

WFWP Husbands Apologize...

People were bringing little children to Jesus for him to place his hands on them, but the disciples rebuked them. When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. Truly I tell you, anyone who will not receive the kingdom of God like a little child will never enter it." And he took the children in his arms, placed his hands on them and blessed them. Mark 10:13-16

There is no easy way to prepare. Let us think about our life as a whole. Those who know that their youth is the time to prepare for young adulthood will become prosperous. The prime of life is the time to prepare for old age. Old age is the time to prepare for the spirit world.

I know very well that life is like a training course, a period of preparation in which to attain a great and universal character. CSG 765

Dear

I have been thinking for several weeks about a post by WFWP USA President Angelika Selle, called "[Apology By Men](#)" posted on the WFWP website. In this post, Angelika expresses how moved she was by an "apology" statement written by her husband and other men in Maryland. It states:

I, on behalf of the collective masculine, offer my sincere and deepest apology from my heart, for my abuses and excesses of power and authority and for keeping you, the feminine expression of God, from your true and deserved relationship with Heavenly Mother. I apologize--

- *For creating languages and cultures that disable women.*
- *For creating languages and cultures that muzzle the voice of divine wisdom through women.*
- *For using my male muscle to enslave, control, and abuse women who are daughters of God, created in His/Her image.*
- *For writing scripture that has justified man's control and has confused and misled women.*
- *For devaluing women by insisting that a man's core is more important and more special than a woman's core.*
- *For creating a culture in which women have to imitate men and deny their innate femininity in order to survive and succeed.*
- *For blaming Eve for the Fall and then using that to justify mistreatment and dominance of women.*

To that end, I will give comfort and support to women in their healing.

Angelika concludes by writing, "Feel free to pass it on to other women, mothers, and daughters."

I think I could write a whole book in response, and probably should, but for now I'd like to "add" to this list of apologies with some of my own:

I "apologize"

* I "apologize" for the man, Jesus, who while dying an excruciating and painful death, asked God to forgive the sinful men and women under Satan's dominion, as recorded in the "sexist" Bible that WFWP is ashamed of.

* I "apologize" for True Adam, Sun Myung Moon, who while undergoing countless trials, exposed the crimes of Satan and sought a woman who would believe in him and work with him to establish a true family, nation and world, as recorded in the "sexist" Bible, Divine Principle and Cheon Syeong Gyeong that WFWP and FFWPU want to revise.

* I "apologize" for providential men like Moses and the prophets who revealed God's standard that [all sexual activity be channeled into marriage](#) and against child sacrifice, unique in the ancient world, thus raising the value of women and children with lasting benefits for the human race, as recorded in "sexist" Bible that WFWP is ashamed of.

* I "apologize" for the hardworking men who do dirty and dangerous jobs, which lead to their higher accident and death rates (see [Workplace Death Gap](#)), that make all of our lives safer and more comfortable, providing time for elitists with university degrees to express their lack of appreciation, while writing about their alleged victimhood.

* I "apologize" for the majority of married men who are faithful to their wives, work hard to support their families, and generously give of their time to their sons and daughters, without any appreciation from gender feminists and whose ideas will make man/woman relationships worse, not better.

I could go on... but feel free to pass it on to other women, mothers and daughters, who might be proud of Christ and of their husbands and fathers. And don't want to poison their sons and daughters with such nonsense.

PS- for more information about how gender feminist ideas undermine families and drive out healthy masculinity, hurting both men and women, visit boycrisis.org/.

In Sunday's service, Hyung Jin Nim explained that young people have the innate desire or nature to worship something. Since Satan knows this, he tries to substitute materialism and celebrity for God.

A famous entrepreneur warned that if your goal is just to make money, you will fail. It's important to build trust in you as a person of integrity who has a larger purpose or mission in life beyond self.

The Black Rifle coffee company was started by veterans in opposition to Starbucks which promised to hire 40,000 immigrants. Black Rifle, which promised to hire 40,000 veterans, is hated by the left, but loved by conservatives. It is said to be the fastest growing company in America.

Hyung Jin Nim showed a video of Steven Crowder's "Louder with Crowder" live show at Southern Methodist University which was sold out with thousands in the audience. He exhibited courage like Christian apologist William Lane Craig who challenged leading atheists on universities.

Our goal is to change culture. People want to instill fear. We fear what we hate, hate what we fear. Fear is natural, but it's how we deal with fear that makes the difference. Like how we use money, either for good or for evil.

Conservatives have been suspended from youtube, twitter, etc. We've spent years being scared. The Left uses scare tactics, accusing Crowder of being a Nazi or fascist. But, he says, conservatives need to realize that **YOUR IDEAS ARE RIGHT!**

Hyung Jin Nim is bringing a new Biblical dimension by explaining that we have the divine right of kings. We must stand on God's side. You will be opposed, but become stronger. Decentralized power can stop 1% who are truly psychopathic. Once those who have their identity in Christ can face with courage, love and mercy so that God's Kingdom will prevail.

My Spiritual Experience with True Father.

March 22, 2018 by Gilson Oliveira

Introduction: A few day ago, I had a lucid dream; I was walking on a road in a countryside town when I became conscious. I noticed that the houses of the city started to decompose and the whole scenery became dark and ugly, I felt the desire to fly away, and when I felt the desire to fly away someone came from behind and touched the palms of my hands with the palms of His lifting me very fast towards the sky.

I felt uncomfortable since it was a strong presence with so much power and determination, so I asked three times "who are you?" and had no answer. I woke up and looked at the time on my alarm clock, a habit of mine. I usually do this to identify the nature of the spirit. For some reason high spirits like providential numbers. The clock said 12:12 AM. On the following day, I felt the presence of True Father. I also felt the desire to go fishing. I woke up early and did go fishing.

The Spiritual experience: I woke up around 4:20 Am but decided to sleep a little more until 5:00 Am. I immediately had many lucid dreams, most of them in old cities in Europe and China, and then I finally returned to a house somewhere in Europe where I climbed the stairs into a large room in an attic. The room was full of beautiful handcrafted wood works over wooden tables. It had a kitchen at the end of the room, and my beautiful wife was there cooking. Then I saw True Father. He appeared young to me, probably around 20 years old. There was so much joy and love in Him that I cried out of joy and called my wife. I told her "look, Father is here!" I was so conscious that somehow I knew that I was in my bed, so I tried to tell my wife who was sleeping beside me. She actually woke up with the sounds of me calling her and talking, what she later described as "gibberish." She realized I was sleeping and went back to

sleep.

However, the American Revolution was centered...

“Hak Ja Han’s Words at Famicon 2018”

The following is an official translation of Hak Ja Han’s speech on March 16, 2018, at Famicon 2018, which was held at the International Peace Education Center in Las Vegas, Nevada.

I am pleased to meet you everyone. Please take your seats. Can you see me well? Can you see me better now?

During this past celebration of Foundation Day, I asked this question: “At this current moment, where do you stand?” Do you remember this question? Where do you currently stand? Following the fall of Adam and Eve, God had to lead the undesired providence of salvation through indemnity, the history of the providence of restoration through indemnity. How arduous and painful must this course have been that it took 4,000 years until the people of Israel could be raised through this long, historical and providential dispensation? When the people of Israel laid a foundation at the national level, Heavenly Parent sent Jesus Christ as promised.

However, what happened to Jesus? Did the people of Israel fulfill their responsibility or not? **As a result, the Old Testament Age became a past [dispensation].** Following Jesus’ crucifixion, Christianity emerged centering on the revival initiated by the Holy Spirit. In the early days of Christianity, Christians endured tremendous persecution and martyrdom. However, Jesus prophesized that he would come again and Christians waited [for the Second Advent] with faith. Through the works of the Holy Spirit and the efforts of the Apostles, Christianity developed.

Now, I would like to ask you this question: where does the term trinity come from? Catholicism speaks of the Father, the Son and the Holy Spirit, and in so doing, usually draws a triangle. Who created this term? **Jesus did not speak of the trinity.** Originally, God created heaven and earth and he created all of Heaven and Earth in accordance with His Original Form. Thus, in the mineral world, we can see plus and minus, among plants, we see stamen and pistil, in the animal world, we can identify male and female and [Heavenly Parent] created humankind as man and woman.

The birth of any living organism does not begin with the male; birth is possible through the mother. Looking back at the creation of Heaven and Earth, if Heavenly Parent had the Holy Father, there was also the **Holy Mother [within Heavenly Parent]. Therefore, the current definition of the trinity is wrong.** Within Heavenly Parent is the Holy Father and the Holy Mother, the True Parents. This is how Heavenly Parent should be explained. Isn’t that so?

Now, the New Testament Age also became an age of the past and through True Parents, we welcomed the Completed Testament Age. However, even the Completed Testament Age became an age of the past. In 2013, the Only Begotten

MY RESPONSE BY JIM STEPHENS

I sincerely hope that all Family Fed members will read this speech carefully and pray about what she is saying and what she means. She is not speaking in unison with True Father but has her own theology centered on herself.

(Referring to yellow highlighted words)

Is she saying that it was discarded, as if no longer significant? Later she implies the Completed Testament of True Father is also “past”, i.e. dead and gone. True Father always spoke based on the Old Testament and New Testament and did not change them.

Jesus spoke of the Holy Spirit. Maybe he never said the word “trinity,” but why pick a fight with the Catholic Church.

She wants to lift up the “female.”

I’m not sure what she is saying here, but it sounds like she is trying to make the “mother” all important and the origin of creation, thus subject.

Divine Principle explains the trinity. Is she is now saying that it is wrong.

By saying that the “Holy Mother, the True Parents” are within Heavenly Parent, she is implying that she is within God. Therefore she is no longer a human. She is actually divine as she once screamed at Hyung Jin Nim, “I am God.”

Daughter, True Mother proclaimed Foundation Day and the starting year of Cheon Il Guk.

Therefore, we currently do not live in the era of the Completed Testament Age but in the era of Cheon Il Guk and in order to earn your qualifications as citizen of Cheon Il Guk, you must fulfill the mission of Heavenly Tribal Messiah. That is the position where you need to stand.

Tribal Messiahship does not end with blessing 430 families. It is when all blessed 430 families also each complete the blessing of 430 families that a national level foundation capable of expanding to the world can be established. In so doing, we can realize the long awaited wish of Heavenly Parent and humanity: the world of one family under the Heavenly Parent. Please understand that looking at today's reality, this can be accomplished. Do you understand?

Therefore, with what determination are you living in this present age? With regards to True Parents, we must make sure that there is no one among all of humanity that does not know about True Parents. Moreover, the fact that the Only Begotten Daughter, True Mother, is here right now and is leading the current providence is something all of humanity should know. I am sure you felt this during the African Summit.

Senegal is not the leading power of Africa; moreover, it is a Muslim nation. Our membership there is also quite small. In such a nation, however, we were able to host a Summit with heads of state representing the continent. This was an impossible task. However, I made a firm resolve.

At the time, the leaders of our movement suggested hosting the Summit in a nation with a greater membership and a nicer external environment. Despite such suggestions, [I remained firm] and said no. Heaven worked so hard to prepare the righteous individuals for this very moment. In particular, in the Christian cultural realm, it is not easy to embrace Islam. Now, Senegal is an Islamic nation and Africa has carried the wounds of slavery for so long. [The former slave port of] Goree Island is close to the city of Dakar. That is why I resolved to liberate Africa and implement the worldwide providence of salvation through Africa. This is the reason I chose to host the Summit in Senegal.

The Messiah; all of humanity yearns for the Messiah and the advent of the Messiah should at least take place at the national level. Unfortunately, 2,000 years ago, even though Heaven worked to prepare the people of Israel, they failed in their responsibility and Jesus could not stand on a national level and emerge as the True Parent. Hence, [Jesus] prophesied that he would come again. Therefore, with regards to Heaven's providence, when looking at the 2,000 year history of Christianity, what is more important than the Second Advent of the Messiah, is the advent of the Only Begotten Daughter who comes from Heaven's lineage with no relations to Satan, just as Jesus did 2,000 years ago. Unless the Only Begotten Daughter

The New Testament age is "past" and gone. She hopes you ignore that now and just listen to her.

The Completed Testament Age is now also "past" and gone. Now it's time for you to "earn" your position in her kingdom.

Her claim to being born sinless after 2,000 years of Christianity preparing for her birth through the Han lineage is very significant to her theology.

In other speeches she identifies the "True Parents" as herself and Jesus, discarding the person and accomplishments of Sun Myung Moon.

So the providence for salvation of the world will now come through Africa, starting in Senegal. Very interesting. There will be more to come on this I suppose.

Here we go. She says the birth of The Only Begotten Daughter is more important than the Second Advent of the Messiah. The Han lineage, "Heaven's lineage," produced a sinless daughter similar to Jesus.

is born, the returning Messiah cannot advance to the position of True Parent.

In the gospel of Matthew, it is written that people can be forgiven for slandering the Messiah. However, whoever blasphemes against the Holy Spirit cannot be forgiven. Do you remember this passage? This means that with regard to the history of the providence of restoration through indemnity, we are in the Last Days. **Whoever blasphemes against the Only Begotten Daughter, True Mother shall find no salvation.** You must understand this. We are in the Last Days. Do you understand?

Therefore, please awaken people from their ignorance. You must teach them. **Regarding the members of the True Family, there have been some issues.** They do not understand Heaven's providence. **One of them claims to be the eldest son.** I do not know whether the concept of eldest son is as strong in Western culture but in Eastern culture, in particular in Confucianism, the concept of eldest son [is strong.] The eldest son carries the family name. When the eldest son ascends to the spirit world, the second or third son does not become the eldest. The line continues with the son of the eldest son; it is that son's responsibility. No matter how old the uncles may be, the ancestors should be attended by attending the eldest son's son as the center. This is the tradition of Eastern, of Confucian culture.

However, regarding Heaven's providence, what is clear is that True Parents are True Parents of Heaven, Earth and Humankind. There is no previous or future True Parents of Heaven, Earth and Humankind. **This means, there can be no concept of inheritor or successor.**

Do you understand?

With regards to carrying on the tradition of True Parents of Heaven, Earth and Humankind, the person standing in the position of eldest son can become a central figure in carrying on the tradition. **In simple terms, this son stands in a position akin to the High Priest. There are High Priests in each nation; those among you who are responsible for a nation are the High Priests of that nation.** However, regarding the providence as a whole, when it comes to establishing the tradition centering on True Parents, the eldest son's line will carry this mission through the generations. Do you understand what I mean?

Just as there is only one Heavenly Parent, there is only one True Parents of Heaven, Earth and Humankind. Please remember this. Do you understand? Thank you. You are all truly wise and sensible. I need to proudly speak of all of you once again.

To reiterate, there can be **no confusion or side branches** hampering us on the path we are taking; please understand that there is only one path.

I have patiently waited and endured for a long time. I was born

True Father always claimed his wife must be restored from the fallen lineage. He had two wives before Hak Ja Han.

She equates herself with the Holy Spirit and threatens anyone opposing her with "no salvation."

"Some issues!!!" That's correct.

Is she referring to Hyung Jin Nim as claiming to be the eldest son? Wrong. He claims that True Father appointed him as his heir and inheritor. It was clear to everyone at the time.

This reference to Eastern culture or Confucianism as proof is ridiculous. Divine Principle does not follow Confucius and neither did True Father. T. F. officiated over 3 direct and elaborate crownings of Hyung Jin Nim/Yeon Ah Nim so everyone would be clear. Hak Ja Han has lost her way.

What? "No concept of inheritor or successor." This is an absolute and direct contradiction to True Father.

This is totally against God's desire for a lineage.

What the heck? A son is "akin a High Priest." Never heard that one before. She's making it up as she goes along. This is totally different theology from True Father who said, "Love, life, and lineage, but the most important of these is lineage."

God was trying to establish His lineage on earth from Adam and Eve. He is seeking his three generation kingships as in the Family Pledge.

Is she planning to elevate the "eldest son's line," i.e. Hyo Jin Nim's line?

Folks, don't even question her authority and new teachings. Just

and grew as Heavenly Parent's daughter. This is why even if no one taught me the Divine Principle, I knew Heaven's providence. That is how I made a firm resolve at a young age. I became the subject [of the providence]. My thought was that I will realize Heavenly Parent's dream during my lifetime.

In the future, the Divine Principle will need many updates. What I mean is that theories from the Completed Testament Age do not suffice. I spoke to all of you that I would build and prepare a foundation that would enable all of humanity throughout the world to experience internally and externally the achievements of True Parents, agree with True Parents and understand easily their providence. Did I achieve this goal or not? Furthermore, how would the world of peace that Heavenly Parent and humanity yearn for look like? After resolving to make a model [for the world of peace] and expand this model, what happened to the Cheonwon Complex? You all came to Korea for True Parent's Birthday celebrations isn't it? Each year, the [Cheonwon Complex] will look different. I am working so hard; should you or should you not expand Heaven's foundation in your respective nations and throughout the world?

It is because I saw that potential [in America] that I suddenly came here. We shall realize the restoration of the nation and the restoration of the world without fail! Isn't that so?

listen to her only. Don't think for yourself. That's what she hopes.

She's right that no one taught her Divine Principle because it's clear she doesn't know it.

So she "became the subject [of the providence]" did she? What happened to True Father? Did he not accomplish the foundation she is now standing on? Is she the Savior? She cannot even bring herself to say his name: Sun Myung Moon.

"The Divine Principle will need many updates." Wow, does no one hear True Father screaming in the spirit world?

She calls True Father's words "theories from the Completed Testament Age" and says they will not suffice. I think he would disagree.

She claims she is doing all the work. She gives no credit whatsoever to all of True Father's foundation. For her, it's as if she did it herself.

Run from this false goddess as fast as you can. Don't be beguiled!

Sincerely,

Jim Stephens

Father said that guns were used in Europe and China to make revolutions centered on matter or with the intention of accumulating riches, and for that reason, they lost the right to have guns. However, the American Revolution was centered on noble values, so Americans have gun rights. He said these rights are important. He continued explaining that the purpose for which we use things determines if God or Satan has power over it. He explained that weapons at this time in history is power. Then, he said this twice: “when we use it in the Holy of Holies, God has power over it.”

I kind of let him know that I was not understanding him, so he explained that “there is a cosmic battle between God and Satan for the control of power in this world, and it depends on the conditions established by men for God to be able to have power. When men use weapons centered on noble values, God has the conditions necessary to have more power in this world.” Then he said “when Hyung Jin asked to bring weapons to the Holy of

Holies, he established the conditions necessary for God to tip the balance of power towards goodness.” He explained that the Rod of iron does not represent God’s word but it represents God’s power, and this power materializes itself at this time in the form of weapons. He said “the line of goodness crossed the line of evil because of this blessing.” He then said “if Hyung Jin did not give this blessing, America would be destroyed.” I asked him what about all these school shootings. He shouted “a sign should be posted at Disney saying ‘what is destroying Americans is that they are growing distant from each other.’”

My wife brought a plate with corn meal and gave it to him. He ate some of it, and then he stood up as he smiled. He walked away for a bit, then he threw me a Brazilian wood toy that I had when I was a child. I tried to catch it but the toy was spiritual and went through my hands. He laughed and said “you still cannot catch it?” Then I woke up feeling so happy and emotional. I felt the presence of the holy spirit of True Father for about two more hours.
