

"Do You Know How To Fight? I Need Warriors!"

Reported by Rev.

There was an enormous amount of unusual spiritual activity in our home. We could not understand what was really going on and why. However, I acknowledged that there was an unusual spirit that invaded our home. It was an intense worldly and spiritual war zone. It was a vile spirit that I never encountered before. It was a bold evil spirit that sought to devour one's soul. It was life and death at war with one another.

Then I heard a voice in the spirit saying, "Can you fight? "Do you know how to fight? I need warriors! I need to know if you can fight for the Kingdom. You must protect the blessing. This is the time to command and take authority."

During the course of this tremendous upheaval True Father appeared in my dream. His face penetrated through some sort of clear thin glass like film. True Father smiled at me as if to say, "don't worry, I am here, stay the course," and then he vanished.

This spiritual war zone occurred during True Mother Kang's transitioning timeframe. It seems as though she went through a violent spiritual world to take her rightful place with our True Father.

We wrestle not against flesh and blood but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore put on the full armour of God, that ye may withstand the evil day and having done all to stand. Eph 6:12-13

Well, I can testify that our True Mother has made it through the dark into the light. It is finished.

The dates were between February 4 to March 6, 2019.

May the will of the Most High God be done. Our prayers go out to the 2nd King & Queen, Kook Jin Nim's family and all our families near and far.

Blessings,

Thelma (Kiladi) Mutala Family

Addendum: A certain peace came over me after this dream. Our Heavenly Father and True

Father's spirit is navigating us safely through the complex and fierce forces in this world.

I gather from my testimony and dream that the Kingdom of God must be taken away from Satan, we do not need to ask for permission. Satan and his minions have no intentions of being subjugated by God. This is a very serious matter that we must be cognizant of. We are either going to stand with God's Authority (Word of God/Eight Great textbooks) or surrender to Satan's manipulations/tactics. We cannot serve two masters!
