ESCAPE from Your PRISON!

The Pharisees heard the crowd thus muttering about him, and the chief priests and Pharisees sent officers to arrest him. Jesus then said, "I shall be with you a little longer, and then I go to him who sent me; you will seek me and you will not find me; where I am you cannot come." The Jews said to one another, "Where does this man intend to go that we shall not find him? Does he intend to go to the Dispersion among the Greeks and teach the Greeks? What does he mean by saying, 'You will seek me and you will not find me,' and, 'Where I am you cannot come'?" John 7:32-36

Father, You have been guiding a history of strenuous labor until today for the sake of the whole of humanity. You have been guiding the mission to dismantle the walls of grief and resentment that are deeply rooted in Heaven. Through the words of truth, we now understand that we are the ones who must bring down this wall of resentment erected in Heaven. We have come to realize that when that resentment is dissolved on earth, the link with Heaven will be created.

Please allow us to heed the fact that the Father is calling upon us, the people of this age. Since You have chosen us as Your representatives and have raised us as Your sons and daughters before the whole of humanity, please allow us to reveal only the glory of the Father through our bodies. Let our every deed manifest only the goodness and righteousness of the Father.

By doing so, please let us create harmony centering on love everywhere we have a gathering. Beloved Father, please allow the songs of victories offered to You fill the whole universe.

Heaven does not forget us even in this hour and is reaching out for us, commanding us to do the much-desired will that it seeks from us. Yet when we contemplate whether we respond readily to that calling and whether we have become the sacrifice of harmony before the Father, we are left to beg Your forgiveness for not having realized these ideals and for still stagnating in an inadequate, imperfect and unprepared state.

Please allow us now to open the gates to our hearts, and through new repentance, become the sanctified sacrifice so that the bitter resentment that permeates Heaven can be rooted out with our hands. Furthermore, Father, we hope from the depth of our hearts that You will allow us to become sons and daughters of Yours who can usher in the day of happiness.

The ultimate wall of tribulations of the last days blocks our path. Before us lies the course of conflict that we must travel through with our lives. Father, please do not let us become immature and base ones who become bitter toward Heaven and fall down in the middle of this course of conflict.

We are already firmly determined to offer our minds and bodies as sacrifices, so please accept them, though they are lacking. Beloved Father, it is our utmost wish that You will guide us to become Your sons and daughters, who, as the offered sacrifices, can entrust everything to the Father and await the Father's commandments.

Dear

At the beginning of Sunday's service, Gregg Noll reported on plans to build the True Parents Memorial. We are the orthodox church defending True Father and his words against legal attacks by the Church of

the Only Begotten Daughter to silence the King. He invited brothers and sisters to continue supporting the *Defend and Build* campaign and shared his testimony of giving more than he and Elke currently have and being blessed for it.

Then Hyung Jin Nim started the service by discussing comments on the VICE documentary which is approaching 800,000 views on youtube and another 205,000 on Facebook, so **one million views** so far since it aired three weeks ago! Here are some of the comments:

** Lol gun fanaticism and extreme Christian beliefs? There was literally nothing extreme about what they were saying.....they believe in guns for self defense, that is literally what message he taught.....there's no such thing about a gun fanatic or gun nut.....guns are tools....if someone has a lot of tools it means they are handy and are well prepared for any issues that require maintenance or construction.....if someone has a lot of guns it means they are well prepared for whatever enemies may come to attack them.....*

**I love listening to people shame guns for being weapons of death. As if swords aren't the same thing. Crusades were a pretty Christian thing.*

Guns For God: The Church of the AR-15

** I made the trip [on Sunday] to this church as it's only about a 2 hour drive for me. I have to say I was very impressed with the sense of community and how (despite my tattooed appearance) I was welcomed with open arms. Everyone was friendly introduced themselves and was genuinely interested in what I had to say. I went once and will definitely be back. People loving and serving their God all while exercising and protecting their rights. If you live within a reasonable distance I would challenge you to come and see what it is all about. I promise you will be impressed by what you see.*

** I love the multi-racial, Asian lead group of armed citizens. They can worship how they choose. I may not agree with everything they say but they have the individual liberty principles right.*

** Yes people can protect themselves without a government.*

** People have to save their lives when the time comes!*

** Hey everyone news flash guns are not good, not evil. every crime started in the heart of man. guns are tools for self defense or in the wrong hands like authoritarian governments become genocidal. we have history as witness.*

** God, guns and guts... that church has all three!*

** Guns save livesif they don't, tell the government to give up theirs.*

** This is as American as American you could ever get!*

Hyung Jin Nim discussed how the soldiers of the Roman Empire were living by the sword, directed by the central government to dominate the local people. They were the "Nazis" of their time. Soldiers today should not become like them. They should disobey unconstitutional orders to attack or disarm American citizens.

We should pray for our military to not obey unconstitutional orders.

**Sunday Service - December 2, 2018 - Rev. Hyung Jin Moon

Even though they killed him, they could not kill the message. As he said, "You shall seek me and you will not find me." Fear the person who does not fear death. With that kind of moral power, the early Christians brought down the Roman empire.

Last month [police in Maryland came to confiscate weapons of Gary Willis, a 61 year-old gunowner](#) at his home at 5:17am, even though he'd committed no crime. Then he was shot when he refused to give up his firearms. He is a martyr for the 2nd Amendment. He did not shoot back.

The people of God do not want to die, but they do not fear death. Christians were fed to the lions. Finally the consciences of the Roman people were stricken. This shows the importance of having the moral high ground and not initiating violence or using it to control others. The moral use of force is a key concept of the Christian faith. This was the start of the American revolution.

He spoke about the [Bundy Family's standoff in Nevada with the U.S. Government](#) which was killing and confiscating their cattle in an attempt to put them out of business as it had already done to 53 ranchers in the area. The Obama administration sent Bureau of Land Management agents to the Bundy ranch. The BLM agents killed one of Bundy supporters, who were willing to risk their lives, including the women who were being tazed, but just ripped off those off. (see more details in the [Rod of Iron Kingdom book](#), chapter 10)

It's not better to be red than dead. If you give into evil, you become complicit with it. It takes courage. The devil scares people, especially girls about their safety. But Godly men and women chose to die for their faith in Jesus. We have to stand up for people to be free from tyranny. It's just like the Romans who hated the 12 disciples and the early Christians. We may think we're small, but we already have 12,000.

Cowards gave themselves over to the British Empire. They were not the ones who changed history or guaranteed the rights of all Americans. Many Christians today would run away. Why? Because they did not make an internal spiritual commitment. That is what the devil fears.

The Rod of Iron Kingdom has Christ's ethic. We are not "jihadi's looking for 72 virgins" who are really demons ready to torment them for eternity.

We need to have a shepherd's love for innocent people. But we should also have the tools to punish "wolves" if they seek to do harm. We must be trained in the arts of warfare, having an internal honor code and training for the future. This is critical for being the head of your household and future Cheon Il Guk Kingdom kings and queens. True Mother Kang was ready, even at 93 years old, to defend TF's Kingship line.

In God's kingdom, every woman is a "police woman." They have a completely different consciousness from most women. They are ready to die to protect others, not just follow their own desires. You can serve a different purpose, and have an identity above your own life. Look in the mirror and say- I represent the Peace Police Peace Militia.

Every man should have the heart of a policeman, but one who is not allied with the predators. The time of tyrants is coming to an end.

We are not chasing medals given by men. We are seeking something larger, to build a kingdom, to build a civilization and a culture. Learn to fight, to never give up. We are in the business of creating kings and queens, who are not just seeking personal glory.

"Yesterday I Had a Dream"

by Ena Noelscher

Yesterday I had a dream. I wandered in a labyrinth. Somehow I could not find the exit and my conviction and inner security had come to a low point. I wandered for hours in this labyrinth. At one point I was in such panic! Fear came and I was aware that this is a symbol of prison.

A vision came to my eyes that said, "many walk thousands of years in the labyrinth and they cannot find a way out. It was so miserable when I thought about it. Slowly I started praying, "please God, can you help me?"

Everything started to sparkle and a mantle of pure love surrounded me. Then a voice that sounded familiar to me gave me guidance.

As I began to pray, everything in me changed. I found out that it is possible to pray very well in a dream. The world of feeling is much more intense when you speak the word "God" with tears and love and all

your heart.

With the help of the guidance I found the exit in a short time. When I came out, two people were waiting for me. I already knew them. It was Peter Koch and Gerti Persch (I've met her once in the spiritual world in a dream). It was her voice that helped me in the Labyrinth. I was so happy to see them again.

True Father Lamented One Month Before His Ascension

Because of Hak Ja Han's betrayal and Fall, Father lamented our miserable situation:

“Yesterday I Had a Dream”

by Ena Noelscher - December 3, 2018 - Hyung Jin Moons' Sanctuary Church

Yesterday I had a dream. I wandered in a labyrinth. Somehow I could not find the exit and my conviction and inner security had come to a low point. I wandered for hours in this labyrinth. At one point I was in such panic! Fear came and I was aware that this is a symbol of prison.

A vision came to my eyes that said, “many walk thousands of years in the labyrinth and they cannot find a way out. It was so miserable when I thought about it. Slowly I started praying, “please God, can you help me?”

Everything started to sparkle and a mantle of pure love surrounded me. Then a voice that sounded familiar to me gave me guidance.

As I began to pray, everything in me changed. I found out that it is possible to pray very well in a dream. The world of feeling is much more intense when you speak the word “God” with tears and love and all your heart.

With the help of the guidance I found the exit in a short time. When I came out, two people were waiting for me. I already knew them. It was Peter Koch and Gerti Persch (I've met her once in the spiritual world in a dream). It was her voice that helped me in the Labyrinth. I was so happy to see them again.

Peter Koch has a very strong belief in God and his lineage comes from Moses. I was so proud that I could meet him. His heart and his love are incredible. In a short vision I could see that.

I said, “I want to thank you for helping me and I'm glad to see you.” I shook hands and Peter said, “we were sent from Father to pick you up. The spirit world is indescribably beautiful, more beautiful than people on earth could ever imagine. But it can also be Hell.”

At that moment, Gerti filled the air with wonderful sounds. As we walked through the woods and across the meadows, I asked Peter if he could tell me something about that high meadow that we were about to visit.

He did not say much, though I was sure he knew far more than what he revealed to me. I probably would not have understood, either, so in his wisdom he withheld further clues.

He told me, “this radiant personality, whose house we are going to, is known by every soul in the regions of light. His wish is always executed like an order, and his word is law. The blue, the white and the gold in his robe, which I will see noticed in their proportions, revealed the amazing degree of his knowledge, his spirituality and his wisdom.

There were thousands who called him their "beloved Messiah" and saw him as their chief, By the way, the clothes that someone wears, you can see in which position they are in the universe of God. I knew that Peter Koch was the guide for me to True Father. In terms of his actual function, he is a ruler over a particular region of the spirit world, and

as such collectively exercised that ministry that was individually endowed by each regent of a region. All other regents are therefore under him. So Peter had a right hand position in Father's hierarchy.

By now, we had approached True Father's house, As we quickly slipped out of our sphere into the more refined atmosphere. A little further, and we would have been hampered in advancing. So we instinctively paused in our forward march, and we felt that that momentous time of travel was about to happen. It happened exactly as Peter Koch predicted, because we had nothing to fear.

I felt a prickle of warmth immediately under his handshake, it gave me security that felt very comfortable, I saw Father in his shining light and instantly I touched the essence of God.

I fell to the ground and captured so much love I could only cry. My inner life started to run over the experiences of the last months, including a lot of rejection. Father looked into my innermost being and he felt everything that was going on in me. I felt so secure. I could not stop crying. I did not need words to say anything to Father. He saw my life run like a short film. I knelt before True Father and wept.

Then I saw True Father waving for me to come closer. I wiped my tears and went to him. Peter took my hand and accompanied me to the front. When I stood in front of Father, he looked deep in my eyes. Do you know why you are here? I said, "because I love you."

Father said, "yes I tell you that your mother made a promise by dying at your birth. She sacrificed her life so that you will protect my life and I have seen that you do that." I said, "I cannot do so much. I'm so incompetent." I knelt before True Father and wept.

True Father said, "our church, this division of faith, suffers from boundless ignorance. I am shaken when I see the corruption and manipulation. There is nothing left of the purity of a church. I am so disappointed with the falsehood. I can only trust Hyung Jin. You must testify. The FFWPU brings a new ideology worse than communism. Centuries later it will end in wars and history will go through a new age of conflict."

True Father Lamented One Month Before His Ascension

by Melik [Patchadjian](#) - December 1, 2018 - Hyung Jin Moons' Sanctuary Church

Because of Hak Ja Han's betrayal and Fall, Father lamented our "miserable situation"
"What is the ultimate purpose of God's providence?the primary purpose is to establish True Parents on earth. If not for True Parents, nothing can be further achieved. To indemnify the birth from evil parents and win victory totally depends on establishing good parents. This is a crucial issue that can be solved only by God."

"The Messiah must find or recreate a woman, entering the position of Internal God (내적인 □□□□ □□). How difficult it is. The God of Night and the God of Day have been separate. You would say 'What is the God of Night? What is the God of Day?' When you find the origin (근본), you will realize the separation of the Two, which is against the principle of creation. In the principle of creation, the left side is always problem."

"In Korea, who are supposed to lead the most miserable life? Families of widows and widowers. YOU ARE IN THE SAME SITUATION."

We are entering the era of Alliance-ism, July 30, 2012, Ahn Shi Il and Hoon Dok Hae
Six days before Father's lamentation on July 24, 2012, Hoon Dok Hwe, showing two 옥새 (玉璽: royal seals) from the golden box that Kim Hyo Nam (formerly known as Hoon Mo Nim) had brought, Father said, *"As of now, there hasn't been the owner of the royal seals yet. Why? It is because the God of Night and the God of Day are still fighting!"*

What does it mean when Father says that the "God of Night and the God of Day are still fighting?" A year earlier Father explained,

"The Substantial God / God incarnate attends to the God of Night. I put Mother in that position and she must attend to me as I did to the God of Night. She is like my physical body. Even if Mother goes up to that position (of the God of Day) she must know that there is the God of Night upon her. She, putting me on the top of the God of Day, must be able to attend to me as the God of Night. When it is done, everything is fully finished. If MOTHER DOES NOT KNOW THIS, I WILL NOT GO TO THAT POSITION."

True Father, April 12, 2011

It is clear from Father's statement at the 7/24/2012 Hoon Dok Hwe that he could not approve the release of the royal seals because Mother, in the position of the God of Day, was "fighting" with Father, in the position of the God of Night.

This is also why Father made the shocking statements, 12 days earlier, in the middle of his speech at the Abel UN Women's Inauguration Assembly:

"I raised up Mother [but now] there is no Mother."

"There is no one in the position of Rev. Moon's wife."

"Mother is acting as she pleases, doing whatever she wants!"

What can be clearer than this that Hak Ja Han failed and rebelled against her husband, the LSA whom she declares was born with sin and she was not and that her coming is more important than the LSA? (Famicon 3/16/2018) How can she be more important than the Messiah when Father has said:

When you were living in the realm of the fallen world, you loved many people, such as your parents, your brothers and sisters, friends and so forth. Now that you are seeking union with God's true love, you must give a greater love to the Messiah than any love you ever gave to anyone in your secular life. If your love is any less, then it will not be enough to connect you to God. Jesus taught this, saying, *"Whoever loves his wife, parents, or brethren more than me is not worthy of me."*

There is only one way for the fallen world, whether an individual, a church or a nation, to reconnect with God, and that is through the Messiah. He is like the origin; he is like the seed. Even though people are already born and grown, they all have to trace back to the same father and be born again.

The only way to do that is to love the Messiah intensely. This is precisely the law that was in effect when Jesus came as the Messiah. The Divine Principle and the restoration do not compromise. Two thousands years have passed and now is the time of the Second Advent. <https://tparents.org/Moon-Talks/SunMyungMoon84/840527.htm>

Whom do you believe, the Messiah or the so called Only Begotten Daughter? God testified to the coming of the Messiah, not the unheard of, unmentioned OBD.
