained with us made this cool video kind of showing the spirit behind good people learning how to become, how to have dominion over this force, because that's when real peace comes to a society. Go ahead. Hit it boys:

(the real highest level of protection is the fire power, the power of fire. The Rod of Iron and the baptism of the Holy Ghost and fire. That's the real power, okay. That's the real power, because old people, young people, it doesn't matter. Age doesn't matter. Size doesn't matter. Everybody becomes more dangerous against evil, because we don't want to see your kids die. Because don't want to see predators rule the day, and mafias running over us, and raping our children. Doesn't that make sense? That why we have the peace police/ peace militia. That's why we have the Rod of Iron.

So, the gun community is not about trying to be badass and look tough. It's not about that. It's about practicing to be deadly, because you love people; and, you know, you fear that if tyrants take over, the wicked take over. You know what they will do. The right of self-defense and the right of self-preservation, the preservation of your neighbor is not an American right, it is a human right. So, the higher level the people are in terms of being cognizant of themselves, being cognizant of others, not being delusional, not being in crazy self-absorbed dreams about themselves, but actually care for other people, right? The more they do that with peace police/ peace militia training, you learn to become more responsible to larger power. We have to seek His Kingdom and His righteousness, too. Right? You can't only have the power, you have to learn how to love.

Remember, we're practicing the actual Commandments: Love God/ love your neighbor, right? We're actually practicing to become stronger, so we can be better protectors of people, right? You see that? You see this is not a joke (slicing a piece of meat with just a one-inch blade.) So, that's why it's important. When you see this, you see. That's what peace police/ peace militia training is about. It's about making peace through strength. Learning these things, when you learn discipline of the mind. You learn power, but you learn true love is absolutely essential in a Christian culture that then has the Rod of Iron. Okay.

But, at the same time, that whole society is built on a foundation of Christian love. Christian love. We don't get to pissed off easily. We're slow to anger, right? If somebody is cursing us, we say, okay, it's not worth it. It's not worth me shooting him. You have here, right in PA, the start of Kingdom culture totally taking over, right? And again, most people are not even thinking in that manner, which is the reason why they need the stimulus from the people that God has prepared, and the true inheritors of the Kingdom, to empower other people to move from sheep to sheepdog. That's every single one of us here. Every single one of here that understands the Rod of Iron. Amazing, that the gun community is now talking about local militias. That is incredible. Incredible. And if have veterans there, former law

enforcement agents there, hey, already God has put people in your place of location to step up and give guidance.

**Revelation 12:5** And she brought forth a man child, who was to rule all nations with a Rod of Iron, and her child was caught up unto God, and to his throne.

**Revelation 2:27** And he shall rule them with a Rod of Iron as the vessels of a potter shall they be broken into shivers: even as I received of my Father.

**Peace Police/ Peace Militia.**

Alright! That's why Father called it peace police/ peace militia, okay. It's because when good people know the arts of defense. It's at peace. At peace. The predators can't succeed, okay. It's good people like you that love butterflies. It's fantastic. I love that stuff, too. You know I'm such a nature freak. We love nature. We love that, too; but, at the same time, God gives us that responsibility to be coheirs with Him. You know, when you're brought into royal families, into The Royal Family, right? There's also duties of the Royal Family, right? There's responsibilities.

We are over course, way over time folks. We're going to look at **Matthew 21** today; and, this is of course where Christ is talking about different parables. I think we're going to have to cover that at another time, okay, because we're running a little over time right now. Let me go over this real quick and remind you what them were.

**Matthew 21:28** But what think ye? A certain man had two sons; and he came to the first, and said, Son, go work to day in my vineyard. **29** He answered and said, I will not: but afterward he repented, and went. **30** And he came to the second, and said likewise. And he answered and said, I go, sir: and went not. **31** Whether of them twain did the will of his father? They say unto him, The first. Jesus saith unto them, Verily I say unto you, That the publicans and the harlots go into the kingdom of God before you. **32** For John came unto you in the way of righteousness, and ye believed him not: but the publicans and the harlots believed him: and ye, when ye had seen it, repented not afterward, that ye might believe him. **33** Hear another parable: There was a certain householder, which planted a vineyard, and hedged it round about, and digged a winepress in it, and built a tower, and let it out to husbandmen, and went into a far country: **34** And when the time of the fruit drew near, he sent his servants to the husbandmen, that they might receive the fruits of it. **35** And the husbandmen took his servants, and beat one, and killed another, and stoned another. **36** Again, he sent other servants more than the first: and they did unto them likewise. **37** But last of all he sent unto them his son, saying, They will reverence my son. **38** But when the husbandmen saw the son, they said among themselves, This is the heir; come, let us kill him, and let us seize on his inheritance. **39** And they caught him, and cast him out of the vineyard, and slew him. **40** When the lord therefore of the vineyard cometh, what

**will he do unto those husbandmen? 41 They say unto him, He will miserably destroy those wicked men, and will let out his vineyard unto other husbandmen, which shall render him the fruits in their seasons.**

Remember the parable, where Jesus is talking about there will be a vineyard, and he has people that are husbandmen who take care of the vineyard; and, then he sends his servants to get the fruits, right? And, husbandmen say, Screw you. I'm going to kill you; and, so he kills them. Then the father sends more servants to get the fruits, but then they kill them, too. Then he sends his son, and then they kill him, too. And the father says, what do you think when the Lord of the vineyard come, what will he do to those husbandmen? Then he says to them, he will miserably destroy those wicked men.

Jesus said, he didn't come to bring peace. He came to bring the sword. (Matthew 10:34) Now, when good guys have the sword, and they have the Rod of iron, there is peace, because bad guys can't flourish. Let me show you some of this real quick:

These are some of the statistics

This is the number of violent crimes per 100 thousand. This was before and after concealed handgun laws. You get some graphs in church. How's that? Check this out. So, before and after concealed carry laws. Violent crime was floating up here near the 400's. Let's say 380-390, around that per 100 thousand population. Now, you bring it in concealed carry, and they're talking about actual constitutional carry, where you don't even need a permit to carry. Now, what a surprise, okay. Look at what happens to the crime rate? It just skyrockets down. Big surprise. Big surprise.

If the bad guy knows he may die, and he tries to rob grandma, he may think again. If he thinks he's going to get away with raping a young lady, but she may be locked and loaded, okay, he's got a problem now on his hands. Murder rates have fallen as per percentage of the population, as concealed handguns have increased. This is the murder rate per hundred thousand here. See that? As concealed goes up, the murder rate goes down, down, down, down, down, because the bad guy doesn't know who's packing and who's not. That's how you want it. You want it like that; so, bad guys are always second guessing themselves, and saying, "Oh, I better not do this. I can't do this. What if I get shot, I get shot?" "Oh, come on do it." "No, no, I might get shot." You want that. You want that. That's what you want.

Progress in Firearms Carry Rights. Look at this. The total violent crimes per hundred thousand, see that? That's when the CCW here in the population living in a Shall issue and Constitutional State, look at that? When it's very low, it's very high. As soon as more people can constitutional carry, violent crime goes down. Whoopsy-daisy. They don't want you to see those stats now, do they? They don't want you to see those.

Child Firearm Deaths and Handgun Availability. The Left always are saying, "Oh, my gosh! When guns are all around, the kids are going to shoot themselves, right? They always say this. They want to scare the protective instinct of Moms, right? Make you believe your incompetent, and you can't raise your children to shoot and understand a metal tool, which is a complete lie. There are very proficient women in firearms, and very proficient children of those women in our community alone, okay. But they think you're so incompetent as a mom; and, they think you're so pathetic as a mom and protector, that you can't teach your child how to use a metal tool. You teach them how to use a blender. That's dangerous if you stick your hand in a blender. Your hands going to be mashed up. Probably worse than getting shot, I think, in the hand. It's a dangerous thing. You get that food dispenser. Boy, you turn that on, you get your hand in there, that's a dangerous thing. You better ban those. You better ban them.

Knives. More deaths by knives, way more deaths by knives worldwide than guns. Violent crimes by knives. Woopsy-daisy. A lot more medical malpractice deaths way more than gun deaths, which is the reason alternative medicine is alive and works.

Child gun deaths from the 1990s to 2011, and we're looking at the deaths of children, and the handgun penetration per people. Look, as more guns gets into the hands of people, childhood death rates go down. That's weird. That's not what the political Satanist and Socialists tell you. Whoopsy-daisy.

You see, God's Kingdom and the rule of the Rod of Iron statistically creates a safer environment, because you have to learn responsibility. You're going to train people, and your children. I mean, you're going to be their trainers. You dads and moms, you're going to be their trainers in terms of firearms, and stuff like that; and, you'll be able to train them to not touch those weapons or know how to handle them. So, put them away, if you see them lying around. They'll be trained.

Look at the statistics. Childhood death rates go down as firearms go up, because parents know, I don't want my kids to die. I'm going to teach them how to use it. I'm going to teach them to put it away. If they see it, they're going to tell Mom, and they're going to come tell Dad; but, they think you're so stupid, so pathetic, they think you're so incompetent, because that's what they are, and they think you're so emotionally unhinged that you can't control yourself, because Mr. Pratt said, that's what they are. At least some of them.

It protection. Most level-headed people, who are not sociopaths or psychopaths, which is about 50 to 60 percent of the population, they're level-headed. They're not psychopathic. They don't want to exploit people. They want to just, you know, live their life, work a little bit, have some barbeques, go out for pizza once in a while, you know what I mean? They just want to live their life and be happy. They don't want to screw with other people to steal resources. That's why at Church, we don't take a roll call. We don't take a membership call. You don't have to sign nothing here. We're all sovereigns here. We all

have our own private property. We all have our own guns. We are our own Kings and Queens here. We all associate freely. We gather together and worship God, not to have some membership roll call.

So, the signs are also there. God's Kingdom is not a tyrannical rule, which many of these Socialist preachers are talking about. You know, Christian leaders are talking about, whether they be Catholic or whatever. Anglican, or whatever. Always telling the population, "Oh, it's Christian to be disarmed. It's Christian to be disarmed." "Ooh, no, no. Be like Jesus. No arms;" even though he said to buy two swords. "No, no, no, no! Don't look at that Scripture." "Don't look at Luke 22. No, no! Don't look at that." "You see, he who lives by the sword, dies by the sword. Did you hear that. Oh, yes, yes. That's why you have to allow us to take all your weapons, and give them to ourselves and our bodyguards, okay?"

Now, the world is starting to wake up to this, folks. Okay! It's a racket. It's a crime syndicate. Not street criminals; there's also political criminals, like Hillary Rodham Clinton blaming Trump for Russian collusion. She was the one and the DNC paying for Russian intervention in the United States elections. They were the ones paying for the Russian dossier. Wow! That's come out. They blame Trump for what they're doing.

Same thing with criminals. They blame you for what they want to do. You are not to blame for the psychopathic killing of Parkwood. That's not your fault. That's not my fault. That's not any gunowner's fault. It's the fault of that lunatic, and it's the fault of the FBI and those people who did not take him after 39 visits over the past seven years; and, the four cops that sat under that liberal Hillary Clinton supporting Sheriff that did nothing. How was that your and my fault? Give me a break! That is ridiculous.

We got to pray, folks. We got to pray for this country. We got to pray for President Trump. We got to pray for God's Kingdom, because it is a glorious Kingdom, where finally, finally, finally, the history of mankind perdition under psychopathic control freaks will come to an end.

#### **CSG 334**

**God is our father. Day and night, He worries that His children may be harmed; He protects us lest troubles happen; and He defends us lest some opposing circumstances appear. (That's why Father made the Vulcan cannon for the South Korean military, you understand. Oh, you didn't know that about Rev. Moon. Yeah, he made the Vulcan cannon. That's right. For the South Korean military, because he was in a death camp in North Korea, and he was killed almost every single day there. So, that's why he made the Vulcan cannon for the South Korean military.) He is that kind of parent. Going in search of the essence of such a parent is the way of goodness and the way of love.**

Don't be fooled, folks. The way of the Rod of Iron is the way of love. Loving your neighbor. Loving God and loving your neighbor. Loving humanity. It's about stopping the cycle of satanic abuse and

exploitation that all the satanic kingdoms of the past have done. God's Kingdom is radically different. Radically different. Finally, the peasants, the once slaves, are freed and no longer slaves, and can call themselves children of God.

Alright, let's all rise, and let's give Him all the praise, glory and worship. SOS, come on up. We love, we love, we love, God. Amen-Aju!
